FREQUENTLY ASKED QUESTIONS

What About Unwanted Pharmaceuticals/Medications?

ACCEPTING: Household Prescriptions
Over-The-Counter & Pet Medications

How Do I Prepare For Disposal?

Empty your medications into a bag to place in collection drum

Black out your personal information on original container and place it in your trash

What About Sharps... Needles, Syringes & Lancets?

Sharps are extremely dangerous to our employees and are not accepted!

The Public Health Dept. operates a program that distributes Sharps Containers to the public at no cost. Filled containers should be returned to the Public Health Dept. or River Falls Hospital for free proper disposal.

Contact: The Public Health Dept.
715-273-6755

Where Do I Bring To Dispose? PERMANENT COLLECTION SITES

Pierce County Sheriff's Department

Med's Accepted: All Hours
Contact: Sheriff, Nancy Hove

What About Eyeglasses?

An "eye-opening" opportunity exists for doing something positive with your old glasses. Lions Clubs collect eyeglasses for distribution in developing countries. They also collect hearing aids and cell phones.

A collection box has been placed at:
Nilssen's Foods,
157 E. Main Street, Ellsworth
Contact: Jay & Stacey Nesseth
(715) 307-1957

What About Asbestos?

Contact: Wisconsin
DNR for questions:
Michael Charlton (608) 267-0562

Do You Accept Styrofoam?

No, place Styrofoam in your trash.

Open Burning / Solid Waste Disposal Regulations

Section 201-13. (A) Individuals may burn yard waste generated on their property including but not limited to brush, stumps or unpainted and untreated wood with prior notification to the Pierce County Solid Waste Department, unless township or municipal regulations prohibit open burning of these materials. All necessary precautions shall be taken to prevent unauthorized material from being burned, to keep the fire under control and to burn when wind and weather conditions are such as to minimize adverse effects and to conform with local and state fire protection regulations. Nothing in this chapter shall be construed as relieving a person from the responsibility of obtaining any necessary township or municipal burning permit. Burning shall take place only on the property on which the yard waste was generated.

Section 201-16. No person shall burn, dump, place, deposit, bury or otherwise dispose of solid waste in; or cause the littering of any roadside, public park, private property, waterway or other body of water, or any other geographical component of Pierce County.

Note: Individuals should also notify the Sheriff's Department and Town Chair when burning yard waste and clean wood.

FREE RECYCLING BIN PROGRAM

Help Us Help You
by using Recycling Bins at your next Indoor or Outdoor Event!

Community Events

Family Reunions

Graduations

Weddings

Sporting Events

PROGRAM ASSETS:

- We Provide the Bins and Bags
- Convenient • Easy • Reduce Trash Costs
- Keeps Plastic Bottles & Aluminum Cans out of the Landfills

Bins & bags can be reserved and picked up after signing a Lease Agreement and leaving a security deposit. Deposits will be returned when the bins are brought back to us.

BINS/PLACEMENT:

- For best results, place a recycling bin next to a trash bin • Replace bag when approximately 2/3 full (this will help with overflow & recyclables from being thrown in with the trash or trash being thrown in with the recyclables) • Put up signs so that the event attendees know where the recycling and trash bins are.

**Give us a call (715) 273-3092 or
visit our website: www.co.pierce.wi.us**

Comingle Fibers Recycling Guidelines

*All fibers can be placed together.
Break down & flatten all boxes.*

Paper & Cardboard!
