No cost to participate. Light snacks and beverages provided.

Anyone is welcome - no need to be a resident of the county.

The Memory Café is a safe, comfortable, and engaging environment for guests to share their memories and build social connections. It is a place where participants can laugh, learn, and share their experiences with others .

The Memory Café will feature occasional speakers, educational offerings, and special activities along with regular opportunities for socialization and friendship. Program content will vary based on guests' interests, needs, and concerns. We welcome those with memory loss or other cognitive changes, individuals with mild cognitive impairment, people who are concerned about memory loss, and those interested in staying engaged with others, as well as care partners and family members.
