

Community Tip Line

The Pinckneyville Police Department offers our community a tip line to report any criminal activity in your neighborhood or that you have been given information about. Our department values any information from the community on any activities that are of a suspicious nature, especially any activity involving drugs, gangs, or weapons.

Please provide as much detail as you can about date, time, location, descriptions or names of involved persons, and details of the incident. If vehicles are involved, a license plate and car description would be very useful. You can remain anonymous or you can leave us information so we can contact you if we need additional information.

Call our tip line at 618-357-8231 or send us an email at pvillepolice@gmail.com.

Thank you for your assistance in keeping our community safe.
