November 1, 2018

Attendance: Ryan Blass, Andy Fox, Jason James, Jack Kostiuk, Chris Morris, Jenn Rebman, Michael Razze

Current programs and events:

- Micro-mini soccer is nearly over for this season. There are just two weekends left for games.
- The 5th-8th grade golf program at the Pitman Golf Course has a few more weeks left. So far, the new program has been successful.
- At the Middle School, the High School open gym is still ongoing. The girls have been added to the gym in the 6-7:30 time slot; the boys follow afterward.
- Last Wednesday night (10/24), the youth open gym led by Ron Myers opened for 3rd-8th graders.

Upcoming programs and events:

- Basketball: boys tryouts will be held on November 12 and 13 at the Middle School gym; because of limited numbers, there won't be tryouts for the girls. Bill Elias will continue to coach the 7-8th grade boys team. The girls Middle School team will have their own tryouts from November 12-14. Practices will begin on the 15th. Norm VanFossen will return for another season as head coach. The travel basketball teams start their seasons in December. There will also be our "In House" and "Young Gunners" programs that will begin in early December.
- Other notes: there is a draining issue at the new pump track. In the Spring, different materials will be added to help solve this issue. Steve Blackmon from the Caffeinated Cyclist is also consulting on this. The fields at Alcyon Lake Park are getting new sod installed. The Little League fields are done, and the others will soon follow.

Next Meeting: Thursday December 6 at 6:30 in the Council Chambers
