Dear Community Members:

*The Pitman Police Department continues to aim toward strengthening our established relationships and bonds while building new relationships within the community and surrounding areas. To that goal, I have been meeting throughout the year with various organizations, community leaders and residents to address areas of concern with law enforcement, traffic and public safety. Our goal of providing a safe and secure environment for all residents and visitors has been reiterated over and over. Our focus has been such to insure that the services that we are providing are second to none. We continuously strive to meet and be aware of the needs of the community and I welcome your feedback so that we can react and improve to each concern.*

*The Pitman Police Department has seen several changes over the past several months. Sgt. Thomas D. Zander has moved out of the Traffic Safety Unit and has been elevated to the position of Operations Supervisor. Sgt. Zander assumes this critical post with enthusiasm and an abundance of supervision experience. Sgt. Jon Streater is now filling the position vacated by Sgt. Zander in the Traffic Safety Unit. Investigator Erik Beschen has assumed the role as Detective and Investigator Nick Barbetta continues to head the Special Investigations Unit. After seven years of service to the County SWAT team, Sgt. Streater has relinquished that role. Patrolman Sam Hoffman now represents the PPD in that capacity. Patrolman EJ Parker and his K-9 partner, Ranger, continue to provide enhanced protection to our community through the K-9 services that they provide. The PPD will host its Second Annual Youth Academy during the 2<sup>nd</sup> week of July.*
