Update on Tennis Court Repairs

Councilwoman James stated that once again the Borough is preparing to go out to bid for the repairs needed at the Shertel Park tennis courts. The previous bid in 2021, which contained two submitted packets, both came in at approximately \$100,000.00 over the available funding bonded by the Borough for the project. It is hoped that the bid information will be available to bidders by late August.

Councilman Kelly said that in his opinion, most of the issues evident at the tennis courts has been caused by poor drainage conditions. He suggested that the Borough look into correcting the drainage problems on the courts before doing further repairs.
