The Pitman Middle School field hockey program consists of students enrolled at Pitman Middle School, grades 6th thru 8th. Our goal is to provide a high level of instruction, for beginners to experienced players, and encourage the growth of the sport in Pitman. The season will begin in September and end in November. There will be scheduled practices as well as games. We will compete with neighboring towns, and unfortunately, transportation will not be provided. The Pitman Recreation Department supports this program in conjunction with the Pitman BOE.
