SOP 22 Selection

I. Purpose

The purpose of this policy is to establish policy and procedures in regards to the process used in the selection of individuals to fill sworn positions within the police department.

II. Policy

It will be the policy of the department to identify and employ the best candidates available to fill sworn positions. The selection process utilized by the department will consist of those elements that test validity through job relatedness, utility through usefulness, and a minimum adverse impact through fairness. The application of these concepts in the selection process will result in the appointment of individuals who possess the skills, knowledge, and abilities necessary to insure that the department will remain an effective, professional, and respected law enforcement agency. The Pitman Police Department is committed to following best practices and adhering to any future policies and directives from the prosecutors office and the Office of the Attorney General.

III. Procedure

A. Recruitment

1. The Chief of Police shall designate an individual(s) that will be responsible for the recruitment function of the Borough of Pitman Police Department.
2. Prior to the commencement of recruitment activities, the designated recruitment officer(s) shall conduct research into some or all of the following areas in an effort to achieve a comprehensive understanding of the needs of the department as they relate to the recruitment function.

SOP 22 - Selection

 - B. The current demographic composition of the police department.
 - C. Legal, Ethical and cultural/ethnic issues associated with the recruitment process.
 - D. Characteristic likely to disqualify certain candidates.
 - E. The basis of successful recruitment programs utilized by other law enforcement agencies.
3. The primary goal of department recruitment activities will be to attract qualified candidates for employment that will enable the department to work toward its long-range goal of employing a sworn workforce that is representative of the overall available workforce in the department's service area.
 4. The department shall establish, annually review and, if necessary, modify a written recruiting plan (see plan below) that is designed to assist the department in achieving the stated recruitment goal of employing a sworn workforce representative of the overall workforce of the department's service area.
 5. The written recruitment plan shall include the following:
 - A. Statement of objectives
 - B. A plan of action designed to achieve the stated objectives; and
 - C. A process to ensure annual review of the plan in order to evaluate the success of the plan in terms of meeting the objectives.
 - D. A mechanism to indicate when the strategy shall be revised and reissued.
 6. As a general rule, the Borough of Pitman Police Department will not engage in continuous recruitment activities. Active periods of recruitment shall only occur when deemed necessary to fill existing vacancies and then only to the extent necessary to fulfill the requirements of the aforementioned written recruitment strategy. However, the department will continuously solicit resumes from interested candidates by publishing the following information on the Borough's website:
 - A. The current criteria for employment eligibility,
 - B. A job description for the position of police officer,
 - C. A statement announcing the Borough's commitment to the principle's of equal employment opportunity.
 - D. An invitation for qualified candidates to submit a resume for consideration when one or more vacancies occur within the department.

B. Administration

1. The Chief of Police will be responsible for administering the selection process. He will insure that the phases of the process are administered, scored, evaluated, and interpreted in a uniform manner and that the operational elements of the selection process are identical for all candidates.

SOP 22 - Selection

2. The Chief of Police will be responsible for securing all materials used in rating candidates. Access will be limited only to command level personnel or personnel directly involved in the rating process. Materials will be secured by the Chief of Police.
 - a. Rating materials to be disposed of will be disposed of in such a manner as to restrict unauthorized access.
3. The Chief of Police will also be responsible for insuring that all records for candidates, those appointed as well as those not appointed, are secured in compliance with applicable state and federal laws.
