I. UNFINISHED BUSINESS

J. NEW BUSINESS

- 1) Request for Board Action - Approve Charitable Gaming License for Plymouth Scholars Academy Leadership Team - **Resolution 2015-02-10-03**

Board members felt that Mr. Doroshewitz, a member of the Plymouth Scholars Academy Leadership Team, does not need to be excused from voting on this matter because there is no personal gain involved.

Moved by Mr. Curmi and seconded by Ms. Conzelman to approve Resolution 2015-02-10-03 approving the Local Governing Body Resolution for Charitable Gaming Licenses for Plymouth Scholars Leadership Team ("SLT"). Ayes all on a roll call vote.

A copy of the Resolution is on file in the Clerk's office for public perusal.

- 2) Request for Board Action - Approve Civil Service Commission Appointment - Ed Snage

Moved by Ms. Arnold and seconded by Mr. Kelly to appoint Ed Snage to the Civil Service Commission with a term expiring April 30, 2021. Ayes all.

- 3) Request for Board Action - Approve Settlement of Warranty Claim for Sheet Metal Roofing at Plymouth Township Hall and Fire Station

Mr. Mike Bode of Roofing Technology Associates, Ltd. addressed the Board and answered questions regarding the evaluations that indicated a defect in the manufacturing process of the roofing. He reviewed the alternatives for repair.

REGULAR MEETING
TUESDAY, FEBRUARY 10, 2015**

MINUTES

Township Attorney Demopoulos answered questions from the Board regarding the implications of the settlement offer from Berridge Mfg. Co. for \$127,000 which would cover the complete cost of wet sandblasting, power washing and repainting the existing roofs. Attorney Demopoulos advised that based on the terms of the warranty, the settlement offer represents the highest amount the Township could reasonably expect to be awarded if it chose to pursue the matter in court.

A resident with experience in painting metals expressed his opinion regarding the problem of peeling paint.

Moved by Mr. Edwards and supported by Mr. Kelly to accept the settlement agreement as presented to the Township Board and authorize the Township Supervisor and Clerk to execute the Release and Settlement Agreement. Ayes all.

- 4) Request for Board Action - Repeal and Replace Consumers Energy Franchise Ordinance

Township Attorney Bennett explained that a new ordinance is necessary because Consumers Energy inadvertently failed to accept in writing the prior ordinance within the required 30 days.

Moved by Mr. Edwards and seconded by Ms. Arnold to approve the first reading of Consumers Energy Company Gas Franchise Ordinance, Amendment 14 to Ordinance 1016. Ayes all on a roll call vote.

A copy of the Ordinance is on file in the Clerk's office for public perusal.

- 5) Request for Board Action - Michigan Public Safety Communications System Integration Agreement - **Resolution 2015-02-10-07**

Moved by Mr. Curmi and seconded by Ms. Conzelman to approve Resolution 2015-02-10-07 authorizing the Supervisor to sign the Michigan Public Safety Communication System Integration Agreement. Ayes all on a roll call vote.

A copy of the Resolution is on file in the Clerk's office for public perusal.

- 6) Request for Board Action - Wayne County Road Permit Applications - **Resolutions 2015-02-10-04, 2015-02-10-05, 2015-02-10-06**

Attorney Bennett reviewed his recommended modifications regarding the indemnification provisions.

Moved by Mr. Kelly and seconded by Ms. Arnold to approve Resolution Nos. 2015-02-10-04 (Special Events), 2015-02-10-05 (Street Sweeping), and 2015-02-10-06 (Pavement

Restoration), authorizing the Township Supervisor to sign the Wayne County Road permit applications on behalf of the Township along with a cover letter reserving the Township's right to challenge the indemnification provisions as beyond the authority of the Township. Ayes all on a roll call vote.

Copies of the Resolutions are on file in the Clerk's office for public perusal.

7) Request for Board Action - Approve Purchase of Ford Transit Van

Mr. Fellrath reviewed the age and non-running condition of the current van.

Moved by Ms. Arnold and seconded by Mr. Kelly to authorize the purchase of a 2015 Ford Transit 250 Van from Signature Ford Lincoln for the amount of \$23,522.00 per the attached quote and specifications. Ayes all.

8) Request for Board Action - Purchase of SMI Standard Pole Cat Snow Maker

The Board discussed at length the benefits and risks associated with a snow machine for the sled hill at Township Park.

A resident expressed his objection to the expenditure for this purpose.

The Board recessed briefly at 9:15 p.m. and returned to session at 9:19 p.m.

Moved by Mr. Edwards and seconded by Ms. Conzelman to approve the purchase of a Standard Pole Cat Oscillating Snowmaker with a 10 hp compressor and a 10 hp fan, in the amount of \$21,480.00 from SMI Snowmakers of Midland, MI.

AYES: Edwards, Conzelman, Arnold, Reaume

NAYS: Curmi, Doroshewitz, Kelly

Motion carried.

9) Request for Board Action - Purchase BS&A Financial Software

Mr. Steve Rennell of BS&A addressed the Board and answered questions regarding the replacement of the Township's current system which was purchased more than 22 years ago.

After lengthy discussion, it was moved by Mr. Kelly and seconded by Ms. Arnold to approve the purchase of the financial management software, including installation, training, and data conversion, from BS&A in the amount of \$219,275.00, per their proposal of December 8, 2014; and authorize the Supervisor to sign the contracts, subject to review by the Township Attorney

and subject to the review of Trustee Doroshewitz as to the scope of services by the end of the month.

AYES: Kelly, Arnold, Conzelman, Doroshewitz, Edwards, Reaume

NAYS: Curmi

Motion carried.

K. SUPERVISOR AND TRUSTEE COMMENTS

Mr. Reaume discussed work being done on new design for the website, an article regarding increase in property values, and the possibility of a work session on Saturday, February 28, 2015, on the topic of amounts owed by the City of Plymouth pursuant to joint public safety agreements.

Mr. Curmi had questions about how to obtain an absent voter application.

L. PUBLIC COMMENTS

A resident commented that she feels the meeting is a hostile environment.

M. CLOSED SESSION:

At 10:56 p.m., Ms. Conzelman moved that a closed session be called for the permissible purpose of discussing pending litigation under Section 8(e) of the Open Meetings Act. Seconded by Ms. Arnold. Ayes all on a roll call vote.

At 11:32 p.m., Ms. Arnold moved to return to open session. Seconded by Mr. Edwards. Ayes all on a roll call vote.

N. ADJOURNMENT

Moved by Mr. Edwards and seconded by Ms. Arnold to adjourn the meeting at 11:32 p.m. Ayes all.

REQUEST FOR BOARD ACTION**

Meeting Date: March 3, 2015

ITEM: Repeal and Replace Consumers Energy Franchise Ordinance – Second Reading

BRIEF: Consumers Energy Franchise Ordinance – Second Reading

ACTION: Approve

DEPARTMENT/PRESENTER(S): Kevin Bennett, Township Attorney

BACKGROUND: The Board approved this ordinance at its meeting on December 9, 2014. According to the terms of the Ordinance, Consumers Energy was required to accept the Ordinance in a writing filed with the Charter Township Clerk within thirty days following adoption. Consumers Energy inadvertently failed to comply with this acceptance requirement which rendered the adopted Ordinance invalid. Consumers Energy will pay for the two newspaper publications that will be required in order to adopt another ordinance. This Request is to repeal the recently adopted Ordinance and replace it with a new ordinance.

**AMENDMENT 14 TO ORDINANCE 1016
CONSUMERS ENERGY COMPANY GAS FRANCHISE ORDINANCE**

AN ORDINANCE, granting to CONSUMERS ENERGY COMPANY, its successors and assigns, the right, power and authority to lay, maintain and operate gas mains, pipes and services on, along, across and under the highways, streets, alleys, bridges, waterways, and other public places, and to do a local gas business in the CHARTER TOWNSHIP OF PLYMOUTH, WAYNE COUNTY, MICHIGAN, for a period of thirty years.

THE CHARTER TOWNSHIP OF PLYMOUTH ORDAINS:

SECTION 1. TERM. The CHARTER TOWNSHIP OF PLYMOUTH, WAYNE COUNTY, MICHIGAN, hereby grants to the Consumers Energy Company, a Michigan corporation, its successors and assigns, hereinafter called the "Grantee," the right, power and authority to lay, maintain and operate gas mains, pipes and services on, along, across and under the highways, streets, alleys, bridges, waterways, and other public places, and to do a local gas business in the CHARTER TOWNSHIP OF PLYMOUTH, WAYNE COUNTY, MICHIGAN, for a period of thirty years.

SECTION 2. CONSIDERATION. In consideration of the rights, power and authority hereby granted, said Grantee shall faithfully perform all things required by the terms hereof.

SECTION 3. CONDITIONS. No highway, street, alley, bridge, waterway or other public place used by said Grantee shall be obstructed longer than necessary during the work of construction or repair, and shall be restored to the same order and condition as when said work was commenced. All of Grantee's pipes and mains shall be so placed in the highways and other public places as not to unnecessarily interfere with the use thereof for highway purposes.

SECTION 4. HOLD HARMLESS. Said Grantee shall at all times keep and save the Charter Township free and harmless from all loss, costs and expense to which it may be subject by reason of the negligent construction and maintenance of the structures and equipment hereby authorized. In case any action is commenced against the Charter Township on account of the permission herein given, said Grantee shall, upon notice, defend the Charter Township and save it free and harmless from all loss, cost and damage arising out of such negligent construction and maintenance.

SECTION 5. EXTENSIONS. Said Grantee shall construct and extend its gas distribution system within said Charter Township and shall furnish gas to applicants residing therein in accordance with applicable laws, rules and regulations.

SECTION 6. FRANCHISE NOT EXCLUSIVE. The rights, power and authority herein granted, are not exclusive. Either manufactured or natural gas may be furnished hereunder.

SECTION 7. RATES. Said Grantee shall be entitled to charge the inhabitants of said Charter Township for gas furnished therein, the rates as approved by the Michigan Public Service Commission, to which Commission or its successors authority and jurisdiction to fix and regulate gas rates and rules regulating such service in said Charter Township, are hereby granted for the term of this franchise. Such rates and rules shall be subject to review and change at any time upon petition therefor being made by either said Charter Township, acting by its Charter Township Board, or by said Grantee.

SECTION 8. REVOCATION. The franchise granted by this ordinance is subject to revocation upon sixty (60) days written notice by the party desiring such revocation.

SECTION 9. MICHIGAN PUBLIC SERVICE COMMISSION, JURISDICTION. Said Grantee shall, as to all other conditions and elements of service not herein fixed, be and remain subject to the rules and regulations of the Michigan Public Service Commission or its successors, applicable to gas service in said Charter Township. Nothing herein shall be construed as limiting the legal right of Grantee to challenge, contest or appeal any order, rule or regulation of the Michigan Public Service Commission.

SECTION 10. COMPLIANCE WITH LAWS. Grantee shall comply with all applicable laws, statutes, ordinances, rules and regulations regarding the installation, maintenance or operation of its gas system, whether federal, state or local, now in force or which hereafter may be promulgated; however, nothing herein shall be construed as a waiver by Grantee of any of its existing or future rights under state or Federal law.

SECTION 11. REPEALER. This ordinance, when accepted by grantee and published as herein provided, shall repeal and supersede the provisions of a gas ordinance adopted by the Charter Township Board on December 9, 2014 entitled:

AN ORDINANCE, granting to CONSUMERS POWER COMPANY, its successors and assigns, the right, power and authority to lay, maintain and operate gas mains, pipes and services on, along, across and under the highways, streets, alleys, bridges, and other public places, and to do a local gas business in the CHARTER TOWNSHIP OF PLYMOUTH, WAYNE COUNTY, MICHIGAN, for a period of thirty years.

and amendments, if any, to such ordinance whereby a gas franchise was granted to Consumers Energy Company.

SECTION 12. EFFECTIVE DATE. This ordinance shall take effect upon the day after the date of publication thereof; provided, however, it shall cease and be of no effect after thirty days from its adoption unless within said period the Grantee shall accept the same in writing filed with the Charter Township Clerk. Upon acceptance and publication hereof, this ordinance shall constitute a contract between said Charter Township and said Grantee.

Said Grantee shall be entitled to charge the inhabitants of said Charter Township for gas furnished therein, the rates as approved by the Michigan Public Service Commission, to which Commission or its successors authority and jurisdiction to fix and regulate gas rates and rules regulating such service in said Charter Township, are hereby granted for the term of this franchise. Such rates and rules shall be subject to review and change at any time upon petition therefor being made by either said Charter Township, acting by its Charter Township Board, or by said Grantee.

SECTION 8. REVOCATION. The franchise granted by this ordinance is subject to revocation upon sixty (60) days written notice by the party desiring such revocation.

SECTION 9. MICHIGAN PUBLIC SERVICE COMMISSION, JURISDICTION. Said Grantee shall, as to all other conditions and elements of service not herein fixed, be and remain subject to the rules and regulations of the Michigan Public Service Commission or its successors, applicable to gas service in said Charter Township. Nothing herein shall be construed as limiting the legal right of Grantee to challenge, contest or appeal any order, rule or regulation of the Michigan Public Service Commission.

SECTION 10. COMPLIANCE WITH LAWS. Grantee shall comply with all applicable laws, statutes, ordinances, rules and regulations regarding the installation, maintenance or operation of its gas system, whether federal, state or local, now in force or which hereafter may be promulgated; however, nothing herein shall be construed as a waiver by Grantee of any of its existing or future rights under state or Federal law.

SECTION 11. REPEALER. This ordinance, when accepted by grantee and published as herein provided, shall repeal and supersede the provisions of a gas ordinance adopted by the Charter Township Board on December 9, 2014 entitled:

AN ORDINANCE, granting to CONSUMERS POWER COMPANY, its successors and assigns, the right, power and authority to lay, maintain and operate gas mains, pipes and services on, along, across and under the highways, streets, alleys, bridges, and other public places, and to do a local gas business in the CHARTER TOWNSHIP OF PLYMOUTH, WAYNE COUNTY, MICHIGAN, for a period of thirty years.

and amendments, if any, to such ordinance whereby a gas franchise was granted to Consumers Energy Company.

SECTION 12. EFFECTIVE DATE. This ordinance shall take effect upon the day after the date of publication thereof; provided, however, it shall cease and be of no effect after thirty days from its adoption unless within said period the Grantee shall accept the same in writing filed with the Charter Township Clerk. Upon acceptance and publication hereof, this ordinance shall constitute a contract between said Charter Township and said Grantee.

ITEM: Board of Review Poverty Exemption Guidelines

BRIEF:

ACTION: Adopt the poverty exemption guidelines for the Board of Review.

DEPARTMENT/PRESENTER(S): Supervisor Richard M. Reaume

BACKGROUND: Local governing bodies are required to adopt guidelines that set income levels for their poverty exemption guidelines and those income levels **shall not be set lower** by a township than the federal poverty guidelines updated annually by the U.S. Department of Health and Human Services. To assist the township Board of Review with the poverty guidelines and eliminate the requirement for the Board of Trustees to approve those federal poverty guidelines each and every year the attached Resolution adopts those federal poverty guidelines as published by the Michigan State Tax Commission as it may change from year to year.

**2015 BOARD OF REVIEW GUIDELINES
FOR POVERTY APPEALS
(As Published by the State Tax Commission)**

To be eligible for a poverty exemption, a person shall annually:

1. Own and occupy the property as a homestead as required by law.
2. File the approved form provided by the Township.
3. Provide evidence of ownership.
4. Submit copies of federal and state income tax returns for all persons residing in the homestead as well as copies of any property tax credit returns, as required by law.
5. The Board of Review may require proof of identification if it feels it is necessary.
6. The household income (including all persons residing in the homestead) shall meet the federal poverty income standards as defined and determined annually by the United States Office of Management and Budget. In cases where household income of a property as herein defined exceeds \$10,000, but meets the federal standard, the assessment shall be adjusted so the out-of-pocket property tax, as best estimated based on the previous year's millage rate and after deducting the applicable state property tax refund, equals ten percent (10%) of the household income. In cases where the household income meets the federal standard but is less than \$10,000, the assessment shall be adjusted so the out-of-pocket property tax, as best estimated based on the previous year's millage rate and after deducting applicable state property tax refunds, equals five percent (5%) of the household income.
7. Income included as household income shall be from any and all sources and shall include all dependents' and occupants' income including, but not limited to, types such as salary, state or federal aid, alimony, social security, pension and insurance benefits, return on investments and savings, and any other forms of compensation received.
8. The total of all liquid assets, not including the homestead, shall not exceed \$25,000.
9. The Board of Review may waive the income limits for households with greater incomes but who have expenses beyond the ordinary scope of expected costs which are severe and unavoidable, such as unusually high health care costs not covered by insurance. In such catastrophic scenarios, the state equalized value may be reduced to zero (0).

10. In cases where the Board of Review deviates from the income limits for substantial and compelling reasons, such as described above in number 9, these reasons will be noted on the petition and communicated in writing to the claimant. Such reasons will be properly documented.
11. In no case will the Board of Review approve an assessment reduction without the necessary and required documentation.
12. In the case of a poverty appeal, a copy of the petition and supporting documentation will be kept in a separate file and provided on request to an interested member of the public.

FEDERAL POVERTY GUIDELINES AS PUBLISHED BY THE STATE TAX COMMISSION

C. Federal Poverty Guidelines Used in the Determination of Poverty Exemptions for 2015.

MCL 211.7u, which deals with poverty exemptions, was significantly altered by PA 390 of 1994 and was further amended by PA 620 of 2002.

Local governing bodies are required to adopt guidelines that set income levels for their poverty exemption guidelines and that those income levels **SHALL NOT BE SET LOWER** by a city or township than the federal poverty guidelines updated annually by the U.S. Department of Health and Human Services. This means, for example, that the income level for a household of 3 persons **SHALL NOT** be set lower than \$19,790 which is the amount shown on the following chart for a family of 3 persons. The income level for a family of 3 persons may be set higher than \$19,790.

FEDERAL POVERTY GUIDELINES FOR 2015 ASSESSMENTS:

The following are the federal poverty guidelines for use in setting poverty exemption guidelines.

SIZE OF FAMILY UNIT	POVERTY GUIDELINES
1	\$11,670
2	\$15,730
3	\$19,790
4	\$23,850
5	\$27,910
6	\$31,970
7	\$36,030
8	\$40,090
For each additional person	\$4,060

NOTE: PA 390 OF 1994 states that the poverty exemption guidelines established by the governing body of the local assessing unit shall also include an asset level test. An asset test means the amount of cash, fixed assets or other property that could be used, or converted to cash for use in the payment of property taxes. The asset test should calculate a maximum amount permitted and all other assets above that amount should be considered available. Please see STC Bulletin 5 of 2012 for more information on poverty exemptions.

NOTE: PA 135 of 2012 changed the requirements for filing documentation in support of a poverty exemption to allow an affidavit (Treasury Form 4988) to be filed for all persons residing in the residence who were not required to file federal or state income tax returns in the current year or in the immediately preceding year. This does include the owner of the property who is filing for the exemption.

Revised 02/05/2015

THE GENERAL PROPERTY TAX ACT (EXCERPT)
Act 206 of 1893

211.7u Principal residence of persons in poverty; exemption from taxation; applicability of section to property of corporation; eligibility for exemption; application; policy and guidelines to be used by local assessing unit; duties of board of review; appeal of property assessment; "principal residence" defined.

Sec. 7u. (1) The principal residence of persons who, in the judgment of the supervisor and board of review, by reason of poverty, are unable to contribute toward the public charges is eligible for exemption in whole or in part from taxation under this act. This section does not apply to the property of a corporation.

(2) To be eligible for exemption under this section, a person shall do all of the following on an annual basis:

(a) Be an owner of and occupy as a principal residence the property for which an exemption is requested.

(b) File a claim with the supervisor or board of review on a form provided by the local assessing unit, accompanied by federal and state income tax returns for all persons residing in the principal residence, including any property tax credit returns, filed in the immediately preceding year or in the current year. Federal and state income tax returns are not required for a person residing in the principal residence if that person was not required to file a federal or state income tax return in the tax year in which the exemption under this section is claimed or in the immediately preceding tax year. If a person was not required to file a federal or state income tax return in the tax year in which the exemption under this section is claimed or in the immediately preceding tax year, an affidavit in a form prescribed by the state tax commission may be accepted in place of the federal or state income tax return. The filing of a claim under this subsection constitutes an appearance before the board of review for the purpose of preserving the claimant's right to appeal the decision of the board of review regarding the claim.

(c) Produce a valid driver's license or other form of identification if requested by the supervisor or board of review.

(d) Produce a deed, land contract, or other evidence of ownership of the property for which an exemption is requested if required by the supervisor or board of review.

(e) Meet the federal poverty guidelines updated annually in the federal register by the United States department of health and human services under authority of section 673 of subtitle B of title VI of the omnibus budget reconciliation act of 1981, Public Law 97-35, 42 USC 9902, or alternative guidelines adopted by the governing body of the local assessing unit provided the alternative guidelines do not provide income eligibility requirements less than the federal guidelines.

(3) The application for an exemption under this section shall be filed after January 1 but before the day prior to the last day of the board of review.

(4) The governing body of the local assessing unit shall determine and make available to the public the policy and guidelines the local assessing unit uses for the granting of exemptions under this section. The guidelines shall include but not be limited to the specific income and asset levels of the claimant and total household income and assets.

(5) The board of review shall follow the policy and guidelines of the local assessing unit in granting or denying an exemption under this section unless the board of review determines there are substantial and compelling reasons why there should be a deviation from the policy and guidelines and the substantial and compelling reasons are communicated in writing to the claimant.

(6) A person who files a claim under this section is not prohibited from also appealing the assessment on the property for which that claim is made before the board of review in the same year.

(7) As used in this section, "principal residence" means principal residence or qualified agricultural property as those terms are defined in section 7dd.

RESOLUTION # 2015-03-03-08

**RESOLUTION TO ADOPT POVERTY EXEMPTION GUIDELINES
FOR PLYMOUTH TOWNSHIP BOARD OF REVIEW**

At a regular meeting of the Board of Trustees for the Charter Township of Plymouth (the "Board"), held at Township Hall located at 9955 N. Haggerty Road, Plymouth, Michigan on March 3, 2015 the following resolution was offered:

WHERE AS, the homestead of persons who, in the judgment of the Board of Review, by reason of poverty, are unable to contribute to the public charges, is eligible for exemption in whole or part from taxation under MCL 211.7u; and

WHERE AS, one of the provisions of PA 620 of 2002 is that local governing bodies are required to set income levels for their poverty exemption guidelines and that those income levels SHALL NOT BE SET LOWER by a township than the federal poverty guidelines updated annually by the U.S. Department of Health and Human Services; and

NOW THEREFORE, pursuant to MCL 211.7u, the Charter Township of Plymouth, Wayne County adopts the following guidelines for the Plymouth Township Board of Review to implement.

To be eligible for a poverty exemption, a person shall annually:

1. Own and occupy the property as a homestead as required by law.
2. File the approved form provided by Plymouth Township.
3. Provide evidence of ownership.
4. Submit copies of federal and state income tax returns for all persons residing in the homestead as well as copies of any property tax credit returns, as required by law.
5. The Board of Review may require proof of identification if it feels it is necessary.
6. The household income (including all persons residing in the homestead) shall meet the federal poverty income standards as defined and determined annually by the United States Office of Management and Budget. In cases where household income of a property as herein defined exceeds \$10,000, but meets the federal standard, the assessment shall be adjusted so the out-of-pocket property tax, as

best estimated based on the previous year's millage rate and after deducting the applicable state property tax refund, equals ten percent (10%) of the household income. . In cases where the household income meets the federal standard but is less than \$10,000, the assessment shall be adjusted so the out-of-pocket property tax, as best estimated based on the previous year's millage rate and after deducting applicable state property tax refunds, equals five percent (5%) of the household income.

7. Income included as household income shall be from any and all sources and shall include all dependents' and occupants' income including, but not limited to, types such as salary, state or federal aid, alimony, social security, pension and insurance benefits, return on investments and savings, and any other forms of compensation received.
8. The total of all liquid assets, not including the homestead, shall not exceed \$25,000.
9. The Board of Review may waive the income limits for households with greater incomes but who have expenses beyond the ordinary scope of expected costs which are severe and unavoidable, such as unusually high health care costs not covered by insurance. In such catastrophic scenarios, the state equalized value may be reduced to zero (0).
10. In cases where the Board of Review deviates from the income limits for substantial and compelling reasons, such as described above in number 9, these reasons will be noted on the petition and communicated in writing to the claimant. Such reasons will be properly documented.
11. In no case will the Board of Review approve an assessment reduction without the necessary and required documentation.
12. In the case of a poverty appeal, a copy of the petition and supporting documentation will be kept in a separate file and provided on request to an interested member of the public.

BE IT FURTHER RESOLVED THAT, the federal poverty household income guidelines stated in Item #6 above and adopted by the Plymouth Township Board of Trustees for use by the Plymouth Township Board of Review for assessments in 2015 and years going forward shall be the federal poverty income standards as defined and determined by the United States Office of Management and Budget, as it may change from year to year, and published annually by the Michigan State Tax Commission.

ITEM: Fire Fighter Turn out Gear

BRIEF:

ACTION:

Replace Fire Fighter Protective Turnout Gear that has expired after 10 years of Service.

DEPARTMENT/PRESENTER(S): Fire Chief Daniel Phillips

BACKGROUND: Ten years ago the Fire Department purchased a large set of turn out gear and it now at its end of service life due to federal and state regulations. Replacement will require the purchase of 17 sets of turn out coats and pants as well as 6 sets of boots and 5 helmets. The cost is \$30,126.35 prior to March 16th after which there is a 5% increase in cost.

After a review of the available turnout gear manufactures the department purchased a complete set from 3 different recommended manufactures. The department did field testing of the 3 sets and FireDex was the preferred product from the fire fighter evaluation committee. Apollo is the local distributor of several different turnout gear manufacturers and the cost for the top of the line FireDex turnout gear was \$200 less per set than the Janesville line. FireDex while having a high quality falls in the middle range of manufacturers.

FEDERAL POVERTY GUIDELINES AS PUBLISHED BY THE STATE TAX COMMISSION

C. Federal Poverty Guidelines Used in the Determination of Poverty Exemptions for 2015.

MCL 211.7u, which deals with poverty exemptions, was significantly altered by PA 390 of 1994 and was further amended by PA 620 of 2002.

Local governing bodies are required to adopt guidelines that set income levels for their poverty exemption guidelines and that those income levels **SHALL NOT BE SET LOWER** by a city or township than the federal poverty guidelines updated annually by the U.S. Department of Health and Human Services. This means, for example, that the income level for a household of 3 persons **SHALL NOT** be set lower than \$19,790 which is the amount shown on the following chart for a family of 3 persons. The income level for a family of 3 persons may be set higher than \$19,790.

FEDERAL POVERTY GUIDELINES FOR 2015 ASSESSMENTS:

The following are the federal poverty guidelines for use in setting poverty exemption guidelines.

SIZE OF FAMILY UNIT	POVERTY GUIDELINES
1	\$11,670
2	\$15,730
3	\$19,790
4	\$23,850
5	\$27,910
6	\$31,970
7	\$36,030
8	\$40,090
For each additional person	\$4,060

NOTE: PA 390 OF 1994 states that the poverty exemption guidelines established by the governing body of the local assessing unit shall also include an asset level test. An asset test means the amount of cash, fixed assets or other property that could be used, or converted to cash for use in the payment of property taxes. The asset test should calculate a maximum amount permitted and all other assets above that amount should be considered available. Please see STC Bulletin 5 of 2012 for more information on poverty exemptions.

NOTE: PA 135 of 2012 changed the requirements for filing documentation in support of a poverty exemption to allow an affidavit (Treasury Form 4988) to be filed for all persons residing in the residence who were not required to file federal or state income tax returns in the current year or in the immediately preceding year. This does include the owner of the property who is filing for the exemption.

Revised 02/05/2015

THE GENERAL PROPERTY TAX ACT (EXCERPT)
Act 206 of 1893

211.7u Principal residence of persons in poverty; exemption from taxation; applicability of section to property of corporation; eligibility for exemption; application; policy and guidelines to be used by local assessing unit; duties of board of review; appeal of property assessment; "principal residence" defined.

Sec. 7u. (1) The principal residence of persons who, in the judgment of the supervisor and board of review, by reason of poverty, are unable to contribute toward the public charges is eligible for exemption in whole or in part from taxation under this act. This section does not apply to the property of a corporation.

(2) To be eligible for exemption under this section, a person shall do all of the following on an annual basis:

(a) Be an owner of and occupy as a principal residence the property for which an exemption is requested.

(b) File a claim with the supervisor or board of review on a form provided by the local assessing unit, accompanied by federal and state income tax returns for all persons residing in the principal residence, including any property tax credit returns, filed in the immediately preceding year or in the current year. Federal and state income tax returns are not required for a person residing in the principal residence if that person was not required to file a federal or state income tax return in the tax year in which the exemption under this section is claimed or in the immediately preceding tax year. If a person was not required to file a federal or state income tax return in the tax year in which the exemption under this section is claimed or in the immediately preceding tax year, an affidavit in a form prescribed by the state tax commission may be accepted in place of the federal or state income tax return. The filing of a claim under this subsection constitutes an appearance before the board of review for the purpose of preserving the claimant's right to appeal the decision of the board of review regarding the claim.

(c) Produce a valid driver's license or other form of identification if requested by the supervisor or board of review.

(d) Produce a deed, land contract, or other evidence of ownership of the property for which an exemption is requested if required by the supervisor or board of review.

(e) Meet the federal poverty guidelines updated annually in the federal register by the United States department of health and human services under authority of section 673 of subtitle B of title VI of the omnibus budget reconciliation act of 1981, Public Law 97-35, 42 USC 9902, or alternative guidelines adopted by the governing body of the local assessing unit provided the alternative guidelines do not provide income eligibility requirements less than the federal guidelines.

(3) The application for an exemption under this section shall be filed after January 1 but before the day prior to the last day of the board of review.

(4) The governing body of the local assessing unit shall determine and make available to the public the policy and guidelines the local assessing unit uses for the granting of exemptions under this section. The guidelines shall include but not be limited to the specific income and asset levels of the claimant and total household income and assets.

(5) The board of review shall follow the policy and guidelines of the local assessing unit in granting or denying an exemption under this section unless the board of review determines there are substantial and compelling reasons why there should be a deviation from the policy and guidelines and the substantial and compelling reasons are communicated in writing to the claimant.

(6) A person who files a claim under this section is not prohibited from also appealing the assessment on the property for which that claim is made before the board of review in the same year.

(7) As used in this section, "principal residence" means principal residence or qualified agricultural property as those terms are defined in section 7dd.

At a regular meeting of the Board of Trustees for the Charter Township of Plymouth (the "Board"), held at Township Hall located at 9955 N. Haggerty Road, Plymouth, Michigan on March 3, 2015 the following resolution was offered:

WHERE AS, the homestead of persons who, in the judgment of the Board of Review, by reason of poverty, are unable to contribute to the public charges, is eligible for exemption in whole or part from taxation under MCL 211.7u; and

WHERE AS, one of the provisions of PA 620 of 2002 is that local governing bodies are required to set income levels for their poverty exemption guidelines and that those income levels SHALL NOT BE SET LOWER by a township than the federal poverty guidelines updated annually by the U.S. Department of Health and Human Services; and

NOW THEREFORE, pursuant to MCL 211.7u, the Charter Township of Plymouth, Wayne County adopts the following guidelines for the Plymouth Township Board of Review to implement.

To be eligible for a poverty exemption, a person shall annually:

1. Own and occupy the property as a homestead as required by law.
2. File the approved form provided by Plymouth Township.
3. Provide evidence of ownership.
4. Submit copies of federal and state income tax returns for all persons residing in the homestead as well as copies of any property tax credit returns, as required by law.
5. The Board of Review may require proof of identification if it feels it is necessary.
6. The household income (including all persons residing in the homestead) shall meet the federal poverty income standards as defined and determined annually by the United States Office of Management and Budget. In cases where household income of a property as herein defined exceeds \$10,000, but meets the federal standard, the assessment shall be adjusted so the out-of-pocket property tax, as

best estimated based on the previous year's millage rate and after deducting the applicable state property tax refund, equals ten percent (10%) of the household income. . In cases where the household income meets the federal standard but is less than \$10,000, the assessment shall be adjusted so the out-of-pocket property tax, as best estimated based on the previous year's millage rate and after deducting applicable state property tax refunds, equals five percent (5%) of the household income.

7. Income included as household income shall be from any and all sources and shall include all dependents' and occupants' income including, but not limited to, types such as salary, state or federal aid, alimony, social security, pension and insurance benefits, return on investments and savings, and any other forms of compensation received.
8. The total of all liquid assets, not including the homestead, shall not exceed \$25,000.
9. The Board of Review may waive the income limits for households with greater incomes but who have expenses beyond the ordinary scope of expected costs which are severe and unavoidable, such as unusually high health care costs not covered by insurance. In such catastrophic scenarios, the state equalized value may be reduced to zero (0).
10. In cases where the Board of Review deviates from the income limits for substantial and compelling reasons, such as described above in number 9, these reasons will be noted on the petition and communicated in writing to the claimant. Such reasons will be properly documented.
11. In no case will the Board of Review approve an assessment reduction without the necessary and required documentation.
12. In the case of a poverty appeal, a copy of the petition and supporting documentation will be kept in a separate file and provided on request to an interested member of the public.

BE IT FURTHER RESOLVED THAT, the federal poverty household income guidelines stated in Item #6 above and adopted by the Plymouth Township Board of Trustees for use by the Plymouth Township Board of Review for assessments in 2015 and years going forward shall be the federal poverty income standards as defined and determined by the United States Office of Management and Budget, as it may change from year to year, and published annually by the Michigan State Tax Commission.

RE: Annual Maintenance Permit - A-15042

Attention: Richard Reaume

Enclosed is your Wayne County Annual Maintenance Permit package. The Annual Permit authorizes a municipality to occupy Wayne County road rights-of-way for the purpose of inspection, repair and routine maintenance of the following facilities which are under its jurisdiction:

1. Sanitary sewer inspection, repair and routine maintenance.
2. Water main inspection, repair, routine maintenance and installation of residential and commercial water service connections (two-inch maximum diameter).
3. Application of dust palliatives.
4. Repair and replacement of existing sidewalks.

Note: A separate permit will be required for final pavement repairs when pavement is broken while making either emergency or non-emergency repairs.

In addition to the Annual Permit, the package also includes the following attachments, which are incorporated by reference into the permit:

1. *Scope of Work and Conditions for Municipal Maintenance Permits*
2. *General Conditions and Limitations of Permits*
3. *Indemnity and Insurance Attachment*
4. *Model Community Resolution*

Please review the insurance attachment carefully, since the insurance requirements have been recently updated.

The WCDPS Permit Office has published its manual, *Rules, Specifications and Procedures for Permit Construction*. This manual replaces the Permit Specifications Document which was attached to annual permits in previous years. The manual is also incorporated by reference into this annual permit and is available online at:

As a condition of the annual permit, the County requires that your governing body pass a blanket resolution of approval which

- a) agrees to fulfill all permit obligations and conditions
- b) to the extent allowed by law, indemnifies, hold harmless and defends Wayne County and its officials and employees against any and all damage claims, suits or judgments of any kind or nature arising as a result of the permitted activity
- c) designates and authorizes an appropriate official of the requesting municipality to sign the permit on its behalf.

Please return the original permit, signed and dated by the person authorized and designated by the resolution, along with a certified copy of the resolution and a copy of your certificate of insurance, consistent with the requirements transmitted in this package. Type the name of the designated signer below the signature line and submit these documents to:

Scope of Work and Conditions Attachment
For Annual Municipal Maintenance Permits**

The Annual Permit authorizes the municipality to occupy Wayne County road rights-of-way for the purpose of inspection, repair and routine maintenance of the facilities listed below that are under its jurisdiction.

Scope of Work - The following work is authorized under the Annual Maintenance Permit:

Sanitary Sewers

1. Inspection, repair and routine maintenance of the facilities under its jurisdiction

Water Main and installation of 2" pipe

1. Inspection, repair and routine maintenance of the facilities under its jurisdiction
2. Water service connection with 2" diameter pipe or less, serving single customer
1. A separate permit will be required for any operations performed under the following conditions for Water and/or Sanitary related work:
 - a. For all water service connections larger than a two inch (2") diameter
 - b. For any water service connection that serves more than one customer
 - c. Whenever work is to be performed in a new subdivision
 - d. For any sanitary sewer service connection

Dust Palliative Applications

1. Dust palliative treatment shall be with calcium magnesium chloride in accordance with Wayne County specifications.
2. The municipality shall designate each road to be treated with dust palliative and pay the Contractor for all materials and service.
3. Prior to the application of Dust Palliative Materials, the Permit Holder shall provide at least seven (7) days notice to the Wayne County Roads Division (313-955-9920) to allow for preparation and inspection of the roads to be treated.

Sidewalk

1. Existing sidewalks may be repaired or replaced at existing alignment on existing grade.
2. A separate permit will be required for the construction of a new sidewalk, for the replacement of an existing sidewalk on a new alignment or grade or for the construction of new sidewalk ramps to the County road.

Permit Conditions

1. **A separate permit will be required for final pavement repairs when pavement is broken while making either emergency or non-emergency repairs.**
2. Reports indicating all work performed or that no work was performed under the permit shall be provided to the Permit Office at the end of each month.
3. Any work not covered under the annual scope of work and conditions above shall require a separate permit. Refer to the *Wayne County Rules, Specifications and Procedures Construction Permits*.
4. All inspection costs, including overtime, supervision, testing of materials and emergency work, if required, shall be billed to the Permit Holder.

**Wayne County Department of Public Services
Engineering Division – Permit Office
Indemnity and Insurance Attachment**

To the extent allowed by law, the Permit Holder shall defend and hold harmless Wayne County, the Department of Public Services, its officials and employees against any and all claims, suits and judgments to which Wayne County, the Departments, its officials and employees may be subject and for all costs and actual attorney fees which may be incurred on account of injury to persons or damage to property, including County property. The Permit Holder shall provide this indemnity for any incident arising out of any and all activities performed under the permit or in connection with work not authorized by the permit, or resulting from the failure to comply with the terms of the permit, or arising out of the continued existence of the work product that is subject to the permit.

Certificates of insurance shall be required for all construction permits, excluding residential driveway permits. Each certificate of insurance and any associated correspondence shall reference the plan review number of the project. General liability and automotive liability insurance coverage shall be in amounts detailed below:

The general liability insurance coverage shall be in amounts not less than \$1,000,000 each occurrence and \$2,000,000 general aggregate. Proof of automobile liability shall be in amounts not less than \$1,000,000 combined single limit for each accident, bodily injury per accident, and property damage per accident, and in an amount not less than \$1,000,000 for bodily injury each person, each occurrence and property damage liability \$1,000,000 each occurrence.

The certificate of insurance must be provided by a person, the corporation, or by authorized representatives who signed personally either the application or permit. Insurance shall remain in force until the permit is released by Wayne County.

The Wayne County Department of Public Services shall be a Certificate Holder on the policy of insurance. Wayne County, drainage district, and its officers, agents and employees shall be named as additional insured parties. It is also required that the annual permit numbers are included on each certificate of insurance.

The insurance shall cover a period not less than the term of the permit and shall provide that it cannot be cancelled or reduced without thirty (30) days advance written notice to Wayne County, by certified mail, first-class, return receipt requested. The thirty (30) days shall begin on the date when the County received the notice, as evidenced by the return receipt.

Such insurance shall provide by endorsement therein for the thirty (30) day notice by the insurer to the Permit Office prior to termination, cancellation or material alteration of the policy.

Licensee agrees to make application for renewal thereof at least sixty (60) days before the expiration date of the policy then in force and to file a certified copy of such renewed policy with the Permit Office.

The policy shall also provide by endorsement for the removal of the contractual exclusion.

Should insurance coverage be cancelled or reduced below acceptable limits, or allowed to expire, the authorization to continue work under the permit shall be suspended or revoked and shall not resume until new insurance is in force and accepted by Wayne County. Wayne County may, in such cases, take appropriate action to restore or protect the road and appurtenances. All costs incurred by this action shall be deducted from any remaining inspection deposit, bond and/or Letter of Credit and, if necessary, the Permit Holder may be billed to defray actual expenses.

Wayne County Department of Public Services Engineering Division – Permit Office

Conditions & Limitations of Permits

Plan Approval and Specifications: All work performed under the permit shall be done in accordance with the approved plans, specifications, maps, statements and special conditions filed with the County and shall comply with Wayne County Specifications, as defined in the current *Wayne County Rules, Specifications and Procedures for Permit Construction*, included as an attachment to this permit, the *Wayne County Standard Plans for Permit Construction*, and the *MDOT Standard Specifications for Construction*, as modified by WCPS Special Provisions, and other WCPS specifications. Any situation or problem which occurs as a result of the construction, operation, use and/or maintenance of the facility in the right-of-way and is not covered by the approved plans nor by the County's current Standards and Specifications shall be resolved by the Permit Holder as directed and approved by the Permit Office. Any significant change to the plans must be approved by the Permit Office and is authorized only when an approved addendum is obtained from the Permit Office.

Fees: The Permit Holder shall be responsible for all fees and costs incurred by the County in connection with the permit and shall deposit payment for fees and costs as determined by the County at the time the permit is issued.

Bond: The Permit Holder shall furnish a bond in cash or Certified check in an amount acceptable to the County to guarantee performance under the conditions of the permit. The County may use all or any portion of the bond which shall be necessary to cover any expense, including inspection costs or damage incurred by the County through the granting of the permit. Should the bond be insufficient to cover the expenses and damages incurred by the County, the Permit Holder shall pay such deficiency upon billing by the County. If the bond amount exceeds the expenses and damages incurred by the County, the excess portion will be returned to the Depositor. The excess performance bond provided for herein, when it cannot be returned, shall be deposited into the County Road Fund and become a part thereof, unless claimed by the Depositor within one year of the date of satisfactory completion of the construction authorized by the permit.

Insurance: The Permit Holder shall furnish proof of liability and property damage insurance in the form and amounts acceptable to the County with Wayne County named as an insured party. The Permit Holder shall maintain this insurance until the permit is released, revoked or cancelled by the County.

Indemnification: Where the permittee is a government, to the extent allowed by law, the Permit Holder shall indemnify, hold harmless and defend Wayne County, the Wayne County Department of Public Services, its officials and employees against any and all claims, suits and judgments to which the County, the Department, its officials and employees may be subject and for all costs and actual attorney fees which may be incurred on account of injury to persons or damage to property, including property of the County, whether due to negligence of the Permit Holder or to the joint negligence of the Permit Holder and the County, arising out of any and all work performed under the permit, or in connection with work not authorized by the permit, or resulting from failure to comply with the terms of the permit or arising out of the continued existence of the work product that is the subject of the permit.

Permit on Site: The Permit Holder shall keep available a copy of the permit and any associated approved plans on site during permitted activities.

Notification for Start and Completion of Work: The Permit Holder shall not become operative until it has been fully executed by the County. The Permit Holder shall notify the County before starting construction and shall notify the County when work is completed. The Permit Holder or their representative shall have copies of the executed permit and approved plans in their possession on the job site at all times.

1. The Permit Holder shall provide at least three (3) days advanced notice, excluding Saturdays, Sundays and holidays, to the Permit Office prior to the commencement of any permitted activities by submitting a **START OF WORK NOTIFICATION** form by mail, fax or e-mail. In certain instances, additional notice may be required by the Permit Office. In the event that construction work ceases for a period of time, then the Permit Holder shall notify the Wayne County Inspector at least 24 hours prior to resuming work.
2. The Permit Holder shall comply with all requirements of the Miss Dig Statute, MCL 9460.701 et seq., as amended. The Permit Holder shall call "MISS DIG", at (800) 482-7161, at least 72 hours, excluding Saturdays, Sundays and holidays, but not more than twenty-one (21) calendar days, before starting any underground work. The Permit Holder assumes all responsibility for damage to or interruption of underground utilities.
3. The Permit Holder shall call Wayne County Department of Public Services' Traffic Operations Office at (734) 955-2154, at least 72 hours prior, excluding Saturdays, Sundays and holidays, but not more than twenty-one (21) calendar days, before starting any underground work in the vicinity of any traffic signal equipment owned, operated or maintained by Wayne County.

Safety: The Permit Holder agrees that all work under the permit shall be performed in a safe manner and to keep the area affected by the permit in a safe condition until the work is completed and accepted by the County. The Permit Holder shall furnish, install and maintain all necessary traffic controls and protection which are in accordance with the current *Manual on Uniform Traffic Control Devices (MUTCD)*. The Permit Holder shall conduct all activities and maintain all facilities as set forth in the permit in a manner so as not to damage, impair, interfere with, or obstruct a public road or create a foreseeable risk of harm to the traveling public. The Permit Holder shall comply with all applicable OSHA and MIOSHA requirements.

Underground Utilities: The Permit Holder shall contact all utility owners regarding their facilities prior to starting work and shall comply with all applicable provisions of Act 53, Public Acts of 1974, as amended. Wayne County makes no warranty either expressed or implied as to the condition or suitability of subsurface conditions or any existing facility which may be encountered during an excavation. The presence or absence of utilities is based on the best information available and the County is not responsible for the accuracy of this information. The Permit Holder assumes all responsibility for the interruption and damage to underground utilities. The Permit Holder is responsible for proper disposal, in accordance with current regulations, of any material excavated from within the right-of-way. Such materials include, without limitation, soils or groundwater contaminated by petroleum products or other pollutants associated with sites identified by the MDEQ or reported on appropriate release forms for underground storage tanks.

Assignability: The permit is neither transferable nor assignable without the written consent of the County.

Limitation of Permit: The Applicant and the Permit Holder shall be responsible for obtaining and shall secure any permits or permission necessary or required by law from State, federal or other local governmental agencies and jurisdictions, corporations or individuals. These include, without limitation, those pertaining to drains, inland lakes and streams, wetlands, woodlands, flood plains, filling, noise regulation and hours of operation. Issuance of a Wayne County permit does not authorize activities otherwise regulated by State, federal or local agencies.

Access of Other Vehicles: The Permit Holder shall, at all times possible, maintain a minimum of one acceptable access to all abutting occupied properties, driveways and side streets unless otherwise specified on the approved plans. The Permit Holder shall notify all owners or occupants of properties whose access may be temporarily disrupted during the permitted work. The local police, fire or emergency service agencies shall define acceptable access. The Permit Holder shall provide signing and other improvements necessary to ensure adequate access until the roadway, driveway or side street is restored. The Permit Holder shall conduct all operations so as to minimize inconvenience to abutting property owners. Wayne County reserves the right to reasonably restrict the progress of work by the Permit Holder based on the rate of roadway and right-of-way restoration, including permanent or temporary pavement. Wayne County may require that work be suspended until satisfactory backfilling of open trenches or excavations has been completed and driveways, side streets and drainage restored.

Restoration: The Permit Holder agrees to restore the County road and road right-of-way, County drain easement or County park property to a condition equal to or better than its condition before work under the permit began. If the Permit Holder fails to satisfactorily restore the permitted work area, Wayne County may take all practical actions necessary to provide reasonably safe and convenient public travel, preservation of the roadway and drainage, prevention of soil erosion and sedimentation, and elimination of nuisance to abutting property owners caused by the permitted activity. Security in the form of cash, a certified check or surety bond shall be required to secure the cost of restoring the disturbed portion of the right-of-way to an acceptable safe condition. The amount of the security shall be determined by the Permit Office. In the event that a suspension of work will be protracted or that the work will not be completed by the Permit Holder, the Permit Holder shall restore the right-of-way to a condition similar to the condition that existed prior to issuance of the permit.

Acceptance: Acceptance by the County of work performed does not relieve the Permit Holder of full responsibility for work performed or the presence of the permitted facility. The Permit Holder acknowledges that the County has no liability for the presence of the Permit Holder's facility located within the County road right-of-way, County drain easement or County park property.

Permit Expiration and Extension of Time: All work authorized by the permit shall be completed to the satisfaction of the Permit Office on or before the expiration date specified in the permit. Any request for an extension of time for completion shall be on a completed County form and shall demonstrate good cause for granting the request. Additional requirements may be imposed as a condition of an extension of time due to seasonal limitations or other considerations. These additional requirements may include, without limitation, changes to materials or construction methods, reestablishment of fees, bonds, deposits and insurance requirements.

Responsibility: The design, construction, operation and maintenance of all work covered by the permit shall be at the Permit Holder's expense with the exception that the Permit Holder will not be responsible for maintaining road widenings or similar facilities which become part of the County roadway.

Revocation: The permit may be suspended or revoked at the will of the County. Upon order of the County, the Permit Holder shall surrender the permit, cease operations and remove, alter or relocate, at their expense, the facilities for which the permit was granted. The Permit Holder expressly waives any right to claim damages for compensation resulting from the revocation of the permit.

Violation: The County may declare the permit null and void if the Permit Holder violates the terms of the permit. The County may require immediate removal of the Permit Holder's facilities and restoration of the County property, or the County may remove the facilities and restore the County property at the Permit Holder's expense. The Permit Holder agrees that in the event of a violation of the terms of the permit or in the event the work authorized by the permit is not satisfactorily completed by the permit expiration date, the County may use all or any portion of the performance bond to restore the County road right-of-way, drain easement, wastewater facility or park property as necessary for reasonably safe and efficient operations and maintenance, or to establish extraordinary maintenance procedures as required to assure reasonably safe and efficient operation of the County facility.

Inspection and Testing of Materials: Wayne County reserves the right of inspection and the testing of materials by its authorized representatives of all permitted activities and/or activities within the road right-of-way, County owned property or within a County drain easement. All items identified by the final inspection shall be resolved prior to release of the permit. All materials and methods utilized during the course of the authorized permit work shall meet the requirements of the current *MDOT Standard Specifications for Construction* as modified by Wayne County Special Provisions, Standard Plans for Permit Construction and this manual. The Permit Holder shall reimburse Wayne County for all required inspections and testing of materials.

Design: The Permit Holder is fully responsible for the design of the permitted facility, such that the design shall be consistent with all applicable County standards, specifications, guidelines, requirements and with good engineering practice. Any errors in the plans that become evident after the issuance of a permit, and which change the scope of permitted work, are subject to review and may be grounds for revocation of the permit. The Permit Office will not relieve the Permit Holder of the responsibility of correcting errors, deficiencies, or omissions due to oversight or unforeseen contingencies such as faulty drainage, poor subsoil conditions or the failure of the Permit Holder's engineer to show all the related or pertinent conditions inside or outside the plan area.

Drainage: Drainage shall not be altered in flow into the road right-of-way or road drainage system unless approved by Wayne County.

Permit Holder Compliance: The Permit Holder shall abide by the conditions and limitations contained on the permit and all other conditions listed within the WCPS Rules, Specifications and Procedures for Construction Permits. The application of any work undertaken under the permit shall constitute the Permit Holder's agreement to the Provision.

Re: Road Permit(s) for the Charter Township of Plymouth

Dear Ms. Adcock:

This office represents the Charter Township of Plymouth. Your office has provided Wayne County Annual Maintenance Permits to the Charter Township of Plymouth for the 2015 calendar year. The Permits include indemnity and insurance provisions that violate Michigan law.

By notice of this letter, we are formally advising Wayne County of our position that the indemnification and insurance requirements that Wayne County purports to impose are beyond its scope of authority. Wayne County's purported requirement that its permit holders indemnify and insure Wayne County against joint negligence of the permit holder and Wayne County is prohibited on several bases.

First, Wayne County's demand that it be provided indemnification and insurance with respect to Wayne County's own negligence is *ultra vires*, arbitrary and capricious.

Second, Wayne County may not refuse to issue a permit unless Wayne County is provided with indemnification and insurance for Wayne County's own negligence is contrary to MCL 224.19b(4), which provides:

A county road commission may not refuse a permit requested by a government entity for the installation of a facility or utility owned by that entity if security is given by the permittee or its contractor to the county road commission sufficient to insure restoration of the road and appurtenances thereto and adjacent right of way to a condition reasonably equal to or better than that existing prior to such installation nor may a county road commission charge a government entity a

permit fee exceeding \$300.00 per permit or \$1,000.00 total for all permits per project.

(Emphasis supplied.) Wayne County's demand to be indemnified and insured against its own negligence is not within Wayne County's authority under MCL 224.19b(4).

Third, Wayne County's demand that it be indemnified against its own negligence violates both Michigan statute and case law regarding indemnification. MCL 600.2956 provides in pertinent part: "... in an action based on tort or another legal theory seeking damages for personal injury, property damage, or wrongful death, the liability of each defendant for damages is several only and is not joint. . . ." Further, in *Kaiser v Allen*, 480 Mich 31; 746 NW2d 92 (2008) the Michigan Supreme Court ruled that a party may be held liable for its own negligence only, and may not be held liable for the negligence of another. As such, Wayne County's attempt to require the permit holder to indemnify Wayne County for the County's negligence is not in accord with Michigan law.

Finally, a municipality does not have the authority to enter into an indemnification agreement because it would be an unlawful loan of credit. In *Solomon v Department of State Highways & Transp*, 131 Mich App 479; 345 NW2d 717 (1984), the court of appeals held that the credit of the state (and by extension its municipalities) cannot be used as a guarantee or surety in favor of any person, association, or corporation, public or private. Further, in *Michigan Mun Liability & Prop Pool v Muskegon County Bd of County Rd Comm'rs*, 235 Mich App 183; 597 NW2d 187 (1999), the court of appeals held that the road commission did not have the authority to enter into an agreement to indemnify a city and its engineer.

As such, Wayne County's indemnification request is unlawful. The Charter Township of Plymouth does not agree to any provisions purporting to indemnify and insure Wayne County. The signature on behalf of The Charter Township of Plymouth on the Permit(s) does not signify agreement with the indemnification and insurance provisions in the Permit(s). The Charter Township of Plymouth does not and will not authorize any agreement to indemnify and insure Wayne County. To the extent that Wayne County claims otherwise, any indemnification or insurance requirements in the Permit(s) are being provided under duress and protest. Moreover, The Charter Township of Plymouth reserves the right to challenge any purported indemnification and insurance provisions claimed by Wayne County.

Please do not hesitate to contact me if you have any questions or comments.

Respectfully,

Kevin L. Bennett

**RESOLUTION 2015-03-03-09
AUTHORIZING EXECUTION OF ANNUAL ROAD
MAINTENANCE PERMIT**

WAYNE COUNTY PERMIT A-15042 – ROAD MAINTENANCE

At a regular meeting of the Board of Trustees for the Charter Township of Plymouth (the "Board"), held at Township Hall located at 9955 N. Haggerty Road, Plymouth, Michigan on March 3, 2015, the following resolution was offered:

WHEREAS, the Charter Township of Plymouth (hereinafter the "Community") periodically applies to the County of Wayne Department of Public Services, Engineering Division Permit Office (hereinafter the "County") for permits to maintain local and County roads located entirely within the boundaries of the Community, as needed from time to time to maintain the roads in a condition reasonably safe and convenient for public travel; and

WHEREAS, pursuant to Act 51 of 1951, being MCL 247.651 *et seq*, the County permits and regulates such activities and related temporary road closures;

NOW THEREFORE, in consideration of the County granting such Permit, the Community agrees and resolves that:

To the extent allowed by law, it will fulfill all permit requirements and will save harmless, represent and defend the County of Wayne and all of its officers, agents and employees:

from any and all claims and losses occurring or resulting to any and all persons, firms, or corporations furnishing or supplying work, services, materials, or supplies to the Community as the result of the Community's installation, construction, operation, repair or maintenance activities which are being performed under the terms of the Permit on, over, and/or under the County right-of-way or any local road; and

from any and all claims of every kind for injuries to, or death of, any and all persons, and for loss of or damage to property, and environmental damage or degradation, and from attorney's fees and related costs arising out of, under, or by reason of the Community's installation, construction, operation, repair or maintenance activities which are being performed under the terms of the Permit on, over, and/or under the County right-of-way or any local road, except claims resulting from the alleged negligence, willful acts or omissions, or statutory liability of said County, and/or its officers, agents, employees and/or contractors, performing permit activities.

Notwithstanding any language to the contrary in the preceding paragraph, the Community shall not indemnify, hold harmless, represent or defend the County of Wayne, or its officers, agents or employees from any claims based on negligence, willful acts or omissions, or statutory liability on the part of Wayne County, its employees, agents, officers, or contractors. Notwithstanding any language to the contrary in the preceding paragraph, all defenses of Governmental Immunity available to either the County or the Community are preserved and not waived.

Any work performed for the Community by a contractor or subcontractor will be solely as a contractor for the Community and not as a contractor or agent of the County. Any claims by any contractor or subcontractor will be the sole responsibility of the Community. The County shall not be subject to any obligations or liabilities by vendors and contractors of the Community, or their subcontractors or any other person not a party to the Permit without its specific prior written consent and notwithstanding the issuance of the Permit, unless those liabilities are based on the alleged willful acts or omissions, or statutory liability of said County, and/or its officers, agents, employees and/or contractors, performing permit activities.

The Community shall take no unlawful action or unlawful conduct, which arises either directly or indirectly out of its obligations, responsibilities, and duties under the Permit which results in claims being asserted against or judgment being imposed against the County, and all officers, agents and employees thereof pursuant to a maintenance contract. In the event that same occurs, for the purposes of the Permit, it will be considered a breach of the Permit thereby giving the County a right to seek and obtain any necessary relief or remedy, including, but not by way of limitation, a judgment for money damages.

With respect to any activities authorized by Permit, when the Community requires insurance on its own or its contractor's behalf, it shall require that such insurance provide minimum coverage amounts of \$2,000,000.

The incorporation by the County of this resolution as part of a Permit does not prevent the County from requiring additional performance security or insurance before issuance of a Permit.

The Community shall, at no expense to Wayne County, provide necessary police supervision, establish detours and post all necessary signs and other traffic control devices in accordance with the Michigan Manual of Uniform Traffic Control Devices.

The Community shall assume full responsibility for the cost of repairing damage done to the County road caused by the Community or its contractors.

This resolution shall continue in force from this date until cancelled by the Community or the County with no less than thirty (30) days prior written notice to the other party. It will not be cancelled or otherwise terminated by the Community with regard to any Permit which has already been issued or activity which has already been undertaken.

BE IT FURTHER RESOLVED THAT, the following position(s) are authorized to apply to the County of Wayne Department of Public Services Engineering Division Permit Office for the necessary permit to work within County road right-of-way or local roads on behalf of the Community:

Meeting date: March 3, 2015

**ITEM: Application 2155 – Proposed Text Amendment 010 to Zoning Ordinance No. 99
Nonconforming Lots or Parcels of Record in the R-1 District**

BRIEF:

ACTION: Approve Application 2155, which would amend the text of Township Zoning Ordinance No. 99 in accordance with proposed Text Amendment 010.

DEPARTMENT/PRESENTER(S): Jana Radtke, Community Development Dir. / Planner

BACKGROUND: Within the R-1 (Single-Family Residential) District, there are recorded lots or parcels of record, which lawfully existed when the Township Zoning Ordinance was adopted, and do not meet the minimum requirements for width and area. The R-1 District requires a minimum width of 60 feet and a minimum area of 7,200 square feet.

The purpose of Text Amendment 010 is to allow such lots or parcels of record to be utilized and developed. The proposed text amendment would also authorize the Chief Building Official to issue a permit for the development of such lots or parcels of record, provided that all other requirements of the R-1 District, which do not involve width or area, can be met.

On February 18, 2015, the Planning Commission held a public hearing for the proposed text amendment and recommended approval to the Board of Trustees. Please see the proposed Ordinance, the Proposed Notice of Adoption, minutes from the Planning Commission meeting, and supporting materials, attached.

BUDGET/TIME LINE: The proposed Text Amendment 010 would become effective 7 days after publication.

RECOMMENDATION: Approve the proposed Text Amendment 010, as recommended by the Planning Commission.

<p>PROPOSED MOTION: I move to approve Application 2155, which would amend the text of Township Zoning Ordinance No. 99 in accordance with proposed Text Amendment 010.</p>

CHARTER TOWNSHIP OF PLYMOUTH

**ORDINANCE NO. ____
TEXT AMENDMENT 010**

AN ORDINANCE TO AMEND THE TEXT OF THE CHARTER TOWNSHIP OF PLYMOUTH ZONING ORDINANCE NO. 99 BY AMENDING ARTICLE XXVII, NONCONFORMITIES, AND ARTICLE XXVIII, SPECIAL PROVISIONS.

THE CHARTER TOWNSHIP OF PLYMOUTH ORDAINS:

Part I. The Charter Township of Plymouth Zoning Ordinance No. 99 is hereby amended as follows:

ARTICLE XXVII, NONCONFORMITIES

Add the following new Section 27.1, Nonconforming Lots or Parcels of Record in the R-1 District.

SEC 27.1 NONCONFORMING LOTS OR PARCELS OF RECORD IN THE R-1 DISTRICT

It is recognized that within the R-1 District, there are recorded lots or parcels of record, which lawfully existed at the time of adoption of this Ordinance, which do not meet the minimum requirements for width or area. The purpose of this Section is to allow such lots or parcels of record to be utilized, as long as reasonable living standards can be provided.

The following regulations shall apply to nonconforming lots or parcels of record within the R-1 District:

1. Development of Nonconforming Lots or Parcels of Record within the R-1 District

A single-family dwelling and customary accessory structures may be erected on any single lot or parcel of record in the R-1 District that was in existence at the effective date of adoption or amendment of this Section. This provision shall apply even if the lot or parcel does not meet the minimum area or width requirements of the R-1 District, provided that any principal or accessory structure constructed on the lot or parcel complies with all other yard, floor area, height, and access requirements of the R-1 District.

2. Review and Approval Procedure

An application for the construction of a single-family residence on a nonconforming lot or parcel of record in the R-1 District shall be submitted to the Chief Building Official for review and approval, prior to the issuance of a building permit. In reviewing the application, the Chief Building Official shall determine that all other requirements not involving area or width have been met. In addition, the Chief

Building Official shall determine whether any additional information and/or approvals must be obtained to ensure compliance with this Section, and to preserve the general public health, safety, and welfare.

3. **Variation to Yard Requirements**

If the nonconforming lot or parcel of record in the R-1 District requires a variation of the yard requirements in order to erect a structure, then such structure shall be permitted only if a variance is granted by the Zoning Board of Appeals.

ARTICLE XXVII, NONCONFORMITIES

Revise the numbering of existing Section 27.1 to 27.2 and renumber the subsequent sections accordingly.

ARTICLE XXVIII, SPECIAL PROVISIONS

Section 28.3 Residential Design Standards. Add the following language to Paragraph 2:

2. **Dimensional Standards**

Such dwelling units shall comply with the minimum standards listed in Article 20 for the zoning district in which it is located, including minimum lot area, minimum lot width, minimum floor area, required setbacks, and maximum building height, **except as provided in Section 27.1 for nonconforming lots or parcels of record in the R-1 District.**

ARTICLE XXVIII, SPECIAL PROVISIONS

Section 28.4 Dwelling Locations. Add the following language to Paragraph 3:

3. **Lot Width**

Every single family dwelling shall be located on a lot, parcel or tract of land having a width of not less than sixty (60) feet at the front or rear building line, whichever is less, **except as provided in Section 27.1 for nonconforming lots or parcels of record in the R-1 District.**

- Part II. **VIOLATION AND PENALTY.** Unless otherwise provided, any person, corporation, partnership or any other legal entity who violates the provisions of this Ordinance shall be guilty of a misdemeanor and may be fined not more than Five Hundred Dollars (\$500.00) or imprisoned for not more than ninety (90) days, or both, at the discretion of the Court.
- Part III. **SEVERABILITY.** If any section, subsection, clause, phrase or portion of this Ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portions shall be deemed a separate, distinct, and independent provision and such holding shall not affect the validity of the remaining portion thereof.

Part IV. REPEAL OF CONFLICTING ORDINANCES. All Ordinances or parts of Ordinances in conflict herewith are hereby repealed only to the extent necessary to give this Ordinance full force and effect.

Part V. SAVINGS CLAUSE. The repeal or amendment provided for herein shall not abrogate or affect any offense or act committed or done, or any penalty or forfeiture incurred, or any pending litigation or prosecution of any right established, or occurring prior to the effective date of this Ordinance as amended.

Part VI. PUBLICATION. The Clerk of the Charter Township of Plymouth shall cause a Notice of Adoption of this Ordinance to be published in the manner required by law.

Part VII. EFFECTIVE DATE. The provisions of this ordinance shall become effective seven days after publication.

Part VIII. ADOPTION. This Ordinance was adopted by the Charter Township of Plymouth Board of Trustees by authority of Act 110 of Public Acts of Michigan, 2006, as amended, at a meeting duly called and held on _____, and ordered to be given publication in the manner prescribed by law. This Ordinance may be purchased or inspected at the Plymouth Township Hall, Community Development Department, during regular business hours.

Re: P.C. 2155-0115
Text Amendment 010 to Zoning Ordinance No. 99

Application 2155 pertains to Text Amendment 010, which would amend Article XXVII, Nonconformities, and Article XXVIII, Special Provisions, of Township Zoning Ordinance No. 99, in order to address nonconforming lots or parcels of record in the R-1 District.

A strike-through version of the proposed language is attached as Exhibit 1, and a clean version of the proposed language is attached as Exhibit 2.

ARTICLE XXVII NONCONFORMITIES

PURPOSE

This Article is hereby established for the following purposes:

1. **Recognition of Nonconformities**

To recognize that, within the districts established by the adoption or amendment of this Ordinance there exists lots, parcels, structures, and uses which were lawful before this Ordinance was adopted or amended, but which would be prohibited, regulated, or restricted under the terms of this Ordinance.

2. **Regulation of Nonconformities**

To regulate the completion, restoration, and reconstruction of nonconforming structures, the extension, enlargement, and substitution of nonconforming uses and the circumstances and conditions under which nonconformities shall be permitted to continue.

3. **Classification of Nonconforming Structures and Uses**

To establish two classes (Class A and Class B) of nonconforming structures and uses that distinguish between those that are no desirable (Class B), and those that may not have a significant adverse impact upon nearby properties or the public health, safety, and welfare (Class A).

4. **Elimination of Class B Nonconforming Structures and Uses**

To declare that Class B nonconforming structures and uses are incompatible with permitted uses in the district, and are likely to have a negative impact on neighboring properties. It is the intent of this Article to eliminate Class B nonconforming structures and uses as rapidly as is permitted by law without payment of compensation.

5. **Continuation of Nonconformities**

To permit the continuance of nonconformities subject to requirements of this Article, but not to permit their enlargement, expansion, or extension, except where provided for in this Article.

NEW SECTION

SEC 27.1 **NONCONFORMING LOTS OR PARCELS OF RECORD**

It is recognized that within the R-1 District, there are recorded lots or parcels of record, which lawfully existed at the time of adoption of this Ordinance, which do not meet the minimum

requirements for width or area. The purpose of this Article is to allow such lots or parcels of record to be utilized as long as reasonable living standards can be provided.

The following regulations shall apply to nonconforming lots or parcels of record within the R-1 District:

1. Development of Nonconforming Lots or Parcels of Record within the R-1 District

A single-family dwelling and customary accessory structures may be erected on any single lot or parcel of record in the R-1 District that was in existence at the effective date of adoption or amendment of this Article. This provision shall apply even if the lot or parcel does not meet the minimum area or width requirements of the R-1 District, provided that any principal or accessory structure constructed on the lot or parcel complies with all other yard, floor area, height, and access requirements of the R-1 District.

2. Review and Approval Procedure

An application for the construction of a single-family residence on a nonconforming lot or parcel of record in the R-1 District shall be submitted to the Chief Building Official for review and approval prior to the issuance of a building permit. In reviewing the application, the Chief Building Official shall determine that all other requirements not involving area or width have been met. In addition, the Chief Building Official shall determine whether any additional information and/or approvals must be obtained to ensure compliance with this Article, and to preserve the general public health, safety, and welfare.

3. Variation to Yard Requirements

If the nonconforming lot or parcel of record in the R-1 District requires a variation of the yard requirements in order to erect a structure, then such structure shall be permitted only if a variance is granted by the Zoning Board of Appeals.

END OF NEW SECTION

SEC. 27.2 DEFINITION AND CLASSIFICATION OF NONCONFORMING STRUCTURES AND USES

Two (2) different classes of nonconforming structures and uses (Class A and Class B) are hereby established by this Article, with the terms for completion, restoration, reconstruction, extension or substitution different for each applicable class. The classes shall distinguish between those that are not desirable and should be eliminated as rapidly as possible (Class B), and those that may not have a significant adverse impact upon nearby properties or the public health, safety and welfare (Class A).

All nonconforming structures and uses not designated Class A by the Planning Commission shall be classified as Class B nonconforming structures or uses.

SEC. 27.3 CLASS B NONCONFORMITIES

Nonconforming structures and uses that have been designated Class A shall not be subject to the requirements of this Section, but rather shall be subject to the provisions of Section 27.3, Class A Nonconforming Designation. Class B nonconforming structures and uses may be continued, subject to the following regulations and restrictions:

1. Class B Nonconforming Structures

Class B nonconforming structures shall be allowed to continue after the effective date of adoption or amendment of this Ordinance, subject to the following conditions:

- (a) **Expansion and Alteration Restricted.** Class B nonconforming structures shall not be enlarged upon, expanded, extended, altered in a way which increases their nonconformity, or considered as grounds for adding other structures or uses prohibited elsewhere in the same district. Such structures may be enlarged upon, expanded, extended or altered where such work does not increase their nonconformity, where repairs are determined by the Chief Building Official to be necessary for safety or to ensure the continued advantageous use of the Class B nonconforming structure during its natural life.
- (b) **Normal Repairs and Maintenance.** This Article shall not prevent work required for compliance with the provisions of the State Construction Code or Michigan housing laws regulating the maintenance of buildings or structures. Normal repair, maintenance or replacement of interior non-bearing walls, fixtures, wiring, plumbing or heating and cooling systems in Class B nonconforming structures may be permitted in accordance with applicable code requirements, provided that such improvements do not result in an enlargement of a nonconforming structure or use, and provided that the cost of such improvements does not exceed the state equalized value of the structure at the time such work is proposed.
- (c) **Buildings under Construction.** Nothing in this Article shall require a change in the plans, construction or designated use of any building or structure for which construction was lawfully begun prior to the effective date of adoption or amendment of this Ordinance and diligently carried on until completion. Construction shall include the placement of materials in a permanent manner or demolition and removal of an existing structure preparatory to rebuilding in accordance with an approved site plan.
- (d) **Damaged Structures.** Any Class B nonconforming structure that has been destroyed or damaged by fire, explosion, Act of God, public enemy or other means to the extent that the cost of repairs and restoration exceeds the state equalized value of the structure (as determined through the real property assessment for tax purposes prior to the time such damage occurred) shall not thereafter be reconstructed, except in conformity with the provisions of this Ordinance.

EXHIBIT 1

If the cost of repairs and restoration is less than the state equalized value of the structure, then it may be restored to the same configuration as existed before such damage, provided that such restoration shall be subject to site plan approval by the Planning Commission. Said restoration shall be commenced within one hundred eighty (180) days of the date of site plan approval and shall be diligently carried on to completion.

- (e) **Unsafe Structures.** Nonconforming structures that are determined by the Chief Building Official to be unsafe shall not thereafter be restored, repaired or rebuilt, but rather shall be immediately removed.
- (f) **Height of Building as Originally Planned.** A building may be erected to its full height of use, as originally planned, when foundations and structured members are designed to carry such building, when said building has been partially erected previous to the adoption or amendment of this Ordinance.
- (g) **Relocation.** Should any Class B nonconforming structure be moved any distance for any reason it shall thereafter conform to the regulations for the district in which it is located.

2. **Class B Nonconforming Uses**

Class B nonconforming uses shall be allowed to continue after the effective date of adoption or amendment of this Ordinance subject to the following conditions:

- (a) Class B nonconforming uses shall not be enlarged, reconstructed, increased in intensity, extended to occupy a greater area of land or building floor area, altered or moved in whole or in part to any other portion of the lot or parcel or adjoining lot or parcel. No additional structures shall be constructed for a Class B nonconforming use.
- (b) A Class B nonconforming use may be extended throughout any parts of a building which were manifestly arranged or intended for such use at the time of adoption or amendment of this Ordinance, but no such use shall be extended to occupy any land outside such building.
- (c) No existing structure devoted to a Class B nonconforming use shall be enlarged or extended, except in changing the use of the structure to a use permitted in the district where it is located.
- (d) Where a Class B nonconforming use occupies a structure, removal or destruction of the structure, or damage to the structure to an extent greater than the state equalized value of the structure, shall eliminate the nonconforming use status, and subsequent uses shall conform to the use provisions of the district where it is located.
- (e) If a Class B nonconforming use is changed or superseded by a permitted use, any future use shall be in conformity with the provisions of this Ordinance.

- (f) When a Class B nonconforming use ceases or is discontinued for a period of more than three hundred sixty-five (365) days, it shall not be resumed and subsequent uses shall conform to the regulations of the district where it is located.
- (g) The use shall be maintained in compliance with all applicable federal, state, county and Township laws, ordinances, regulations and codes, other than the use regulations for the district where the use is located. Failure to do so, or failure to bring the use into compliance with current laws, ordinances, regulations and codes within one-hundred eighty (180) days of their effective date, shall constitute grounds for the Township to seek court approval to terminate or remove the use.

SEC. 27.4 CLASS A NONCONFORMING DESIGNATION

It is the intent of this Section to recognize that certain nonconforming structures and uses may not have a significant adverse impact upon nearby properties or the public health, safety and welfare, and to establish a "Class A" designation that the Planning Commission may approve for these nonconforming structures or uses, subject to the following procedure and standards:

1. Application

A written application shall be filed setting forth the following information:

- (a) The address, parcel identification number and legal description of the total land area of the application.
- (b) Use(s). A map showing the existing and proposed use(s) of the subject property and adjacent lands with sufficient detail to properly define nearby parks, public lands, roads, highways, available discharge points or routes for surface drainage, sewer and water facilities and zoning district boundaries.
- (c) Site Plan. A plan for alterations, enlargements, extensions, and other site improvements, if any, associated with the application for a Class A designation.
- (d) Any information as may be deemed necessary by the Planning Commission to make a determination on the request.

2. Public Hearing (as amended on 9/30/07)

A public hearing shall be held by the Planning Commission on a request for a Class A designation for a nonconforming structure or use, to acquaint the public and particularly adjoining property owners with the request. One (1) notice shall be published in a newspaper which circulates in the Township, and sent by mail or personal delivery to the owners of property for which approval is being considered; to all persons to whom real property is assessed within three hundred (300) feet of the boundary of the property in question; and to the occupants of all structures within three hundred (300) feet of the property regardless of whether the property or occupant is located in the zoning jurisdiction. This notice shall be given not less than fifteen (15) days before the date the application will be considered. If the name of the occupant is not known, the term "occupant" may be used in mailing notification. The notice shall:

- (a) Describe the nature of the request.
- (b) Indicate the property which is the subject of the request. The notice shall include a listing of all existing street addresses within the property. Street addresses do not need to be created and listed if no such addresses currently exist within the property. If there are no street addresses, other means of identification may be used.
- (c) State when and where the request will be considered.
- (d) Indicate when and where written comments will be received concerning the request.

3. Standards for Approval of a Class A Designation

The Planning Commission may approve a Class A designation for a nonconforming structure or use only upon determining that the following conditions exist:

- (a) Continuance of the nonconforming structure or use would not create an immediate danger to public health, safety or welfare of the neighborhood and the community as a whole.
- (b) Continuance of the nonconforming structure or use does not and is not likely to significantly depress the value of nearby properties.
- (c) Continuance of the nonconforming structure or use does not and is not likely to create a general nuisance to the nearby properties.
- (d) No useful purpose would be served by strict application of the provisions of this Ordinance with which the use or structure does not conform.
- (e) The structure or use was lawful at the time of its inception, and is nonconforming as defined in this Ordinance.
- (f) The change of one nonconforming use to another nonconforming use shall result in a change in use which will have less of a negative impact on neighboring properties than the existing nonconforming use of land and would therefore bring the use and development of the property into greater conformity with the spirit and intent of the Ordinance. In permitting such change the Planning Commission may require appropriate conditions and safeguards in keeping with the spirit and intent of other provisions of this Ordinance and to protect the neighboring properties from a negative impact.
- (g) The proposed alteration, extension, expansion or replacement will not have a negative impact on neighboring properties and will bring the use into greater conformity with the spirit and intent of the Ordinance. In permitting such alteration, extension, expansion or replacement the Planning Commission may require appropriate conditions and safeguards in keeping with the purpose of this Article and Section, and to mitigate any negative impacts of the nonconforming structure or use.

EXHIBIT 1

Conditions may include a requirement that all signage on the structure or land in question be brought into compliance with the sign regulations of this Ordinance, improvements to the site to bring the site more into conformance with current Ordinance site design standards, and other improvements as deemed necessary to protect surrounding uses.

4. **Planning Commission Decision**

Subsequent to a public hearing, the Planning Commission may deny, approve or approve with conditions a request for a Class A designation, after review of the application and the standards established in this Section. The decision of the Planning Commission shall be incorporated in a statement to be made part of the official minutes of the meeting and shall contain the conclusions relative to the application under consideration. The Commission shall specify the basis for the decision and any conditions imposed. No vested interest shall arise out of a Class "A" designation.

5. **Effect of Approval of a Class A Designation**

Class A nonconforming structures may be permitted to be perpetuated, expanded, enlarged, altered, improved or reconstructed if damaged or destroyed only after approval of the Planning Commission, and in accordance with an approved plan, the provisions of this Section and any conditions of approval. Should such a structure be moved for any reason for any distance whatsoever, it shall conform to the regulations for the district in which it is located after it is moved.

Class A nonconforming uses may be perpetuated, expanded, enlarged, increased or extended, either on the same or adjoining lot or parcel, only after approval of the Planning Commission, and in accordance with an approved plan, the provisions of this Section and any conditions of approval. No such nonconforming use shall be moved in whole or in part to any other portion of the lot or parcel occupied by such use at the effective date of adoption or amendment of this Ordinance, except after approval of the Planning Commission.

6. **Effect of Denial of a Class A Designation (as amended 4/9/09)**

The following shall not be eligible for appeal to the Zoning Board of Appeals:

1. An application for a Class A designation that has been denied by the Planning Commission.
2. An administrative decision made by the Chief Building Official regarding a modification of a Class B structure or use that has been previously denied by the Planning Commission for Class A status.

Notwithstanding the above, a previously denied application for Class A status may be resubmitted for Planning Commission consideration as a new application after a minimum of three hundred sixty five (365) days have elapsed from the date of denial by either the Planning Commission or Chief Building Official.

7. **Cessation or Removal of Class A Nonconforming Structures or Uses**

EXHIBIT 1

If a Class A nonconforming structure is permanently removed, or when a Class A nonconforming use is discontinued or ceases to exist for a period of more than three hundred sixty-five (365) days, the Class A designation may be revoked by the Planning Commission. If the Class A nonconforming use is changed or replaced by a conforming use, the designation shall be deemed removed.

Any subsequent structure or use shall conform with the provisions of this Ordinance for the district where it is located, unless a change to another nonconforming use has been approved by the Planning Commission.

8. **Revocation of Class A Designation**

Upon a finding that the structure or use no longer qualified for Class A designation, as a result of any change of conditions or circumstances, or failure to maintain or improve a

Class A nonconforming structure or use in accordance with the provisions of this Section, an approved site plan or any conditions of approval, the Planning Commission may take action to revoke the Class A designation. Such action shall be subject to the following:

- (a) **Public Hearing.** The Planning Commission shall hold a public hearing subject to the notice requirements set forth in Section 27.3.2, at which time the owner, operator or person having use of property occupied by a Class A designated nonconforming structure or use shall be given an opportunity to present evidence in opposition to revocation.
- (b) **Determination.** Subsequent to the hearing, the decision of the Commission with regard to the revocation shall be made and written notification provided to said operator or person having use of property occupied by a Class A designated nonconforming structure or use.

SEC. 27.5 CHANGE OF TENANCY PERMITTED

There may be a change in tenancy, ownership, or management of an existing nonconformity without affecting its nonconforming status, provided that there is no change in the nature or character of the nonconformity.

SEC. 27.6 REMOVAL OF NONCONFORMITIES BY TOWNSHIP ACTION

The Township may acquire by purchase, condemnation or otherwise, private property or an interest in private property for the purpose of removing nonconformities. The elimination of the nonconformities in a zoning district may be declared to be for a public purpose and for a public use. The Township Board may institute and prosecute proceedings for condemnation of nonconformities under the power of eminent domain in accordance with Public Act 149 of 1911, as amended, being Sections 213.21 to 213.41 of the Michigan-Compiled Laws, or other applicable statute.

**ARTICLE XXVIII
SPECIAL PROVISIONS**

SEC. 28.3 RESIDENTIAL DESIGN STANDARDS

Any new one family detached dwelling unit located outside a mobile home park, erected after the effective date of adoption or amendment of this Ordinance shall be subject to the following conditions prior to issuance of a building permit:

2. Dimensional Standards

Such dwelling units shall comply with the minimum standards listed in Article 20 for the zoning district in which it is located, including minimum lot area, minimum lot width, minimum floor area, required setbacks, and maximum building height, except as provided in Section 27.1 for nonconforming lots or parcels of record in the R-1 District.

SEC. 28.4 DWELLING LOCATIONS

3. Lot Width

Every single family dwelling shall be located on a lot, parcel or tract of land having a width of not less than sixty (60) feet at the front or rear building line, whichever is less, except as provided in Section 27.1 for nonconforming lots or parcels of record in the R-1 District.

**ARTICLE XXVII
NONCONFORMITIES**

PURPOSE

This Article is hereby established for the following purposes:

1. Recognition of Nonconformities

To recognize that, within the districts established by the adoption or amendment of this Ordinance there exists lots, parcels, structures, and uses which were lawful before this Ordinance was adopted or amended, but which would be prohibited, regulated, or restricted under the terms of this Ordinance.

2. Regulation of Nonconformities

To regulate the completion, restoration, and reconstruction of nonconforming structures, the extension, enlargement, and substitution of nonconforming uses and the circumstances and conditions under which nonconformities shall be permitted to continue.

3. Classification of Nonconforming Structures and Uses

To establish two classes (Class A and Class B) of nonconforming structures and uses that distinguish between those that are no desirable (Class B), and those that may not have a significant adverse impact upon nearby properties or the public health, safety, and welfare (Class A).

4. Elimination of Class B Nonconforming Structures and Uses

To declare that Class B nonconforming structures and uses are incompatible with permitted uses in the district, and are likely to have a negative impact on neighboring properties. It is the intent of this Article to eliminate Class B nonconforming structures and uses as rapidly as is permitted by law without payment of compensation.

5. Continuation of Nonconformities

To permit the continuance of nonconformities subject to requirements of this Article, but not to permit their enlargement, expansion, or extension, except where provided for in this Article.

SEC 27.1 NONCONFORMING LOTS OR PARCELS OF RECORD

It is recognized that within the R-1 District, there are recorded lots or parcels of record, which lawfully existed at the time of adoption of this Ordinance, which do not meet the minimum requirements for width or area. The purpose of this Article is to allow such lots or parcels of record to be utilized as long as reasonable living standards can be provided.

The following regulations shall apply to nonconforming lots or parcels of record within the R-1 District:

1. Development of Nonconforming Lots or Parcels of Record within the R-1 District

A single-family dwelling and customary accessory structures may be erected on any single lot or parcel of record in the R-1 District that was in existence at the effective date of adoption or amendment of this Article. This provision shall apply even if the lot or parcel does not meet the minimum area or width requirements of the R-1 District, provided that any principal or accessory structure constructed on the lot or parcel complies with all other yard, floor area, height, and access requirements of the R-1 District.

2. Review and Approval Procedure

An application for the construction of a single-family residence on a nonconforming lot or parcel of record in the R-1 District shall be submitted to the Chief Building Official for review and approval prior to the issuance of a building permit. In reviewing the application, the Chief Building Official shall determine that all other requirements not involving area or width have been met. In addition, the Chief Building Official shall determine whether any additional information and/or approvals must be obtained to ensure compliance with this Article, and to preserve the general public health, safety, and welfare.

3. Variation to Yard Requirements

If the nonconforming lot or parcel of record in the R-1 District requires a variation of the yard requirements in order to erect a structure, then such structure shall be permitted only if a variance is granted by the Zoning Board of Appeals.

SEC. 27.2 DEFINITION AND CLASSIFICATION OF NONCONFORMING STRUCTURES AND USES

Two (2) different classes of nonconforming structures and uses (Class A and Class B) are hereby established by this Article, with the terms for completion, restoration, reconstruction, extension or substitution different for each applicable class. The classes shall distinguish between those that are not desirable and should be eliminated as rapidly as possible (Class B), and those that may not have a significant adverse impact upon nearby properties or the public health, safety and welfare (Class A). All nonconforming structures and uses not designated Class A by the Planning Commission shall be classified as Class B nonconforming structures or uses.

SEC. 27.3 CLASS B NONCONFORMITIES

Nonconforming structures and uses that have been designated Class A shall not be subject to the requirements of this Section, but rather shall be subject to the provisions of Section 27.3, Class A Nonconforming Designation. Class B nonconforming structures and uses may be continued, subject to the following regulations and restrictions:

1. **Class B Nonconforming Structures**

Class B nonconforming structures shall be allowed to continue after the effective date of adoption or amendment of this Ordinance, subject to the following conditions:

- (a) **Expansion and Alteration Restricted.** Class B nonconforming structures shall not be enlarged upon, expanded, extended, altered in a way which increases their nonconformity, or considered as grounds for adding other structures or uses prohibited elsewhere in the same district. Such structures may be enlarged upon, expanded, extended or altered where such work does not increase their nonconformity, where repairs are determined by the Chief Building Official to be necessary for safety or to ensure the continued advantageous use of the Class B nonconforming structure during its natural life.
- (b) **Normal Repairs and Maintenance.** This Article shall not prevent work required for compliance with the provisions of the State Construction Code or Michigan housing laws regulating the maintenance of buildings or structures. Normal repair, maintenance or replacement of interior non-bearing walls, fixtures, wiring, plumbing or heating and cooling systems in Class B nonconforming structures may be permitted in accordance with applicable code requirements, provided that such improvements do not result in an enlargement of a nonconforming structure or use, and provided that the cost of such improvements does not exceed the state equalized value of the structure at the time such work is proposed.
- (c) **Buildings under Construction.** Nothing in this Article shall require a change in the plans, construction or designated use of any building or structure for which construction was lawfully begun prior to the effective date of adoption or amendment of this Ordinance and diligently carried on until completion. Construction shall include the placement of materials in a permanent manner or demolition and removal of an existing structure preparatory to rebuilding in accordance with an approved site plan.
- (d) **Damaged Structures.** Any Class B nonconforming structure that has been destroyed or damaged by fire, explosion, Act of God, public enemy or other means to the extent that the cost of repairs and restoration exceeds the state equalized value of the structure (as determined through the real property assessment for tax purposes prior to the time such damage occurred) shall not thereafter be reconstructed, except in conformity with the provisions of this Ordinance.

If the cost of repairs and restoration is less than the state equalized value of the structure, then it may be restored to the same configuration as existed before such damage, provided that such restoration shall be subject to site plan approval by the Planning Commission. Said restoration shall be commenced within one hundred eighty (180) days of the date of site plan approval and shall be diligently carried on to completion.
- (e) **Unsafe Structures.** Nonconforming structures that are determined by the Chief Building Official to be unsafe shall not thereafter be restored, repaired or rebuilt, but rather shall be immediately removed.

- (f) Height of Building as Originally Planned. A building may be erected to its full height of use, as originally planned, when foundations and structured members are designed to carry such building, when said building has been partially erected previous to the adoption or amendment of this Ordinance.
- (g) Relocation. Should any Class B nonconforming structure be moved any distance for any reason it shall thereafter conform to the regulations for the district in which it is located.

2. Class B Nonconforming Uses

Class B nonconforming uses shall be allowed to continue after the effective date of adoption or amendment of this Ordinance subject to the following conditions:

- (a) Class B nonconforming uses shall not be enlarged, reconstructed, increased in intensity, extended to occupy a greater area of land or building floor area, altered or moved in whole or in part to any other portion of the lot or parcel or adjoining lot or parcel. No additional structures shall be constructed for a Class B nonconforming use.
- (b) A Class B nonconforming use may be extended throughout any parts of a building which were manifestly arranged or intended for such use at the time of adoption or amendment of this Ordinance, but no such use shall be extended to occupy any land outside such building.
- (c) No existing structure devoted to a Class B nonconforming use shall be enlarged or extended, except in changing the use of the structure to a use permitted in the district where it is located.
- (d) Where a Class B nonconforming use occupies a structure, removal or destruction of the structure, or damage to the structure to an extent greater than the state equalized value of the structure, shall eliminate the nonconforming use status, and subsequent uses shall conform to the use provisions of the district where it is located.
- (e) If a Class B nonconforming use is changed or superseded by a permitted use, any future use shall be in conformity with the provisions of this Ordinance.
- (f) When a Class B nonconforming use ceases or is discontinued for a period of more than three hundred sixty-five (365) days, it shall not be resumed and subsequent uses shall conform to the regulations of the district where it is located.
- (g) The use shall be maintained in compliance with all applicable federal, state, county and Township laws, ordinances, regulations and codes, other than the use regulations for the district where the use is located. Failure to do so, or failure to bring the use into compliance with current laws, ordinances, regulations and codes within one-hundred eighty (180) days of their effective date, shall constitute grounds for the Township to seek court approval to terminate or remove the use.

SEC. 27.4 CLASS A NONCONFORMING DESIGNATION

It is the intent of this Section to recognize that certain nonconforming structures and uses may not have a significant adverse impact upon nearby properties or the public health, safety and welfare, and to establish a "Class A" designation that the Planning Commission may approve for these nonconforming structures or uses, subject to the following procedure and standards:

1. Application

A written application shall be filed setting forth the following information:

- (a) The address, parcel identification number and legal description of the total land area of the application.
- (b) Use(s). A map showing the existing and proposed use(s) of the subject property and adjacent lands with sufficient detail to properly define nearby parks, public lands, roads, highways, available discharge points or routes for surface drainage, sewer and water facilities and zoning district boundaries.
- (c) Site Plan. A plan for alterations, enlargements, extensions, and other site improvements, if any, associated with the application for a Class A designation.
- (d) Any information as may be deemed necessary by the Planning Commission to make a determination on the request.

2. Public Hearing (as amended on 9/30/07)

A public hearing shall be held by the Planning Commission on a request for a Class A designation for a nonconforming structure or use, to acquaint the public and particularly adjoining property owners with the request. One (1) notice shall be published in a newspaper which circulates in the Township, and sent by mail or personal delivery to the owners of property for which approval is being considered; to all persons to whom real property is assessed within three hundred (300) feet of the boundary of the property in question; and to the occupants of all structures within three hundred (300) feet of the property regardless of whether the property or occupant is located in the zoning jurisdiction. This notice shall be given not less than fifteen (15) days before the date the application will be considered. If the name of the occupant is not known, the term "occupant" may be used in mailing notification. The notice shall:

- (a) Describe the nature of the request.
- (b) Indicate the property which is the subject of the request. The notice shall include a listing of all existing street addresses within the property. Street addresses do not need to be created and listed if no such addresses currently exist within the property. If there are no street addresses, other means of identification may be used.
- (c) State when and where the request will be considered.
- (d) Indicate when and where written comments will be received concerning the request.

3. Standards for Approval of a Class A Designation

The Planning Commission may approve a Class A designation for a nonconforming structure or use only upon determining that the following conditions exist:

- (a) Continuance of the nonconforming structure or use would not create an immediate danger to public health, safety or welfare of the neighborhood and the community as a whole.
- (b) Continuance of the nonconforming structure or use does not and is not likely to significantly depress the value of nearby properties.
- (c) Continuance of the nonconforming structure or use does not and is not likely to create a general nuisance to the nearby properties.
- (d) No useful purpose would be served by strict application of the provisions of this Ordinance with which the use or structure does not conform.
- (e) The structure or use was lawful at the time of its inception, and is nonconforming as defined in this Ordinance.
- (f) The change of one nonconforming use to another nonconforming use shall result in a change in use which will have less of a negative impact on neighboring properties than the existing nonconforming use of land and would therefore bring the use and development of the property into greater conformity with the spirit and intent of the Ordinance. In permitting such change the Planning Commission may require appropriate conditions and safeguards in keeping with the spirit and intent of other provisions of this Ordinance and to protect the neighboring properties from a negative impact.
- (g) The proposed alteration, extension, expansion or replacement will not have a negative impact on neighboring properties and will bring the use into greater conformity with the spirit and intent of the Ordinance. In permitting such alteration, extension, expansion or replacement the Planning Commission may require appropriate conditions and safeguards in keeping with the purpose of this Article and Section, and to mitigate any negative impacts of the nonconforming structure or use. Conditions may include a requirement that all signage on the structure or land in question be brought into compliance with the sign regulations of this Ordinance, improvements to the site to bring the site more into conformance with current Ordinance site design standards, and other improvements as deemed necessary to protect surrounding uses.

4. Planning Commission Decision

Subsequent to a public hearing, the Planning Commission may deny, approve or approve with conditions a request for a Class A designation, after review of the application and the standards established in this Section. The decision of the Planning Commission shall be incorporated in a statement to be made part of the official minutes of the meeting and shall contain the conclusions relative to the application under consideration. The Commission shall

specify the basis for the decision and any conditions imposed. No vested interest shall arise out of a Class "A" designation.

5. **Effect of Approval of a Class A Designation**

Class A nonconforming structures may be permitted to be perpetuated, expanded, enlarged, altered, improved or reconstructed if damaged or destroyed only after approval of the Planning Commission, and in accordance with an approved plan, the provisions of this Section and any conditions of approval. Should such a structure be moved for any reason for any distance whatsoever, it shall conform to the regulations for the district in which it is located after it is moved.

Class A nonconforming uses may be perpetuated, expanded, enlarged, increased or extended, either on the same or adjoining lot or parcel, only after approval of the Planning Commission, and in accordance with an approved plan, the provisions of this Section and any conditions of approval. No such nonconforming use shall be moved in whole or in part to any other portion of the lot or parcel occupied by such use at the effective date of adoption or amendment of this Ordinance, except after approval of the Planning Commission.

6. **Effect of Denial of a Class A Designation (as amended 4/9/09)**

The following shall not be eligible for appeal to the Zoning Board of Appeals:

1. An application for a Class A designation that has been denied by the Planning Commission.
2. An administrative decision made by the Chief Building Official regarding a modification of a Class B structure or use that has been previously denied by the Planning Commission for Class A status.

Notwithstanding the above, a previously denied application for Class A status may be resubmitted for Planning Commission consideration as a new application after a minimum of three hundred sixty five (365) days have elapsed from the date of denial by either the Planning Commission or Chief Building Official.

7. **Cessation or Removal of Class A Nonconforming Structures or Uses**

If a Class A nonconforming structure is permanently removed, or when a Class A nonconforming use is discontinued or ceases to exist for a period of more than three hundred sixty-five (365) days, the Class A designation may be revoked by the Planning Commission. If the Class A nonconforming use is changed or replaced by a conforming use, the designation shall be deemed removed.

Any subsequent structure or use shall conform with the provisions of this Ordinance for the district where it is located, unless a change to another nonconforming use has been approved by the Planning Commission.

8. **Revocation of Class A Designation**

EXHIBIT 2

Upon a finding that the structure or use no longer qualified for Class A designation, as a result of any change of conditions or circumstances, or failure to maintain or improve a

Class A nonconforming structure or use in accordance with the provisions of this Section, an approved site plan or any conditions of approval, the Planning Commission may take action to revoke the Class A designation. Such action shall be subject to the following:

- (a) **Public Hearing.** The Planning Commission shall hold a public hearing subject to the notice requirements set forth in Section 27.3.2, at which time the owner, operator or person having use of property occupied by a Class A designated nonconforming structure or use shall be given an opportunity to present evidence in opposition to revocation.
- (b) **Determination.** Subsequent to the hearing, the decision of the Commission with regard to the revocation shall be made and written notification provided to said operator or person having use of property occupied by a Class A designated nonconforming structure or use.

SEC. 27.5 CHANGE OF TENANCY PERMITTED

There may be a change in tenancy, ownership, or management of an existing nonconformity without affecting its nonconforming status, provided that there is no change in the nature or character of the nonconformity.

SEC. 27.6 REMOVAL OF NONCONFORMITIES BY TOWNSHIP ACTION

The Township may acquire by purchase, condemnation or otherwise, private property or an interest in private property for the purpose of removing nonconformities. The elimination of the nonconformities in a zoning district may be declared to be for a public purpose and for a public use. The Township Board may institute and prosecute proceedings for condemnation of nonconformities under the power of eminent domain in accordance with Public Act 149 of 1911, as amended, being Sections 213.21 to 213.41 of the Michigan-Compiled Laws, or other applicable statute.
