

**INVITATION FOR BIDS
TIMBER STUMPAGE
POLK COUNTY FOREST**

Sealed bids will be accepted by the Polk County Environmental Services Committee for timber stumpage on the Polk County Forest. This bid offering includes six (6) tracts with a combined acreage of 385 acres and the following combined estimated volumes:

570 MBF RED OAK SAW
190 MBF WHITE/BUR OAK SAW
140 MBF MIXED HARDWOODS SAW
100 MBF BASSWOOD SAW

3,235 tons OAK PULP
1,420 tons JACK PINE PULP
1,320 tons MIXED HARDWOOD PULP
785 tons RED PINE PULP (logs/poles/bolts mix)
660 tons ASPEN PULP
310 tons BASSWOOD PULP

Specific information and bid documents may be obtained by writing to the Polk County Forest Administrator at: 100 Polk County Plaza Suite 40, Balsam Lake, WI 54810, calling (715) 485-9265, visiting: <https://www.polkcountywi.gov/forestry>, or emailing: brent.sisko@polkcountywi.gov

Sealed bids shall be received in person or by mail prior to 1:00 P.M., May 6th, 2025. Bids will be opened by the Polk County Forest Administrator and WI DNR Liaison Forester on the second floor North Conference Room of the Polk County Government Center, Balsam Lake, WI immediately following the bid time closing. This will be a public bid opening.

POLK COUNTY FOREST TIMBER SALES

Spring 2025

Sale maps, descriptions and bid sheets are available online at:
<https://www.polkcountywi.gov/forestry>

Timber sale bids will be received by the Polk County Forest Administrator on behalf of the Polk County Environmental Services Committee (ESC) for timber stumpage on designated areas of the Polk County Forest. Bids will be accepted up to **1pm on Tuesday, May 6th** at the Polk County Forest Administrator's office, ground floor Room G11 of the Polk County Government Center, Balsam Lake, WI. Mailed bids must be received on or before Tuesday, May 6th, 2025 at 1 pm. Sealed bids will be opened publicly by the Polk County Forest Administrator and the WI DNR Liaison Forester. The results of the bids will be shared as soon as possible.

Mailing Address:
Polk County Forest Administrator
100 Polk County Plaza, Suite 40
Balsam Lake, WI 54810

Bids will be opened immediately after the 1pm bid closing, Tuesday, May 6th, 2025, on the second floor North Conference Room of the Polk County Government Center, Balsam Lake, WI. *Sales will be awarded by the Environmental Services Committee (ESC) at the 9:00am regular meeting on May 7th, 2025.* Polk County ESC reserves the right to accept or reject any or all bids determined to be in the best interest of Polk County.

BIDS

- Bids must be made separately for each tract by species and product on the standard form provided and must be plainly marked on the outside of the envelope "SEALED TIMBER BID, TRACT #____".
 - ****Please note the following****
 - 1.) **Tracts 3-24, 4-24, 5-24 and 6-24 are being sold as Lump Sum. All other tracts are being sold as mill scale.**
 - 2.) **Tract 6-24 will be subject to frozen ground winter only harvest, unless otherwise approved by the contract administrator.**
- *******Bids Bonds are no longer required*******
 - The winning bidder must sign a sale contract and produce a performance bond within 45 days of the bid being awarded by the ESC or the bidder will be ineligible for bidding on sales for two years. Polk County will require a performance bond (15% of the total bid value or \$1,000.00 whichever is greater) as a performance security.
Letters of Credit, a Certified, Personal, or Cashier's Check, Bank or Postal Money order payable to Polk County Forestry Department are acceptable.
 - **Letters of Credit must have an expiration date of June 30, 2028 for Tracts 1-24 through 5-24. Tract 6-24 must have an expiration date of June 30, 2029.**

CONTRACT PERIOD and EXTENSIONS

- All contracts will expire on **JUNE 30, 2027 except for Tract 6-24. Tract 6-24 will expire June 30, 2028. Contract extensions are not guaranteed.**
- If the Seller deems extensions of this Contract reasonable, the stumpage price agreed upon herein shall be adjusted as follows:
 - a. First extension: 1 year 5% increase
 - b. Second extension: 1 year 15% increase

INSURANCE

An original certificate of insurance covering liability insurance, workers' compensation and motor vehicle insurance is required to be filed with the County's sale prior to the beginning of any work on the contract area. Worker's compensation coverage shall not be waived if statutorily required and all worker's compensation insurance policies shall satisfy the Wisconsin statutory minimum limits. The contractor must add "County of Polk, its officers, employees, and agents" as a certificate holder under the commercial general, automobile and contractor's pollution liability and workers' compensation policies.

TRAINING STANDARD

Polk County requires appropriate training of its logging contractors. Successful purchasers of Polk County Forest stumpage will need to ensure that the logging contractor complies with the **Wisconsin Sustainable Forestry Initiative®** Training Standard as adopted by the Wisconsin SFI Implementation Committee (SIC). Criteria for the standard can be found at: <http://www.fistausa.org/become-sfi.html>. Documentation confirming completion of the training standard will be required prior to any work on the contract area.

Polk County Forestry is third party certified.

For Mill Scale Sales:

The County reserves the right to either accept mill scale or to scale wood on the site. **Sale volumes are estimates and are not guaranteed.** Hardwood sawlogs are defined as being at least 8' long and taken to a 10" diameter inside bark (dib) on the small end. Logs will be scaled at the sale site using Scribner Decimal C log rule unless a Mill scale slip can be provided. 'Hand' or 'stick' scaled wood will be converted according to the WDNR Timber Sale Handbook table.

The lock box ticket system will be used for all scaled sales unless otherwise stated on the individual sale map. Copies of all mill scale slips shall be provided to the Polk County Forestry Department. Arrangements will be made to scale all saw timber and products for which mill scale slips cannot be obtained.

For Lump Sum Sales:

Volume to be cut is estimated but not guaranteed. If the volume of timber exceeds the estimate, as a whole or by species, the Purchaser has the obligation to cut and remove it. If there is less timber than estimated, there is no obligation to the Seller to make up the deficiency. The timber designated or marked will not be changed to increase the cut to the estimate.

Polk County requires prepayment on **all** sales before cutting may begin. If payments need to be broken into smaller payment blocks, that can be arranged with the Polk County Forest Administrator. Arrangements **MUST** be made prior to any harvesting activities. The purchaser will be subject to a 5% interest charge per month on payments not received within 30 calendar days of any invoice amount. Payment schedules are listed in the timber sale contract which can be made available upon request.

For all Polk County timber sales located in Sterling Township, only bark free Oak trees, Oak trees with loose bark, or downed Oak trees for a year or longer may be sold to private individuals. The purpose of this restriction is to avoid spreading Oak Wilt to surrounding areas.

Wisconsin Forestry Best Management Practices (BMPs) for Water Quality, Wisconsin Forestry BMPs for Invasive Species AND Wisconsin Forestry BMPs for Woody Biomass Harvesting Guidelines will be followed. Rutting and other excessive soil damage will result in ceasing operations.

No whole tree harvesting allowed unless otherwise stated on the individual sale map.

NO TIMBER SALE MAY BEGIN WITHOUT A MEETING WITH THE POLK COUNTY FOREST ADMINISTRATOR OR DNR FORESTER AT THE SALE SITE.

**Building of roads and/or landings must be approved by the Forest Administrator or the DNR Forester before construction.*

Bid documents can be obtained by visiting the Polk County Forestry office or by going to the website below:

<https://www.polkcountywi.gov/forestry>

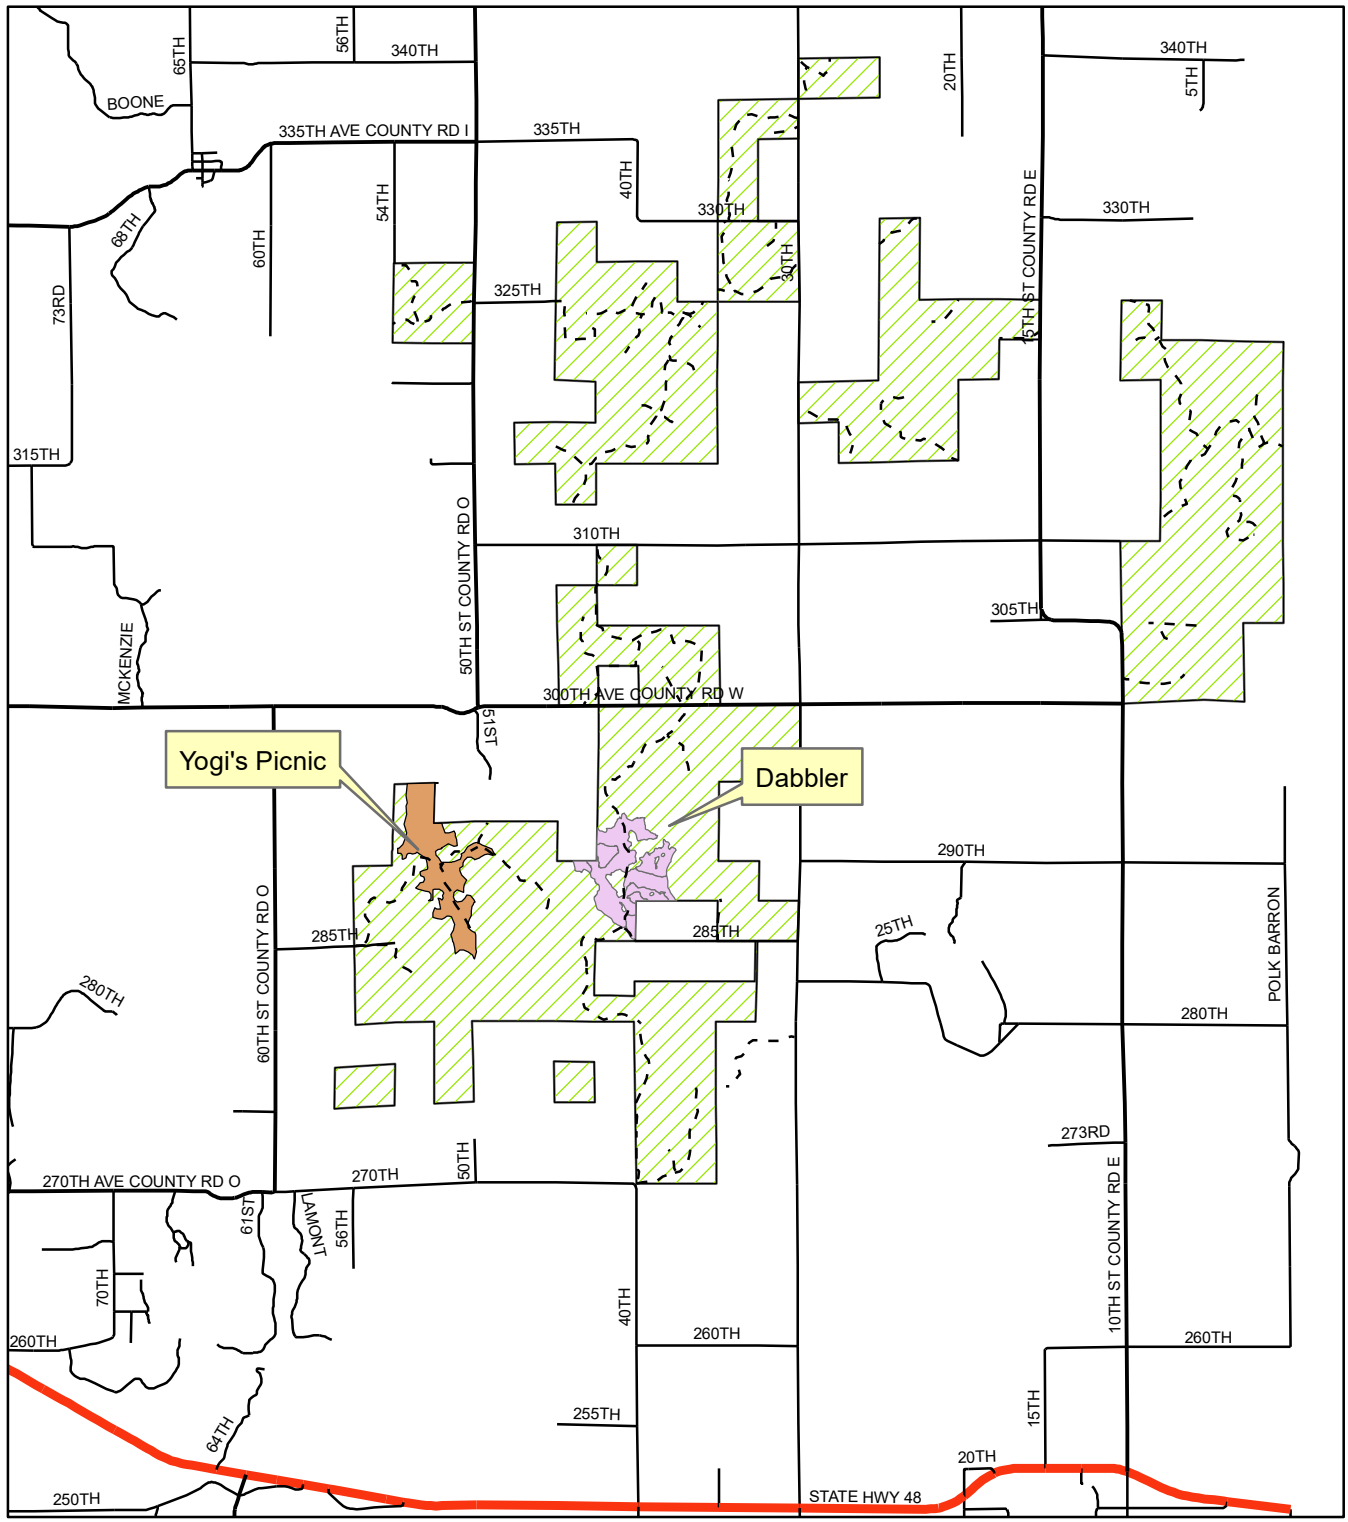

Scroll down to Resources and click on Timber Sales.

For more information, or if you have any questions, please contact the Polk County Forestry Department at 715-485-9265 or by email at brent.sisko@polkcountywi.gov. You can also contact Paul Heimstead, WI DNR Liaison Forester at 715-410-8316 or by email at Paul.Heimstead@wisconsin.gov.

Thank you,

Brent Sisko
Polk County Forest Administrator

POLK COUNTY FOREST

MAPPED BY: PAUL HEIMSTEAD	PROJECT TYPE: TIMBER SALE	TIMBER SALE NUMBER (ASSIGNED ONCE SOLD)
DATE DRAWN: 5-14-24	COMP: 13 STAND: 1, 2, 4	CONTRACTOR:
TOWNSHIP: STERLING	DNR PROPERTY AND TRACT #: 4900 1-24	EXPIRATION DATE: June 30th, 2027
TOWN/ RANGE/ SECTION 36N R19W SEC. 17,18	ACRES: 44 ACRE JACK PINE AND ASPEN HARVEST	WINDSOR VANILLA

Estimated Volume (4" top)	Pulpwood
Jack Pine	600 Tons
Aspen	400 Tons
Oak	200 Tons
Birch/Mx	80 Tons
Advertised Min. Value	\$ 8,260.00

Cutting Requirements / Information

1. Harvest all Stems greater than 2 inches in diameter except leave all white pine and white/bur oak.
2. No cutting within 100 feet of blue paint line between April 15th and July 15th.
3. Utilization: Utilize all harvested trees and limbs that will make at least 1, 100" pulp stick 4 inches on small end.
4. Slash must be lopped and scattered to within 3 feet of the ground. Do not pile or windrow.
5. Easement road, if used, must remain in passable condition and returned to prior or better condition.
6. Any landings, new access roads, or turn-arounds must be approved by County Forest Administrator.
7. No oak firewood sales to private parties unless bark is loose or off, or is 1 year old.
8. This is a scaled sale for all products. Mill scale with haul ticket system will be used. County reserves right to scale on the landing. No guarantee that sale will cut out as estimated.

Description of Stumpage: Jack pine is of average to good quality. Aspen is poor to average quality for Sterling. North half of stand has been dozer scarified for jack pine regeneration. Volume estimate by variable radius plot – sampling error 17%.

A performance bond of 15% or \$1,000.00 whichever is greater of the total bid will be due from the successful bidder within 45 days of the bid opening. No Bid bond required.

All Bids must meet or exceed the Minimum Value or the bid will be rejected. .

POLK COUNTY FOREST

MAPPED BY: BRENT SISKO	PROJECT TYPE: TIMBER SALE	TIMBER SALE NUMBER (ASSIGNED ONCE SOLD)
DATE DRAWN: 5/21/24	COMP: 20 STAND: 7,10	CONTRACTOR:
TOWNSHIP: STERLING	DNR PROPERTY AND TRACT #: 4900 2-24	EXPIRATION DATE: June 30th, 2027
TOWN/ RANGE/ SECTION T36N R20W SEC 26	ACRES: 17 ACRES JACK PINE/OAK CLEARCUT, 10 ACRES JACK PINE OVERSTORY REMOVAL	COOKIE DOE

Estimated Volume (4"Top)	Pulpwood (Tons)
Jack Pine	280
Oak	180
Ad. Min. Value	\$2,400.00

*Oak pulpwood contains approximately 35 tons of aspen and red maple.

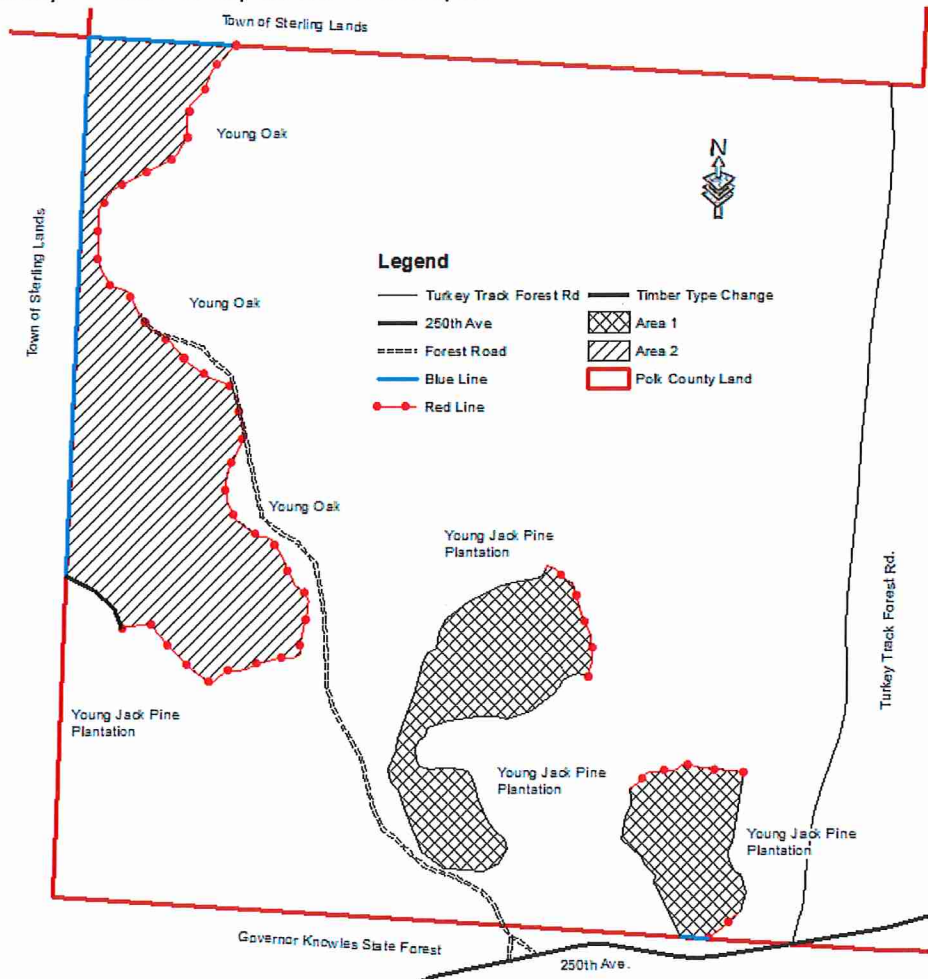

Scaled Sale

Jack Pine Overstory Removal (10 Ac.)

AREA 1 Harvest all merch. jack pine.

Jack Pine/Oak Clearcut (17 Ac.)

AREA 2 Harvest all stems 2" in diameter and larger.

Cutting Requirements/Info

- Sale is bound by blue paint, red paint, young oak and young jack pine.
- Utilization: Utilize all harvested trees and limbs that will make at least 1 100" pulp stick 4 inches on small end.
- Slash must be lopped and scattered to within 3 feet of the ground.
- No cutting, hauling, or forwarding during wet periods when rutting occurs.
- Leave all snags unless they pose a safety hazard.
- Harvest of dead oak and pine is encouraged, but optional. Dead trees are not included in volume estimates.
- Due to the likely presence of oak wilt, no oak shall be sold to private individuals unless bark is loose, off or is a year old.

Description of Stumpage: Jack pine ranges from low to very good quality with an average DBH of 10". Oak is mostly small diameter consisting of bolt size and smaller, quality mixed. Sampling errors average 22%-29% over 20 variable radius plots for volume estimates.
