

# **POLK COUNTY ATV/UTV INTENSIVE USE AREA RULES FOR USE**

- The intensive use area is intended for ATV/UTV operation only. All other recreational vehicles are prohibited within this area.
- Only operate on designated trails and obey all signs.
- ATV's/UTV's must be operated in a safe and controlled manner.
- Operate the ATV/UTV at a rate of speed that is reasonable or proper under the circumstances.
- Do not operate an ATV/UTV in a careless manner as to endanger yourself or another person.
- Safety equipment must be worn to prevent injuries including, but not limited to, helmet, eye protection and sensible protective clothing.
- Know the capabilities of yourself and your machine before entering the intensive use area.
- Become familiar with the intensive use area, the terrain and it's obstacles before using.
- All state and local ATV/UTV regulations apply in this area.
- Intensive use area may be closed during certain periods of time for hunting, spring thaw and/or maintenance. Do not enter the area when closed.
- By entering the intensive use area, users understand, assume and accept all inherent hazards and risks associated with participating in this recreational activity. Users are also aware of the risks associated with operating an ATV/UTV.

*Thank you for your cooperation!*
