Scott Miller let the Commissioners know that there was new management at IASCO, Assistant Chief Flight Instructor, Conrad Wurschmidt. Mr. Miller had discussed some of the issues that RBL was experiencing with their students and Mr. Wurschmidt was happy to meet with Scott and go over some of the issues to make it easier. Efforts are being made to coordinate a meeting with their flight staff and some of our local instructors.

Scott Miller let the Commissioners know that additional mowing was completed in preparation for the Fly-In. In a trial effort, Green Waste was contacted to provide a street-sweeper and operator to clear the taxiways and ramp of any debris. The the east-west taxiway and the Compass Rose area were also swept.

Scott Miller informed the Commissioners that the Goats are doing great with the weed abatement and that they would be here for a few more days. They will be leaving for a couple of months and then return around the first of November.
