THE WAY OF WATER

"In 2022 we not only successfully navigated a drought, but we were also able to implement massive infrastructure improvements including upgrading the Garcia Street water tower, installing new liftstations, and upgrading our sewer plant. We also received a \$2.5 million dollar earmark grant for our department thanks to the efforts of Congressman Henry Cuellar."

SALES TAX

Rio Grande City experienced a surge in economic growth for 2022. In the past five years, sales tax revenues rose to 34% and continue to climb with a 7% increase for 2022.

Major national retailers as well as small businesses opened their doors in 2022

Rio Grande City is gaining traction for economic growth in Starr County and the Rio Grande Valley. Several major national retailers opened their doors in 2022. These include: Starbucks, Stripes, Chick-fil-A, Marshalls, Buffalo Wings & Rings and a second Dollar Tree location on FM 3167. Small businesses also impacted Rio Grande City's economic growth with over 10 new entrepreneurial endeavors throughout the city.

Major project announced creating a catalyst for economic development for Rio Grande City.

On June 30th, a groundbreaking ceremony took place for an upcoming state-of-the-art medical development that will provide the necessary facilities enabling patients to stay within the county to access specialized healthcare.

Rio Grande City is connected and growing and we are excited our collaboration with DHR Health, City of Rio Grande City, Texas, Starr County Texas, Starr County Industrial Foundation, and Starr County Memorial Hospital will bring high quality healthcare close to home for Rio Grande City and the communities of Starr County.

Rio Grande City EDC presents a successful commercial investment tour to a large group of real estate agents, developers and investors.

The Rio Grande City EDC and Rio Grande Valley Partnership co-hosted the Rio Grande City EDC Commercial & Investment Tour at UTRGV Starr Campus on Wednesday, December 7, 2022.

Dalinda Guillen, Executive Director of the Rio Grande City Economic Development corporation gave updates on the City's anticipated upcoming projects. These include a Public Fire Safety Building & Emergency Shelter, upgrades to the newly acquired Fort Ringgold Park, and private sector projects such as the RGCGISD Performing Arts Center, and DHR Medical Plaza in the works across from Starr County Memorial Hospital.

Rose Benavidez, President of the Starr County Industrial Foundation spoke on plans of a cold storage warehousing project taking place in proximity to the Starr Camargo Bridge, Rio Grande City's port of entry and the continued growth of Starr County. After the presentation, guests were invited to take a tour of the City on the Bessie III Trolley and see first-hand the activity in Rio Grande City. The Rio Grande Valley

Partnership Commercial & Investment Tours are held monthly throughout the Valley and are open to real estate agents, land developers, and investors to learn about retail and industrial opportunities of the host city.

Rio Grande City hosts annual Job Fair

The Rio Grande City Economic Development Corporation held its sixth Rio Grande City Employer Expo and Job Fair in Rio Grande City. This event was organized by the Rio Grande City EDC in collaboration with Workforce Solutions, Rio Grande City Public Library and UTRGV at Starr County Campus to bring together employers and jobseekers in Rio Grande City with career opportunities. The two-day event began on February 2, with three free workshops hosted by the Rio Grande City Public Library. These activities led up to the Employer Expo and Job Fair on February 3, 2022. Over 20 employers such as the IOC Company, Idea Public Schools, The City of Rio Grande City and U.S Customs and Border Protection, and many others were present and looking to fill positions in the event. As a key tool to promote employment by matching employers with job seekers and to drive down unemployment rates, the Rio Grande City EDC initiated its annual Rio Grande City Employer Expo & Job Fair in 2016.

Unified Transportation Program

Key projects slated for Starr County affecting Rio Grande City's transportation infrastructure include widening the road to a four-lane divided highway between Starr/Zapata County Line to north of Loma Blanca and Rio Grande City/Roma Relief Route Phases 1 and 2 of State Loop 195.

TxDOT's 10-year plan, the Unified Transportation Program (UTP), guides the development of projects around Texas and the 2023 UTP reflects an unprecedented level of projected transportation funding at a record \$85 billion dedicated to improving transportation safety, addressing congestion and rural connectivity.

Rio Grande City EDC launches redesigned website with extensive site selection features

The redesign offers an enhanced user-friendly experience with improved navigation and functionality while allowing visitors to search for resources and information.

The website provides data including, but not limited to, commercial site availability, demographics, retail demand, labor force, economic indicators and a multitude of business resources.

Powered by GIS Web Tech Guru and ESRI, leaders in geographic information system (GIS) software, location intelligence and mapping, site selection data is designed to assist businesses, organizations and site selectors by providing key data that enables them to make strategic decisions.

Rio Grande City EDC recognized for Main Street Program accreditation

For the sixth consecutive year, the Rio Grande City Main Street has been designated as an Accredited Main Street America program for meeting rigorous performance standards set by the National Main Street Center.

"As a project of the Rio Grande City EDC, our Main Street program reinforces our mission to spur economic vitality in our historic downtown," said Mayor Villarreal. "We are extremely proud of Rio Grande City Main Street's national accreditation and the work our Main Street Advisory Board and volunteers have achieved this past year."

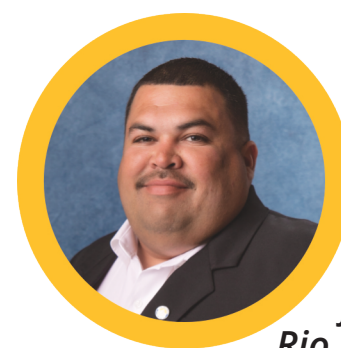

The Rio Grande City Main Street Program provides several services and assistance available to Main Street businesses including: Design Assistance from the Texas Historical Commission and much more. Rio Grande City Main Street also hosts a variety of special events throughout the year.

Fort Ringgold Park clean up

With the City's newly acquired Fort Ringgold Park (Fort Ringgold County Park), the Rio Grande City EDC facilitated clean-up efforts for future planned renovations. The City plans include several major features such as: renovation of the current three baseball diamonds, renovation of basketball courts, the addition of volleyball courts, a soccer field and a food truck park.

PLANNING DEPARTMENT 2022 ACCOMPLISHMENTS

- The Planning Department has approved building permit applications that have totaled more than 41 million dollars worth of investment in our community in all of 2022 (All permits). Over 21 million dollars in commercial projects and over 13 million dollars in residential construction. This is building construction only.
- The total square footage of improvements totals over 894,817 of improvements within the City!
- Twelve (12) new commercial and residential subdivisions were submitted to the Planning Department.
- The Planning Department, with the help from the Economic Development Commission, has continued with the plan to clean downtown. Several weeded lots have been cleaned throughout town and dilapidated houses have been abated on Main St and the original town site. This has not only achieved a cleaner downtown, but also promoted the investment of new businesses downtown.
- Over 173 Health Inspections were performed through-out the City. This includes any and all food establishments and some mobile ones. Inspectors work throughout the City and even after hours so that the people of Rio Grande and visitors enjoy cleaner and safer food.
- The Texas Department of State Health Services has sent reports of the Mosquito tests performed by the Planning Department in different areas of the City and has shown negative results for Zika, West Nile Virus, and Dengue among others.
- The City of Rio Grande City has been re-certified as a Certified Local Government after this years review of actions taken by the Planning Department and the Local Historic Preservation Commission. This accreditation comes from the United States Department of the Interior on the National Historic Preservation Act of 1966 and the Texas Historical Commission.
- The Planning Department has received new personnel certifications. Marco De Leon has received the Vector Control Pesticide Applicator License from the US Department of Agriculture, Antonio Cantu has received the license as a Storm-water Inspector from TCEQ and Gilbert Millan has completed the Certified Public Manager (CPM) course from the National Certified Public Manager Consortium and the University of Texas Rio Grande Valley.
