FAX (310) 377-7288

AGENDA
ADJOURNED MEETING

CITY COUNCIL
Monday, March 30, 2020

CITY OF ROLLING HILLS
7:00 PM

This meeting is held pursuant to Executive Order N-29-20 issued by Governor Gavin Newsom on March 17, 2020. All Councilmembers will participate by teleconference.

Public Participation: City Hall will be closed to the public through the month of March 2020. A live audio of the City Council meeting will be available on the City's website (<http://www.rolling-hills.org/>). The meeting agenda is on the City's website (<http://www.rolling-hills.org/Archive.aspx?AMID=70>).

Members of the public may submit comments in real time by emailing the City Clerk at ycoronel@cityofrh.net. Your comments will become part of the official meeting record. You must provide your full name, but please do not provide any other personal information (i.e., phone numbers, addresses, etc.) that you do not want to be published.

1. **CALL TO ORDER**
2. **ROLL CALL**

PLEDGE OF ALLEGIANCE

3. **COMMENTS WILL BE TAKEN BY EMAIL IN REAL TIME - PUBLIC COMMENT WELCOME**

*This is the appropriate time for members of the public to make comments regarding the items on the consent calendar or items **not** listed on this agenda. Pursuant to the Brown Act, no action will take place on any items not on the agenda.*

4. **MATTERS FROM THE CITY COUNCIL AND MEETING ATTENDANCE REPORTS**

- 4A. **DISCUSS RE-OPENING CITY HALL TO THE PUBLIC ON APRIL 1, 2020.**
RECOMMENDATION:It is recommended that the City Council continue to support the City Manager's decision to close City Hall to the public and continue the closure to April 19, 2020 to be aligned with the Los Angeles County Health Order dated March 21, 2020.

5. **ADJOURNMENT**

Next regular meeting: Monday, April 13, 2020 at 7:00 p.m. in the City Council Chamber, Rolling Hills City Hall, 2 Portuguese Bend Road, Rolling Hills, California, 90274.

Public Comment is welcome on any item prior to City Council action on the item.

Documents pertaining to an agenda item received after the posting of the agenda are available for review in the City Clerk's office or at the meeting at which the item will be considered.

In compliance with the Americans with Disabilities Act (ADA), if you need special assistance to participate in this meeting due to your disability, please contact the City Clerk at (310) 377-1521 at least 48 hours prior to the meeting to enable the City to make reasonable arrangements to ensure accessibility and accommodation for your review of this agenda and attendance at this meeting

City of Rolling Hills

INCORPORATED JANUARY 24, 1957

Agenda Item No.: 4A
Mtg. Date: 03/30/2020

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: ELAINE JENG, CITY MANAGER

THRU: ELAINE JENG P.E., CITY MANAGER

SUBJECT: DISCUSS RE-OPENING CITY HALL TO THE PUBLIC ON APRIL 1, 2020.

DATE: March 30, 2020

BACKGROUND:

On March 4, 2020, the Governor proclaimed a State of Emergency in response to the coronavirus (COVID-19) pandemic. On March 19, 2020, the Governor issued Executive Order N-32-20 which requires residents to stay at home except to perform or obtain essential services while practicing social distancing and maintaining a distance of six feet from others. On March 21, 2020, Los Angeles County issued a revised Safer at Home Order that aligns with Executive Order N-32-20. The purpose of these Orders is to deter the spread of COVID-19 by preventing people from being in unnecessary close contact. These Orders allow workers to leave home to perform essential services and maintain continuity of operations of 16 federal critical infrastructure sectors. Government agencies, including city offices that provide government programs and services, are considered essential services.

In consultation with the City Attorney, on March 13, 2020, I exercised my authority to close City Hall to the public, except for visits by appointment. My decision to do so was based on the following factors:

- Many visits to City Hall by the public do not pertain to performance of essential government services;
- Unregulated public access to City Hall will contribute to potential spread of COVID-19 and place our employees, residents and other stakeholders at risk;
- An open City Hall contributes to violation of the Governor's stay-at-home order by members of the public;
- Residents with a time-critical need for City service can reach City Hall by email, telephone and if necessary, visits by appointment;
- In view of the level of demand currently being placed on City staff by the public, the closure of City

Hall may be a minor inconvenience but has not deprived any residents of time-sensitive or essential City services;

- City employees have been comfortable coming to work at City Hall knowing that it is a controlled environment and that their health interests are being protected while they are performing City services; and
- Most city halls throughout the South Bay are closed.

DISCUSSION:

The incident involving a part-time employee on Wednesday, March 25, 2020 and her exposure to a potential case of COVID-19 from another part-time job at another city has served to emphasize how easily the virus can be spread and exacerbate anxiety among City employees. In alignment with the directives of the Los Angeles County Department of Public Health, and in response to the potential exposure to COVID-19, I directed all staff to self-isolate and telework for Thursday, March 26 and Friday, March 27, 2020 until the test result is available for the potential case.

I am particularly concerned that a Council action ordering the re-opening of City Hall will send precisely the wrong message to the community at a critical moment in time with regards to containment of the virus in California. The experts we rely on at the state and federal level indicate that California is not far behind New York in terms of the infection rate, and that containment can be successfully accomplished only by strict adherence to stay-at-home orders. The Orders allow residents to leave the home for essential services, such as obtaining food or groceries, caring for a relative or friend, visiting health or veterinary care professionals, obtaining medical supplies or medicine, fulfilling legally mandated governmental purposes (such as court, social and administrative services), and to comply with a legal order. Most services for which residents visit City Hall are not essential, as that word is defined in the Orders. Re-opening City Hall would encourage behavior that is prohibited by the Orders. As noted above, any essential services can be accomplished by other means; hence, re-opening City Hall is not necessary for the City to accomplish its essential services.

Practicing social distancing is required and critical when people do venture out to receive an essential service, but as noted above, visiting City Hall is not required to receive essential services. Hence, social distancing warrants continued closure of City Hall. COVID-19 is highly contagious and can be spread by asymptomatic individuals; the virus can remain alive on multiple types of surfaces in City Hall for several days. Unregulated access to City Hall would facilitate potential spread of the virus.

By limiting access to scheduled appointments, we can control the number of visitors in our office at any given time, effectively practice social distancing and clean surfaces as necessary in between appointments.

I strongly encourage the Council to maintain the status quo and not re-open City Hall at this time in order to adhere to the purpose of the Orders and address the seriousness of the COVID-19 pandemic and its potential health risk to employees and the public. While there are certain essential services located in City Hall, members of the public can still make in-person appointments to address time-sensitive matters, or alternatively contact City staff by telephone or email. It is not essential for City Hall to re-open to the public during this critical time.

Including with this report are four Health Orders relating to Safer-At-Home Order for control of COVID-19, two Health Orders on self-isolation and self-quarantine, and four Governor's Executive Orders in response to the threat of COVID-19.

FISCAL IMPACT

There is no fiscal impact to closing City Hall to the public.

NOTIFICATION

Notification of March 30, 2020 adjourned meeting was placed in the March 25 and 27, 2020 City's Blue Newsletter.

RECOMMENDATION:

It is recommended that the City Council continue to support the City Manager's decision to close City Hall to the public and continue the closure to April 19, 2020 to be aligned with the Los Angeles County Health Order dated March 21, 2020.

SAFER AT HOME ORDER FOR CONTROL OF COVID-19

Temporary Prohibition of All Events and Gatherings

Closure of Non-Essential Businesses and Areas

Revised Order Issued: March 21, 2020

Please read this Order carefully. Violation of or failure to comply with this Order is a crime punishable by fine, imprisonment, or both. (California Health and Safety Code § 120295; Los Angeles County Code § 11.02.080.)

SUMMARY OF THE ORDER: This County of Los Angeles Health Officer Order (Order) amends and supersedes the Orders of the County of Los Angeles Health Officer (Health Officer) issued on March 16, and 19, 2020. This Revised Order is issued to comply with Executive Order N-33-20 issued by Governor Gavin Newsom, wherein the State Public Health Officer ordered all individuals living in the State of California to stay home or at their place of residence, except as needed to maintain continuity of operations of the federal critical infrastructure sectors. Further, this Order extends the closure of certain businesses required by the Health Officer's March 16, 2020 Order to April 19, 2020.

Due to the continued rapid spread of the Novel Coronavirus (COVID-19) and the need to protect the most vulnerable members of our community, this Order prohibits all indoor and outdoor public and private gatherings and events. The Order specifically requires all businesses to cease in-person operations and close to the public, unless the business is defined as an Essential Business by this Order. This Order is effective immediately within the County of Los Angeles Public Health Jurisdiction, defined as all unincorporated areas and cities within the County of Los Angeles, with the exception of the cities of Long Beach and Pasadena, on March 21, 2020 and continuing through April 19, 2020, subject to the terms and conditions set forth below.

For all Essential Businesses, the Health Officer orders those businesses to take the following infection control precautions: (1) practice social distancing by requiring patrons, visitors, and employees to be separated by six (6) feet, to the extent feasible; (2) provide access to hand washing facilities with soap and water or hand sanitizer that contains at least 60 percent alcohol; (3) post a sign in a conspicuous place at the public entry to the venue instructing members of the public to not enter if they are experiencing symptoms of respiratory illness, including fever or cough; and (4) adhere to communicable disease control recommendations provided by the County of Los Angeles Department of Public Health.

This Order does not prohibit any individual or family from engaging in outdoor activities, as an individual, or family, such as hiking, walking, biking, or shopping at Essential Businesses, including grocery stores and restaurants offering delivery, drive thru or carry out service, so long as all persons practice social distancing to the extent practicable.

Further, this Health Officer Order requires all indoor malls and shopping centers, all swap meets and flea markets, all indoor and outdoor playgrounds and all non-essential businesses to close. This Order does not supersede any stricter limitation imposed by a local public entity.

The County Health Officer will continue to monitor the rate of COVID-19 disease spread, the severity of the resulting illnesses and deaths caused, California Department of Public Health (CDPH) and Centers for Disease Control and Prevention (CDC) recommendations, and the effect of this Order. If needed, this Order may be extended, expanded, or otherwise modified to protect the public's health.

UNDER THE AUTHORITY OF THE CALIFORNIA HEALTH AND SAFETY CODE SECTIONS 101040, 101085, AND 120175, THE COUNTY OF LOS ANGELES HEALTH OFFICER ORDERS:

1. Effective immediately on March 21, 2020 and continuing through April 19, 2020, all public and private group events and gatherings are prohibited anywhere within the Los Angeles County Public Health Jurisdiction. All persons are to remain in their homes or at their place of residence, except to travel to and from Essential Businesses, to work at or provide service to a Healthcare Operation or Essential Infrastructure, to engage in Essential Activities, or to participate in an individual or family outdoor activity, while practicing social distancing.
2. For Essential Businesses not prohibited by this Order, the owner, manager, or operator of the Essential Business shall:
 - (a) Enforce social distancing measures by requiring members of the public to be separated by at least six (6) feet from others, to the extent feasible. Persons who are family members or household contacts, may stand or move together, but must be separated from others by a distance of at least six (6) feet.
 - (b) Provide access to hand washing facilities with soap and water or to hand sanitizer that contains at least 60 percent alcohol.
 - (c) Post a sign in a conspicuous place at all public entries that instructs members of the public to not enter if they are experiencing symptoms of respiratory illness, including fever or cough.
 - (d) Adhere to communicable disease control recommendations provided by the Los Angeles County Department of Public Health, including guidance for cleaning and disinfecting the site. See guidance posted at www.publichealth.lacounty.gov/media/Coronavirus/.
3. The Health Officer orders the immediate closure of the following types of commercial properties and businesses:
 - (a) Non-Essential Retail Businesses.
 - (b) Indoor Malls and Indoor Shopping Centers, including all stores and vendors therein regardless whether they are an Essential or Non-Essential Retail Business. As an exception, permanent Essential Businesses that are part of an Indoor Mall or Indoor Shopping Center, but that are accessible by the public from the exterior of the Indoor Mall or Shopping Center may remain open. The interior of the Indoor Mall or Indoor Shopping Center shall remain closed to the public.
 - (c) This Order does not require closure of Essential Businesses in Outdoor Malls and Shopping Centers. However, owners and operators of Outdoor Malls and Shopping Centers shall enforce social distancing measures among their visitors as provided in Section 2 (a)-(d).
 - (d) Indoor and Outdoor Playgrounds for Children, except for those located within childcare centers.
 - (e) Indoor and Outdoor Flea Markets and Swap Meets.
 - (f) Additional types of commercial properties and businesses: (i) Bars and Nightclubs that do not serve food; (ii) Gyms and fitness centers; (iii) Movie Theaters, Drive-In Theaters, Live Performance Theaters, Concert Halls, Arenas and Stadiums; (iv) Bowling Alleys and Arcades; and (v) Wineries, Breweries and Tap Rooms that provide tastings.

4. This Order does not supersede any stricter limitation imposed by a local public entity within the Los Angeles County Public Health Jurisdiction.
5. This Order does not apply to employees of government agencies working in the course and scope of their public service employment.

REASONS FOR THE ORDER

6. This Order is based upon scientific evidence and best practices, as currently known and available, to protect members of the public from avoidable risk of serious illness and death resulting from the spread of COVID-19, as well as to protect the healthcare system from a surge of cases into emergency rooms and hospitals. The Order supports the CDC's efforts to institute more stringent and necessary social distancing measures to reduce community transmission of COVID-19.
7. Existing community transmission of COVID-19 in Los Angeles County presents a substantial and significant risk of harm to the health of residents. Currently, there is no vaccine available to protect against and no specific treatment for COVID-19. As of March 20, 2020, there have been at least 351 cases of COVID-19 and 4 deaths reported in Los Angeles County. There remains a strong likelihood of a significant and increasing number of cases of community transmission.
8. The virus that causes COVID-19 can be spread easily through person-to-person contact. This risk of transmission is increased when people are in close proximity. All gatherings pose an increased risk for community transmission of COVID-19 and thus, are a substantial risk to public health. As such, places where people gather, such as Indoor Malls and Shopping Centers, Swap Meets and Flea Markets, Children's Playgrounds, and Non-Essential Retail Businesses, provide significant opportunities for patrons or groups of patrons to have close contact with each other. Characteristics of these gatherings that are likely to exacerbate the spread of COVID-19 include, without limitation: (a) that these gatherings and businesses will attract people from throughout the county when there is widespread COVID-19 community transmission, (b) the prolonged time period during which many people are in close proximity at these locations, (c) the difficulty in tracing and controlling additional exposures when large numbers of people visit these places, and (d) visitors may be unknowingly infected with COVID-19 and may not follow adequate hygienic and social distancing practices.
9. In the absence of a specific immunization or treatment for COVID-19, social distancing is essential to preventing this disease. Increasing social distancing and prohibiting events and gatherings is intended to slow transmission of COVID-19. Accordingly, to reduce the community transmission of COVID-19, the Health Officer has ordered the temporary prohibition of all events and gatherings, the closure of Indoor Malls and Shopping Centers as defined in Section 11, and the closure of certain businesses, as described in Section 12.

DEFINITIONS

10. For purposes of this Order, Essential Activities, are defined as travel for purposes of: (a) visiting a health or veterinary care professional; (b) obtaining medical supplies or medication; (c) obtaining grocery items for one's household or for delivery to others; (d) legally mandated governmental purposes, such as access to court, social and administrative services; (e) providing care for minors, the elderly, dependents, persons with disabilities, or other vulnerable persons; and (f) complying with an order of law enforcement or court.

11. For purposes of this Order, Indoor Malls and Shopping Centers are defined as:
A building with seven (7) or more "sales or retail establishments" with adjoining indoor space.
For purposes of this Order, Outdoor Malls and Shopping Centers are defined as:
A series of buildings on a common site, either under common ownership or common control or developed together, with seven (7) or more "sales or retail establishments."
12. Non-Essential Retail Businesses are establishments that provide goods or services to the public that do not come within the definition of Essential Businesses set forth in Paragraph 13 of this Order.
13. For purposes of this Order, Essential Businesses are defined as the following:
 - (a) Grocery stores, certified farmers' markets, farm and produce stands, supermarkets, food banks, convenience stores, warehouse stores, and other establishments engaged in the retail sale of canned food, dry goods, fresh fruit and vegetables, pet supply, water, fresh meats, fish, and poultry, and any other household consumer products (such as cleaning or personal care products). This includes stores that sell groceries and sell other non-grocery products, and products necessary to maintaining the safety, sanitation, and essential operation of residences;
 - (b) Food processors, confectioners, food packagers, food testing labs that are not open to the public, and food cultivation, including farming, livestock, and fishing;
 - (c) Organizations and Businesses that provide food, shelter, and social services, and other necessities of life for economically disadvantaged or otherwise needy individuals (including gang prevention and intervention, domestic violence, and homeless service agencies);
 - (d) Newspapers, television, radio, magazine, podcast and journalism activities;
 - (e) Gas stations, auto-supply, mobile auto repair operations, auto repair shops (including, without limitation, auto repair shops adjacent to or otherwise in connection with a retail or used auto dealership), and bicycle repair shops and related facilities;
 - (f) Banks, credit unions, financial institutions and insurance companies;
 - (g) Hardware stores, nurseries; building supply stores;
 - (h) Plumbers, electricians, exterminators, custodial/janitorial workers, handyman services, funeral home workers and morticians, moving services, HVAC installers, carpenters, vegetation services, tree maintenance, landscapers, gardeners, property managers, private security personnel and other service providers who provide services to maintain the safety, sanitation, and essential operation to properties and other Essential Businesses;
 - (i) Businesses providing mailing and shipping services, including post office boxes;
 - (j) Educational institutions (including public and private K-12 schools, colleges, and universities) for purposes of facilitating distance learning, providing meals for pick-up, or performing essential functions, provided that social distancing is practiced;
 - (k) Laundromats, dry cleaners, laundry service providers;
 - (l) Restaurants and other food facilities that prepare and serve food, but only for delivery, drive thru or carry out. Indoor and outdoor table dining is not permitted. Cafeterias, commissaries, and restaurants located within hospitals, nursing homes, or other licensed health care facilities may provide dine-in service, as long as social distancing is practiced pursuant to Section 2(a)-(d).

- (m) Businesses that supply office or computer products needed by people who work from home;
 - (n) Businesses that supply other Essential Businesses with the support or supplies necessary to operate;
 - (o) Businesses that ship, truck, provide logistical support or deliver groceries, food, goods or services directly to residences, Essential Businesses, Healthcare Operations, and Essential Infrastructure;
 - (p) Airlines, taxis, ride sharing services and other private transportation providers providing transportation services necessary for activities of daily living and other purposes expressly authorized in this Order;
 - (q) Businesses that manufacture parts and provide service for Essential Infrastructure;
 - (r) Home-based care for seniors, adults, disabled persons, or children;
 - (s) Residential facilities and shelters for homeless residents, disabled persons, seniors, adults, children and animals;
 - (t) Professional services, such as legal, payroll or accounting services, when necessary to assist in compliance with legally mandated activities, and the permitting, inspection, construction, transfer and recording of ownership of housing, including residential and commercial real estate and anything incidental thereto;
 - (u) Military/Defense Contractors/FFRDC (Federally Funded Research and Development Centers). For purposes of this Order, essential personnel may leave their residence to provide any service or perform any work deemed essential for national security including, but not limited to defense, intelligence and aerospace development and manufacturing for the Department of Defense, the Intelligence Community, and NASA and other federal government, and or United States Government departments and agencies. Essential personnel include prime, sub-primes, and supplier contractor employees, at both the prime contract level and any supplier levels at any tier, working on federal United States Government contracts such as contracts rated under the Defense Priorities and Allocations System (DPAS) and contracts for national intelligence and national security requirements;
 - (v) Childcare facilities providing services that enable employees exempted in this Order to work as permitted. To the extent possible, childcare facilities must operate under the following mandatory conditions: (1) Childcare must be carried out in stable groups of 12 or fewer ("stable" means the same twelve (12) or fewer children are in the same group each day); (2) Children shall not change from one group to another; (3) If more than one (1) group of children is cared for at once facility, each group shall be in a separate room. Groups shall not mix with each other; (4) Childcare providers shall remain solely with one group of children.
 - (w) Hotels, motels, shared rental units and similar facilities.
 - (x) Construction Workers who support the construction, operation, inspection, and maintenance of construction sites and construction projects (including housing construction).
14. This Order is intended to deter the spread of COVID-19 by preventing people from being in unnecessary close contact. Certain activities are essential to the functioning of the County and the well-being of our residents and must continue.
15. This Order does not prohibit persons from leaving their residences to perform any work necessary or provide any services to or obtain services from the following Essential Infrastructure and Healthcare Operations:

- (a) Healthcare Operations (hospitals, clinics, laboratories, dentists, pharmacies, physical therapists and chiropractors, pharmaceutical and biotechnology companies, other licensed healthcare facilities, healthcare suppliers, home healthcare service providers, mental or behavioral health providers, alcohol and drug treatment providers, cannabis dispensaries with a medicinal cannabis license and all other required state and local licenses, medical or scientific research companies, or any related and/or ancillary healthcare services, manufacturers, distributors and servicers of medical devices, diagnostics, and equipment, veterinary care, and all healthcare provided to animals. This exemption shall be construed to avoid any impact to the delivery of healthcare, broadly defined. Healthcare Operations does not include fitness and exercise gyms and similar exercise or training facilities.
- (b) Essential Infrastructure, including but not limited to, public health, public works construction, construction of commercial, office and institutional buildings, construction of housing, airport operations, port operations, food supply, water, sewer, gas, electrical, oil extraction and refining, road and highways, public transportation, solid waste collection and removal, flood control and watershed protection, internet and telecommunications systems (including the provision of essential global, national, local infrastructure for computing services, business infrastructure, communications, and web-based services), and manufacturing and distribution companies deemed essential as part of the Essential Infrastructure supply chain, provided that they carry out those services or that work in compliance with social distancing requirements, to the extent practicable.

ADDITIONAL TERMS

- 16. This Order does not, in any way, restrict: (a) first responder access to the site(s) named in this Order during an emergency or (b) local, state or federal officers, investigators, or medical or law enforcement personnel from carrying out their lawful duties at the site(s) named in this Order.
- 17. The entities subject to this Order that are not required to close may otherwise remain open for business and perform essential functions and operations during the duration of this Order.
- 18. The County shall promptly provide copies of this Order by: (a) posting it on the Los Angeles Department of Public Health's website (www.publichealth.lacounty.gov), (b) posting it at the Kenneth Hahn Hall of Administration located at 500 West Temple Street, Los Angeles, CA 90012, (c) providing it to any member of the public requesting a copy, (d) issuing a press release to publicize the Order throughout the county, and (e) by serving via email on large facilities known to the County's Health Officer that are likely to be subject to this Order (but service via email is not required for compliance).
 - (a) The owner, manager, or operator of any facility that is likely to be impacted by this Order is strongly encouraged to post a copy of this Order onsite and to provide a copy to any member of the public requesting a copy.
 - (b) Because guidance may change, the owner, manager, or operator of any facility that is subject to this Order is ordered to consult the Los Angeles County Department of Public Health's website (www.publichealth.lacounty.gov) daily to identify any modifications to the Order and is required to comply with any updates until the Order is terminated.
- 19. If any subsection, sentence, clause, phrase, or word of this Order or any application of it to any person, structure, gathering, or circumstance is held to be invalid or unconstitutional by a decision of a court of competent jurisdiction, then such decision will not affect the validity of the remaining portions or applications of this Order.

COUNTY OF LOS ANGELES DEPARTMENT OF PUBLIC HEALTH
ORDER OF THE HEALTH OFFICER

20. This Order incorporates by reference, the March 4, 2020 Proclamation of a State of Emergency issued by Governor Gavin Newsom and the March 4, 2020 declarations of a local and public health emergency issued by the Los Angeles County Board of Supervisors and Los Angeles County Health Officer, respectively, and as they may be supplemented.
21. To protect the public's health, the Health Officer may take additional action(s) for failure to comply with this Order. Violation of this Order is a misdemeanor punishable by imprisonment, fine or both under California Health and Section Code Section 120295 *et seq.* Further, pursuant to Sections 26602 and 41601 of the California Government Code and Section 101029 of the California Health and Safety Code, the Health Officer requests that the Sheriff and the Chiefs of Police in all cities located in the Los Angeles County Public Health Jurisdiction ensure compliance with and enforcement of this Order.

IT IS SO ORDERED:

Muntu Davis, MD, MPH
Health Officer, County of Los Angeles

Date: March 21, 2020

**EXECUTIVE DEPARTMENT
STATE OF CALIFORNIA**

EXECUTIVE ORDER N-33-20

WHEREAS on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

WHEREAS in a short period of time, COVID-19 has rapidly spread throughout California, necessitating updated and more stringent guidance from federal, state, and local public health officials; and

WHEREAS for the preservation of public health and safety throughout the entire State of California, I find it necessary for all Californians to heed the State public health directives from the Department of Public Health.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes of the State of California, and in particular, Government Code sections 8567, 8627, and 8665 do hereby issue the following Order to become effective immediately:

IT IS HEREBY ORDERED THAT:

- 1) To preserve the public health and safety, and to ensure the healthcare delivery system is capable of serving all, and prioritizing those at the highest risk and vulnerability, all residents are directed to immediately heed the current State public health directives, which I ordered the Department of Public Health to develop for the current statewide status of COVID-19. Those directives are consistent with the March 19, 2020, Memorandum on Identification of Essential Critical Infrastructure Workers During COVID-19 Response, found at: <https://covid19.ca.gov/>. Those directives follow:

ORDER OF THE STATE PUBLIC HEALTH OFFICER
March 19, 2020

To protect public health, I as State Public Health Officer and Director of the California Department of Public Health order all individuals living in the State of California to stay home or at their place of residence except as needed to maintain continuity of operations of the federal critical infrastructure sectors, as outlined at <https://www.cisa.gov/identifying-critical-infrastructure-during-covid-19>. In addition, and in consultation with the Director of the Governor's Office of Emergency Services, I may designate additional sectors as critical in order to protect the health and well-being of all Californians.

Pursuant to the authority under the Health and Safety Code 120125, 120140, 131080, 120130(c), 120135, 120145, 120175 and 120150, this order is to go into effect immediately and shall stay in effect until further notice.

The federal government has identified 16 critical infrastructure sectors whose assets, systems, and networks, whether physical or virtual, are considered so vital to the United States that their incapacitation or

destruction would have a debilitating effect on security, economic security, public health or safety, or any combination thereof. I order that Californians working in these 16 critical infrastructure sectors may continue their work because of the importance of these sectors to Californians' health and well-being.

This Order is being issued to protect the public health of Californians. The California Department of Public Health looks to establish consistency across the state in order to ensure that we mitigate the impact of COVID-19. Our goal is simple, we want to bend the curve, and disrupt the spread of the virus.

The supply chain must continue, and Californians must have access to such necessities as food, prescriptions, and health care. When people need to leave their homes or places of residence, whether to obtain or perform the functions above, or to otherwise facilitate authorized necessary activities, they should at all times practice social distancing.

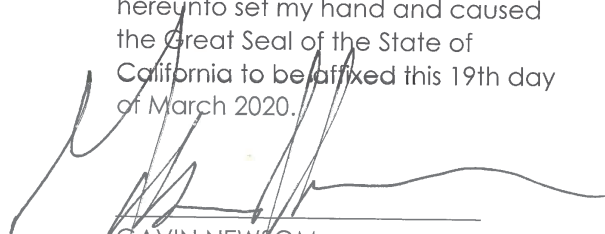

- 2) The healthcare delivery system shall prioritize services to serving those who are the sickest and shall prioritize resources, including personal protective equipment, for the providers providing direct care to them.
- 3) The Office of Emergency Services is directed to take necessary steps to ensure compliance with this Order.
- 4) This Order shall be enforceable pursuant to California law, including, but not limited to, Government Code section 8665.

IT IS FURTHER ORDERED that as soon as hereafter possible, this Order be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Order.

This Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

IN WITNESS WHEREOF I have
hereunto set my hand and caused
the Great Seal of the State of
California to be affixed this 19th day
of March 2020.

GAVIN NEWSOM
Governor of California

ATTEST:

ALEX PADILLA
Secretary of State

**EXECUTIVE DEPARTMENT
STATE OF CALIFORNIA**

EXECUTIVE ORDER N-25-20

WHEREAS on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

WHEREAS despite sustained efforts, the virus remains a threat, and further efforts to control the spread of the virus to reduce and minimize the risk of infection are needed; and

WHEREAS state and local public health officials may, as they deem necessary in the interest of public health, issue guidance limiting or recommending limitations upon attendance at public assemblies, conferences, or other mass events, which could cause the cancellation of such gatherings through no fault or responsibility of the parties involved, thereby constituting a force majeure; and

WHEREAS the Department of Public Health is maintaining up-to-date guidance relating to COVID-19, available to the public at <http://cdph.ca.gov/covid19>; and

WHEREAS the State of California and local governments, in collaboration with the Federal government, continue sustained efforts to minimize the spread and mitigate the effects of COVID-19; and

WHEREAS there is a need to secure numerous facilities to accommodate quarantine, isolation, or medical treatment of individuals testing positive for or exposed to COVID-19; and

WHEREAS, many individuals who have developmental disabilities and receive services through regional centers funded by the Department of Developmental Services also have chronic medical conditions that make them more susceptible to serious symptoms of COVID-19, and it is critical that they continue to receive their services while also protecting their own health and the general public health; and

WHEREAS individuals exposed to COVID-19 may be temporarily unable to report to work due to illness caused by COVID-19 or quarantines related to COVID-19 and individuals directly affected by COVID-19 may experience potential loss of income, health care and medical coverage, and ability to pay for housing and basic needs, thereby placing increased demands on already strained regional and local health and safety resources such as shelters and food banks; and

WHEREAS in the interest of public health and safety, it is necessary to exercise my authority under the Emergency Services Act, specifically Government Code section 8572, to ensure adequate facilities exist to address the impacts of COVID-19; and

WHEREAS under the provisions of Government Code section 8571, I find that strict compliance with various statutes and regulations specified in this order would prevent, hinder, or delay appropriate actions to prevent and mitigate the effects of the COVID-19 pandemic.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes of the State of California, and in particular, Government Code sections 8567, 8571 and 8572, do hereby issue the following order to become effective immediately:

IT IS HEREBY ORDERED THAT:

1. All residents are to heed any orders and guidance of state and local public health officials, including but not limited to the imposition of social distancing measures, to control the spread of COVID-19.
2. For the period that began January 24, 2020 through the duration of this emergency, the Employment Development Department shall have the discretion to waive the one-week waiting period in Unemployment Insurance Code section 2627(b)(1) for disability insurance applicants who are unemployed and disabled as a result of the COVID-19, and who are otherwise eligible for disability insurance benefits.
3. For the period that began January 24, 2020 through the duration of this emergency, the Employment Development Department shall have the discretion to waive the one-week waiting period in Unemployment Insurance Code section 1253(d) for unemployment insurance applicants who are unemployed as a result of the COVID-19, and who are otherwise eligible for unemployment insurance benefits.
4. Notwithstanding Health and Safety Code section 1797.172(b), during the course of this emergency, the Director of the Emergency Medical Services Authority shall have the authority to implement additions to local optional scopes of practice without first consulting with a committee of local EMS medical directors named by the EMS Medical Directors Association of California.
5. In order to quickly provide relief from interest and penalties, the provisions of the Revenue and Taxation Code that apply to the taxes and fees administered by the Department of Tax and Fee Administration, requiring the filing of a statement under penalty of perjury setting forth the facts for a claim for relief, are suspended for a period of 60 days after the date of this Order for any individuals or businesses who are unable to file a timely tax return or make a timely payment as a result of complying with a state or local public health official's imposition or recommendation of social distancing measures related to COVID-19.
6. The Franchise Tax Board, the Board of Equalization, the Department of Tax and Fee Administration, and the Office of Tax Appeals shall use their administrative powers where appropriate to provide those individuals and businesses impacted by complying with a state or local public health official's imposition or recommendation of social

distancing measures related to COVID-19 with the extensions for filing, payment, audits, billing, notices, assessments, claims for refund, and relief from subsequent penalties and interest.

7. The Governor's Office of Emergency Services shall ensure adequate state staffing during this emergency. Consistent with applicable federal law, work hour limitations for retired annuitants, permanent and intermittent personnel, and state management and senior supervisors, are suspended. Furthermore, reinstatement and work hour limitations in Government Code sections 21220, 21224(a), and 7522.56(b), (d), (f), and (g), and the time limitations in Government Code section 19888.1 and California Code of Regulations, title 2, sections 300-303 are suspended. The Director of the California Department of Human Resources must be notified of any individual employed pursuant to these waivers.
8. The California Health and Human Services Agency and the Office of Emergency Services shall identify, and shall otherwise be prepared to make available—including through the execution of any necessary contracts or other agreements and, if necessary, through the exercise of the State's power to commandeer property – hotels and other places of temporary residence, medical facilities, and other facilities that are suitable for use as places of temporary residence or medical facilities as necessary for quarantining, isolating, or treating individuals who test positive for COVID-19 or who have had a high-risk exposure and are thought to be in the incubation period.
9. The certification and licensure requirements of California Code of Regulations, Title 17, section 1079 and Business and Professions Code section 1206.5 are suspended as to all persons who meet the requirements under the Clinical Laboratory Improvement Amendments of section 353 of the Public Health Service Act for high complexity testing and who are performing analysis of samples to test for SARS-CoV-2, the virus that causes COVID-19, in any certified public health laboratory or licensed clinical laboratory.
10. To ensure that individuals with developmental disabilities continue to receive the services and supports mandated by their individual program plans threatened by disruptions caused by COVID-19, the Director of the Department of Developmental Services may issue directives waiving any provision or requirement of the Lanterman Developmental Disabilities Services Act, the California Early Intervention Services Act, and the accompanying regulations of Title 17, Division 2 of the California Code of Regulations. A directive may delegate to the regional centers any authority granted to the Department by law where the Director believes such delegation is necessary to ensure services to individuals with developmental disabilities. The Director shall describe the need justifying the waiver granted in each directive and articulate how the waiver is necessary to protect the public health or safety from the threat of COVID-19 or necessary to ensure that services to individuals with developmental disabilities are not disrupted. Any waiver granted by a directive shall expire 30 days from the date of its issuance. The Director may grant one or more 30-day extensions if the waiver continues to be necessary

to protect health or safety or to ensure delivery of services. The Director shall rescind a waiver once it is no longer necessary to protect public health or safety or ensure delivery of services. Any waivers and extensions granted pursuant to this paragraph shall be posted on the Department's website.

11. Notwithstanding any other provision of state or local law, including the Bagley-Keene Act or the Brown Act, a local legislative body or state body is authorized to hold public meetings via teleconferencing and to make public meetings accessible telephonically or otherwise electronically to all members of the public seeking to attend and to address the local legislative body or state body, during the period in which state or local public officials impose or recommend measures to promote social distancing, including but not limited to limitations on public events. All requirements in both the Bagley-Keene Act and the Brown Act expressly or impliedly requiring the physical presence of members, the clerk or other personnel of the body, or of the public as a condition of participation in or quorum for a public meeting are hereby waived.

In particular, any otherwise-applicable requirements that

- (i) state and local bodies notice each teleconference location from which a member will be participating in a public meeting;
- (ii) each teleconference location be accessible to the public;
- (iii) members of the public may address the body at each teleconference conference location;
- (iv) state and local bodies post agendas at all teleconference locations;
- (v) at least one member of the state body be physically present at the location specified in the notice of the meeting; and
- (vi) during teleconference meetings, at least a quorum of the members of the local body participate from locations within the boundaries of the territory over which the local body exercises jurisdiction

are hereby suspended, on the conditions that:

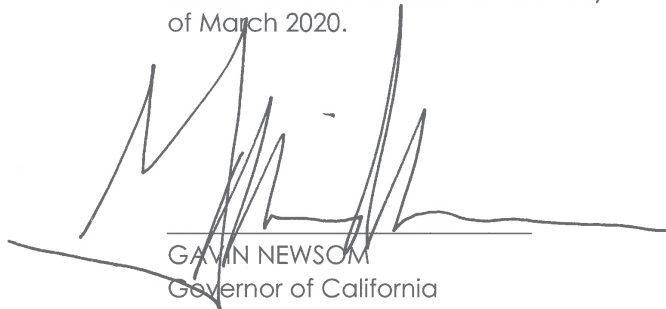

- (i) each state or local body must give advance notice of each public meeting, according to the timeframe otherwise prescribed by the Bagley-Keene Act or the Brown Act, and using the means otherwise prescribed by the Bagley-Keene Act or the Brown Act, as applicable; and
- (ii) consistent with the notice requirement in paragraph (i), each state or local body must notice at least one publicly accessible location from which members of the public shall have the right to observe and offer public comment at the public meeting, consistent with the public's rights of access and public comment otherwise provided for by the Bagley-Keene Act and the Brown Act, as applicable (including, but not limited to, the requirement that such rights of access and public comment be made available in a manner consistent with the Americans with Disabilities Act).

In addition to the mandatory conditions set forth above, all state and local bodies are urged to use sound discretion and to make reasonable efforts to adhere as closely as reasonably possible to the provisions of the Bagley-Keene Act and the Brown Act, and other applicable local laws regulating the conduct of public meetings, in order to maximize transparency and provide the public access to their meetings.

IT IS FURTHER ORDERED that as soon as hereafter possible, this Order be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Order.

This Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

IN WITNESS WHEREOF I have
hereunto set my hand and caused
the Great Seal of the State of
California to be affixed this 12th day
of March 2020.

GAVIN NEWSOM
Governor of California

ATTEST:

ALEX PADILLA
Secretary of State

HEALTH OFFICER ORDER FOR THE CONTROL OF COVID-19

Temporary Prohibition of Group Events and Gatherings

Required Social Distancing Measures

Closure of Certain Businesses

Date Order Issued: March 16, 2020

Please read this Order carefully. Violation of or failure to comply with this Order is a crime punishable by fine, imprisonment, or both. (California Health and Safety Code § 120295; Los Angeles County Code § 11.02.080.)

SUMMARY OF THE ORDER: During a State of Emergency, California law empowers the County of Los Angeles Health Officer (Health Officer) to take measures necessary to protect the public from the spread of the Novel Coronavirus (COVID-19) within the County of Los Angeles. In accordance with the Centers for Disease Control's (CDC) Interim Guidance for Large Events and Mass Gatherings (March 15, 2020); the California Department of Public Health's Mass Gathering Guidance (March 11, 2020); Governor Newsom's Guidance Regarding Bars and Restaurants (March 15, 2020); and Mayor Eric Garcetti's Emergency Public Order – New City Measures to Address COVID-19 (March 15, 2020), the Health Officer is ordering significant protective measures to stem or slow the spread of COVID-19 within the greater Los Angeles community.

Because of the rapid spread of COVID-19 and the need to protect the most vulnerable members of our community, this Order prohibits all indoor public and private gatherings and all outdoor public and private events within a confined space, where at least 50 people are expected to be in attendance at the same time. This Order applies within the County of Los Angeles Public Health Jurisdiction, beginning March 16, 2020 and continues through March 31, 2020, subject to the terms and conditions more particularly set forth below.

For all gatherings that are not prohibited, the Health Officer orders the event and gathering holders and venues to implement the following infection control precautions: (1) enforce social distancing within the confined space by requiring attendees to be separated by six (6) feet; (2) provide access to hand washing facilities with soap and water or hand sanitizer that contains at least 60 percent alcohol; (3) post a sign in a conspicuous place at the public entry to the venue instructing members of the public to not attend if they are experiencing symptoms of respiratory illness, including fever or cough; and (4) adhere to communicable disease control recommendations provided by the Los Angeles County Department of Public Health.

Further, this Health Officer Order, in accordance Mayor Eric Garcetti's Emergency Public Order – New City Measures to Address COVID-19, requires all permanent food facilities to limit their services to only preparing and offering food to customers via delivery service, via pick up for take-out dining only, or via drive thru.

This Order immediately requires closing the following types of businesses:

- (1) Bars and Nightclubs that do not serve food.
- (2) Gyms and Fitness Centers.
- (3) Movie Theaters, Live Performance Theaters, Bowling Alleys, and Arcades.

The County Health Officer will continue to monitor COVID-19 disease spread, State and CDC recommendations, and the impact of the required measures, and as needed, may revisit, extend, expand, or otherwise modify this Order to protect the public's health.

UNDER THE AUTHORITY OF THE CALIFORNIA HEALTH AND SAFETY CODE SECTIONS 101040, 101085, AND 120175, THE COUNTY OF LOS ANGELES HEALTH OFFICER ORDERS:

1. Effective March 16, 2020 and continuing through March 31, 2020, all public and private group events and mass gatherings, as defined below, of 50 or more people are prohibited anywhere within the Los Angeles County Public Health Jurisdiction.
2. For public and private events and gatherings attended by between 10-49 members of the public, held in a confined or enclosed space, and not prohibited by this Order, the organizer of the event and the owner, manager, or operator of the venue holding the event or gathering shall:
 - a. Enforce social distancing measures by requiring attendees who remain at the event for over 10 minutes to be separated by at least six (6) feet from other attendees during the entirety of the event or gathering. Persons who attend the event or gathering as a group, e.g., a group of family members or household contacts, may sit or remain together, but groups of attendees must be separated by a distance of at least six (6) feet.
 - b. Provide access to hand washing facilities with soap and water or with hand sanitizer that contains at least 60 percent alcohol.
 - c. Post a sign in a conspicuous place at all public entries to the venue that instructs members of the public to not attend if they are experiencing symptoms of respiratory illness, including fever or cough.
 - d. Adhere to communicable disease control recommendations provided by the Los Angeles County Department of Public Health, including guidance for cleaning and disinfecting the site. See guidance posted at www.publichealth.lacounty.gov/media/Coronavirus/.
3. Effective immediately, and in accordance with Governor Newsom's Guidance and Mayor Garcetti's New City Measures to Address COVID-19, all permanent food facilities, as defined by Health and Safety Code § 113849, may only prepare and offer food that is provided to customers via delivery service, via pick-up for takeout dining, and via drive-thru. Bars and night clubs that offer food to consumers may remain open only for purposes of continuing to prepare and offer food to consumers via delivery service, via pick-up, or drive-thru. Permanent food facilities that provide and offer food to consumers for pick up must require patrons or groups of patrons who are ordering food and beverages to be and remain at least six (6) feet apart from each other while inside the facility.
4. Further, the Health Officer orders the immediate closure of the following types of businesses:
 - a. Bars and Nightclubs that do not serve food.
 - b. Movie theaters, live performance venues, bowling alleys, and arcades.
 - c. Gyms and fitness centers.
 - d. Wineries, Breweries, and Tap Rooms that provide tastings.
5. This Order does not supersede any stricter limitation imposed by a local public entity within the Los Angeles County Public Health Jurisdiction.

REASONS FOR THE ORDER

6. This Order is based upon scientific evidence and best practices, as currently known and available, to protect members of the public from avoidable risk of serious illness and death resulting from the spread of COVID-19, as well as to protect the healthcare system from a surge of cases into its emergency rooms and hospitals. The Order supports the California Department of Public Health and the CDC's efforts to institute necessary social distancing measures to reduce community transmission of COVID-19.

7. Existing community transmission of COVID-19 in Los Angeles County presents a substantial and significant risk of harm to the health of residents. Currently, there is no vaccine available to protect against and no specific treatment for COVID-19. As of March 16, 2020, there have been at least 94 cases of COVID-19 and 1 death reported in Los Angeles County.
8. The virus that causes COVID-19 can be spread easily through person-to-person contact. This risk of transmission is increased when people are in close proximity. All group events and gatherings pose an increased risk for transmission of COVID-19 and thus, are a substantial risk to public health. Circumstances associated with Group Events and Mass Gatherings, smaller events and gatherings, and the public's presence in businesses where it is usual for patrons to have extended close contact, that are likely to exacerbate the spread of COVID-19 include, without limitation: (a) the increased likelihood that these events, gatherings, and businesses will attract people from a geographic area with known COVID-19 community transmission, (b) the prolonged time period during which large numbers of people are in close proximity, (c) the difficulty in tracing and controlling additional exposures when large numbers of people attend a single event, and (d) the inability to ensure both that attendees are not infected with COVID-19 and will follow adequate hygienic and social distancing practices.
9. In the absence of a specific immunization or treatment for COVID-19, social distancing is the only and most readily available tool to prevent this disease. Increasing social distancing and limiting gatherings are proven ways to slow transmission of communicable diseases. Accordingly, to reduce the community transmission of COVID-19, the Health Officer has ordered the temporary prohibition of all Group Events and Mass Gatherings, as defined in Sections 10, 11 and 12, and is also requiring the closure of certain businesses where it is usual practice for patrons to remain in close proximity.

DEFINITIONS

10. For purposes of this Order, Group Events and Mass Gatherings are any gathering, assembly, event, or convening that brings together or is likely to bring together 50 or more persons at the same time in an indoor or outdoor confined or enclosed space, for any purpose including a business, cultural, religious, athletic, entertainment, social, or other special event. These types of Group Events and Mass Gatherings are likely to result in situations where people will be within six (6) feet of each other for an extended period of time (greater than 10 minutes).
11. Group Events and Mass Gatherings include, without limitation: (a) any convention, arena, or meeting space with fixed seating or other set-up where seating is placed adjacent to each other in rows; (b) any space where event attendees stand in close proximity to each other, such as a concert or other performance that includes "standing room only" sections; (c) an admission or concession line/queue; and (d) a confined or closed outdoor space: (i) that is enclosed by a fence, physical barrier, or other structure and (ii) where people are within six (6) feet of one another for more than ten (10) minutes. Specific examples include, but are not limited to, conventions, conferences, training activities, concerts, and athletic events.
12. This Order is intended to deter the spread of COVID-19 by preventing people from being in unnecessary close contact. Certain activities are essential to the functioning of the County and the well-being of our residents and must continue. Accordingly, the requirements in this Order do not apply to the following sites or situations where residents must obtain or participate in essential governmental, educational, or other essential services (those that meet basic human needs): (a) attendance at regular school classes, work, or essential governmental services; (b) places where people are in transit or waiting for transit including airports or bus or train stations or terminals; (c) grocery stores and retail stores; (d) congregate living situations, including dormitories; or (e) hospitals and healthcare facilities.

- a. This Order does not prohibit use of enclosed spaces where 50 or more people may be present at different times during the day, as long as 50 or more people are not present in the space at the same time.
- b. This Order does not apply to specific permanent food facilities:
 - i. Cafeterias, commissaries, and retail food facilities located within hospitals, nursing homes, governmental buildings that provide essential services to the public, or within other licensed health care facilities.
 - ii. Grocery stores and pharmacies.
 - iii. Charitable or governmental organization providing meals to the indigent population.
 - iv. Concessionaires or food services within any airport within the Los Angeles County Public Health jurisdiction.

ADDITIONAL TERMS

13. This Order does not, in any way, restrict: (a) first responder access to the site(s) named in this Order during an emergency or (b) local, state or federal officers, investigators, or medical or law enforcement personnel from carrying out their lawful duties at the site(s) named in this Order.
14. The entities subject to this Order that are not required to close may otherwise remain open for business and perform essential functions and operations during the duration of this Order.
15. The County shall promptly provide copies of this Order by: (a) posting it on the Los Angeles Department of Public Health's website (www.publichealth.lacounty.gov), (b) posting it at the Kenneth Hahn Hall of Administration located at 500 West Temple Street, Los Angeles, CA 90012, (c) providing it to any member of the public requesting a copy, (d) issuing a press release to publicize the Order throughout the county, and (e) by serving via email on large facilities known to the County's Health Officer that are likely to be subject to this Order (but service via email is not required for compliance).
 - a. The owner, manager, or operator of any facility that is likely to be impacted by this Order is strongly encouraged to post a copy of this Order onsite and to provide a copy to any member of the public requesting a copy.
 - b. Because guidance may change, the owner, manager, or operator of any facility that is subject to this Order is ordered to consult the Los Angeles County Department of Public Health's website (www.publichealth.lacounty.gov) daily to identify any modifications to the Order and is required to comply with any updates until the Order is terminated.
16. If any subsection, sentence, clause, phrase, or word of this Order or any application of it to any person, structure, gathering, or circumstance is held to be invalid or unconstitutional by a decision of a court of competent jurisdiction, then such decision will not affect the validity of the remaining portions or applications of this Order.
17. This Order is issued in accordance with, and incorporates by reference, the March 4, 2020 Proclamation of a State of Emergency issued by Governor Gavin Newsom and the March 4, 2020 declarations of a local and public health emergency issued by the Los Angeles County Board of Supervisors and Los Angeles County Health Officer, respectively, and as they may be supplemented.

18. To protect the public's health, the Health Officer may take additional action(s) for failure to comply with this Order. Violation of this Order is a misdemeanor punishable by imprisonment, fine or both under California Health and Section Code Section 120295 *et seq.* Further, pursuant to Sections 26602 and 41601 of the California Government Code and Section 101029 of the California Health and Safety Code, the Health Officer requests that the Sheriff and the Chiefs of Police in all cities located in the Los Angeles County Public Health Jurisdiction ensure compliance with and enforcement of this Order.

IT IS SO ORDERED:

Date: _____

Muntu Davis, MD, MPH

Health Officer, County of Los Angeles

SAFER AT HOME ORDER FOR CONTROL OF COVID-19

Temporary Prohibition of Events and Gatherings of 10 Persons or More

Closure of Non-Essential Businesses and Areas

Date Order Issued: March 19, 2020

Please read this Order carefully. Violation of or failure to comply with this Order is a crime punishable by fine, imprisonment, or both. (California Health and Safety Code § 120295; Los Angeles County Code § 11.02.080.)

SUMMARY OF THE ORDER: This Health Officer Order amends and supplements the Order of the County of Los Angeles Health Officer (Health Officer) issued on March 16, 2020, to control the spread of the Novel Coronavirus (COVID-19) within the County of Los Angeles. The purpose of this Order is to further restrict and limit the gathering of persons and require the closure of malls, shopping centers, children's playgrounds, and non-essential retail businesses in an effort to stem or slow the spread of COVID-19 within the greater Los Angeles community.

Because of the continued rapid spread of COVID-19 and the need to protect the most vulnerable members of our community, this Order prohibits all indoor public and private gatherings and all outdoor public and private events within a confined space, where at least 10 people are expected to be in attendance at the same time. This Order applies within the County of Los Angeles Public Health Jurisdiction, beginning at 11:59 p.m. on March 19, 2020 and continues through April 19, 2020, subject to the terms and conditions more particularly set forth below.

For all gatherings that are not prohibited and for all Essential Businesses, the Health Officer orders those persons attending an event or gathering and the venues holding the event or gathering implement the following infection control precautions: (1) practice social distancing within the confined space by requiring attendees to be separated by six (6) feet, to the extent feasible; (2) provide access to hand washing facilities with soap and water or hand sanitizer that contains at least 60 percent alcohol; (3) post a sign in a conspicuous place at the public entry to the venue instructing members of the public to not attend if they are experiencing symptoms of respiratory illness, including fever or cough; and (4) adhere to communicable disease control recommendations provided by the Los Angeles County Department of Public Health. As a point of clarity, this Order does not prohibit any individual or family from outdoor activities such as hiking, walking, shopping at Essential Businesses, including grocery stores and restaurants offering delivery, drive thru or carry out service, so long as all persons practice social distancing to the extent practicable.

Further, this Health Officer Order, requires all indoor malls, shopping centers, playgrounds and non-essential businesses to close. This Order applies to all cities in Los Angeles County except the cities of Pasadena and Long Beach. This Order does not supersede any stricter limitation imposed by a local public entity.

The County Health Officer will continue to monitor the rate of COVID-19 disease spread, State and CDC recommendations, and the impact of the required measures, and as needed, may revisit, extend, expand, or otherwise modify this Order to protect the public's health.

UNDER THE AUTHORITY OF THE CALIFORNIA HEALTH AND SAFETY CODE SECTIONS 101040, 101085, AND 120175, THE COUNTY OF LOS ANGELES HEALTH OFFICER ORDERS:

1. Effective 11:59 p.m. on March 19, 2020 and continuing through April 19, 2020, all public and private group events and gatherings, as defined below, of 10 or more people are prohibited anywhere within the Los Angeles County Public Health Jurisdiction.

2. For public and private gatherings attended by between 2-9 persons, held in a confined or enclosed space, and not prohibited by this Order, the organizer or the owner, manager, or operator of the venue holding the gathering shall:
 - a. Enforce social distancing measures by requiring attendees who remain at the event or gathering for over 5 minutes to be separated by at least six (6) feet from other attendees during the entirety of the event or gathering. Persons who attend the event or gathering as a group, e.g., a group of family members or household contacts, may sit or remain together, but groups of attendees must be separated by a distance of at least six (6) feet.
 - b. Provide access to hand washing facilities with soap and water or with hand sanitizer that contains at least 60 percent alcohol.
 - c. Post a sign in a conspicuous place at all public entries to the venue that instructs members of the public to not enter or attend if they are experiencing symptoms of respiratory illness, including fever or cough.
 - d. Adhere to communicable disease control recommendations provided by the Los Angeles County Department of Public Health, including guidance for cleaning and disinfecting the site. See guidance posted at www.publichealth.lacounty.gov/media/Coronavirus/.
3. The Health Officer orders the immediate closure of the following types of commercial properties and businesses:
 - a. Non-Essential Retail Businesses.
 - b. Indoor Malls and Indoor Shopping Centers, including all stores therein regardless whether they are Essential or Non-Essential Retail Businesses. As an exception, Essential Businesses that are part of an Indoor Mall or Indoor Shopping Center, that are accessible to the public from the exterior of the Indoor Mall or Shopping Center may remain open. The interior of the Indoor Mall or Indoor Shopping Center shall remain closed to the public.
 - c. Owners and operators of Outdoor Malls and Shopping Centers shall enforce social distancing measures among their visitors as provided in Section 2 a-d.
 - d. Indoor or Outdoor Playgrounds for Children, except for those located within childcare centers.
4. This Order does not supersede any stricter limitation imposed by a local public entity within the Los Angeles County Public Health Jurisdiction.
5. This Order shall be exempt, for a 24-hour period following the effective date above, to allow employees and business owners to access to their workplaces to gather belongings, so long as social distancing requirements are followed. Such workplaces shall remain closed to the public in accordance with this Order.

REASONS FOR THE ORDER

6. This Order is based upon scientific evidence and best practices, as currently known and available, to protect members of the public from avoidable risk of serious illness and death resulting from the spread of COVID-19, as well as to protect the healthcare system from a surge of cases into its emergency rooms and hospitals. The Order supports the CDC's efforts to institute more stringent and necessary social distancing measures to reduce community transmission of COVID-19.
7. Existing community transmission of COVID-19 in Los Angeles County presents a substantial and significant risk of harm to the health of residents. Currently, there is no vaccine available to

protect against and no specific treatment for COVID-19. As of March 19, 2020, there have been at least 231 cases of COVID-19 and 2 deaths reported in Los Angeles County. There remains a strong likelihood of a significant and increasing number of suspected cases of community transmission.

8. The virus that causes COVID-19 can be spread easily through person-to-person contact. This risk of transmission is increased when people are in close proximity. All gatherings pose an increased risk for community transmission of COVID-19 and thus, are a substantial risk to public health. As such, places where people gather, such as Indoor and Outdoor Malls, Shopping Centers, Children's Playgrounds, and Non-Essential Retail Businesses, provide significant opportunities for patrons or groups of patrons to have close contact with each other. Thus, the reasons that persons gathering at these locations are likely to exacerbate the spread of COVID-19 include, without limitation: (a) that these gatherings and businesses will attract people from throughout the county when there is widespread COVID-19 community transmission, (b) the prolonged time period during which many people are in close proximity at these locations, (c) the difficulty in tracing and controlling additional exposures when large numbers of people visit a Mall, Shopping Center, Playground or Non-Essential Retail Business, and (d) the visitor may be unknowingly infected with COVID-19 and may not follow adequate hygienic and social distancing practices.
9. In the absence of a specific immunization or treatment for COVID-19, social distancing is the only and most readily available tool to prevent this disease. Increasing social distancing and limiting events and gatherings slow transmission of communicable diseases. Accordingly, to reduce the community transmission of COVID-19, the Health Officer has ordered the temporary prohibition of all Events and Gatherings, as defined in Section 10, the closure of Indoor Malls and Shopping Centers as defined in Section 11, and is also requiring the closure of certain businesses, as described in Section 12.

DEFINITIONS

10. For purposes of this Order, Events and Gatherings are any gathering, assembly, event, or convening that brings together or is likely to bring together 10 or more persons at the same time in an indoor or outdoor confined or enclosed space for greater than 5 minutes, for any purpose including a business, cultural, athletic, entertainment, social, or other special event.
11. For purposes of this Order, Indoor Malls and Shopping Centers are defined for as either:
 - A building with seven (7) or more "sales or retail establishments" or
 - A series of buildings on a common site, either under common ownership or common control or developed together, with seven (7) or more "sales or retail establishments."
12. Non-Essential Retail Businesses are retail establishments that provide goods or services to the public that do not come within the definition of Essential Businesses set forth in Paragraph 13 of this Order.
13. For purposes of this Order, Essential Businesses are defined as the following:
 - (a) Grocery stores, certified farmers' markets, farm and produce stands, supermarkets, food banks, convenience stores, and other establishments engaged in the retail sale of canned food, dry goods, fresh fruit and vegetables, pet supply, water, fresh meats, fish, and poultry, and any other household consumer products (such as cleaning or personal care products). This includes stores that sell groceries and sell other non-grocery products, and products necessary to maintaining the safety, sanitation, and essential operation of residences;

- (b) Food cultivation, including farming, livestock, and fishing;
- (c) Businesses that provide food, shelter, and social services, and other necessities of life for economically disadvantaged or otherwise needy individuals;
- (d) Newspapers, television, radio, magazine, podcast and other media services;
- (e) Gas stations, and auto-supply, auto-repair, car dealerships and related facilities;
- (f) Banks, credit unions, and related financial institutions;
- (g) Hardware stores, nurseries; building supplies;
- (h) Plumbers, electricians, exterminators, custodial/janitorial workers, handyman services, funeral home workers and morticians, moving services, HVAC installers, carpenters, vegetation services, tree maintenance, landscapers, gardeners, property managers, private security personnel and other service providers who provide services to maintain the safety, sanitation, and essential operation to properties and other Essential Businesses;
- (i) Businesses providing mailing and shipping services, including post office boxes;
- (j) Educational institutions (including public and private K-12 schools, colleges, and universities) for purposes of facilitating distance learning or performing essential functions, provided that social distancing of 6-feet per person is maintaining to the greatest extent possible;
- (k) Laundromats, dry cleaners, laundry service providers, personal grooming services;
- (l) Restaurants and other food facilities that prepare and serve food, but only for delivery, drive thru or carry out;
- (m) Businesses that supply office or computer products needed by people who work from home;
- (n) Businesses that supply other Essential Businesses with the support or supplies necessary to operate;
- (o) Businesses that ship, truck, provide logistical support or deliver groceries, food, goods or services directly to residences, Essential Businesses, Healthcare Operations, Essential Infrastructure;
- (p) Airlines, taxis, and other private transportation providers providing transportation services necessary for activities of daily living and other purposes expressly authorized in this Order;
- (q) Businesses that provide parts and service for Essential Infrastructure;
- (r) Home-based care for seniors, adults, disabled persons, or children;
- (s) Residential facilities and shelters for seniors, adults, disabled persons, and children;
- (t) Professional services, such as legal or accounting services, when necessary to assist in compliance with legally mandated activities, and the permitting, inspection, construction, transfer and recording of ownership, of housing and anything incidental thereto;
- (u) Military/Defense Contractors/FFRDC (Federally Funded Research and Development Centers). For purposes of this Order, essential personnel may leave their residence to provide any service or perform any work deemed essential for national security including, but not limited to defense, intelligence and aerospace development and manufacturing for the

Department of Defense, the Intelligence Community, and NASA and other federal government, and or United States Government departments and agencies. Essential personnel include prime, sub-primes, and supplier contractor employees, at both the prime contract level and any supplier levels at any tier, working on federal United States Government contracts such as contracts rated under the Defense Priorities and Allocations System (DPAS) and contracts for national intelligence and national security requirements.;

- (v) Childcare facilities providing services that enable employees exempted in this Order to work as permitted. To the extent possible, childcare facilities must operate under the following mandatory conditions: (1) Childcare must be carried out in stable groups of 12 or fewer ("stable" means the same 12 or fewer children are in the same group each day); (2) Children shall not change from one group to another; (3) If more than one group of children is cared for at once facility, each group shall be in a separate room. Groups shall not mix with each other; (4) Childcare providers shall remain solely with one group of children.
 - (w) Hotels, motels, shared rental units and similar facilities.
14. This Order is intended to deter the spread of COVID-19 by preventing people from being in unnecessary close contact. Certain activities are essential to the functioning of the County and the well-being of our residents and must continue.
15. The limitations on events and gatherings contained in this Order do not apply to the following sites or situations where residents must obtain or participate in governmental or other essential services (those that meet basic human needs): (a) attendance at regular school classes, work at Essential Businesses, and essential governmental services, such as access to court, social and administrative services; (b) places where people are in transit or waiting for transit including airports or bus or train stations or terminals; (c) congregate living situations, including dormitories; or (d) hospitals and healthcare facilities.
- a. This Order does not prohibit use of enclosed spaces where 10 or more people may be present at different times during the day, as long as 10 or more people are not present in the space at the same time.
 - b. This Order does not apply to the following essential infrastructure or operations:
 - i. Healthcare Operations (hospitals, clinics, laboratories, dentists, pharmacies, pharmaceutical and biotechnology companies, other licensed healthcare facilities, healthcare suppliers, home healthcare service providers, mental health providers, cannabis dispensaries with a medicinal cannabis license, medical or scientific research companies, or any related and/or ancillary healthcare services, manufacturers, distributors and servicers of medical devices, diagnostics, and equipment, veterinary care, and all healthcare provided to animals. This exemption shall be broadly construed to avoid any impact to the delivery of healthcare, broadly defined. Healthcare Operations does not include fitness and exercise gyms and similar exercise or training facilities.
 - ii. Essential Infrastructure, including but not limited to, public health, public works construction, construction of housing (in particular affordable housing or housing for individuals experience homelessness), airport operations, port operations, water, sewer, gas, electrical, oil refining, road and highways, public transportation, solid waste collection and removal, internet and telecommunications systems (including the provision of essential global, national, local infrastructure for computing services, business infrastructure, communications, and web-based services), and manufacturing and distribution companies deemed essential as part of the Essential Infrastructure supply chain, provided that they carry out those services or that work in compliance with social distancing requirements, to the extent practicable.

COUNTY OF LOS ANGELES DEPARTMENT OF PUBLIC HEALTH
ORDER OF THE HEALTH OFFICER

ADDITIONAL TERMS

16. This Order does not, in any way, restrict: (a) first responder access to the site(s) named in this Order during an emergency or (b) local, state or federal officers, investigators, or medical or law enforcement personnel from carrying out their lawful duties at the site(s) named in this Order.
17. The entities subject to this Order that are not required to close may otherwise remain open for business and perform essential functions and operations during the duration of this Order.
18. The County shall promptly provide copies of this Order by: (a) posting it on the Los Angeles Department of Public Health's website (www.publichealth.lacounty.gov), (b) posting it at the Kenneth Hahn Hall of Administration located at 500 West Temple Street, Los Angeles, CA 90012, (c) providing it to any member of the public requesting a copy, (d) issuing a press release to publicize the Order throughout the county, and (e) by serving via email on large facilities known to the County's Health Officer that are likely to be subject to this Order (but service via email is not required for compliance).
 - a. The owner, manager, or operator of any facility that is likely to be impacted by this Order is strongly encouraged to post a copy of this Order onsite and to provide a copy to any member of the public requesting a copy.
 - b. Because guidance may change, the owner, manager, or operator of any facility that is subject to this Order is ordered to consult the Los Angeles County Department of Public Health's website (www.publichealth.lacounty.gov) daily to identify any modifications to the Order and is required to comply with any updates until the Order is terminated.
19. If any subsection, sentence, clause, phrase, or word of this Order or any application of it to any person, structure, gathering, or circumstance is held to be invalid or unconstitutional by a decision of a court of competent jurisdiction, then such decision will not affect the validity of the remaining portions or applications of this Order.
20. This Order incorporates by reference, the March 4, 2020 Proclamation of a State of Emergency issued by Governor Gavin Newsom and the March 4, 2020 declarations of a local and public health emergency issued by the Los Angeles County Board of Supervisors and Los Angeles County Health Officer, respectively, and as they may be supplemented.
21. To protect the public's health, the Health Officer may take additional action(s) for failure to comply with this Order. Violation of this Order is a misdemeanor punishable by imprisonment, fine or both under California Health and Section Code Section 120295 *et seq.* Further, pursuant to Sections 26602 and 41601 of the California Government Code and Section 101029 of the California Health and Safety Code, the Health Officer requests that the Sheriff and the Chiefs of Police in all cities located in the Los Angeles County Public Health Jurisdiction ensure compliance with and enforcement of this Order.

IT IS SO ORDERED:

Muntu Davis, MD, MPH

Health Officer, County of Los Angeles

Date:

MARCH 19, 2020

EXECUTIVE ORDER N-34-20

WHEREAS on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

WHEREAS hundreds of local governments across the state have also declared states of emergency, imposed or recommended social distancing, and taken other significant steps in response to COVID-19; and

WHEREAS various political subdivisions within California are in the process of changing from an at-large method of election to district elections, existing law requires public hearings to be conducted within prescribed timeframes as part of this change, and conducting such hearings within these timeframes would be incongruent with public health officials' guidance regarding social distancing; and

WHEREAS California held a Presidential Primary Election on March 3, 2020, for which ballot counting, tabulation, and other responsibilities related to the official canvass, including certification of the canvass, audits and/or manual tallies of election results, and reporting of the official canvass results, remain outstanding or ongoing; and

WHEREAS COVID-19 and the response thereto may impair the ability of relevant state and local officials, including county elections officials and the Secretary of State, and the volunteers supporting them, to meet statutory deadlines associated with these responsibilities; and

WHEREAS on November 15, 2019, I proclaimed a Special General Election to be held on May 12, 2020, to fill a vacancy in the State Senate seat representing the 28th Senate District of the State, in Riverside County; and

WHEREAS on November 15, 2019, I proclaimed a Special General Election to be held on May 12, 2020, to fill a vacancy in the U.S. House of Representatives seat representing the 25th Congressional District of the State, which covers portions of the counties of Ventura and Los Angeles; and

WHEREAS on April 7, 2020, a Special Recall Election will be held in the City of Westminster, in the County of Orange; and

WHEREAS state law would ordinarily require that these elections be conducted using in-person voting at polling locations throughout the jurisdiction; and

WHEREAS the generalized use of in-person voting presents risks to public health and safety in light of the COVID-19 pandemic, and could risk undermining social distancing measures imposed by the State Public Health Officer, as well as other aspects of the response to COVID-19; and

WHEREAS our elections must be accessible, secure, and safe; and

WHEREAS California's existing vote-by-mail procedures can be used to allow these three elections to go forward in a manner that is accessible, secure, and safe.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes of the State of California, and in particular, Government Code sections 8567 and 8571, do hereby issue the following Order to become effective immediately:

IT IS HEREBY ORDERED THAT:

- 1) The timeframes for conducting the hearings required when a political subdivision changes from an at-large method of election to a district-based election, as set forth in Elections Code section 10010, are suspended for any subdivision, until such time as neither state nor local public health officials recommend or impose social distancing measures in the relevant subdivision. Following that time, the relevant subdivision shall hold the required hearings in a manner that ensures the public is provided advance notice and is afforded an opportunity to participate in the postponed hearings; subdivisions are urged to ensure that this process includes effective outreach to individuals with disabilities, individuals who primarily speak languages other than English, and other individuals who may have particularized needs.
- 2) Notwithstanding Elections Code sections 3019, 15100–15112, 15300–15376, 15400–15402, 15450–15490, and 15500–15505; California Code of Regulations, Title 2, sections 20027, 20108.75, 20108.8, and 20110–20126; and any other applicable provision of state law, all deadlines associated with completing, auditing, and reporting on the official canvass of the March 3, 2020, Presidential Primary Election are extended by 21 days. Counties are urged to complete activities related to the official canvass according to the deadlines ordinarily imposed by state law, to the extent possible. The Secretary of State is requested to issue guidance to county elections officials concerning compliance with this paragraph.
- 3) Notwithstanding Elections Code sections 1500 and 4000–4007 (including, but not limited to, the conditions otherwise imposed on all-mail ballot elections in Election Code section 4000 and 4001.5), and any other applicable provision of state law, the April 7, 2020, Special Recall Election to be held in the City of Westminster; the May 12, 2020, Special General Election to be held within the 25th Congressional District of the State; and the May 12, 2020, Special General Election to be held within the 28th Senate District of the State shall each be held as an all-mail ballot election and conducted according to those provisions of the Elections Code that govern all-mail ballot elections, including but not limited to Elections Code sections 3000–3026 and 4100. The respective county elections officials responsible for conducting each respective election shall transmit vote-by-mail ballots to all voters eligible to vote in each respective election. Notwithstanding the other provisions of this Order, elections officials are

also authorized, and encouraged, to make in-person voting opportunities available on or before Election Day for each of these elections in a manner consistent with public health and safety, to maximize voter accessibility. Elections officials shall provide maximum possible notice to voters about how to participate in each of these elections, paying particular attention to the needs of voters at high risk from COVID-19, individuals with disabilities, and other voters with particularized needs.

- 4) Notwithstanding Elections Code sections 3019, 15100–15112, 15300–15376, 15400–15402, 15450–15490, and 15500–15505; California Code of Regulations, Title 2, sections 20027, 20108.75, 20108.8, and 20110–20126; and any other applicable provision of state law including, but not limited to, any applicable state regulation, all deadlines associated with completing, auditing, and reporting on the official canvass of the May 12, 2020, Special General Elections to be held within the 25th Congressional District of the State and the 28th Senate District of the State are extended by 21 days. Counties are urged to complete activities related to the official canvass according to the deadlines ordinarily imposed by state law, to the extent possible. The Secretary of State is requested to issue guidance to county elections officials concerning compliance with this paragraph.

IT IS FURTHER ORDERED that as soon as hereafter possible, this Order be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Order.

This Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

IN WITNESS WHEREOF I have
hereunto set my hand and caused
the Great Seal of the State of
California to be affixed this 20th day
of March 2020.

GAVIN NEWSOM
Governor of California

ATTEST:

ALEX PADILLA
Secretary of State

**EXECUTIVE DEPARTMENT
STATE OF CALIFORNIA**

EXECUTIVE ORDER N-35-20

WHEREAS on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

WHEREAS despite sustained efforts, COVID-19 continues to spread and is impacting nearly all sectors of California; and

WHEREAS it is imperative that clinics, hospice, mobile healthcare units, and adult day health care facilities maximize the number of capable healthcare workers to ensure that Californians impacted by COVID-19 are able to access medical treatment; and

WHEREAS governmental entities must have sufficient staffing to adequately address the impacts of COVID-19, and state and local governing bodies must have critical and timely information relating to COVID-19; and

WHEREAS given the impacts of COVID-19 on governmental entities, certain statutory deadlines would be impractical or impossible to adhere to; and

WHEREAS on March 17, 2020, I issued Executive Order N-31-20, in which I implemented measures to ensure the expeditious restoration of the supply chain, and further action is needed to ensure the purpose of this action is effectuated; and

WHEREAS state institutions housing vulnerable populations, such as those operated by the Department of State Hospitals and the Department of Developmental Services, require special measures to protect those populations from COVID-19 and ensure continuity of care; and

WHEREAS under the provisions of Government Code sections 8571 and 8627.5, I find that strict compliance with various statutes, regulations, and certain local ordinances specified or referenced herein would prevent, hinder, or delay appropriate actions to prevent and mitigate the effects of the COVID-19 pandemic.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes of the State of California, and in particular, Government Code sections 8567, 8571, and 8627.5, do hereby issue the following Order to become effective immediately:

IT IS HEREBY ORDERED THAT:

- 1) In order to assist in the care or to protect the health of individuals not in a hospital or health facility, as defined in Health and Safety Code section 1250, and due to the COVID-19 outbreak, the director of the State Department of Public Health may, for the duration of the declared

emergency, waive any of the licensing and staffing requirements of chapters 1, 3.3, 8.5, and 9 of division 2 of the Health and Safety Code and any accompanying regulations with respect to any clinic, adult day health care, hospice, or mobile health care unit. Any waiver shall include alternative measures that, under the circumstances, will allow the clinic, adult day health care, hospice, or mobile health care unit to assist in the care or protect the health of individuals while protecting public health and safety. Any waivers granted pursuant to this paragraph shall be posted on the Department's website.

- 2) Notwithstanding Government Code section 54952.2, subdivision (b)(1), or Government Code section 11122.5, subdivision (b)(1), or any other provision of the Brown Act or the Bagley-Keene Act, as applicable, all members of a local legislative body or state body may receive updates (including, but not limited to, simultaneous updates) relevant to the declared emergency (including, but not limited to, updates concerning the impacts of COVID-19, the government response to COVID-19, and other aspects relevant to the declared emergency) from federal, state, and local officials, and may ask questions of those federal, state, and local officials, in order for members of the legislative body to stay apprised of emergency operations and the impact of the emergency on their constituents. Nothing in this Order permits the members of a local legislative body or state body to take action on, or to discuss amongst themselves, any item of business that is within the subject matter jurisdiction of the legislative body without complying with otherwise-applicable requirements of the Brown Act or the Bagley-Keene Act, respectively. Nothing in this section shall impact Paragraph 3 of Executive Order N-29-20.
- 3) The suspension of statutes identified in Paragraph 7 of Executive Order E-25-20, issued on March 12, 2020, shall also apply to local governments, as applicable, to ensure adequate staffing to appropriately respond to the COVID-19 pandemic.
- 4) Any local ordinance, including those relating to noise limitations, is suspended to the extent it restricts, delays, or otherwise inhibits the delivery of food products, pharmaceuticals, and other emergency necessities distributed through grocery stores and other retail or institutional channels, including, but not limited to, hospitals, jails, restaurants, and schools.
- 5) To ensure that patients with mental or behavioral health conditions continue to receive the services and support they need, notwithstanding disruptions caused by COVID-19; and to protect the health, safety and welfare of patients with mental or behavioral health conditions committed to the State Department of State Hospitals facilities, as defined by Welfare and Institutions Code Sections 4100 and 7200; the Director of the State Department of State Hospitals may issue directives waiving any provision or requirement of the Welfare and Institutions Code; any provision or requirement of the Penal Code that affects the execution of laws relating to care, custody, and treatment of persons with mental illness committed to or in the custody of the State Department State Hospitals; and the accompanying regulations of Title 9, Division 1 of the California Code of Regulations. The Director shall describe the need for the waiver

granted in each directive and articulate how the waiver is necessary to protect the public health or safety (including, but not limited to, the health or safety of the individuals served at any Department-operated facility or the staff serving such individuals) from the threat of COVID-19, or how the waiver is necessary to ensure that services to individuals with mental or behavioral health conditions are not disrupted. Any waiver granted by a directive shall expire 30 days from the date of its issuance, except that the Director may grant one or more 30-day extensions if the waiver continues to be necessary to protect health or safety or to ensure delivery of services. The Director shall rescind a waiver once it is no longer necessary to protect public health or safety or ensure delivery of services. Any waivers and extensions granted pursuant to this paragraph shall be posted on the Department's website.

- 6) As needed to safeguard health of persons already admitted, committed, or ordered to the facilities described in this paragraph and notwithstanding the Penal Code, the Welfare and Institutions Code, or any other statute or regulation, the Director of the Department of Developmental Disabilities is authorized to deny admission or delay discharge of all individuals judicially or otherwise admitted, committed or ordered to the Porterville Developmental Center; the Canyon Springs Community Facility; a Stabilization, Training Assistance, and Reintegration (STAR) home; or any other facility under the jurisdiction or control of the Department for 30 days after the issuance of this Order. The Director may grant one or more 30-day extensions if such action is necessary to protect the public health or safety (including, but not limited to, the health or safety of the individuals served at any Department-operated facility or the staff serving such individuals) from the threat of COVID-19. The Director of the Department shall describe the need justifying the closure of admissions to and delay in discharges from the Department-operated facility. The Director shall authorize admissions and discharges once the actions described in this paragraph are no longer necessary to protect the public health or safety (including, but not limited to, the health or safety of the individuals served at any Department-operated facility or the staff serving such individuals). The Director shall post the notice of closure of admissions and discharges and the extension of closure to the Department facility on the Department's website.
- 7) The deadlines specified in Education Code section 44242.7(a), and California Code of Regulations, title 5, section 80306, related to the presentation of disciplinary cases to the Committee of Credentials for initial review; Education Code section 44244(b)(1), related to the formal review of disciplinary cases and determination of any adverse action by the Committee of Credentials; Education Code section 44343.5, related to the processing of military spouse or partner applications; and Education Code section 44350, related to processing educator applications, are extended for a period of 60 days.
- 8) The deadline specified in Government Code section 11517(c)(2), related to an agency's action on an administrative law judge's proposed decision, is extended for a period of 60 days.
- 9) The deadlines specified in Government Code section 1774(a), related to the Governor's reappointment of an incumbent to an office, and

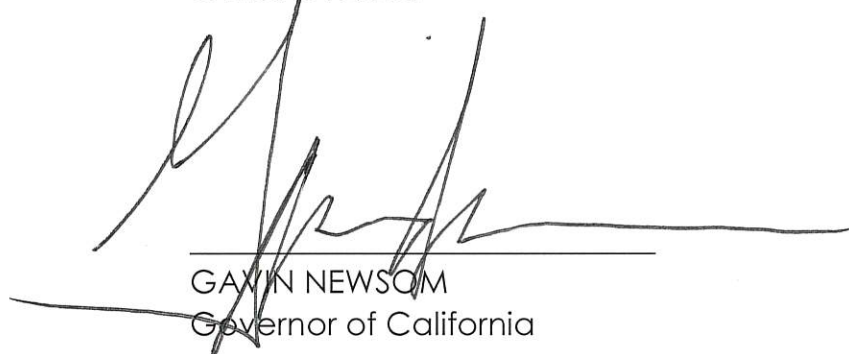

Government Code section 1774(b), related to transmittal of the required information about reappointment of an incumbent to the Secretary of the Senate, are extended for a period of 60 days.

- 10) The deadline specified in Government Code section 12011.5(c), related to State Bar's transmittal of its report to the Governor of its evaluation of all judicial candidates referred by the Governor, is extended for a period of 60 days.
- 11) The time for presenting a claim pursuant to Government Code section 911, et seq., is hereby extended by 60 days. The time within which the Department of General Services may act upon such claim is extended by 60 days.
- 12) The time limitation set forth in Penal Code section 4750(j) for any jurisdiction submitting a claim for reimbursement is delayed for a period of 60 days. The State Controller shall have the discretion to provide the additional time extension, as appropriate.

IT IS FURTHER ORDERED that as soon as hereafter possible, this Order be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Order.

This Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

IN WITNESS WHEREOF I have
hereunto set my hand and caused
the Great Seal of the State of
California to be affixed this 21st day
of March 2020.

GAVIN NEWSOM
Governor of California

ATTEST:

ALEX PADILLA
Secretary of State

HEALTH OFFICER ORDER FOR THE CONTROL OF COVID-19

Public Health Emergency Isolation Order

Date Order Issued: March 25, 2020

This Order is in effect until rescinded in writing by the Health Officer.

SUMMARY OF THE ORDER

California is in a State of Emergency because of the COVID-19 pandemic. The spread of Novel Coronavirus (COVID-19) is a substantial danger to the health of the public within the County of Los Angeles. COVID-19 can easily spread between people who are in close contact with one another. Everyone is at risk for becoming ill with COVID-19, but some people are more vulnerable to serious illness, including pneumonia and organ failure, or death, due to their age, physical state, and/or health status. Currently, there is no vaccine available to protect against COVID-19 and no specific treatment for its symptoms.

In order to help slow COVID-19's spread, protect vulnerable individuals, and prevent the healthcare system in the Los Angeles County from being overwhelmed, it is necessary for the County of Los Angeles Health Officer ("Health Officer") to require the self-isolation of persons diagnosed with or likely to have COVID-19.

UNDER THE AUTHORITY OF THE CALIFORNIA HEALTH AND SAFETY CODE SECTIONS 101040, 101085, 120175, 120215, 120220, AND 120225 THE COUNTY OF LOS ANGELES HEALTH OFFICER ORDERS:

All individuals who have been diagnosed with or who are likely to have COVID-19 must isolate themselves. These persons are required to follow all instructions in this Order and the Public Health guidance documents referenced in this Order.

Isolation Requirements for Individuals Diagnosed with or Likely to have COVID-19

All individuals who have been diagnosed with or are likely to have COVID-19 must immediately take the following actions:

- **Isolate themselves in their home or another residence until: (a) at least 3 days (72 hours) have passed since recovery, defined as resolution of fever without use of fever-reducing medications and improvement of respiratory symptoms (e.g., cough, shortness of breath), AND (b) at least 7 days since symptoms first appeared, whichever is later.** Until this time, they may not leave their place of isolation or enter any other public or private place, except to receive necessary medical care.
- **Carefully review and closely follow all requirements listed in the "Home Isolation Instructions for People with Coronavirus-2019 (COVID-19) Infection,"** which is available in [English](#) and [Spanish](#).

- Tell others who live in their residence, intimate partner(s), their caregiver(s), and other persons who were in close contact with them while they were symptomatic that they need to quarantine themselves. Refer them to the "Home Quarantine Guidance for Close Contacts to Coronavirus Disease 2019 (COVID-19)" document, which is available in [English](#) and [Spanish](#). This document describes steps that household contacts, intimate partners, caregivers, and other close contacts must take to prevent spread of COVID-19. This is necessary because close contacts have likely been exposed to COVID-19 and, if infected, can easily spread COVID-19 to others, even if they have only mild symptoms.

Individuals are required to isolate themselves because they have or are likely to have COVID-19.

Self-isolation is immediately required if a person meets one or more of the following factors:

- a) A positive lab test for COVID-19
- b) Signs and symptoms that are consistent with COVID-19 within 14 days of being in close contact with a person who had or was believed to have had COVID-19 OR
- c) A physician has informed the individual that they are likely to have COVID-19.

These persons are required to self-isolate because a person infected with or likely to have COVID-19 can easily spread the virus to others. Isolation separates these ill individuals from others to prevent the spread of COVID-19. This Order protects everyone, including people who are high risk for serious illness, such as older adults and people with weakened immune systems.

Isolated individuals must isolate themselves in a residence and follow all directions in this Order until they are no longer at risk for spreading COVID-19 based upon the following criteria:

- a) At least 3 days (72 hours) have passed since recovery, defined as resolution of both fever without the use of fever-reducing medications and improvement of cough, shortness of breath, and other symptoms AND
- b) At least 7 days have passed since symptoms first appeared, whichever is later.

The Health Officer may take additional action(s), which may include civil detention or requiring one to stay at a health facility or other location, to protect the public's health if an individual who is subject to this Order violates or fails to comply with this Order. Violation of this Order is also a misdemeanor punishable by imprisonment, fine or both. (Health and Safety Code §120295; Los Angeles County Code §11.02.080.)

IT IS SO ORDERED:

Muntu Davis, MD, MPH
Health Officer, County of Los Angeles

Date: MARCH 25, 2020

HEALTH OFFICER ORDER FOR THE CONTROL OF COVID-19

Public Health Emergency Quarantine Order

Date Order Issued: March 25, 2020

This Order is in effect until rescinded in writing by the Health Officer.

SUMMARY OF THE ORDER

California is in a State of Emergency because of the COVID-19 pandemic. The spread of Novel Coronavirus (COVID-19) is a substantial danger to the health of the public within the County of Los Angeles. COVID-19 can easily spread between people who are in close contact with one another. Individuals in close contact with a person diagnosed with or likely to have COVID-19 may easily become infected and spread it even if they have only mild symptoms. There is no vaccine available to protect against COVID-19 and no specific treatment for its symptoms. Everyone is at risk for becoming ill with COVID-19, but some people are more vulnerable to serious illness, including pneumonia, organ failure, or death, due to their age, physical state, and/or health status.

In order to help slow COVID-19's spread, protect vulnerable individuals, and prevent the healthcare system in Los Angeles County from being overwhelmed, it is necessary for the County of Los Angeles Health Officer ("Health Officer") to require the self-quarantine of persons exposed to a person diagnosed with or likely to have COVID-19. Quarantine separates individuals who were exposed to COVID-19 from others, until it is determined that they are not at risk for spreading the disease. This protects everyone, including people who are high risk for serious illness, such as older adults and people with weakened immune systems.

UNDER THE AUTHORITY OF THE CALIFORNIA HEALTH AND SAFETY CODE SECTIONS 101040, 101085, 120175, 120215, 120220, AND 120225, THE COUNTY OF LOS ANGELES HEALTH OFFICER ORDERS:

All household contacts, intimate partners, caregivers, and close contacts who have been in close contact with a person diagnosed with or likely to have COVID-19 while that person was symptomatic must quarantine themselves. Persons quarantined are required to follow all instructions in this Order and the Public Health guidance documents referenced in this Order.

Quarantine Requirements for Household Contacts, Intimate Partners, Caregivers, and Close Contacts of Persons with or Likely to Have COVID-19

A person is considered to be a close contact of a person with or likely to have COVID-19 if they: (a) were within six (6) feet for more than 10 minutes OR (b) had unprotected direct contact to secretions or excretions (e.g., sneeze or cough) of a person diagnosed with or likely to have COVID-19.

All individuals who know that they have been in close contact, as a household member, an intimate partner, a caregiver outside of a healthcare setting, or other close contact, with a person diagnosed with or likely to have COVID-19 while that person was symptomatic (ill), are required to take the following actions:

- Be quarantined in their home or another residence until 14 days from the last date that they were last in contact with the symptomatic person with or likely to have COVID-19. Self-quarantine is necessary if an individual has had close contact with a person who has:
 - a) A positive lab test for COVID-19
 - b) Signs and symptoms that are consistent with COVID-19 within 14 days of being in close contact with a person who had or was believed to have had COVID-19 OR
 - c) Been informed by a physician that they are likely to have COVID-19.

Individuals are required to quarantine themselves for the entirety of the 14-day COVID-19 incubation period because they are at high risk for developing and spreading COVID-19. Quarantined persons may not leave their place of quarantine or enter any other public or private place during the period of quarantine, except to receive necessary medical care.

- Carefully review and closely follow all requirements listed in the "Home Quarantine Guidance for Close Contacts to Coronavirus Disease 2019 (COVID-19)," which is available in [English](#) and [Spanish](#).
- If a quarantined person becomes sick with fever, cough, or shortness of breath (even if their symptoms are very mild), to protect others from COVID-19, they should isolate themselves at home and away from other people and follow the "Home Isolation Instructions for People with Coronavirus-2019 (COVID-19) Infection," which is available in [English](#) and [Spanish](#). This is because they are likely to have COVID-19 and if so, can spread it to others.

The Health Officer may take additional action(s), which may include civil detention at a health facility or other location, to protect the public's health if an individual who is subject to this Order violates or fails to comply with this Order. Violation of this Order is also a misdemeanor punishable by imprisonment, fine or both. (Penal Code § 120295, et seq.; Los Angeles County Code § 11.02.080.)

IT IS SO ORDERED:

Muntu Davis, MD, MPH
Health Officer, County of Los Angeles

Date: MARCH 25, 2020

ADDENDUM TO
SAFER AT HOME ORDER FOR CONTROL OF COVID-19
**Temporary Closure of Public Trails and Trailheads, Beaches,
Piers, Beach Bike Paths and Beach Access Points**

Date Order Issued: March 27, 2020

**Please read this Order carefully. Violation of or failure to comply
with this Order is a crime punishable by fine, imprisonment, or both.
(California Health and Safety Code §120295; Los Angeles County Code § 11.02.080.)**

SUMMARY OF THE ORDER: This County of Los Angeles Health Officer Order (Order) amends the Health Officer Order of March 21, 2020, to include the temporary closure of all public beaches, public trails, and trailheads within the Public Health Jurisdiction of the County of Los Angeles. The County of Los Angeles Public Health Jurisdiction is defined as all unincorporated areas and cities within the County of Los Angeles, with the exception of the cities of Long Beach and Pasadena.

The County of Los Angeles and its Department of Public Health observed an unusually high volume of beach and trail users on March 21 and 22, which seriously impeded the beach and trail users' practice of safe and necessary social distancing measures (avoiding crowds and maintaining distance of 6 feet from others who are not household members or close contacts). This heavy amount of beach and trail use by numerous groups of people does not allow for safe social distancing, and therefore seriously impedes community efforts to stem the local transmission of COVID-19. Accordingly, this Order is necessary to both enforce social distancing measures and stem the spread of COVID-19 within the community.

**UNDER THE AUTHORITY OF THE CALIFORNIA HEALTH AND
SAFETY CODE SECTIONS 101040, 101085, AND 120175,
THE COUNTY OF LOS ANGELES HEALTH OFFICER ORDERS:**

1. All public trails and trailheads within the County of Los Angeles Public Health Jurisdiction are to be temporarily closed to the public as of March 27, 2020, in order to limit the gathering of crowds of people on these public trails and trailheads to further stem the spread of COVID-19 among the greater Los Angeles community.
2. All public beaches, piers, public beach parking lots, beach bike paths that traverse that sanded portion of the beach, and beach access points within the County of Los Angeles Public Health Jurisdiction are to be temporarily closed to the public as of March 27, 2020, to limit gathering of crowds of people on public beaches to further stem the spread of COVID-19 among the greater Los Angeles community.
3. This Order shall be effective immediately and continue through April 19, 2020.

**COUNTY OF LOS ANGELES DEPARTMENT OF PUBLIC HEALTH
ORDER OF THE HEALTH OFFICER**

4. Persons may continue to use currently open and publicly available park space, not prohibited by this Order, for passive recreational activities, while practicing social distancing.
5. This Order incorporates by reference the March 21, 2020 County Health Officer Order.
6. To protect the public's health, the Health Officer may take additional action(s) for failure to comply with this Order. Violation of this Order is a misdemeanor punishable by imprisonment, fine or both under California Health and Safety Code Section 120295 et seq. Further, pursuant to Sections 26602 and 41601 of the California Government Code and Section 101029 of the California Health and Safety Code, the Health Officer requests that the Sheriff and Chiefs of Police in all cities, and lifeguards located in the Los Angeles County Public Health Jurisdiction ensure compliance with this Order.

IT IS SO ORDERED:

Muntu Davis, M.D., M.P.H.
Health Officer, County of Los Angeles

Date: MARCH 27, 2020
