8B RECEIVE AND FILE A REPORT ON THE JULY 21, 2021 FIRE FUEL COMMITTEE MEETING; AND CONSIDER AND APPROVE THE COMMITTEE'S RECOMMENDATION.

Resident Jim Aichele recommended educating residents on the expectation for compliance and the importance of fire fuel reduction. He recommended that if dead vegetation is removed, plants like lemonade berry bushes be added to help prevent fires or spreading of fires.

Resident Arlene and Gene Honbo expressed their support for the proposal and using the nuisance proceedings. They also recommended using Trevor or someone from the Forestry Division to assist with the process, as they are the experts. Lastly, they stated the importance of educating and communicating with residents on the proper way to address dead vegetation on properties. This information can be marketed immediately via various platforms.

Resident Alfred Visco supported the proposal, and recommended the City to focus on enforcing the current ordinance. He also agreed with Jim Aichele's comments about using professionals to assist with the education and communication of what needs to be done, and the potential of adding additional plants, like the lemonade berry bush to assist with fire fuel protection in areas that are being cleared. Lastly, Mr. Visco mentioned using other information and processes from other cities to help guide the program management.

City Clerk Sandoval read into record the email submitted by resident Don Crocker. Mr. Crocker expressed his support for the proposal.

MOTION: Councilmember Pieper motioned that the Fire Fuel Subcommittee continue to refine the proposal, and Councilmember Wilson seconded the motion.

SUBJECT: RECEIVE AND FILE AN EXECUTED PENINSULA CITIES JOINT LETTER TO THE CALIFORNIA AND LOS ANGELES COUNTY CITIZENS REDISTRICITNG COMMISSION DESCRIBING THE CITY AND THE CITY'S PREFERENCE FOR REDISTRICITING.

DATE: August 09, 2021

BACKGROUND:

During the City Council meeting on July 26, 2021, the Council was presented a draft joint letter that included all four Peninsula cities to be reviewed and approved to be sent to the California Citizens Redistricting Commission and the Los Angeles County Citizens Redistricting Commission. The goal of such letter was to establish the four Peninsula cities' views and goals in wanting to be redistricted together. The letter includes the four Peninsula cities current represented districts, and the shared amenities and contracts, which is the reason that all four cities are advocating to stay together in the same districts. The letter also established the communal relationship the four cities share, and the overall goal of trying to maintain their traditions.

During the City Council meeting, the Council approved the Mayor to sign the joint letter if the four Peninsula cities allow minor edits indicating that the the goal is for all four Peninsula cities to stay fully together in the same districts. The edits were completed, accepted by all four Peninsula Cities, and Mayor Dieringer signed the letter.

DISCUSSION:

Staff recommends that the City Council receive and file the final joint Peninsula letter.

FISCAL IMPACT:

The preparation and coordination of the joint letter is included in the operational cost for Fiscal Year 2021-2022.

SUBJECT: Palos Verdes Peninsula Community

Dear Commissioners:

The Cities of Rancho Palos Verdes, Palos Verdes Estates, Rolling Hills, and Rolling Hills Estates are located on the Palos Verdes Peninsula in Los Angeles County. The Peninsula is currently represented by the 33rd U.S. Congressional District, the 26th State Senate District, and the 66th State Assembly District. However, the goals we have for redistricting are stated below.

The Peninsula cities share one school district, one library district, one local transit authority, one land conservancy, and frequently work together on areas of mutual interest such as emergency preparedness and public safety. The cities of Rancho Palos Verdes, Rolling Hills, and Rolling Hills Estates additionally share a regional contract with the Los Angeles County Sheriff's Department for law enforcement, and the four cities contract with the Los Angeles County Fire Department.

The Peninsula cities are intimately tied to the coastal cities and communities of the South Bay region, including, but not limited to, Torrance, Redondo Beach, Hermosa Beach, Manhattan Beach, and El Segundo, many of which are within the jurisdiction of the California Coastal Commission. We share with our northerly South Bay neighbors a dependence upon a common transportation network for access to the rest of the Los Angeles region, and share many economic and cultural factors.

We are primarily residential communities and share a common affinity and appreciation of the unique physical and cultural environment afforded by our location along the coast. Many of the prominent regional community organizations serve the area extending northward from the Peninsula toward Los Angeles International Airport (LAX). The Peninsula cities are an integral part of the South Bay, as evidenced by our active participation in the South Bay Cities Council of Governments (SBCCOG).

Following the 2010 Census, the cities were realigned with the northern coastal cities and communities of the South Bay – located generally west of the I-110 and I-405 freeways and south of LAX. We have appreciated the common representation these districts have provided and would request that the Peninsula cities continue to be districted together and with the South Bay.

Thank you for your efforts to draw the new district lines for California. We look forward to continuing being represented alongside other South Bay cities in the new districts.

The Honorable Anthony Portantino
Chair, Senate Appropriations Committee
State Capitol, Room 2206
Sacramento, CA 95814

RE: Notice of Opposition to AB 215

Dear Senator Portantino:

The Cities of Palos Verdes Estates, Rancho Palos Verdes, Rolling Hills and Rolling Hills Estates (Peninsula Cities) strongly object to AB 215 (Chiu), which would require a jurisdiction that has not made sufficient progress toward meeting its Regional Housing Needs Allocation (RHNA) to be subject to a mid-cycle consultation with the Department of Housing and Community Development (HCD).

The state already has sufficient police power over housing elements under existing laws. HCD can review any action by a jurisdiction that is inconsistent with the jurisdiction's adopted housing element, including a failure to implement its housing element programs; revoke the department's prior findings that a jurisdiction's housing element is compliant; and refer a non-compliant jurisdiction to the Attorney General for potential prosecution. Rather than create a new mid-cycle housing element review process, the state should remain focused on using the tools in existing law to promote housing element adoption and implementation.

This bill undermines local authority by unnecessarily adding additional assessments of jurisdictions' compliance with RHNA allocations. For these reasons the Peninsula Cities strongly oppose AB 215.

Sincerely,

Eric Alegria
