2. PUBLIC COMMENT

3. ADJOURNMENT

Notice:

Pursuant to the Brown Act, no action will take place on any items not on the agenda. This is the appropriate time for members of the public to make comments regarding items listed on this agenda.

Documents pertaining to an agenda item received after the posting of the agenda are available for review in the City Clerk's office or at the meeting at which the item will be considered.

In compliance with the Americans with Disabilities Act (ADA), if you need special assistance to participate in this meeting due to your disability, please contact the City Clerk at (310) 377-1521 at least 48 hours prior to the meeting to enable the City to make reasonable arrangements to ensure accessibility and accommodation for

your review of this agenda and attendance at this meeting.

City of Rolling Hills

INCORPORATED JANUARY 24, 1957

Agenda Item No.: 1.A
Mtg. Date: 03/09/2023

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: ROBERT SAMARIO, FINANCE DIRECTOR

THRU: ELAINE JENG P.E., CITY MANAGER

SUBJECT: REVIEW OF CITY FINANCIAL POLICIES

DATE: March 09, 2023

BACKGROUND:

The City of Rolling Hills adopted financial policies a number of years ago, which include policies over financial reporting, internal controls, operational management, capital management, reserves, budget, and debt management. These policies are reviewed by staff each year for any recommended changes that may be needed. For example, in May 2022, Council adopted Resolution No. 1298 to modify one element of the policy related to reserves. With adoption of Resolution No. 1298, the reserve requirement in its Self-Insurance Fund was reduced from \$500,000 to \$250,000 to align with actual reserve balances.

DISCUSSION:

City staff have reviewed the City's financial policies and are recommending no changes.

FISCAL IMPACT:

None.

RECOMMENDATION:

Review current financial policies and approve staff's recommendation.

ATTACHMENTS:

[ResolutionNo1311_ReservePolicies_Amendment_E.pdf](#)

RESOLUTION NO. 1311

**A RESOLUTION OF THE CITY COUNCIL OF THE
CITY OF ROLLING HILLS, CALIFORNIA
AUTHORIZING AMENDING THE GENERAL FUND
RESERVES POLICY**

THE CITY COUNCIL OF THE CITY OF ROLLING HILLS, CALIFORNIA,
DOES HEREBY RESOLVE, DECLARE, DETERMINE, AND ORDER AS
FOLLOWS:

Section 1. Recitals.

A. Over the last few months the City Council and Finance Committee have discussed existing reserves policies and evaluated the adequacy of these policies.

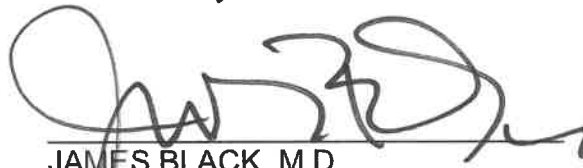

B. After careful review of the existing reserves policy and weighing it against the possible threats to City including earthquakes, flooding and particularly wildfires increasing the City Council approved the Finance Committee's recommendation to increase the reserve requirements from 40% to 100% of the prior year audited revenues.

C. This increase in the reserve policy will allow the City to better respond to natural disasters, economic downturns or other unexpected events or circumstances that may cause a reduction or disruption to revenues or require incurrence of extraordinary costs.

Section 2. The attached Reserve Policies (attached hereto as Exhibit "A") are hereby adopted.

Section 3. This Resolution shall take effect immediately upon its adoption by the City Council, and the City Clerk shall certify to the passage and adoption of this Resolution and enter it into the book or original resolutions.

PASSED, APPROVED, AND ADOPTED this 10th day of October, 2022

JAMES BLACK, M.D.
MAYOR

ATTEST:

CHRISTIAN HORVATH
CITY CLERK

STATE OF CALIFORNIA)
COUNTY OF LOS ANGELES) SS
CITY OF ROLLING HILLS)

The foregoing Resolution No. 1311 entitled:

**A RESOLUTION OF THE CITY COUNCIL OF THE
CITY OF ROLLING HILLS, CALIFORNIA
AUTHORIZING AMENDING THE GENERAL FUND
RESERVES POLICY**

was approved and adopted at a regular meeting of the City Council on the 10th
day of October, 2022, by the following roll call vote:

AYES: Dieringer, Pieper, Mirsch, Wilson, Mayor Black

NOES:

ABSENT:

ABSTAIN:

CHRISTIAN HORVATH
CITY CLERK

Exhibit "A"

CITY OF ROLLING HILLS	ADMINISTRATIVE POLICY/PROCEDURES
FINANCIAL, BUDGET AND DEBT POLICIES	
<i>Original Version Effective: 09/24/2007</i>	See end of document for complete policy history
<i>Current Version Effective: 10/10/2022</i>	

Policy Framework:

The purpose of the Financial, Budget and Debt Policies is to guide the City Council and other City officials in developing sustainable, balanced budgets and managing the City’s finances in a prudent manner consistent with best practices. The City’s commitment to adopting and operating within a balanced budget is a core financial value and policy of the City.

The City of Rolling Hills Financial Policies represents the City’s framework for planning and management of the City’s fiscal resources. Adherence to the Financial Policies promote sound financial management which can lead to unqualified annual audits, provide assurance to the taxpayers that tax dollars are being collected and spent per City Council direction and provide a minimum of unexpected impacts upon taxpayers and users of public services.

The City Council Finance / Budget Committee shall serve as the City’s audit committee for the purpose of recommending the selection of an auditor to the City Council, meeting with the City Auditor, reviewing the annual audit and necessary financial statements, responding to conflicts between management and the auditor and responding to fraudulent activities. The City Council will conduct a competitive process for the selection of the independent external auditor every 6 years to be in conformance with California Government Code Section 12410.6(b). Any non- audit work performed by the independent external auditor, if allowed, will be done under a separate contract approved by the City Council.

The City Manager shall be responsible for developing and, as appropriate, implementing and managing these policies as well as subsidiary policies that execute the City’s Financial Policies.

The City’s Financial Policies shall be in conformance with all state and federal laws, generally accepted accounting principles (GAAP) and standards of the Governmental Accounting Standards Board (GASB) and the Government Finance Officers Association (GFOA).

1. Financial Reporting Entity:

The City of Rolling Hills was incorporated in 1957 under the general laws of the State of California. The City operates under the Council-Manager form of government. The City Council consists of five members elected at large for overlapping four-year terms. The Mayor and Mayor Pro-Tem are selected from the City Council members and serve a one-year term. The City Council appoints a City Manager, City Attorney and City Treasurer. In addition, the City Council appoints the members of advisory Commissions and Committees.

The City, directly or by contract, provides municipal services as authorized by statute. Services provided include:

- Public safety through the Los Angeles County Sheriff and Fire Department
- Refuse collection by contract with a private hauler
- Water through California Water Service Company
- Sewer through Los Angeles County Sanitation Districts
- Recreation
- Public improvements
- Planning and zoning
- General administrative and support services

2. Financial Reporting Policies:

The City's accounting and financial reporting systems will be maintained in conformance with all state and federal laws, generally accepted accounting principles (GAAP) and standards of the Governmental Accounting Standards Board (GASB) and the Government Finance Officers Association (GFOA). Further, the City will make every attempt to implement all changes to governmental accounting practices at the earliest practical time.

- The financial report should be in conformity with GAAP, demonstrate compliance with finance related legal and contractual provisions, disclose thoroughly with detail sufficient to minimize ambiguity and potential for misleading interferences.
- An annual audit will be performed by an independent public accounting firm with an audit opinion to be included with the City's published Comprehensive Annual Financial Report.
- The City's budget should satisfy criteria as a financial and programmatic policy document, as a comprehensive financial plan, as an operations guide for all organizational units and as a communications device for all significant budgetary issues, trends, and resource choices.
- The City shall evaluate the fiscal impact of proposed changes in employee benefits to be provided. Prior to assuming liability for expanded benefits,

a viable funding plan with estimates of long term impacts shall be incorporated into the analysis.

- The City shall endeavor to avoid committing to new spending for operating or capital improvement purposes until an analysis of all current and future cost implications is completed.
- The City shall endeavor to maintain cash reserves sufficient to fully fund the next present value of accruing liabilities, obligations to employees for vested payroll and benefits and similar obligations as they are incurred.
- The City shall prepare and present to the City Council monthly interim revenue and expenditure reports and a Mid-Year Review to allow evaluation of potential discrepancies from budget assumptions.

3. Internal Control Accounting Policies:

To provide a reasonable basis for making management's required representations concerning the finances of the City.

- Accounting Records – Maintain accounting records in accordance with Generally Accepted Accounting Principles (GAAP).
- Monthly Posting – Post a monthly record, which maintains each month's activities separate and distinct from another month's work. This provides visibility in locating errors and fixing corrections. Accounting ledgers will be reviewed and reconciled on a monthly basis to supporting documentation – Cash Receipts, Accounts Payable, Payroll and Monthly Journal Entries.
- Sequential Number – Sequentially numbered instruments will be used for checks and cash receipts. Pre-numbered receipts are controlled and accounted for by an individual with no accounting handling responsibilities. The City's pre-numbered checks and pre-numbered cash receipts should be safeguarded in the Vault. All copies of voided receipt forms are retained, accounted for, and documented.
- Audit Trail – The City's accounting records and systems shall provide an audit trail (e.g. paper document) that allows for the tracing of each transaction from its original document to completion.

4. Operating Management Policies:

The budget process is intended to weigh all competing requests for City resources within expected fiscal constraints. Requests for new, on-going programs made outside the budget process will be discouraged.

- Budget development will consider multi-year implications of current decisions and allocations and use conservative revenue forecasts.
- Revenues will not be dedicated for specific purposes, unless required by law or Generally Accepted Accounting Practices (GAAP). All non-restricted revenues will be deposited in the General Fund (or other designated fund as approved by the City Manager) and appropriated by the City Council.
- Current revenues will fund current expenditures. City revenues will be managed to protect programs from short-term fluctuations that impact expenditures.
- The City will endeavor to identify entrepreneurial solutions to cover or recover costs of operating program.
- The City shall strive to avoid returning to the City Council for new or expanded appropriations during the fiscal year. Exceptions may include emergencies, unforeseen impacts, mid-year adjustments or new opportunities.
- Additional personnel will be requested after service needs have been thoroughly examined and is substantiated for new program initiatives or policy directives.
- All non-Enterprise user fees and charges will be evaluated at least every three years to determine the direct and indirect cost recovery rate. The analysis will be presented to the City Council.
- The City shall endeavor to maintain adequate cash reserves to fund 100% replacement of capital equipment. Replacement costs will be based upon equipment lifecycle financial analysis developed by the Finance Director and approved by the City Manager.
- Balanced revenue and expenditure forecasts will be prepared to examine the City's ability to absorb operating costs due to changes in the economy, service demands, and capital improvements. The forecast will be updated annually and include a four-year outlook.
- Cash and investment programs will be maintained in accordance with the Government Code and the adopted investment policy will ensure that proper controls and safeguards are maintained. City funds will be managed in a prudent and diligent manner with an emphasis on safety of principal, liquidity, and financial return on principal, in that order. Pursuant to State law, the City, at least annually, revises and the City Council affirms a detailed investment policy.

5. **Capital Management Policies:**

- Capital improvement projects are defined as infrastructure or equipment purchases or construction which results in a capitalized asset and having a useful (depreciable) life of at least one year with a cost of \$5,000 or more per the City's resolution Number 953.
- The Finance Department shall utilize the straight-line method of calculating depreciation over the estimated useful life for all classes of assets.
- The capital improvement plan will attempt to include, in addition to current operating maintenance expenditures, adequate funding to support, repair and replace deteriorating infrastructure and avoid a significant unfunded liability.
- Capital improvement lifecycle costs will be coordinated with the development of the City's operating budget. Future operating, maintenance, and replacement costs associated with new capital improvements will be forecast, matched to available revenue sources and be included in the operating budget. Capital project contract awards or purchases will include a fiscal impact statement disclosing the expected operating impact of the project or acquisition and when such cost is expected to occur.

6. **Reserve Policies:**

Given the City's vulnerability to natural disasters, such as flooding, mudslides, earthquakes, and wildfires, the City has established a requirement pursuant to this policy document of maintaining a General Fund operating reserve in the form of cash and investments of at least 100% of prior year audited annual General Fund revenues. These funds will be available to not only address the immediate and short-term financial impacts of a natural disaster, but also to cover other unforeseen events and circumstances that have a material financial impact to the General Fund.

In addition, these reserve policies establish the following requirements and/or guidelines:

- One-time revenue windfalls should be designated as a reserve or used for onetime expenditures. The funds should not be used for on-going operations. For purposes of this policy, one-time revenue windfalls shall include:
 - CalPERS rebates
 - Tax revenue growth in excess of 10% in a single year
 - Unexpected revenues (e.g., litigation settlement)
 - Any other revenues the City Council may elect to designate as extraordinary
- All unexpended General Funds from the prior fiscal year will be deposited in the General Fund Reserve Fund (Rainy Day Fund.)

- The City will strive to maintain the Municipal Self-Insurance Fund with a July 1 balance of \$250,000.
- The City will strive to transfer \$250,000 annually into the Utilities Fund for the purpose of building up the necessary balance for underground projects.
- Enterprise Fund (e.g., for refuse collection) user fees and charges will be examined annually to ensure that they recover all direct and indirect costs of the service, provide for capital improvements and maintenance and maintain adequate reserves. Moreover, maintenance of cash reserves will provide a de facto rate stabilization plan. Rate increases shall be approved by the City Council following formal noticing and public hearing. Rate adjustments for enterprise operations will be based on five-year financial plans unless a conscious decision is made to the contrary. The current cash reserves shall be adjusted annually and will be equal to the proposed annual General Fund subsidy to the Refuse Fund and will be budgeted as a Transfer into the Refuse Fund.
- The City has established a Pension Rate Stabilization Program Section 115 Trust. The Trust was created to fund the City's unfunded PERS Pension Liability. As funds are available they would be deposited into the Trust in order to maintain adequate reserves.

7. **Budget Policies:**

The function of the City of Rolling Hills is primarily administrative.

A. Categories of Funds

- The City's annual budget contains fifteen different funds managed in conformance with the City's Fund Balance Policy:
 - General Fund
 - Community Facility Fund
 - Self-Insurance Fund
 - Refuse Fund Traffic Fund Transit Fund - Proposition A
 - Transit Fund - Proposition C
 - Transit Fund – Measure R
 - Transit Fund – Measure M
 - LA County Measure W
 - Capital Projects Fund
 - Citizens Options for Public Safety Fund (COPS) Fund
 - California Law Enforcement Equipment Program (CLEEP) Fund.
 - Utility Fund
 - OPEB (Post-Employment Benefits Other Than Pensions) Fund
- Each fund is considered to be a separate accounting entity for budgeting and financial reporting purposes.

- The operations of each fund are accounted for by providing a separate set of self-balancing accounts which are comprised of each fund's assets, liabilities, equity, revenues and expenditures, as appropriate.
- The City resources are allocated to and for individual funds based upon the purpose of the spending activities.
- All funds and reserves will be evaluated annually for long-term adequacy and use requirements in conjunction with development of the City's long-term budget assumptions.
- For approved capital projects unexpended budget appropriations would be reviewed annually by the Finance/Budget/Audit Committee for recommendation for carryover to the following fiscal year.

B. Operating Budget Guidelines

- The Budget is detailed - Expenditures are authorized line by line, item by item. Line items are used to limit precisely the amount and narrowly define what can be spent.
- The Budget is annual - The annual budget period is from July 1 to June 30. The time span of the authority to spend is restricted to one year. Each year the regular cycle of budgeting is repeated.
- The budget is comprehensive – The budget is prepared for all funds expended by the City.
- The City adopts a budget by June 30 of each year.
- Comparative Data - Comparative data from the prior year is presented in the annual budget in order to provide an understanding of changes in the City's financial position and operation.
- Public Hearing - The City Council reviews a tentative budget and adopts the final budget. A public hearing is conducted to receive comments prior to adoption.

C. Financial Review

Throughout the fiscal year, monthly financial reports comparing actual amounts with budgeted amounts are prepared by the Finance Director and submitted to the City Manager and members of the City Council. As these reports are reviewed, attention is drawn to variances between budgeted amounts and actual amounts.

D. Budgeted Revenues & Expenditures

The City reviews fees and charges to keep pace with the cost of providing the service.

8. Debt Management Policies:

The City will seek to avoid incurring debt. While the City is disposed to funding capital improvements and expenditures on a cash basis, the City will consider, and when necessary, enter into debt financing for citywide public improvement projects such as sewers and utility undergrounding.

- Lease Equipment - Office Equipment has been leased on a monthly basis with the expense incurred at the time of payment.

Agenda Item No.: 1.B
Mtg. Date: 03/09/2023

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: JOHN SIGNO, DIRECTOR OF PLANNING & COMMUNITY SERVICES

THRU: ELAINE JENG P.E., CITY MANAGER

SUBJECT: PROPOSED CHANGES TO CITY OF ROLLING HILLS FEE SCHEDULE

DATE: March 09, 2023

BACKGROUND:
Advertising Fee:

During the 2022-2023 Fiscal Year (FY) budget process, the cost of advertising public hearing notices was discussed and staff was directed to recoup advertising costs from applicants of development projects. In previous years, public notices published in the newspaper would be paid by the City out of the General Fund. Starting July 1, 2022, staff began collecting a deposit of \$750 for new development applications. However, tracking a deposit is difficult and time-consuming because of overhead charges and staff time. Deposits are reimbursed to the applicant for unused amounts or if the deposit does not cover costs then staff must request more funds from the applicant.

It should be noted that for FY 2022-2023, Council approved a budget of \$15,000 in revenues to cover advertising costs from private development projects.

False Alarm Fee:

Section 3 (G) of the City adopted fee schedule (Resolution No. 1297) establishes fees for responses to residents' false alarms, which are handled by Los Angeles County Sheriffs pursuant to a contract between the City and the County for public safety services. The fee schedule grants two (2) warnings, a \$50 fee for the 3rd instance, and increasing to \$200 for the 6th instance within a year. If not paid after 30 days, the fees range from \$100 for the 3rd instance to \$1,000 for the 6th.

Over the last few years, residents have received false alarm notices requiring them to pay the appropriate fees. During that time, no fees have been collected by the City. Essentially, residents have collectively ignored the notices.

**DISCUSSION:
Advertising Fee**

It is not unusual for applicants to pay for advertising costs as part of a development application. In reviewing advertising costs from 2022, the average cost came out to \$747.82 based on 12 development applications. This includes costs to publish in the Daily Breeze, postage costs for 100 letters, and an 18% overhead to cover administrative time and materials.

Project	Daily Breeze	18% Overhead	Postage*	18% Overhead	TOTAL
4 Storm Hill Ln	\$ 559.64	\$ 100.74	\$ 57.00	\$ 10.26	\$ 727.64
2 El Concho CTV	\$ 481.40	\$ 86.65	\$ 57.00	\$ 10.26	\$ 635.31
23 Crest Rd E	\$ 572.34	\$ 103.02	\$ 57.00	\$ 10.26	\$ 742.62
29 Crest Rd W	\$ 553.89	\$ 99.70	\$ 57.00	\$ 10.26	\$ 720.85
8 Middleridge Ln S	\$ 626.20	\$ 112.72	\$ 57.00	\$ 10.26	\$ 806.18
8 Quail Ridge N	\$ 578.16	\$ 104.07	\$ 57.00	\$ 10.26	\$ 749.49
2 El Concho CTV	\$ 539.72	\$ 97.15	\$ 57.00	\$ 10.26	\$ 704.13
2 Flying Mane Rd	\$ 590.17	\$ 106.23	\$ 57.00	\$ 10.26	\$ 763.66
11 Flying Mane Rd	\$ 719.90	\$ 129.58	\$ 57.00	\$ 10.26	\$ 916.74
12 UBWC	\$ 522.72	\$ 94.09	\$ 57.00	\$ 10.26	\$ 684.07
21 Chuckwagon Rd	\$ 544.32	\$ 97.98	\$ 57.00	\$ 10.26	\$ 709.56
12 UBWC	\$ 632.48	\$ 113.85	\$ 57.00	\$ 10.26	\$ 813.59
TOTAL	\$ 6,920.94	\$ 1,245.77	\$ 684.00	\$ 123.12	\$ 8,973.83
AVERAGE	\$ 576.75	\$ 103.81	\$ 57.00	\$ 10.26	\$ 747.82
			*Postage is 57 cents times 100 stamps		
			**Depending on where a property is located, mailing can be sent to 30-120 properties		

The table above does not include the City's cost in advertising for code amendments and General Plan amendments, which are covered by the City's General Fund.

As of January 24, 2023, the US Postal Service raised the cost of postage from \$0.57 to \$0.63 which is a 10.5% increase. This increase, along with inflation, will lead to advertising costs becoming more expensive.

Staff recommends that the Committee formalize the advertising fee in the City's fee schedule and charge \$750 from applicants to recover the advertising cost. The advertising fee should go into effect as soon as the City Council approves the updated fee resolution.

False Alarm Fees

The City has two immediate options. The first is to simply eliminate the fee from the fee schedule. Currently there are approximately thirty (30) outstanding unpaid fees ranging from \$50 to \$100, which are all more than thirty days old. Ignoring the late penalties, the outstanding fees total approximately \$2,500. Given the small amount of the fee and the administrative costs incurred to send out notices and to track the notices sent and fees outstanding, the efficacy of the fee is clearly lacking.

The second option is for the City to become more aggressive about collecting the fees. One of the most expedient and reliable ways is to work with the County to Los Angeles to add uncollectible fees to the County's property tax bill. This approach will almost certainly result in the collection of virtually all outstanding fees. However, the administrative costs to make this happen will go up substantially since the process to have the County add these fees to tax bills is fairly cumbersome and the County charges for this service. Staff believes this option would be worth pursuing only if the fees were increased to not only cover the cost of City staff time, but also the amount actually paid to the County Sheriff for responding to the false alarms. Staff has not analyzed what all of these costs would come to and, thus, what an appropriate fee would amount to; but if the Committee and/or Council wished to further evaluate such an approach, staff could certainly work on gathering this data.

Staff recommends that the Committee eliminate the false alarm fee.

FISCAL IMPACT:

Recovering the advertising fee of \$750 from development applicants will save the City an estimated \$15,000 per year.

Eliminating the nominal false alarm fee would not result in any revenue loss but would eliminate the cost of staff time currently spent issuing and monitoring the notices.

RECOMMENDATION:

Staff recommends the Committee: (1) Direct staff to include an advertising fee of \$750 in the next Fee Schedule to recoup costs for publishing in the Daily Breeze newspaper and mailing notices to residents; and (2) direct staff to eliminate the false alarm fee from the Fee Schedule.

CHRISTIAN HORVATH
CITY CLERK

Resolution No. ____

City of Rolling Hills

INCORPORATED JANUARY 24, 1957

Agenda Item No.: 1.C
Mtg. Date: 03/09/2023

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: ROBERT SAMARIO, FINANCE DIRECTOR

THRU: ELAINE JENG P.E., CITY MANAGER

SUBJECT: FISCAL YEAR 2023/24 GENERAL FUND BUDGET BALANCING

DATE: March 09, 2023

BACKGROUND:

The fiscal year 2022/23 General Fund budget is balanced with over \$400,000 of either one-time revenues or reserves. The one-time revenues consists of \$220,682 in federal relief funds received under the American Rescue Plan Act, funding provided to all state and local governments in response to the national fiscal impacts of the pandemic. Based on very preliminary revenue projections, the deficit for next year has decreased slightly to approximately \$350,000.

On January 23, 2023, the City Council directed staff to work with the Finance/Budget/Audit Committee to develop a recommended balancing strategy for Council's consideration. Two meetings were scheduled with the Finance Committee.

The first meeting was held February 13, 2023, during which the Committee reviewed staff recommended budget reductions and broad categories of expenditures that would need to be considered for reduction in order to balance the budget.

DISCUSSION:

At the first meeting on February 13, 2023, the Committee requested a detailed listing of each General Fund expenditure account. In response, staff has created and attached report showing each line-item expenditure account by department for the General Fund. Note, the report excludes all salary and benefit accounts since any cuts to the staffing will require a separate analysis and discussion.

In addition, staff has included details for each account indicating the details of what types of costs are included in each account. In some cases, the description of the account, such as "Conference Expenses", is self explanatory. However, in other cases, the account description is not self explanatory, thus the details included in the report should be helpful in assessing where costs can be, or need to be, cut.

FISCAL IMPACT:

None - discussion only.

RECOMMENDATION:

Staff recommends that the Finance Committee develop a set of recommendations for addressing the estimated \$350,000 General Fund structural deficit.
