### **4. APPROVAL OF MINUTES**

A. MINUTES OF August 13, 2020

### **5. OLD BUSINESS**

A. PVPUSD SCHOOL RESOURCE OFFICER UPDATE (PVPUSD)

Assistant Superintendent of Administrative Services, Brenna Terrones shared an update on School Resource Officers (SROs) at PVPUSD schools. SROs have been assisting with planning for and implementing traffic management, ensuring members of the public are not accessing campus when students are present, and assisting with updating plans for their Emergency Operations Center and other disaster planning, as it relates to certain staff members not being on campus.

Assistant Superintendent Terrones shared that due to the limited number of students on campuses, the District's savings will cover the entirety of the cost of the MOU for SROs through at least January. Cities will not be receiving a bill for their portion of the SRO MOU. Assistant Superintendent Terrones also shared that they are prepared to implement a virtual session of Students and the Law at Rancho Del Mar next semester.

Chair Alegria thanked the staff for their comprehensive report and remarked on the positive role of SROs in reopening schools.

Member Wilson inquired how the public has access to school campuses, as it relates to trespassing reports. Assistant Superintendent Terrones indicated that campuses are closed from 7:30am-3:30pm, while students are on campus for instruction, however, to the extent that the location is an open campus, it is available to the public to use recreationally.

Member Wilson clarified the reference to Rancho Del Mar as it relates to the school, not the campus. Assistant Superintendent Terrones clarified that Rancho Del Mar is now located at 375 Via Almar. Member Wilson followed up asking if SROs visit the Via Almar campus and Assistant Superintendent Terrones confirmed that they do provide service at the location.

Member Dieringer requested clarification on previous information that cities were not being charged from March-June for their portion of the MOU. Assistant Superintendent Terrones confirmed that cities will not be billed for SROs from March 13 through at least December 31, 2020.

## B. FLOCK SAFETY CAMERA UPDATE (VERBAL)

Deputy City Manager Bañales provided an update on RPV's grant fund for Flock Cameras for up to 10 cameras. The City has hosted two Citywide workshops and several one-on-one sessions with HOAs. At this time, three cameras have yet to be allocated. An update to the RPV City Council will be made at the regular meeting on November 17, 2020.

Analyst Slawson shared that Rolling Hills Estates lists Flock Safety Cameras on their Neighborhood Grant Program list and one neighborhood has installed a camera.

Chair Alegria inquired on the participation in recent forums in RPV. Deputy City Manager Bañales shared that the first forum had about 15 participants, and the second forum had about 30 participants, in addition to a number of one-on-one sessions with HOAs. City Manager Mihranian shared that RPV set aside \$10,000 for the year and expects the funds will be exhausted within the next weeks and shared that members of the public have expressed interest in the Council continuing this program into future years.

## 6. NEW BUSINESS

### A. PENINSULA PUBLIC SAFETY COLLABORATION (WRITTEN)

Deputy City Manager Bañales shared that at the August 13, 2020 meeting, Committee members considered adding Palos Verdes Estates to the RLEC. Three options were presented to the Committee: 1) establish a Peninsula Public Safety Committee to take a holistic approach to public safety and emergency preparedness, including Palos Verdes Estates, 2) allowing PVE to attend but not vote in the Regional Law rotation and would only share information in the Public Safety Committee on peninsula-wide efforts, and 3) PVE have no role in the Committee.

Member Mitchell requested an explanation as to how the options presented differ to the current dual-Committee model. Deputy City Manager Bañales clarified that the information-only option would allow the Committee to be more inclusive of PVE and would allow for the incorporation of PVE crime statistics into wider-peninsula monitoring. It would allow for the cities that contract with LA County to continue to meet to discuss the contract.

Chair Alegria followed up requesting clarification that anything not directly related to the Sherriff contract would migrate to the Public Safety Committee. Deputy City Manager Bañales confirmed that to be the case and provided the example that items such as the SRO and Flock Grant update items would migrate to the Public Safety Committee.

Member Dieringer specified that content at the Regional Law meeting relating to crime reports would be moved to the Public Safety Committee. Deputy City Manager Bañales

clarified that if the item related specifically to the Sheriff contract, it would be a part of the Regional Law meeting. If the item were an overview of crime trends and crime reduction efforts, that would move to the Public Safety Committee.

Chair Alegria clarified that sensitive contract-related items such as negotiations would be limited to the three cities and would continue to fall in the Regional Law Committee. City Manager Mihranian confirmed and reiterated that under the second option, the status quo would remain but whenever there would be issues that might involve PVE, they would be invited to the meeting for informational purposes only.

Member Wilson requested clarification of what committee equipment discussions would fall under, as was discussed at a prior meeting. Chair Alegria indicated that equipment negotiations would remain in the Regional Law Committee. PVE might attend in an informational capacity but would not have a vote.

Chair Alegria indicated his support for option one, so long as PVE is interested and reiterated the integrity of contract oversight that the Regional Law Committee serves and to keep those items clear and separate.

Member Mitchell clarified that under option two, PVE would not participate in the rotation cycle to chair Regional Law Enforcement Committee. Chair Alegria requested clarification of the rotation for the Public Safety Committee. Deputy City Manager Bañales shared that PVE would be invited to participate in the Regional Law Enforcement Committee where applicable but would not be part of the chair rotation. They would be asked to speak only when specifically agenda items are included.

Member Mitchell indicated her support for preserving the Regional Law Enforcement Committee because the three cities differ significantly from PVE due to their contract status. She indicated that she is not opposed to the first option to create a combined committee to discuss broader issues of public safety, but that the contract cities would retain control of the Regional Law agenda. Chair Alegria indicated his support.

City Manager Mihranian shared that in options one and two, Regional Law would be retained. Option one would expand the charter for that committee to change the name to the Public Safety Committee, to discuss anything related to peninsula-wide public safety. Anything related to the contract would fall under Regional Law. Under the second option, PVE would be invited to attend only when it was germane to a topic on the agenda.

Member Dieringer agreed with Chair Alegria and Member Mitchell and shared that she is considering a hybrid between options one and two where peninsula-wide issues would be addressed in the newly formed Public Safety Committee and the Peninsula Regional Law meeting would take place as it did before immediately following the Public Safety Committee meeting with only the contract cities having a vote. PVE would be welcome to come to listen to the meeting, as would any member of the public.

City Manager Grammer added that the parameters and the process that Members Dieringer and Mitchell outlined was staff's intent was with option one.

Member Schmitz shared that the Committee is already utilizing this option. When items pertain to other cities, they are invited to attend the meeting, so this item introduces an unnecessary level of complexity.

Chair Alegria acknowledged Member Schmitz's point and shared that by limiting the Regional Law Committee to only items pertaining to the contract and by including PVE in a public safety committee, that there may be opportunities to identify new areas of public safety.

Chair Alegria proposed to approach PVE with option one to determine their interest and for staff to report back on the scope of the committees. Members Mitchell and Wilson agreed. Member Dieringer agreed and shared that reports received by McCormick and the Sheriff's department need to remain in Regional Law.

#### B. SHERIFF'S DEPARTMENT COMMUNITY OUTREACH (VERBAL)

Deputy City Manager Bañales shared that Rolling Hills Estates hosted Coffee with a Cop as part of community outreach. RPV will be planning with Captain Powers upcoming community outreach programming.

Captain Powers shared that community policing is one of his priorities and has emphasized to his deputies that as time permits, they should introduce themselves to community members in order to begin forming relationships.

Member Schmitz acknowledged the Lomita Sheriff's station and Captain Powers's support of the community and that residents have expressed appreciation for the station's work.

Member Dieringer shared that she would like to see town hall meetings on crime prevention suggestions for peninsula-wide preparedness. Captain Powers agreed and shared that there are simple steps to take to avoid crime. Member Dieringer requested that something be scheduled and Captain Powers agreed.

Chair Alegria shared that, as civic leaders, in the current climate, it is important to exhibit an embrace of public safety officers, to demonstrate collaboration, and to take actions that humanize deputies. Chair Alegria expressed appreciation for all of the efforts being taken.

### C. QUARTERLY LAW ENFORCEMENT/TRAFFIC REPORT (SHERIFF)

Chair Alegria requested highlights and shared that there has been good progress as it relates to low crime statistics.

Captain Powers shared that during his department's monthly Crime Management Forum, he has noticed a slight uptick in certain Part 1 Crimes, including aggravated assaults, larceny thefts, grand theft autos, and thefts of catalytic converters. On Part 2 crimes, Captain Powers noted an increase in vandalism. Captain Powers also shared information relating to arrests. Captain Powers shared an update on ALPR systems and made information sharing recommendations.

Member Dieringer requested clarification on traffic hazard sites and requested additional support for speeding on Crest Road. Captain Powers shared that certain traffic hazard site changes are the result of Coronavirus and/or construction and shared that locations of focused efforts can be addressed.

### D. MCCORMICK / FIRE PARAMEDIC RESPONSE REPORT (WRITTEN)

McCormick Ambulance Communications Manager Daniel Perez shared that average response times have either slightly improved or experienced minor delays due to construction in the three cities. He shared they are preparing for longer response times due to increased flu season limiting available beds in Emergency Rooms.

Member Dieringer shared that she would support anything done to improve compliance rates.

Chair Alegria thanked Communications Manager Perez for his report.

## **7. OTHER MATTERS FROM REGIONAL LAW ENFORCEMENT COMMITTEE MEMBERS**

Chair Alegria recognized Member Mitchell's achievements ahead of her retirement. Member Schmitz, Member Wilson, and Member Dieringer also recognized Member Mitchell. Member Mitchell thanked the Committee members.

Chair Alegria recognized Members Schmitz and Dieringer on their recent elections.

## **8. ADJOURNMENT**

There being no further business before the Palos Verdes Peninsula Regional Law Enforcement Committee, Chair Alegria adjourned the meeting at 10:08 a.m. The next meeting is scheduled to be held on Thursday, February 11, 2020, following the Palos Verdes Peninsula Regional Emergency Preparedness Committee Meeting at 7:30 a.m.

Respectfully submitted,

## **MEMORANDUM**

**TO: REGIONAL LAW ENFORCEMENT COMMITTEE**  
**FROM: CITY MANAGERS**  
**DATE: FEBRUARY 11, 2021**  
**SUBJECT: PENINSULA PUBLIC SAFETY COLLABORATION**  
**PREPARED BY: McKenzie Bright, Rancho Palos Verdes Administrative Analyst**

---

### **RECOMMENDATIONS**

- 1) Re-name the Peninsula Emergency Preparedness Committee to the Peninsula Public Safety Committee to encompass both emergency and public safety items and formally add the City of Palos Verdes Estates to the Committee; and
- 2) Re-name the Regional Law Enforcement Committee to the Regional Contract Law Committee to oversee the three-city LASD contract.

### **BACKGROUND**

At the August 13, 2020 Regional Law Enforcement Committee (RLEC) meeting, the Committee discussed considering whether to include Palos Verdes Estates (PVE) on the RLEC. The following three options were researched and provided for the Committee's consideration at the November 12, 2020 meeting:

#### Option One: Establish a Peninsula Public Safety Committee

This option, recommended by staff, would replace the recently established Peninsula Emergency Preparedness Committee (PEPC) with a "Peninsula Public Safety Committee." This new Committee would take a holistic approach, combining emergency preparedness initiatives and public safety trends and topics.

PVE would have the opportunity to participate and collaborate with Rancho Palos Verdes (RPV), Rolling Hills Estates (RHE), and Rolling Hills (RH) on public safety initiatives as well as emergency preparedness planning.

With this option, the RLEC would continue to meet independently to oversee the three-city Los Angeles County Sheriff's contract. Staff is recommending renaming the RLEC to the Regional Contract Law Committee (RCLC) to align with its new scope.

#### Option Two: Information-Only Option

The information-only approach would allow the four agencies to come together and share information on Peninsula-wide safety concerns and efforts through the elected officials. PVE would not participate in the rotation cycle, chairing RLEC meetings, or preparing the agendas. PVE would only participate based on the committee approved agendas and provide information, insight, or participate in committee approved public safety programming.

#### Option Three: No Involvement Option

The Committee may decide that PVE should not participate at this time.

### **DISCUSSION**

At the November 12, 2020 RLEC meeting, the Committee discussed the three options of including PVE in Regional Law. At the conclusion of the discussion, the Committee directed staff to reach out to PVE to determine their interest and to report back on the scope of Option One.

Staff communicated with PVE, and on December 22, 2020, the PVE City Council voted to officially participate in the Peninsula Public Safety Committee, should the RLEC take up this action.

Staff has prepared the scope of the Peninsula Public Safety Committee and Regional Contract Law Committee that would be established if Option One is taken up.

#### Scope of Peninsula Public Safety Committee:

The Peninsula Public Safety Committee (PPSC) would combine emergency preparedness initiatives and public safety trends and topics, incorporating the current PEPC with broad public safety discussions pertaining to the Peninsula. This includes, but is not limited to the following:

- Disaster Preparedness, Mitigation and Training (i.e. joint agreements, mutual aid, disaster worker training)
- Peninsula Utility Service Disaster Response (i.e. SCE, CalWater, Gas Company, Sanitation District preparedness support)
- Crime Trends on the Peninsula
- Crime Prevention Programs

- Collaborated Resources and Programs (i.e. SRO, ALPR, etc.)

All four cities would participate in the rotation cycle, chairing meetings, and preparing the agendas for the Peninsula Public Safety Committee. Currently, the rotation of the PEPC and RLEC aligns with one city per year, but with this new option, in 2022, there will be one city in rotation for PPSC and another for RLEC.

Scope of the Regional Contract Law Committee:

The Regional Contract Law Committee (RCLC) would continue to meet after the PPSC meeting for the sole purpose of overseeing the three-city Los Angeles County Sheriff's contract.

Only RPV, RH, and RHE would participate in the rotation cycle, chairing meetings, and preparing the agendas for the Regional Contract Law Committee.

**CONCLUSION**

It is recommended that the current Peninsula Emergency Preparedness Committee be renamed to the Peninsula Public Safety Committee to encompass both emergency preparedness and law enforcement related issues, and formally invite Palos Verdes Estates to join the committee, and evolve the Regional Law Enforcement Committee to solely review the three-city LASD contract, renaming it the Regional Contract Law Committee.
