June 27, 2022

Dear Citizens of the City of Salem Missouri:

As City Administrator I am pleased to present to you the Annual Budget for the July 2022 to June 2023 Fiscal Year.

Factors considered in the budget development process reflected discussions during various public meetings including the Capital Improvement Committee and the Finance Committee.

Key Points in the FY2023 Budget include:

- Revenues of \$14,606,126, Expenses of \$14,256,371, and Intergovernmental Transfers of \$2,152,542
- Continued investment in infrastructure including: design and construction of a new well, sidewalk and streetlight improvements along part of 4th Street, and planning for continued improvements of our sewer treatment plant.
- Budgeted revenue for the 1% sales tax for general fund, .5% sales tax for capital improvements, and 3/8% sales tax for parks and recreation are set at or near pre-covid levels.
- Expected remaining ARPA allocation of \$491,509
- Payments totaling approximately \$500,000 for Certificates of Participation (COP) funding for the sewer plant upgrade and other utility projects. The payments are allocated proportionately from the electric, water, and sewer utility funds.
- Payments totaling approximately \$108,000 for Certificates of Participation (COP) funding for the pool and pool house renovation project from the parks and recreation fund.
- The city has no long-term indebtedness and the budget includes funding for lease payments totaling approximately \$175,000 for backhoes, a loader, trucks for the electric department, and one skid steer.
- The city's budgeted electric power expense includes expected payments of \$234,871 resulting from the February 2021 Uri weather event.
- Due to the challenging inflationary times, the proposed budget includes no cost-of-living adjustments nor merit increase pool for regularly funded staff and a staffing level decrease of three FTE from the level in the 2021-2022 budget.
- Funding to continue service agreements with local organizations including: the Salem Area Chamber of Commerce, Project Graduation, University Missouri Extension, Dent County Museum, Healthy Dent County, and the Salem Area Community Betterment Association.

The efforts of our citizen committees, Mayor, Aldermen, and staff, especially our Finance Director Stacey Houston, during the budget process is much appreciated.

Sincerely,

Ray Walden
