### **Spring Community Cleanup**

May 6-10th and May 13-17th

Please have all items for pickup sitting  
curbside the **night before** your normally  
scheduled trash day. This is the time you  
may dispose of large items not normally  
picked up with your trash service.

E.P.A. law will **not allow** collection of the  
following material: Yard waste; Batteries  
Tires; Motor oil; Chemicals or Solvents;  
Paint; Appliances; or Non-compactable items  
such as concrete, tree stumps, steel,  
construction debris, etc.

For questions call 1-800-926-3953 or  
1-417-741-7714.

### **PRIMACY FEE ON YOUR UTILITY BILL**

Once every year a primacy fee is paid by  
customers of Missouri's public water supply  
systems as established by state law.

The Missouri Department of Natural  
Resources uses the majority of the primacy  
fee to fund testing for drinking water  
contaminants, inspections, compliance  
activities, complaint investigations and  
technical assistance. The Missouri Depart-  
ment of Health and Senior Services receives  
an appropriation from the primacy fee for the  
Missouri State Public Health Laboratories  
bacteriological testing of water systems.
