

Transfer Station Permits

Residential: Every vehicle using the facility must have a current residential permit issued at the Transfer Station prior to disposing of any materials. Only vehicles with a Sanford or Springvale registration may obtain a permit. All permits shall be good from July 1st of the current year through June 30th of the following year.

Commercial: Vehicles may only use the facility to dispose of MSW in City of Sanford/Springvale approved PAYT bags. A Waste Hauling business using the facility must have a current permit issued at the Transfer Station and a Waste Haulers License from the Sanford City Clerk's office. Businesses are permitted to dispose of a residential amount of MSW trash in PAYT bags with a corresponding amount of residential recycling at the attendant's discretion.

Multi-Unit Property: Property owners of 5+ units may use the facility to dispose of MSW in City of Sanford/Springvale approved PAYT bags and a residential amount of recycling generated from tenants at the property in which a permit was approved by the attendant and the Public Works Director.
(See Multi-Unit Permit Applications)

Cost of Permits:

Residential: \$7.00 per vehicle

Commercial: \$7.00 per vehicle

Multi-Unit Property: \$110.00 **per property**
