APPROPRIATIONS
Vice Chair
HEALTH, EDUCATION,
LABOR, AND PENSIONS
SELECT COMMITTEE
ON INTELLIGENCE

Dear Friends:

It is an honor to serve the people of Maine in the U.S. Senate, and I welcome this opportunity to share an update on issues important to Maine and America.

One of my priorities for 2023 has been to improve the appropriations process in Congress – the way it decides how to spend taxpayer money. I took over as the Vice Chair of the Senate Appropriations Committee last year. Along with Chair Patty Murray, we decided the best change we could make was not to do something new. Instead, it was to do something old – that is, go back to the regular and transparent committee process that we used to have.

Part of restoring this process included holding 50 public Committee hearings, which allowed for input from senators on both sides of the aisle. As a result, for the first time in five years, the Senate Appropriations Committee passed all twelve of its funding bills on time. This was done with strong bipartisan support. In fact, seven of them passed unanimously. Now, we need to work with the House of Representatives to pass these twelve bills and turn them into laws.

These bills contain funding for a wide range of Maine priorities, including support for the workforce at Bath Iron Works and Portsmouth Naval Shipyard, our lobster industry, infrastructure improvements, affordable housing, biomedical research, veterans, and heating assistance programs like LIHEAP. These bills also contain nearly \$590 million in Congressionally Directed Spending for 231 projects throughout the State of Maine. These projects would help promote job creation, expand access to health care, and improve public safety, infrastructure, and important resources in communities across all 16 counties of our state. I will continue to work to get these bills signed into law in the new year.

On October 25, the horrific mass shooting in Lewiston claimed the lives of 18 Mainers and injured 13 others. In response, I led Maine's Congressional Delegation in requesting an independent investigation by the U.S. Army Inspector General into the events leading up to the shooting. On December 15, the Under Secretary of the Army wrote to inform me that such an investigation will take place, and the Army Inspector General has instructed her team to immediately begin preparing to conduct this investigation. While nothing can undo the events of October 25, I will continue to work to understand what happened and what could have been done differently, and to find answers for the victims, survivors, and their families.

No one works harder than the people of Maine, and this year I honored that work ethic when I cast my 8,855th consecutive roll call vote.

As we look ahead to 2024, I remain committed to addressing the concerns of Maine families and communities. If you need assistance or wish to share your thoughts, please do not hesitate to reach out to one of my six state offices.

Sincerely,

Susan M. Collins

VETERANS' AFFAIRS

January 1, 2024

Dear Friends,

Thank you for allowing me to add my congratulations and gratitude for the positive differences each town and city in Maine makes for its people and ultimately for Maine as a whole. When I travel around the state and visit the various regions in Maine, I see firsthand the differences you all make, the focus you put on excellence, and the helping hands you extend to neighbors. I have learned valuable lessons watching your collaborations with each other. They got the State motto right – Dirigo – because you all certainly do lead the way and exemplify the best of Maine.

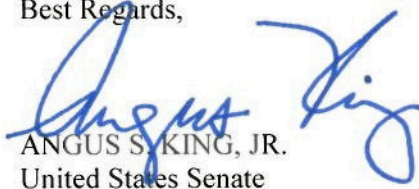

First, it was a true honor to be appointed to the Senate Veterans Affairs Committee this year to help address the challenges facing Maine veterans. We owe our way of life to these brave men and women and share a collective responsibility as a grateful nation to give back to our veterans. That means delivering veterans the benefits they have earned, addressing the veterans' suicide crisis, improving transition-to-civilian-status programs, and ensuring every veteran can access essential services, like affordable housing and behavioral healthcare.

Next, one of the most significant infrastructure projects in Maine history is underway: affordable and universal broadband availability throughout the state. Supported through funding in the bipartisan infrastructure bill, we are now within striking distance of broadband service even in our most rural communities. Additionally, infrastructure improvements in our roads and bridges, water and septic upgrades for our towns and support for our workforce and employers are also in the pipeline. Serious steps are being taken to address the toll from substance abuse and to provide our older neighbors with resources to help them continue to stand strong throughout their golden years. It is my goal here to make sure everyone has access to stable employment opportunities and quality healthcare which is of critical importance to keep our families healthy and happy.

I am thankful for each town in Maine for their commitment to their communities, to their citizens, and to this country. I will do my part to listen to your concerns and work to find useful solutions to the issues you face. My offices throughout Maine remain available to you if you face hurdles with the federal government, whether it be veteran issues, social security problems, student loans, immigration, tax assistance and more. I hope you will reach out of my offices in Presque Isle, Bangor, Augusta, Portland, or Biddeford and allow me the chance to be part of your solutions. Together, I know we can continue to build a stronger, brighter future for our great state.

Maine is known for our grit and resiliency and we are making great strides — something others across the country have noticed. Thank you for being one of the reasons Maine is so special; it is not only a pleasure to serve you — it is a pleasure to know you. Mary and I wish you a happy and safe 2024.

Best Regards,

Dear Friends,

I hope this letter finds you well and in good health. It is my honor to serve the people of Maine's First District, and I'm pleased to share some ways that I can support you and your community this year. I know that navigating many federal agencies and programs can be frustrating. One of my most important roles as a Member of Congress is to assist you if you're having trouble. My office can help to resolve challenges with a wide range of programs, including Social Security, veterans' benefits, passport renewals, and more. If you need help, please reach out to my Portland office at (207) 774-5019 or visit my website at pingree.house.gov/contact.

As you know, communities around Maine have experienced major damage as a result of winter storms and widespread flooding in recent months. These storms have underscored the importance of disaster preparation, particularly as we face the growing impact of climate change. I am working closely with Governor Mills and her administration to ensure that federal assistance is available for both short-term recovery needs and long-term resiliency planning. My staff and I are continually updating my website with new resources and stand ready to answer any questions you may have. My office can also provide more information about the annual Community Project Funding (CPF) process. Each year, Congress enacts appropriations bills that provide the federal government with the funding it needs to operate. CPFs are a critical tool to directly support local governments and nonprofit organizations through federal appropriations. If you know of a project that might be a good fit, I encourage you to keep in touch as more details about the Fiscal Year 2025 funding process become available, as eligibility requirements and limitations can differ from year to year.

It is always a privilege to hear from you, so don't hesitate to reach out to my office any time that I can be helpful. Please rest assured that I do not take the responsibility of representing you lightly, and as we move into this new year, I will continue fighting for Mainers on the issues that impact us most.

Thank you, and I hope to see you in Maine soon.

Sincerely,

Chellie Pingree

Senator, District 33

THE MAINE SENATE
131st Legislature

3 State House Station
Augusta, Maine 04333

Dear Friends and Neighbors:

I want to thank you for giving me the opportunity to serve as your State Senator. I am humbled by the trust you have placed in me to be a voice for you, your family, and our community in Augusta. I can assure you I will continue to work tirelessly on your behalf.

The First Regular and First Special Sessions of the 131st Maine State Legislature were notable as there were over 2,600 legislative bill requests and 2,019 of them were officially printed as Legislative Documents (LDs). No legislature this century has had as many LDs printed during its first year.

One area of success was in the Highway Fund. In the past, the Highway Fund has been supported through gasoline taxes, which have been declining for years due to more fuel-efficient and electric/hybrid vehicles, and bonding. However, we now have created a sustainable source of funding to maintain our transportation infrastructure. This is done by dedicating 40% of the 5.5% vehicle sales tax and 40% of the sales and use taxes collected by the Bureau of Motor Vehicles. It is predicted to raise more than \$200 million for infrastructure each biennium.

The Second Regular Session began in January 2024. I am eager to discuss the issues important to all of you. I have heard from many of you regarding the biggest concerns you are facing, including increasing energy costs, child care, education, housing, inflation, child welfare, mental health and substance abuse, workforce development, and crime, among others. As your State Senator, I will continue to do all I can to advocate for your priorities in Augusta.

Again, thank you for electing me to serve you in the State Senate. The 131st Legislature has a great deal more work to do. However, I believe that if we come together, there is nothing we can't accomplish. Please feel free to contact me by calling (207) 287-1505 or emailing me at Matthew.Harrington@legislature.maine.gov if you have comments, questions or if you would like assistance in navigating our state's bureaucracy.

Sincerely,

February 2024

Dear Friends and Neighbors,

Thank you for electing me to serve as your State Representative. It is a pleasure to serve the residents of District #141. Representing you is an honor and a privilege as I work diligently to be your voice in the Maine Legislature.

On a positive note, the Legislature did begin tackling some of the funding issues plaguing Maine's roads, bridges and transportation infrastructure by passing LD 259. The new law creates a sustainable source of funding for the Highway Fund by dedicating 40 percent of the 5.5 percent sales tax on vehicle purchases and 40 percent of sales and use taxes collected by the Bureau of Motor Vehicles. It is expected to generate more than \$200 million for infrastructure repairs per biennium.

However, the \$10.3 billion budget approved by the majority of the Legislature increased spending by roughly 20% from the Governor's proposed budget in 2021. My biggest disappointment is that with at least \$1.5 billion in excess tax revenues, the Legislature did not pass structural income tax reform to let taxpayers keep more of what they earn.

I encourage you to actively participate in your state government. Phone calls and letters are always welcome. With the wider use of technology, meetings and hearings are more accessible than ever. Using the homepage of the Maine Legislature: [Legislature.Maine.Gov](https://legislature.maine.gov), you will find access to Zoom meetings and YouTube videos. I also send a weekly email with current state news. If you wish to receive these updates, please contact me at Lucas.Lanigan@legislature.maine.gov and I will gladly add you to our list.

I look forward to all of the challenges that lay ahead in 2024 as I continue to serve on the Innovation, Development, Economic Advancement and Business Committee. Once again, thank you for the opportunity to serve you.

Please stay safe and healthy.

Sincerely,

Dear Neighbor:

It continues to be an honor to serve you in the Maine House of Representatives. When you elected me to the State House, I promised to work to address our state's most pressing challenges head on – and that's exactly what we did.

Last year, the Legislature invested in the well-being of Maine workers and families by establishing a comprehensive paid family and medical leave program, increasing funding for Pre-K and taking significant steps to address Maine's shortage of affordable and available housing. We also invested more than \$30 million to provide grants to EMS departments to help support and strengthen services throughout Maine, particularly in rural communities. Additionally, we enacted measures to improve water quality in Maine lakes and support municipal shellfish conservation programs.

The legislative session has just ended, and we accomplished a lot of good work for the people of Maine. We gave final approval to a supplemental budget that invests in Maine people and builds on the historic, fiscally responsible budgets we passed last year. It includes \$60 million in critical funding for storm relief, \$19.6 million for essential mental and public health services and \$76 million for affordable housing.

The budget also ensures that we are meeting our obligations to Mainers by continuing to fund 55% of public education costs and maintaining revenue sharing at 5%.

Additionally, this session, I cosponsored a bill that gives MaineHousing and local housing authorities the first option to purchase three vacant courthouses in York County and redevelop them into much-needed housing. In York County alone, there are an estimated 300 individuals without housing. This change will help transform unused space into badly needed housing for folks in our community at an affordable rate.

Please feel free to contact me if I can ever be of assistance to you or your family, or if you would like to discuss or testify on any upcoming legislation. You can reach me by email at Anne-Marie.Mastraccio@legislature.maine.gov. I also send out monthly email newsletters that provide insight into our work at the State House, offer helpful information and resources and aim to connect you with your state government. Please let me know if you would like to receive them.

Respectfully,

January 2024

Dear Friends and Neighbors,

As the Second Regular Session of the Maine State Legislature convenes, I would like to thank you for granting me the opportunity to serve the citizens of District 143 in the Maine House of Representatives. Representing you is an honor and a privilege I take seriously. I strive every day to keep you well informed of legislative matters and making myself available to address your questions and concerns. This is a wonderful opportunity for me to make a difference in the community and I am looking forward to the new challenges that wait in the 2024 legislative session.

The First Regular Session of the Legislature was a busy one, as lawmakers faced many difficult issues and decisions. I believe you will be pleased with some of the accomplishments of the 131st Legislature so far. My colleagues and I were able to pass multiple bi-partisan spending agreements that included supporting hospitals and long-term care facilities, working to stabilize highway and road funding, and improving the efficient delivery of government services. I continue to support legislation that would reduce high energy costs while shoring up supply resiliency and capacity, as well as procurement and generation priorities.

I will continue to serve on the Joint Standing Committee on Health and Human Services as we tackle matters that are crucial to our community. I encourage you to actively participate in your state government by monitoring all legislative proposals being worked on at the State House. Please visit the Legislature's website at www.legislature.maine.gov. From here, you can browse bill summaries, view our legislative session and public hearing schedules, submit testimony, listen to committee hearings or watch live streaming video of the House and Senate.

Once again, thank you for the opportunity to represent you. Hearing your thoughts on the issues that are important to you helps me to better serve you. Please, do not hesitate to call anytime if you feel you need my assistance. If you would like to be added to my email list, you can do so by emailing me directly with your request at Ann.Fredericks@legislature.maine.gov.

Sincerely,

From the desk of:

*Donna L. Ring
York County Commissioner, District 4 Alfred, Maine*

Dear Friends:

I am honored to serve as your York County Commissioner, and I will continue to work hard for you and all the citizens in my district. I welcome this opportunity to share a few of our recent accomplishments. York County remains engaged in issues that affect every municipality and citizen in our district. Several are related to the opioid crisis and substance misuse as well as the recruitment and retention of our Public Safety workforce. These are real issues, and we should all be concerned about them.

I am happy to say York County is in the final design development and permitting phase of a regional recovery center. This will be a resource for all citizens of York County and will treat co-occurring disorders of substance misuse and mental health in a residential setting.

We are also in the permitting process for a regional first responder training facility. Open to all public safety agencies across York County, it will become the premiere training ground for our new and existing workforce county-wide. Most importantly, it will provide training locally on a consistent basis. It is impractical in 2024 to ask volunteer firefighters and other first responders – who have home and family responsibilities – to travel across Maine for required training. Various programs will be presented in conjunction with York County Community College.

Much more happened at York County government in 2023. Here are some highlights:

- York County Emergency Management Agency hosted 28 trainings and exercises and worked with county school districts on emergency safety plans, including an active shooter exercise that saw responses by 7 municipal fire and police agencies. The EMA drone team completed 21 flight missions assisting first responders – and after administering more than 100,000 COVID-19 vaccines, the EMA vaccine clinic was closed.
- Commissioners directed ARPA funding to establish a teen center in Biddeford, creation of a supportive housing and social services collective in Kittery and purchased a dredge for use by all coastal York County communities.
- A peer leadership program at York County Sheriff's Office, grant-funded by the National Alliance on Mental Health ensures our deputies (and families) are provided with mental health resources to be successful. Caring Unlimited funds a domestic violence investigator grant to ensure victims are provided with resources to obtain help for themselves and their families. Through a Stanton Foundation grant, the sheriff's office has developed a K-9 program that is often asked to assist neighboring agencies. As well, a York County deputy, funded by Maine Public Safety, works with the Maine Drug Enforcement Agency to hold responsible those who traffic drugs in our communities and to investigate drug overdose deaths.
- York County Registry of Probate has accepted a record number of passport applications while case filings, hearings and contested matters continue to increase.
- York County Registry of Deeds recorded more than 34,000 deeds, mortgages, liens, courts and plans in 2023.

May we all have a great, safe, and productive year!

Sincerely,

Donna L. Ring, York County Commissioner, District 4

FACILITIES

The Department consists of;

- The Director
- Two Full Time Custodians
- One Part Time Custodian

The role of the Sanford Facilities Department is to provide and maintain clean, safe, and comfortable workspaces, enabling City staff to perform their work efficiently.

The Department is directly responsible for:

- Cleaning and maintaining City Hall, the Annex, Police Station, and Public Works office buildings.
- Providing assistance to other departments regarding building-related issues.
- Managing the City's utility purchasing and ensuring employee health and safety compliance.
- Maintaining the five City-owned dams.

YEARLY ACTIVITIES

Most of the Facilities Department's work this year involved maintaining building systems in the facilities they support. The Department assisted Parks and Recreation with the transition of Memorial Gym from the School Department to the City and began planning renovations for Annex Suite B.

A noteworthy event was the passing of Albert “Al” Phillips on March 8. Al retired about two months earlier after over 21 years of service. He had been the custodian at the Police Station since its opening in June 2010 and served the Police Department in the Annex before that. He also volunteered as a firefighter for several years. In September, the Sanford Police Department was dedicated in memory of Al Phillips.

FIRE AND EMS

The Sanford Fire Department (SFD) experienced a busier year with increased call volume and expanded training efforts, enhancing public services.

In 2023, the SFD made significant progress on its fire stations project, securing a lease-purchase agreement for a district fire station at 10 Payne Street (Notre Dame) and designating 1280 Main Street (Springvale Nurseries) as suitable for a Central Station.

After Chief Steven Benotti's retirement, Scott Susi was appointed as the new SFD Chief, bringing 32 years of medic experience and 11 years as Fire Chief of Caribou Fire-EMS Department.

Despite challenges from defunding the Fire Marshal position in the 2023-2024 budget, the SFD remained proactive, collaborating with the Codes Department to implement community fire prevention measures.

HUMAN RESOURCES

The Human Resources Department consists of the:

- Human Resource Director
- Assistant Human Resource Director
- Payroll Manager
- Human Resource Generalist.

The Human Resources team oversees a range of functions critical to effective employee management. Their responsibilities encompass payroll administration, employee recruitment, and addressing employment-related inquiries. The department ensures compliance with personnel policies, contractual agreements, and legal regulations, including worker's compensation and OSHA requirements. Additionally, they provide support during audits, negotiations, and initiatives related to public health emergencies, such as following CDC recommendations and implementing policy updates.

We currently have **over 200 active employees** in the City, including 11 with 20-40 years of service. This year, 10 employees retired, 8 of whom had served over 20 years, some up to 40 years. We thank all our current and retired employees for their knowledge, hard work, and dedication.

During the past year, the department assisted in the successful union negotiations of the:

- Sanford Police Association
- Sanford Fire Association

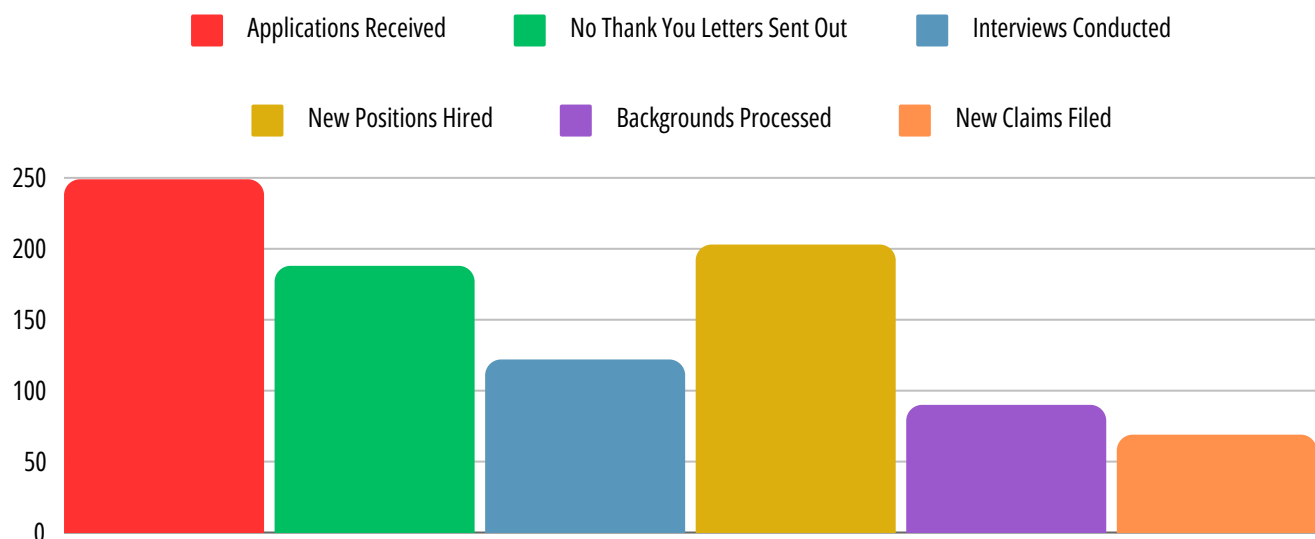

The HR Department hired over 58 full-time and part-time employees in various departments including the:

- Fire Department
- Public Works Dept.
- Police Dept.
- Municipal Facilities
- Planning Dept.
- General Assistance
- Sanford Regional Communications Center
- Assessing Dept.
- Information Systems
- Treasurer/Clerks Dept.
- Code Enforcement

In addition to our full-time hires, we hired over 100 + seasonal positions including:

- Recreational Counselors
- Life Guards
- Election Clerks
- Snow Plow Operators
- Crossing Guards
- Seasonal Laborers –Parks, Public Works, Airport
- On-Call Custodian
- CDL Trainer
- Reserve Dispatchers

2023 DEPARTMENTAL ACTIVITIES

INFORMATION SYSTEMS

BACKUP STORAGE IMPLEMENTATION

- Implemented a new data backup storage system, freeing up storage space at City Hall.
- Moved the freed storage array to the Police Department Server Room, doubling the capacity in the server virtualization platform.

TECHNOLOGY UPGRADES:

- Replaced Exchange 2013 email server with Exchange 2016 to ensure continued support.
- Upgraded the VMware virtualization system to version 7.
- Installed VoIP phone systems at Memorial Gym for Recreation and began the process of expanding it to other city locations.

NETWORK AND SYSTEM TESTING:

- Conducted network penetration testing by hiring a network security vendor. No vulnerabilities were found, indicating the effectiveness of the city's cybersecurity defenses.

COMPLIANCE PREPARATION

- Investigated options to meet FBI CJIS security requirements, identifying a solution to support multi-factor authentication for police car computers.

SECURITY ENHANCEMENTS:

- Worked on implementing UserLock Multifactor Authentication to secure remote access.
- Upgraded Sophos Central anti-malware to a Sophos Central MDR subscription, allowing 24x7 monitoring for malware outbreaks.
- Implemented FortiMail Cloud antispyam system to replace the old system.

INFRASTRUCTURE IMPROVEMENTS:

- Completed audio/video upgrades at Airport and Public Works conference rooms to enhance remote conferencing ability.
- Installed fiber-optic cable at Memorial Gym to support the pending move of the Recreation Department.

OPERATIONAL EFFICIENCY:

- Implemented upgrades to the MUNIS Financial System, saving significant time in data entry for tax processing.
- Installed Consolidated Communications SIP Trunk to connect the VoIP phone system to the outside world.

LANDBANK AUTHORITY

LAND BANK COMMISSIONERS INCLUDED:

- Mayor Becky Brink
- Councilor Maura Herlihy
- Councilor Nathan Hitchcock
- Ex Officio Member Diane Gerry
 - Sanford Housing Authority
- Resident Rebecca Lapierre
- Resident Timothy Dumont
- Resident Joe Seigny
- Resident Nicholas Roux
- Ex Officio Member John Caramihalis
 - City Real Estate Representative
- Land Bank Director Ian Houseal,
 - Director of Community Development

The City Council held 9 dangerous building hearings and identified the following properties as dangerous:

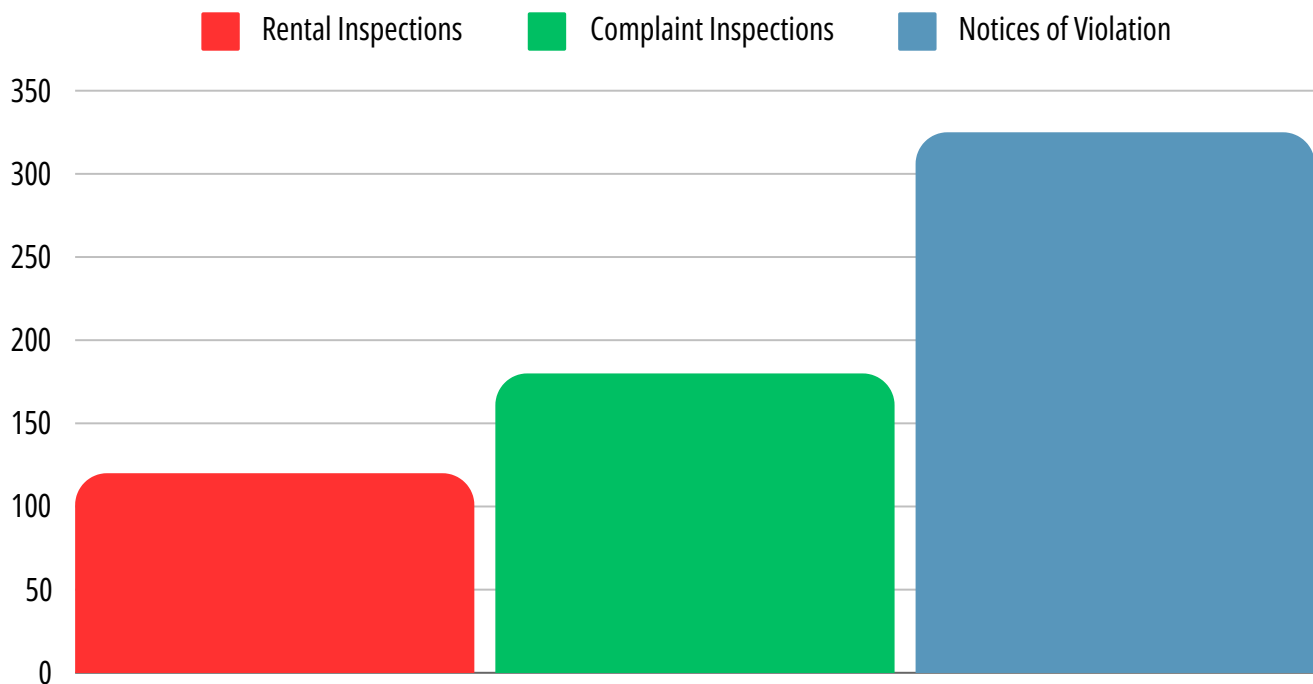

- 1 Western Avenue
 - Re-occupied with new Certificate of Occupancy
- 357 Sam Allen Road
- 1 Bowdoin Court
- 9 Devotion Ave
- 27 Riverside Ave
 - Re-occupied with new Certificate of Occupancy
- 7 Mill St
- 11 Kimball St
- 21 Grove St
- 144 Stanley Rd

The Land Bank prioritized re-inspections of all rental properties, particularly those with serious life-safety violations. Special focus was given to multi-unit properties in the 6–10-unit category, as these had the lowest assessed values in the housing stock. The number of abandoned buildings continues to decrease as they are rehabilitated and sold. The Land Bank will continue to address abandonment and barriers to returning properties to productive use in the coming year.

KEY STATISTICS FOR 2023:

- Number of Rental Housing Inspections: 196
- Number of Abandoned Building Licenses: 41

2023 DEPARTMENTAL ACTIVITIES

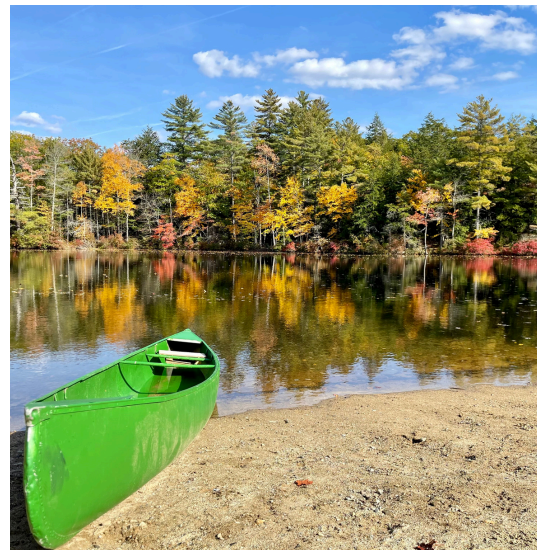

PARKS AND RECREATION

In 2023, the Department saw growing participation in ongoing programs, successful execution of seasonal activities, and significant improvements in facility management. Community engagement was high, demonstrated by successful events and increasing rental activities.

2023 PROGRAM AND ACTIVITIES:

- **Parades:** 4th of July and the Holly Daze
- **Pickleball:** 40-50 participants
- **Drop-in Sports:** 20 participants
 - Volleyball & High School Volleyball
 - Basketball & Youth Basketball
- **Line Dancing:** 30-35 participants
- **Walking Program:** Evening walks at Memorial Gym
- **Bridge Program:** Exercise sessions utilizing Memorial Gym
- **Local Youth Sport Organizations:** Using the gym

MEMORIAL GYM UPDATES

- **Facility Improvements:**
 - Roof and masonry work is ongoing.
 - Completed masonry work on the left side of the gym wall; front stairs to be redone next.
- **Communication Installations:**
 - Fiber for phone and internet installed.
- **Office Relocation:**
 - Offices moved from City Hall to Memorial Gym in December.
- **Rentals:**
 - Steady increase in rentals.

PARKS UPDATES:

- **Goodall Park:**
 - Summer facility bookings and seasonal rentals remain high. Scheduled games and rentals including Mainers, High School Varsity Baseball, Little League, and Babe Ruth.
- **Maintenance:**
 - Staff did a great job with Park and field maintenance despite challenges like heavy rain in the summer.
 - RTP Grant – Mousam Way Loop Project (Creating two trailheads and 3,400 feet of trail near Sanford HS.) successfully completed.
 - Basketball and Pickleball Court maintenance at Carpentier Park and Benton Park.

PLANNING AND DEVELOPMENT

The Department worked with the Planning Board, City Council, residents, and organizations to prepare/adopt ordinances including:

- Implemented all required changes per LD 2003 including:
 - Affordable Housing Density Bonus
 - Revised Accessory Dwelling Units (previously Accessory Apartments) standards
 - Consolidation of the Residential Development (RD) and Single Family Residential (SFR) Zones along with revised standards in the RD Zone to better comply with LD 2003
- Revised Design Standards for the Downtown and Springvale Village Design Review Overlay Districts
- Revised Urban Zone standards for required front setback and location of solid waste receptacles
- Repealed and replaced Chapter 265 Floodplain Management to comply with new FEMA and FNIP regulations
- Revised Conditional Use standards for Excavation Contracting Businesses
- Adjusted Land Use Tables to reflect all changes above

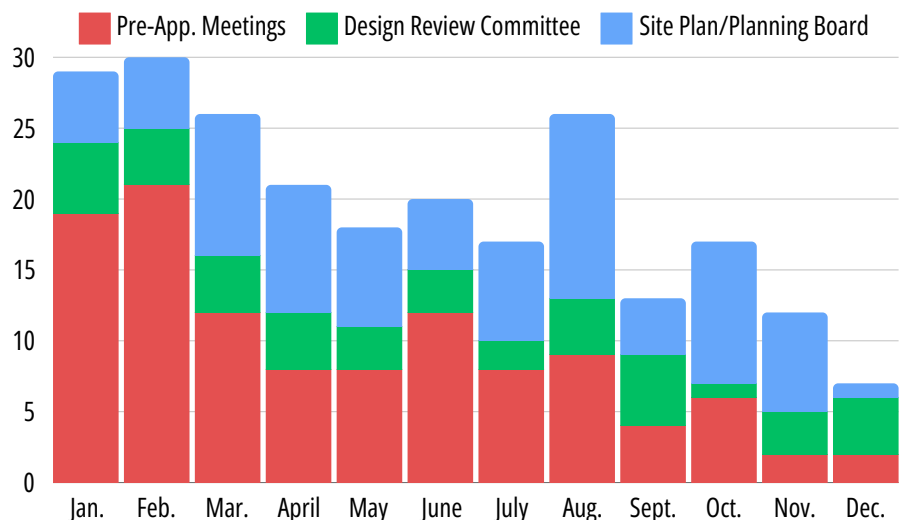

2023 PROJECTS & POLICIES:

- Sanford has been enrolled in the Community Resilience Partnership administered by the Governor's Office of Policy Innovation and the Future.
- Following enrollment, Sanford successfully applied and was selected to receive a Community Action Grant from the Community Resilience Partnership. The grant funding will be utilized to evaluate stormwater infrastructure and coordinate future improvements with the Dept of Public Works and Sanford Sewerage District to increase resiliency in Sanford's urban neighborhoods.
- A contract has been solicited and begun for the Economic Development Market Analysis & Action Plan Matrix. This project will assist the creation of the Comprehensive Plan and cover topics long discussed in Sanford including revitalization and future planning for the Mill Yard, Downtown, South Sanford, and more.
- The Comprehensive Plan rewrite process has begun with a steering committee appointed by City Council and a proposed completion date of Spring 2025. Look forward to public engagement opportunities coming soon!

INITIATIVES FOR THE UPCOMING YEAR INCLUDE:

- Update the Zoning Ordinance to correlate with the new Comprehensive Plan, following adoption.
- Update the Subdivision Ordinance to correlate with the Comprehensive Plan and Zoning Ordinance.
- Update the Design Review Standards.
- Create a robust Downtown Plan to promote revitalization, placemaking, public art, economic development, and urban living in the Downtown.
- Continue planning in the East Side Neighborhood.
- Continue implementing Goodall Brook Restoration Plan.
- Continue infrastructure planning with the Departments of Public Works and Parks & Recreation.
- Continue improving administrative systems to increase efficiencies in permitting.
- Increase Sanford's communications and collaborations with communities and partners in the greater Southern Maine region.

In 2023, the Police Department overcame many staffing challenges from the previous two years. Through the retire-rehire program and active recruitment, the PD reached staffing levels not seen in years. Two officers graduated from the Maine Criminal Justice Academy in the spring, and another began training in the fall. The Department restructured the command element, appointing a Major of Operations to oversee patrol operations. By year's end, there were only two open officer positions, a significant improvement from the 8-10 vacancies we previously faced.

GRANT FUNDING AND TRAFFIC ENFORCEMENT

- Received State Bureau of Highway Safety grant for traffic enforcement.
- Installed 4 electronic speed signs to address traffic complaints.
- Trained an officer in traffic accident reconstruction for serious crashes.

MENTAL HEALTH UNIT (MHU) ACHIEVEMENTS

- Focused on mental health crisis response.
- Recognized for obtaining weapon restriction orders (Yellow Flag Law).
- Developed effective training and procedures to improve community safety.
- Responded to the Lewiston emergency and follow-up operations.

TRAINING AND WELLNESS INVESTMENTS

- Assigned two officers to the Maine Drug Enforcement Agency and one detective to the Safe Streets Task Force.
- Hosted 4 FBI LEEDA training sessions, earning the Agency Trilogy Award.
- Special Response Team attended tactical training in New Mexico.
- Deputy Police Chief attended the 11-week FBI National Academy.
- Conducted wellness training for all members..

COMMUNITY ENGAGEMENT

- Hosted National Night Out and Community Advisory Group meetings.
 - Participated in Autism Awareness and supported local programs like the Sanford Mainers, Rotary Club, Friends of Downtown, the Backpack Program, and Sanford Community Youth Alliance.
 - Participated in Wreaths Across America, with representation in the motorcade from Maine to Washington DC.
-

PUBLIC WORKS

OPERATIONS

- Public Works addressed 1,571 calls throughout the year, including plowing, drainage, and roadway maintenance. 53 of the issues remain open in 2024 or 96.6% are shown complete.
- Facilitated a Public-Private Partnership (PPP) with Garbage to Garden for curbside composting
- Advanced the DPW Fleet Management program by investing in equipment such as a used vector/jetter truck and a backhoe for rapid response efforts.

ENGINEERING

- Continued coordination with MaineDOT on various projects, including the RAISE Grant (downtown reconstruction), the BUILD Grant (traffic signal replacements), the State's 3-Year Work Plan, and the Pedestrian Head's Up Safety Program
- The completion of a pavement conditions index study provided valuable insights for future planning and maintenance activities
- The initiation of the SS4A Action Plan underscored a proactive approach to addressing safety and transportation challenges, with robust public involvement processes, with goals of engaging those with underserved transportation needs
- Held monthly utility coordination meetings and reviewed planning applications for development.
- Led the development of a GIS parking layer

FACILITIES

- Restored and placed historic V-Plow at the DPW facility
- Completed upgrades to garage facilities; including the vehicle exhaust extraction system replacement, complete air tool lines replacement, and painting the facility
- Upgraded video monitoring systems throughout the DPW facilities
- Initiated painting and maintenance projects for DPW facilities.

GENERAL

- Collaboration with many other departments and agencies, including all City Departments, local utilities, MaineDOT, and the Federal Highway Administration
- Addressed parking ordinance revisions and traffic management issues

CONSTRUCTION PROJECTS

Westside Village Reconstruction

- The project achieved substantial completion for Shaw Street, Kimball Street, Prescott Street, and Twombly Road

River Street Reconstruction

- Levesque Excavation of Sanford, Maine, was awarded the construction bid, and two-thirds of the work was substantially completed in 2023
- Coordinated a Public Private Partnership for access to Number One Pond by Fire Department apparatus while also rehabilitating a commercial parking lot for a new local restaurant

PUBLIC WORKS– ENVIRONMENTAL SERVICES

OPERATIONS

- Provided MSW, single-sort, and various other bulky item disposal services to the Residents of Sanford and Springvale
- Maintained compliance with MaineDEP regulations for both the Transfer Station and the Rushton Street Landfill (Storm Water Pollution Prevention Plan - updated, MaineDEP Transfer Station Annual Report, Water Quality Testing, MaineDEP Landfill Monitoring Report, Spill Logs, etc.)
- Received revenue and fees from the Public for services as follows:
 - Pay as You Throw Program (Orange Bags).....\$887,694.75
 - Waste Transfer Fees Collected.....\$101,134.73
 - Waste Transfer Licenses.....\$20,375.00
 - Single Sort Recycling Revenue Sharing (ecomaine).....\$21,764.65

*TOTAL REVENUES (2023) = **\$1,030,969.13***
- Incurred Fees for disposal of the above materials as follows:
 - Non-Contract Services (Pest Services, Trucking, Equipment Maintenance, Universal Waste, etc.)..\$22,705.28
 - Contract Services (MSW Tip, Recycling Tip, Curbside Collection)..... \$1,365,125.15

*TOTAL EXPENSES (2023) = **\$1,387,830.43***

ENGINEERING

- Continued coordination with the City's consultant to monitor the Rushton Street Landfill and generate annual reports to MaineDEP as required

FACILITIES

- Performed routine facility maintenance
- Fixed roof leak in upper office and mitigated resulting damage
- Finished lower office renovations
- Upgraded video monitoring security system

SANFORD REGIONAL COMMUNICATIONS CENTER (DISPATCH)

- **117,155 (+3,727) CALLS FOR SERVICE**
- **31,610 (+1,722) REPORTED VIA NEXT GEN 911 SYSTEM**

SRCC is committed to delivering world-class 911 and dispatch services for our partner agencies. We maintain a code of professionalism and compassion as we serve the needs of the City of Sanford/Springvale and all our partner agencies.

The Sanford Regional Communications Center (SRCC) serves as a critical hub for emergency response in York County, covering multiple towns, jurisdictions, and fire departments. It acts as one of three Public Safety Answering Points (PSAPs) for 9-1-1 calls in the region, including:

- Acton
- Berwick
- Kennebunk
- Lebanon
- Limerick
- Newfield
- North Berwick
- South Berwick
- Sanford
- Springvale
- Shapleigh
- Plus, all towns covered by the York County Sheriff.

Additionally, SRCC handles dispatch duties for the York County Sheriff's Office and administers warrants for York County Courts. Over the years, its staffing has significantly increased, from 6 full-time dispatchers in 2007 to a current team of twenty-two full-time and six part-time dispatchers.

The SRCC prioritizes highly trained personnel, with dispatchers averaging 9.5 years of experience and maintaining state qualifications. They undergo extensive training in various crucial areas such as:

- Emergency Medical Dispatch
- Data Entry into the National Crime Information Center
- Operations of the Enhanced 9-1-1 System
- Use of the Maine Telecommunications and Routing Operations System (METRO) for queries into the Maine Department of Motor Vehicles

SRCC utilizes state-of-the-art technology, which was upgraded to Next Gen 911 capability in July 2014. Additionally, all of the 911 equipment was replaced in 2020 as part of a statewide system refresh. As technological advancements continue, such as text-to-911 and video teleconferencing, the State ensures up-to-date capabilities for improved emergency service. Maine was the first state to implement a statewide rollout of the next-generation 911 system. This allows any PSAP (Public Service Answering Point) to back up every other PSAP, providing significant redundancy to the state's emergency services system.

SANFORD REGIONAL ECONOMIC GROWTH COUNCIL

The Sanford Regional Economic Growth Council, a 501(c)(6) non-profit established in 2009, is a public/private partnership dedicated to sustainable economic development. It aims to diversify and increase the City's tax base, promote business retention and expansion, foster high-quality jobs, and leverage public-private relationships. In 2023, the Growth Council's priorities included:

- Business Attraction
- Business Expansion & Retention
- Public-Private Partnerships
- Business Advocacy
- Marketing
- Downtown Revitalization
- Industrial Development
- Housing Development

The Growth Council connects Sanford-Springvale businesses with effective programs and resources to aid their plans and improve the local economy. To support this, the Growth Council:

- Published a Guide to Doing Business in Sanford and has widely circulated the link to it (<https://sanfordgrowth.com/small-business-guide/>).
- Sits on many non-profit boards that share a vision of growth in business development & retention, housing stock, workforce development, and tourism
- Builds networks with City Planning, Codes, and Assessing Departments

HIGHLIGHTS THIS YEAR INCLUDE:

- Obtaining approvals for 83 market-rate housing units in Springvale
 - Inspiring downtown revitalization by supporting Friends of Downtown, downtown events, and Community Heart & Soul efforts
 - Hosted business round-tables with area developers, real estate brokers and bankers
 - Hosted community-wide event "Small Plates, Big Conversations" during the Recovery HUB Grant program which aided 15 Sanford businesses with financial and technical assistance
 - Continuous involvement with Sanford Industrial Development Corp, supporting manufacturers and attracting new businesses.
 - Supported the construction of new housing units in Sanford and Springvale by acting as the city's advisor and clearinghouse for tax increment financing.
 - Ran a successful \$100K Façade Grant program in the downtown assisting property owners revitalize commercial properties, including:
 - 880 Main St
 - 41 Washington St
 - 6 River St
 - 15 Roberts St
 - Assisted new and existing companies with their work activities and development projects, including:
 - New restaurant to River Street
 - New restaurant to School Street
 - New restaurant to Springvale
 - New food truck
 - New brewery in South Sanford
 - New trailer sales business
 - New bank to old Burger King building
 - New surveyor/civil engineer company to Jackson Square
 - Assisted many property owners to find prospective tenants on the Growth Council website SanfordGrowth.com/real_estate hosting both on and off-market listings
-

SANFORD SEACOAST REGIONAL AIRPORT

AIRCRAFT OPERATIONS:

Throughout 2023, SFM maintained robust aircraft operations, with an estimated total of over 40,000 takeoffs and landings for the year. Despite variations due to weather conditions, SFM's strategic location, availability of fuel and services, and low user costs ensured a consistent activity level.

BASED AIRCRAFT:

SFM continued to attract a high number of based aircraft, with the count reaching 143 by the end of the year. The official aircraft registry does not recognize any aircraft that other airports also report, underreporting the true number of based aircraft. Several pilots sold their aircraft in 2023 with the intent to buy another, but the market for that is challenging.

HANGAR DEVELOPMENT AND CAPACITY:

The demand for hangar space at SFM remained high in 2023, with all existing hangars fully occupied and a waiting list exceeding 65 individuals. Efforts to address this demand included the execution of a land lease for a new 10-unit T-hangar, with additional plans for the construction of 20 more units along Presidential Lane.

INFRASTRUCTURE PROJECTS:

Throughout the year, SFM embarked on several infrastructure projects aimed at enhancing operational efficiency and safety:

- Seal coating of the east FBO apron and general aviation apron
- Crack sealing
- Painting
- Final phase of Presidential Lane construction.

COMMUNITY ENGAGEMENT AND EVENTS:

In addition to its operational and developmental endeavors, SFM actively engaged with the community through various events and initiatives, including:

- Annual Airport Open House and Veterans Benefit
- Operation Screaming Eagle Veterans Benefit
- Young Eagles Rally.

AIRPORT BUSINESSES:

- **Southern Maine Aviation** (SMA) provides flight training, rentals, fuel sales, maintenance, testing, simulator use, drone courses, and community seminars. Learn more at www.flyingsma.com.
 - **Pine Tree Helicopters** (PTH) offers lessons, ground school, and scenic tours, with plans for expansion. Visit www.pinetreehelicopters.com.
 - **LifeFlight of Maine** operates air ambulance services from bases in Bangor, Lewiston, and Sanford.
 - **Pilots Cove Restaurant** offers dining inside and outside on the patio adjacent to the tarmac.
-

The cost of all governmental activities this year was \$112,869,695, which represents an increase of \$11,394,634 from the prior year. Of this amount, Sanford taxpayers funded \$42,042,551 through property, personal and excise taxes. Municipal and educational departments have continued to aggressively pursue grant revenue to cover programs and services and to help reduce the tax burden to residents.

Special revenue fund program expenses are expenditures from City and School funds, such as the City recreation and school programs, and the lunch program and other specifically grant funded programs. These programs are found in the "Other Governmental Funds" section of this report.

Maintenance represents the net amount paid for items that are considered to be repairs and upkeep. Interest on debt indicates the debt service amounts paid from the City general fund, the interest on debt service related to the School Department is included with the Education expense category.

City of Sanford, Maine
Reconciliation of the Statement of Revenues, Expenditures,
and Changes in Fund Balances of Governmental Funds
to the Statement of Activities
For the year ended June 30, 2023

Amounts reported for governmental activities in the statement of activities
are different because:

Net change in fund balances - total governmental funds	\$ (1,252,697)
--	----------------

Governmental funds report capital outlays as expenditures.

However, in the statement of activities, the cost of these assets
is allocated over their estimated useful lives and reported as
depreciation expense.

Capital outlays, net of loss from dispositions	4,646,075
Depreciation expense	(8,052,206)

Deferred outflows/inflows of resources represents a consumption/acquisition
of net position that applies to a future period, therefore will not be
recognized as an expenditure until then.

8,917,420

Revenues in the statement of activities that do not provide
current financial resources are not reported as revenues in
the funds.

(1,478)

Some expenses reported in the statement of activities do not
require the use of current financial resources and, therefore, are
not reported as expenditures in governmental funds:

Accrued interest	33,474
Landfill	35,000
Compensated absences	(30,121)
Other postemployment benefits expense	363,119
Pension expense	(8,980,490)

Repayment of lease obligations is an expenditure in the
governmental funds, but the repayment reduces long-term
liabilities in the statement of net position.

Lease proceeds	(29,127)
Lease obligation payments	511,801

The issuance of long term debt (e.g., bonds, leases) provides current financial
resources to governmental funds, while the repayments of the principal of long-term
debt consumes the current financial resources of governmental funds. Neither
transaction, however, has any effect on net position. This amount is the net
effect of these differences in the treatment of long-term debt and related items.

General obligation bond payments	9,150,605
----------------------------------	-----------

Change in net position of governmental activities	\$ 5,311,375
--	---------------------

See Independent Auditor's Report.
