Resolution No. 9472 – Identifying the Terms and Conditions for Santa Fe Springs Department of Fire-Rescue Response when away from their Official Duty Station and Assigned to an Emergency Incident

RECOMMENDATION

That the City Council adopt Resolution No. 9472 identifying the terms and conditions for the Santa Fe Springs Department of Fire-Rescue response when away from their official duty station and assigned to an emergency incident.

BACKGROUND

The City of Santa Fe Springs Department of Fire-Rescue has responded to many large scale incidents throughout the State under the California Fire and Rescue Master Mutual Aid System. Although primarily responses were mainly for wildfire incidents throughout California, the Department of Fire-Rescue can potentially be dispatched for other natural disasters such as earthquakes, wind events, flooding, acts of terrorism, etc., in other local, state, and federal jurisdictions where local and/or state emergencies can be declared and reimbursement funding may become available.

The California Fire Assistance Agreement (CFAA) 2015, under the guidelines of the Governor's Office of Emergency Services (Cal OES), is the reimbursement mechanism for local government fire agency responses through the California Fire and Rescue Emergency Mutual Aid System. Cal OES is requiring local government agencies to adopt and provide a resolution which will formally acknowledge how Santa Fe Springs Fire-Rescue personnel will be compensated for "portal to portal" activities. "Portal to portal" is when Fire personnel are compensated beginning at the time of dispatch from their home base to the time of return to their home base. Because City personnel will be in City uniforms, driving City equipment, held accountable to City policies, and responsible for representing the City at all times as they travel to and from incidents, compensating the employees for this time is essential.

Historically, the City has always been reimbursed on a "portal to portal" basis. Recently, the CFAA has been updated to require local jurisdictions to adopt a resolution stating that their Fire Department personnel are compensated from "portal to portal". Failure to provide Cal OES with a resolution will result in mutual aid reimbursement and compensation to be based on "time worked" on the incident only. This form of calculation would produce significantly less reimbursement for what the City of Santa Fe Springs compensate their personnel based on the Santa Fe Springs Firefighter's Memorandum of Understanding and payroll and overtime practices as outlined in the Fair Labor Standards Act (FSLA).

City of Santa Fe Springs

City Council Meeting

June 11, 2015

"Portal to portal" reimbursement and compensation is based on a per hour salary rate for straight time and applicable overtime based on Santa Fe Springs Fire-Rescue job classification and type of equipment provided using a rate methodology set by the CFAA. The Santa Fe Springs Department of Fire-Rescue submits an updated salary survey to the CFAA annually to ensure reimbursements are comparable to actual City compensation rates. This formula reimburses and compensates the City of Santa Fe Springs for overtime that the Santa Fe Springs Fire-Rescue personnel providing mutual aid earn as well as reimburses and compensates the City for other Fire-Rescue personnel who are recalled to backfill apparatus to maintain sufficient coverage for the City.

Essentially, adoption of Resolution No. 9472 is necessary to ensure the City of Santa Fe Springs continues to receive its full reimbursement costs for personnel assigned to an incident, and for any overtime the City incurs backfilling positions for those assigned to the incident, using the "portal to portal" hourly rate approved by the State.

FISCAL IMPACT

Failure to adopt such resolution will result in substantial loss of State reimbursements to the City under the California Fire Assistance Agreement (CFAA).

BACKGROUND

For the past several years, the City Council has supported the participation of Lake Center Middle School students to attend a trip to Washington, D.C. Overall, 93 students had the opportunity to take part in this experience, including 62 students who are residents of Santa Fe Springs. Some of the trip's highlights for the students included a visit to the Capitol and seeing the Rotunda and the Senate and House Chambers.

Lake Center Middle School Teacher and Trip Coordinator, Ms. Jennifer Conforti, has requested an opportunity to attend tonight's meeting to extend their appreciation to the City Council for their support of this educational trip.

PRESENTATION

Recognition of Whittier Police Detectives

RECOMMENDATION

That the City Council recognize the Whittier Police Detectives assigned to the Santa Fe Springs Policing Team.

BACKGROUND

Whittier Police Detectives assigned to the Santa Fe Springs Policing Team have been instrumental in solving a number of notable criminal cases in the past year. Through a collaborative effort with community members and local and state law enforcement resources, Detectives made arrests in connection with three separate homicide incidents in Santa Fe Springs. In addition to solving the homicide cases, Santa Fe Springs detectives planned and organized numerous successful probation, parole, and warrant operations focusing on gangs, drug dealers, illegal weapons dealers, and other dangerous criminals that operate out of their homes, in residential areas of the City. The success of the investigation team is a testament to their relentless commitment to root out criminal activity and keep Santa Fe Springs a safe community.

The Mayor may wish to call upon Dino Torres, Director of Police Services, to assist with this presentation.

Proclaiming World Elder Abuse Awareness Day 2015

RECOMMENDATION

That the City Council proclaim Monday, June 15, 2015 as "World Elder Abuse Awareness Day" in Santa Fe Springs.

BACKGROUND

Research shows that elder abuse (including physical, emotional, and sexual), neglect, violence, and exploitation is one of the biggest issues facing senior citizens around the world. Abuse, neglect, violence, and exploitation occurs in every demographic, and can happen to anyone; yet it is estimated that only about one in fourteen of those crimes are reported. Elders comprise a growing proportion of the U.S. population; therefore, it is important that we understand the many problems and challenges that face the elderly. By recognizing these issues, we share a responsibility in reducing incidents of violence towards elders by raising awareness and promoting a better understanding of abuse and neglect of seniors.

World Elder Abuse Awareness Day (WEAAD) is recognized annually on June 15. WEAAD serves as a call-to-action for individuals, municipalities, and organizations across the world to raise awareness about elder abuse, neglect, and exploitation. This date serves as an opportunity to share information about the mistreatment of older persons. However, we must keep in mind that this is an ongoing effort, not limited to one day.

The City of Santa Fe Springs is committed to preventing elder abuse by providing the necessary resources to our community. We believe in educating our older adults, and our public on abuse because it is critical to prevention. The Older Adult Program at the Gus Velasco Neighborhood Center will be joining other cities, organizations, and individuals across the world in promoting a better understanding and raising awareness about elder abuse. This year "World Elder Abuse Awareness Day" will take place on a Monday. Staff have developed a presentation for the older adults with the help from Los Angeles County Community and Senior Services; the presentation will be conducted throughout the day to educate as many older adults as possible. In addition, the Senior Citizens Advisory Committee, who is tasked with improving the well-being of the Senior Citizens in City of Santa Fe Springs and the community at large, has played a major role in bringing awareness to this critical issue. A presentation was already conducted by Adult Protective Services to the Senior Citizens Advisory Committee on February 10, 2015. Join us, and take a stand against elder abuse and protect our older adults.
