Date of Report: April 21, 2016

ITEM NO. 3A

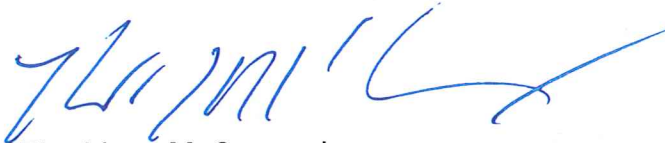

Bond Repayment

The City budget includes sufficient appropriations and adequate revenues are expected to be collected to meet the debt service obligations associated with the 2005 Water Revenue Bonds.

The former Community Development Commission (CDC) issued a number of tax allocation bonds before it was dissolved by State law effective February 1, 2012 and is administered by the City acting as Successor Agency under the oversight of the appointed Oversight Board. The Successor Agency no longer receives tax increment. Instead distributions from the Redevelopment Property Tax Trust Fund (RPTTF) are received based on approved obligations. It is anticipated that sufficient allocations from the RPTTF will continue to be made to the Successor Agency to meet ongoing debt service obligations.

Unspent Bond Proceeds

Under an approved Bond Expenditure Agreement, unspent bond proceeds of the former CDC in the amount of approximately \$19 million were transferred to the City in July 2014. The funds are to be spent in accordance with the original bond documents. The unspent proceeds continue to be a source of funding within the City's capital improvement program (CIP).

Monthly Report on the Status of Debt Instruments Issued through the City of Santa Fe Springs Water Utility Authority (WUA)

RECOMMENDATION

That the Water Utility Authority receive and file the report.

BACKGROUND

The Santa Fe Springs Water Utility Authority (WUA) is a City entity that has issued debt for the benefit of the Santa Fe Springs community. The following is a brief status report on the debt instruments currently outstanding that were issued through the WUA.

Water Revenue Bonds, 2013

Financing proceeds available for appropriation at 3/31/16

None

Outstanding principal at 3/31/16

\$6,890,000

In May 2013 the Water Utility Authority issued the 2013 Water Revenue Bonds in the amount of \$6,890,000. The bonds refunded the existing 2003 Water Revenue Bonds (issued through the Public Financing Authority) and provided additional funds for water improvement projects in the amount of \$2,134,339. The funds were restricted for use on water system improvements. In August 2013 the Water Utility Authority Board appropriated the proceeds for the Equipping Water Well No. 12 Project and all proceeds were since used on this project.

The City budget includes sufficient appropriations and adequate revenues are expected to be collected to meet the debt service obligations associated with the 2013 Water Revenue Bonds.

The WUA was formed in June of 2009. Water revenue bonds issued prior to this date were issued through the City of Santa Fe Springs Public Financing Authority.

Status Update of Water-Related Capital Improvement Projects

RECOMMENDATION

That the Water Utility Authority receive and file the report.

BACKGROUND

This report is for informational purposes only. The following is a listing of current active water projects.

Interstate 5 Water Main Relocation for the Carmenita Road Segment B

Staff continues to coordinate with Caltrans and GRFCO (contractor) on completing the I-5 water main relocation project. Currently 100% of the new water main pipe has been installed along with fire hydrants and several water service laterals. Hydrostatic and Bacteriological testing have been completed and were successful. The newly constructed water main has also been tied into the existing distribution system. GRFCO is currently working on remaining 'punchlist' items to complete the project. It is anticipated that final payment will be brought to Council for approval at the next Council meeting.

New Well Siting Study, Zone 1

Staff is currently requesting proposals (RFP) to perform a siting study in Zone 1. Three sites will be evaluated as part of the study. RFP's are due Tuesday, April 26, 2016 at 3:00 pm.

FISCAL IMPACT

The Water Well Siting Study for Zone 1 will be funded by Capital Improvement Plan Bond Funds. The Interstate 5 widening project is funded by Caltrans through a utility agreement between the City and Caltrans.

City Council Meeting

April 28, 2016

PUBLIC HEARING

Ordinance No. 1072

An Ordinance of the City of Santa Fe Springs to amend Section 130.05 of Chapter 130 of Title 13 of the City Municipal Code relating to vehicles, skateboards and scooters on public property.

RECOMMENDATION

That the City Council:

- Open the Public Hearing and receive any comments from the public; and
- Waive further reading and introduce Ordinance No. 1072 which amends Section 130.05 of Chapter 130 of Title 13, titled "Vehicles, Skateboards and Scooters on Public Property" to the Santa Fe Springs Municipal Code; and
- Bring back Ordinance No. 1072 for approval on May 12, 2016.

BACKGROUND

At the time the City Council adopted Section 130.05 of the municipal code, which regulates vehicles, skateboards and scooters, skateboarding was a form of activity enjoyed by a small group of users who were generally male surfing enthusiasts. With the invention of urethane wheels, and the use of lighter wood and fiberglass boards, new possibilities emerged and the interest to own a skateboard grew.

Skateboarding went "mainstream" with the 1995 ESPN's Extreme Games. With this interest, public and private open areas have become increasingly popular locations for skateboarders to show-off or practice their "grinding" skills. Grinding has become a skateboarding skill that involves grinding the metal trucks of the board against a curb or rail. Because the trucks do not have a lubricant or bearings, grinding damages the material underneath (i.e. concrete, wood, metal, etc.) leaving property owners with damaged outdoor rails, planters, tables, benches, curbs, bleachers, stairways, rails, handrails, fountains, and ultimately, with costly repairs. As a result, property owners have made extreme and expensive changes to their open areas to minimize property damage resulting from skateboarding activities.

Staff has reviewed the City's current ordinance addressing skateboarding and is recommending amending Section 130.05 of the City Code to prohibit skateboarding activities on public areas in an effort to mitigate its secondary impacts such as noise, nuisance and the obstruction of pedestrian or vehicular traffic. The amendment also provides a process to penalize repeat offenders through a citation process or, ultimately, the confiscation of skateboards.

The amendment also prohibits the use of bicycles on private and public property when the activity is conducted in a dangerous way resulting in property damage or when it endangers the public's safety.

LEGAL NOTICE OF PUBLIC HEARING

This matter was set for Public Hearing in accordance with the requirements of Sections 65090 and 65091 of the State Planning, Zoning and Development Laws and the requirements of Sections 155.860 through 155.864 of the City's Municipal Code.

Legal notice of the Public Hearing was posted in Santa Fe Springs City Hall, the City Library and Town Center on April 15, 2016, as required by the State Zoning and Development Laws and by the City's Zoning Regulations. To date, Staff has not received any inquiries or questions regarding this matter.

FISCAL IMPACT:

Any impact associated with the enforcement of the ordinance will be absorbed into the Department of Police Services' operating budget.

City Manager

(C) ***No person shall use a bicycle, skateboard, or scooter in a manner***

which creates a nuisance.

(D) No person shall use a bicycle, skateboard, or scooter for the purpose of grinding and/or sliding on any monument, sign, building, roof railing, fence, gate, table, bench, planter, curb, bleachers, stairway, rail, handrail, and fountain or any other angled object or structure with defined edges by a person utilizing or riding upon any non-rolling portion of the skateboard.

(E) It is unlawful for any person to ride in or on a skateboard, scooter or bicycle, on or across any road, street or highway in such a manner as to interfere with the movement of vehicles thereon, or in such a way as to create an unreasonable risk or harm to vehicular or pedestrian traffic. Pursuant to Vehicle Code Section 21967, the following rules and regulations shall apply to riding or propelling of bicycles, skateboards, scooters and other listed devices on roadways. Bicycles, skateboards, scooters and other listed devices must:

- (1) Stop at all stop signs and red signals;**
- (2) Yield to all vehicles at yield signs;**
- (3) Yield to pedestrians at marked and unmarked crosswalks;**
- (4) Not impede traffic or interfere with the flow of vehicular traffic;**
- (5) Yield to approaching vehicles when entering any roadway;**
- (6) Not be towed by a motor vehicle of any speed or a bicycle at an unsafe speed;**
- (7) Yield bicycle lanes to bicycles and not use bicycle lanes in any manner contrary to the free and open use of those lanes by bicycles;**
- (8) Not suddenly leave a curb or other place of safety and travel into the path of a vehicle which is so close as to constitute an immediate hazard.**

(F) A police officer or person authorized to issue citations shall have the authority to impound the bicycle, skateboard, or scooter of a person who violates this chapter. The citation shall serve as a receipt for the item impounded.

(G) Upon presentation of the citation to a police department representative, the owner may claim the impounded bicycle, skateboard or scooter at the police department during business hours. Upon receipt of the impounded item, the owner shall be provided a copy of Section 130.05 of the

Municipal Code, and be advised that for any subsequent violations of this chapter, the city will impound the bicycle, skateboard or scooter, and seek a court order declaring the item a nuisance and authorizing the city to destroy said item. If the owner of the bicycle, skateboard or scooter is a minor, his/her parents or legal guardian may claim the item as described above.

(G H) Violation of this section shall be deemed an infraction.

~~(D) — A violation of any of the provisions of this section shall constitute a nuisance and may be abated by the city through civil process by means of a restraining order, preliminary or permanent injunction, or in any other manner provided by law for the abatement of such nuisance.~~

Section 2. If any section, subsection, subdivision, paragraph, sentence, clause or phrase in this Ordinance, or any part hereof, is held invalid or unconstitutional, such decision shall not affect the validity of the remaining sections or portions of this Ordinance, or any part thereof. The City Council hereby declares that it would have adopted each section, subsection, subdivision, paragraph, sentence, clause or phrase in this Ordinance irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases may be declared invalid or unconstitutional.

Section 3. The City Clerk shall certify to the adoption of this Ordinance, and shall cause the same to be posted in at least three (3) public places in the City, such posting to be completed not later than fifteen (15) days after passage hereof.

Heritage Park Aviary Renovation – Final Payment

RECOMMENDATION

That the City Council approve the Final Payment (less 5% Retention) to Torga Electrical of San Bernardino, California in the amount of \$52,174.24 for the subject project.

BACKGROUND

The City Council, at their meeting of January 14, 2016, awarded a contract to Torga Electrical of San Bernardino, California in the amount of \$54,920.25 for the above subject.

The project includes the removal and replacement of corroded wire mesh, angle bar sill plate, interior access doors, deteriorated wood sill plate, and wood trims. The existing metal wall panels will be removed and replaced with Polycarbonate corrugated translucent panels to allow natural light into the Aviary. The interior concrete curbs and flooring have deteriorated and will also be repaired. The structural steel framings, door frames and wood trims will be painted to match the existing color.

The following payment detail represent the Final Payment (less 5% Retention) due per terms of the contract for the work which has been completed and found to be satisfactory.

The final construction cost is \$54,920.25. The final project cost including the construction, engineering, inspection, overhead and contingency is within the budgeted amount of \$70,000.

FISCAL IMPACT

The Heritage Park Aviary Renovation is fully funded through the Bond Capital Improvement Project Fund.

Fire Station Headquarters - Heating, Ventilation, and Air Conditioning (HVAC) Improvements – Authorization to Advertise for Construction Bids

RECOMMENDATION

That the City Council take the following actions:

1. Approve the Plans and Specifications; and
2. Authorize the City Engineer to advertise for construction bids.

BACKGROUND

The original HVAC system was installed in 1970 within the mechanical room as a multi-zone unit, serving only the South side of the building. The unit is a split system Air Conditioning Unit (AC-2) and Condensing Unit 2 (CU-2), with the cooling capacity of approximately 15 Tons and 240,000 BTUH output for natural gas heating. Four zones serve various areas around the south side of the building. The current HVAC system uses three (3) split system DX units that have indoor fan coils (FC) sized at 5-Ton cooling capacity and condensing units sized at 5-Tons. The system uses refrigerant R-22 which is no longer produced in the United States and is scheduled to be phased out by the year 2020. Based on the evaluation of the system, it was determined that there is severe lack of air supply coming out of almost every supply air grille. The original 1970 design was manufactured to handle 2-1/4" Total Static Pressure (TSP) and the current installed fan coils are not capable of producing adequate pressure. This causes the supply fan to produce less airflow and thus less cooling capacity. Therefore, it is recommended that the existing HVAC system be replaced with two (2)-7.5 Tons Packaged Rooftop HVAC units with electric cooling and gas heating. The project includes the removal and replacement of the existing Heating, Ventilation and Air Conditioning (HVAC) system at the Fire Station Headquarters.

The estimated construction cost of the Fire Station Headquarters – HVAC Improvements is \$125,000. The total project cost including construction, engineering and inspection and contingency is \$192,000. The estimate for the project is derived from the most current cost of similar types of construction projects in the area.

Construction:	\$	125,000
Engineering:	\$	15,000
Inspection:	\$	18,750
Contingencies:	\$	33,250
Total Construction Cost:	\$	<u>192,000</u>

Agreement with the Whittier Union High School District for use of School (Santa Fe High School) Facilities to Provide City Programming

RECOMMENDATION

That the City Council approve the agreement with Whittier Union High School District for the use of School Facilities to provide City programming.

BACKGROUND

The City entered into an agreement with Whittier Union High School District in March of 1996 defining the City's use "Center Court." The City ceased using the facility in 2012 as a result of the elimination of Redevelopment. In the meantime, the 20-year, 1996 agreement has expired. Although the use of Center Court has changed, the City and the School District would like to continue their partnership for the City's use of School facilities to provide community programming throughout the campus. The attached proposed agreement will allow for such continued use.

AGREEMENT FOR CONTRACTED SERVICES

WHITTIER UNION HIGH SCHOOL DISTRICT, of Los Angeles County, hereinafter referred to as DISTRICT, and CITY OF SANTA FE SPRINGS, a municipal Corporation, hereinafter referred to as CITY, mutually agree as follows:

1. In order to promote and provide for the health and general welfare of the people of Santa Fe Springs, and to cultivate the development of good citizenship by an adequate program for community recreation, the CITY and the DISTRICT desire to enter into an agreement for a Community Recreation Program at Santa Fe High School as authorized by Education Code Section 10900-10915.
2. DISTRICT shall allow the CITY, without charge, to utilize the swimming pools, shower-locker facilities and other designated buildings and grounds at Santa Fe High School for community recreation programs in accordance with a schedule acceptable to the DISTRICT, which shall not at any time interfere with the use of the buildings and equipment for any school purpose or other activities scheduled by the DISTRICT.
3. CITY, through its Department of Community Services, shall conduct, maintain and operate a program of supervised recreation at Santa Fe High School.
4. The term "Community Recreation Program" as used in this agreement shall mean those programs of recreation under the direction and supervision of the CITY which are open to the general public and shall not be construed to include those activities conducted and supervised by the DISTRICT after school hours.
5. This agreement shall be subject to the following conditions:
 - a. The Community Recreation Program conducted by the CITY shall be open to participation by all persons residing within the CITY and the DISTRICT.
 - b. The collection of any admission fees charged by the CITY for this program shall be the responsibility of the CITY and the receipts derived from such admission fees shall belong to the CITY. All fees shall be subject to the approval of the DISTRICT.
 - c. The CITY shall repair, cause to be repaired, or reimburse the DISTRICT for the cost of repairing damage to the premises or equipment occurring during periods of use by the CITY, except where such damage may be attributable to ordinary or reasonable use of such premises.
 - d. In the event that maintenance and repairs are required, the premises or that portion of requiring such maintenance and repairs, may be closed by the DISTRICT after notice to the CITY. Except as provided in Paragraph "c" above, DISTRICT shall pay all costs of providing necessary maintenance and repair of equipment and premises.
 - e. No changes shall be made to any building or equipment by the CITY without prior written approval of the DISTRICT.
 - f. CITY may formulate and enforce rules and regulations acceptable to the DISTRICT which are necessary to maintain proper standards of conduct and safety for all age groups participating in the Community Recreation Program.
 - g. All persons employed in the performance of services and functions for the CITY shall be deemed employees of the CITY, and no CITY employee shall be considered as an employee of the DISTRICT or under the jurisdiction of the DISTRICT for any purpose.
 - h. CITY shall, during the term of this Agreement, maintain liability coverage in the amount of not less than \$5,000,000 covering the CITY, its officers and responsible employees, from

any liability that might arise because of negligence, negligent acts or omissions on the part of any CITY officer, or employee, during the course of, and arising out of, the performance of the Agreement.

6. DISTRICT, its officers and employees, shall not be deemed to assume any liability for the negligence of CITY, or any act or omission to act on the part of the CITY or any of its officers or employees, which results in a dangerous or defective condition of property on DISTRICT'S facilities used by the CITY, and CITY shall hold DISTRICT and its officers and employees harmless from, and it shall defend DISTRICT and its officers and employees against any claim for personal injury or property damage to any person, resulting from CITY's operation hereunder, including costs of suit and expense for legal services.
7. CITY, its officers and employees, shall not be deemed to assume any liability for the negligence of DISTRICT or of any officer or employee thereof, nor for any defective or dangerous condition of said recreational facilities, play areas, buildings, grounds or other improvements located on the premises occupied by DISTRICT, and DISTRICT shall hold CITY and its officers and employees harmless, from, and it shall defend CITY and its officers and employees against any claim for personal injury or property damage resulting therefrom, including costs of suit and expenses for legal services.
8. This agreement and the services hereunder shall be effective July 1, 2015, upon approval of this agreement by resolution of the City Council and by action of the Board of the DISTRICT, and shall thereafter continue to and including the 30th day of June, 2020, and at the option of the CITY with the consent and approval of the Board of Trustees of the DISTRICT, renewed for successive periods of time as agreed upon by and between the CITY and DISTRICT. Notwithstanding any other provisions of this agreement to the contrary, this agreement, after the first year, may be terminated at any time by either party hereto by a one (1) year notice in writing.

Approval of Workers Compensation Insurance coverage for Individuals Providing Volunteer Services for the City of Santa Fe Springs

Recommendation

That the City Council adopt a Resolution providing workers compensation coverage for City volunteers.

BACKGROUND

The California Joint Powers Insurance Authority (CJPIA) provides the City of Santa Fe Springs with both liability and workers compensation coverage. It is the recommendation of the CJPIA, as part of their best practices recommends, that member agencies include coverage of volunteers in the workers compensation program.

When volunteers are covered, they are entitled to the same benefits as paid staff. Workers compensation benefits are finite and limited to medical, and retraining costs associated with a specific impairment. Volunteers are currently excluded from workers' compensation coverage, meaning if injured, they could seek remedy in the civil court system. The court may award compensation for pain and suffering plus other damages. While the volunteer must prove fault, the civil awards are often much higher than the corresponding workers' compensation benefits. If the volunteers are covered through the City's workers compensation coverage, they may not seek remedy in the courts.

The inclusion of volunteers is provided for in Labor Code 3363.5, allowing that persons who perform voluntary services without pay may be deemed employees for the purpose of workers compensation insurance.

FISCAL IMPACT

The addition of volunteers paid under this program will modestly impact the City's workers compensation premium by approximately \$15,000 per year.

Proclaiming the Month of May 2016 as "Mental Health Awareness Month" in the City of Santa Fe Springs

RECOMMENDATION

That the City Council proclaim the month of May 2016 as "Mental Health Awareness Month" in the City of Santa Fe Springs.

BACKGROUND

Every year in the month of May, Americans across the nation celebrate Mental Health Awareness Month. The outreach calls attention to strategies and methods that help all Americans achieve wellness, good mental and overall health.

When mental illnesses or disorders are talked about, the language typically used to describe them tends to be clinical and impersonal. These words, while useful for doctors or clinicians, often don't do justice to what life with a mental illness feels like. That is why this year's theme for Mental Health Awareness Month is "Life with a Mental Illness." Life with a mental illness calls to action to share what life with a mental illness feels like to someone going through it. Mental Health Awareness Month started 67 years ago by Mental Health America (MHA), a national organization. The organization raises awareness about mental health conditions and the importance of maintaining good mental health for everyone.

"Life with a Mental Illness" is meant to help remove the shame and stigma of speaking out, so that more people can be comfortable coming out of the shadows and seeking the help they need. Mental illnesses are common and treatable, and help is available. We need to speak up early before Stage 4, and in real, relatable terms so that people do not feel isolated and alone. Sharing is the key to breaking down the stigma surrounding mental illnesses and to showing others that they are not alone in their feelings and their symptoms.

People across the nation are encouraged to speak up about how it feels to live with a mental illness by tagging social media posts with *#mentalillnessfeelslike*. Posting this hashtag is a way to speak up, to share your point of view with people who may be struggling to explain what they are going through and help others figure out if they too are showing signs of a mental illness. Speaking out about what mental illness feels like can encourage others to recognize symptoms early on in the disease process, and empower individuals to be agents in their own recovery. Prevention, early identification, intervention, and integrated services work, helps build support from friends and family, reduces stigma and discrimination, and is crucial to recovery.

City of Santa Fe Springs

City Council Meeting

April 28, 2016

This May, Santa Fe Springs is raising awareness of the important role mental health plays in our lives. We are encouraging members of the community to learn more about their own mental health and to take action immediately if they are experiencing symptoms of mental illness. The Mayor may wish to call upon Ed Ramirez, Family and Human Services Manager to assist with the presentation of the Proclamation.

2016 SFS Fun Run/Walk and Health & Safety Expo – Recognition of Event Sponsors

RECOMMENDATION

That the City Council recognize the 2016 SFS Fun Run/Walk and Health & Safety Expo event sponsors.

BACKGROUND

The City of Santa Fe Springs has taken a more proactive approach to creating health and wellness programs within the City. In 2013, the City Council adopted the Health and Wellness Initiative to educate and empower the community to improve and maintain overall health and well-being and to advocate for a healthy community culture. This initiative directly addresses issues outlined in the 2013 "Community Health Needs Assessment" conducted by PIH Health Hospital and in a recent "Community Profile" completed by Los Angeles County. Both reports revealed that the entire City has been identified as having "very high" obesity rates compared to other Los Angeles County cities. Additionally, the "Community Health Needs Assessment" highlighted a high incidence of chronic diseases such as cancer, diabetes, high blood pressure, and heart disease in our City.

The development and implementation of the 2nd annual Fun Run/Walk and Health & Safety Expo was to address the goals of the initiative as well as the high obesity and chronic disease rates. The Community Services and Police Services Departments once again collaborated to bring back the outstanding Fun Run/Walk and Health & Safety Expo on Saturday, April 16, 2016 from 8 a.m. – 12 noon at Lake Center Athletic Park. A total of 1,230 participants ran or walked a 3.1 mile route that took them along various City streets with the finish line at the Lake Center Athletic Park track. Upon completion of the run/walk, all participants received a finisher's medal.

Once the run/walk was complete, participants and their families were able to take advantage of the many services and resources provided by the 50 community agencies present at the Health & Safety Expo. These included health-related information and resources, various public works and safety vehicles available for children to enjoy, and many more. The event featured demonstrations, raffle prizes, games, and food for sale. Additionally, children were also able to participate in the Munchkin Run which took place around the track. Children who participated in the Munchkin Run also received a Finisher's Medal.

PRESENTATION

Proclaiming the Week of May 1-7, 2016 as "Municipal Clerks Week" in the City of Santa Fe Springs

RECOMMENDATION

That the City Council proclaim the week of May 1-7, 2016 as "Municipal Clerks Week" in the City of Santa Fe Springs.

BACKGROUND

Municipal Clerks Week was initiated in 1969 by the International Institute of Municipal Clerks (IIMC) and is endorsed by all its members throughout the United States, Canada and 15 other countries. In 1984 and in 1994, Presidents Ronald Reagan and Bill Clinton, respectively, signed a Proclamation official declaring Municipal Clerks Week the first full week of May and recognizing the essential role Municipal Clerks play in local government.

Municipal and Deputy Clerks' main function is to serve as the council's foundation. Other duties include, but are not limited to, preparing agendas, taking minutes, maintaining ordinance and resolutions files, keeping the municipality's historical records and service as the clearinghouse for information about the local government. Another important responsibility is administering part or all of the local election functions.

One of local government's oldest positions is the Municipal Clerk. Their duties have expanded over the years and, today, modern technology assist them with their increasing responsibilities. To stay abreast of new computer applications, records management and other relevant information, many Municipal and Deputy Clerks return to the classroom to increase their knowledge of these issues, learn new material and sharpen old skills.

The week of May of 1-7, 2016 Santa Fe Springs wants to recognize the important role that City Clerks have in local government.

2016 City Clerks Week Proclamation

Proclamation

Municipal Clerks Week

May 1 - May 7, 2016

Whereas, The Office of the Municipal Clerk, a time honored and vital part of local government exists throughout the world, and

Whereas, The Office of the Municipal Clerk is the oldest among public servants, and

Whereas, The Office of the Municipal Clerk provides the professional link between the citizens, the local governing bodies and agencies of government at other levels, and

Whereas, Municipal Clerks have pledged to be ever mindful of their neutrality and impartiality, rendering equal service to all.

Whereas, The Municipal Clerk serves as the information center on functions of local government and community.

Whereas, Municipal Clerks continually strive to improve the administration of the affairs of the Office of the Municipal Clerk through participation in education programs, seminars, workshops and the annual meetings of their state, province, county and international professional organizations.

Whereas, It is most appropriate that we recognize the accomplishments of the Office of the Municipal Clerk.

Now, Therefore, The City of Santa Fe Springs, recognize the week of May 1 through May 7, 2016 as Municipal Clerks Week, and further extend appreciation to our Municipal Clerk, Janet Martinez and to all Municipal Clerks for the vital services they perform and their exemplary dedication to the communities they represent.

Dated this 28th day of April, 2016
