Cancel January Meeting

RECOMMENDATION

Staff recommends that the Advisory Committee:

• Cancel the regular scheduled meeting held in January 2023

The Heritage Arts Advisory Committee (HAAC) traditionally starts its new calendar year on the last Tuesday in January and meets on the months of February, March, April, May, June, July, August, October, September and November. Traditionally, the month of December has been dark.

Per the new advisory committee bylaws (Ordinance 1111, § 32.33), appointments to commissions and committees shall be made in January. The first City Council meeting in January is scheduled on January 3, 2023. The City Clerk's office will be sending reminders to all members late November to re-apply to committees/commissions if they are interested in continuing to be a member. The City will be placing a social media message for those that are interested in applying to submit an application. The social media post will most likely be posted in November. Due to the re-appointment process not being completed until January 10th with confirmation letters being sent to all appointees and cancellation of other City advisory committees such as the Family and Human Services Committee (FHSAC) and Historical and Community Preservation Advisory Committee (HCPAC) which have member representation on the HAAC, the HAAC appointments will most likely be completed for the February meeting rather than January. As such, it is staff's recommendation that the HAAC cancel the January 2023 meeting.

Dia De Los Muertos Recap

Rain didn't stop us from having a great Dia De Los Muertos event on Saturday, October 15th. Approximately 600 guests visited the event, which consisted of great tasting food vendors, sugar skull crafts for kids, 29 artisan vendors selling items, and a community ofrenda showcase. The live entertainment consisted of several dance groups as well as a performance by the Mariachi Catrinas.

Halloween Carnival & Haunted House Update

The annual Haunted House event has traditionally been held at the Activity Center in Santa Fe Springs. As a result of the State of Emergency imposed by the COVID-19 pandemic, the Haunted House was cancelled in 2020 and 2021. In previous years, the Haunted House is traditionally assembled in-house by City staff. Unfortunately, due to various unrelated maintenance tasks and other ongoing projects, the City does not have the staffing levels to support the assembly of the Haunted House. An administrative decision was made to publicly solicit bids for the assembly and removal of the Haunted House by a contractor. On July 21, 2022, the City received a total of one bid for this project, in the amount of \$52,800. The bid was presented to the City Council on August 16, 2022. At that meeting, the City Council gave direction to not move forward with the Haunted House and bring back options to enhance the Halloween carnival.

The annual Halloween Carnival will take place on Saturday, October 29, 2022 at Los Nietos Park beginning at 5 p.m. Fun and exciting activities are planned for the entire family in a safe environment. Children will have the opportunity to win candy and prizes at free game booths and have fun at the no-cost inflatable play zone. There will also be photo opportunities available for \$3. The on-stage costume parade will begin at 6:30 p.m. and medals will be presented to everyone who participates.

Creepy in the Park After Dark Lantern Tour

Join members of the Heritage Park Paranormal Society as they scour the park for ghostly visitors. Admission is free but donations are always welcome. This event is hosted by the Santa Fe Springs Historical and Community Preservation Advisory Committee. The event will be held on Friday, October 21 at 7 p.m. at Heritage Park.

Staff will be compiling the results over the next several weeks to present to the community and City Council. Additionally, staff solicited Request for Proposals (RFP) to provide design, architecture and engineering Services for the Santa Fe Springs Aquatic Center. A total of four proposals were received. Staff is in the process of reviewing and evaluating each proposal based on project-specific criteria. Results of the community survey and recommendation for an award of contract will be brought to the November 1, 2022 City Council meeting.
