“SATELLITE BEACH PUBLIC BEACH CLOSURES”

SATELLITE BEACH — In an effort to minimize the expected beach crowds to the City of Satellite Beaches this coming weekend, the City of Satellite Beach will be closing all public beach accesses between the hours of 11am and 4pm on Friday, March 27th, Saturday, March 28th and Sunday, March 29, 2020. The City is closing the beaches during these hours and days to ensure compliance with the Governor’s Executive Order 20-68. Any efforts to access the beaches through the dunes is prohibited and will be strictly enforced.
