Mayor, Council and City Manager,

On February 25, 2016, the Board of Trustees of the Central Skagit Rural Partial County Library District authorized Board Chair Mary Alice Grobins and Director Jeanne Williams to serve on the City's architect selection committee. The Trustees appreciate the opportunity.

In its February 25 motion to approve this participation, the Board indicated that participation in this selection committee does not signal any Board position on whether the library district would enter into a future relationship with the city. The motion stated:

Motion to authorize Mary Alice Grobins and Jeanne Williams to serve on the architect selection committee convened by the City of Sedro-Woolley with clarification that this does not commit the Board to a relationship with the City at this time.

However, the Trustees recognize the importance of being involved during this phase should a commitment be made in the future.

Thank you,

Jeanne Williams
