### **ZEO REPORT & UPDATE:**

None.

### **CODE ENFORCEMENT OFFICER REPORT & UPDATE:**

R. Jackson shared a list of properties that he has been dealing with for issues such as tall grass and weeds, garbage, and buildings in disrepair. A number of the properties have been cleaned up and those issues are considered closed. There are a few that he is still working with to get the issues resolved.

Chicken permits have been issued to four property owners. There is one property in town that has chickens without a permit, that Ray has spoken with. He has given them 10 days to remove the chickens or apply for a permit.

### **OLD BUSINESS:**

None.

### **NEW BUSINESS:**

R. Jackson presented the members with copies of documentation regarding proposed property maintenance requirements and vacant residential building registration for discussion. He asked that everyone read the documentation prior to the next meeting and come back with ideas regarding these topics.
