

Fire Flow Test Form

Sevier County Water Department

Sevier County, Tennessee

The following must be completed before the Sevier County Water Department will proceed with the requested fire flow test.

Date: _____

Name and address of person(s) requesting the test: _____

Name and address of company represented by the above person(s) if applicable:

Local addresses of the real properties benefitting from the test: _____

Payment of the current fee for the test to the Sevier County Water Department will be provided prior to conducting the fire flow test. It is understood by the requesting parties that Sevier County is not obligated to provide adequate fire flow throughout its water system service area.

The requesting parties will be completely liable for any and all damages of any kind that may result from the flow test including, but not limited to, damages to public and private property and any components of the Sevier County water system.

Sevier County reserves the right to terminate the test at any time during the test procedures if there are circumstances that occur that are not safe or property damages are likely or any other reason they see fit at their sole discretion. The fee paid will be refunded if the reason for termination relates to any malfunction or other problem of the Sevier County water system in the sole opinion of the Sevier County Water Department. The Sevier County Water Department will solely determine whether the requested fire flow test will be conducted. Fire flow test may be conducted Monday – Thursday between the hours of 8:00-12:00. Fire flow tests will not be conducted on Friday, Saturday or Sunday. Signature(s) of the persons named above are hereby representing their understanding of their responsibilities and liabilities associated with the test.
