[matc.edu/who-we-are/campuses-locations/index.html](http://matc.edu/who-we-are/campuses-locations/index.html)

### **Topics to be Discussed Will Include:**

- Outlook for water levels this spring and summer
- Coastal processes and the impacts of water levels on the coast
- Options to address water level impacts

**Who Should Attend** Anyone interested in learning about what to expect of the water levels of the Great Lakes and how it may impact the coast. All are welcome!

**Can't Attend in Person?** Join a meeting virtually at [zoom.us/j/152994777](https://zoom.us/j/152994777). Recording of the meetings will be available on the Wisconsin Sea Grant YouTube channel: [youtube.com/user/UWASC](https://youtube.com/user/UWASC)

### **Featured Speakers**

**U.S. Army Corps of Engineers**

**National Weather Service**

**Wisconsin Sea Grant**

**Wisconsin Department of Natural Resources**

### **Questions and Answers to follow the program.**
