

Resolution No. 2022 - 3
Water Rates
A Resolution Increasing Water Rates

BE IT RESOLVED by the Mayor and City Council of the City of Soda Springs, Idaho, that as of October 1, 2022 the monthly water rates will be amended on the following basis.

Section 1. Water rates are based on the number and types of installed fixtures, the number of rooms in the building, and the rates outside the city limits are based on one and one-half (1.5) times a corresponding user within the City of Soda Springs. Water use data was taken from meter sources in other cities on facilities and buildings similar to those in the City of Soda Springs.

Section 2. Water rates are divided into two parts: 1) **Base Rate**, which covers operating and maintenance costs and 2) **Formation Well**, which is dedicated to pay for the installation & improvements of the Formation Spring well. (water supply project - as ordered by Idaho DEQ)

Section 3. Customer classes are divided into residential, commercial, churches, schools or industrial classes.
