

ZONING AMENDMENT AND RECLASSIFICATION APPLICATION

The cost for the zoning amendment process is approximately \$150 to \$300, which covers the cost of mailing and publication. The fee is due whether or not the zoning amendment is granted.

The zoning amendment process requires that surrounding property owners within 1000 feet be notified of the requested zoning amendment. A notice must be published in the newspaper 15 days prior to a Planning and Zoning Workshop, which will be held at the next regularly scheduled Planning & Zoning meeting, and a Public Hearing will be held at the City Council meeting. The Planning & Zoning Commission will make a recommendation to the City Council regarding the zoning amendment request. The City Council will then make the final decision at the next regularly scheduled council meeting after the public hearing.
