

2023 ROAD IMPROVEMENTS PROGRAM

N. HAGADORN AREA

The project is on schedule for construction to commence, with preliminary sewer work to begin at the end of May and major sewer and road reconstruction to begin in mid-June by DiPonio Contracting, based out of Shelby Township, Michigan. Working hours for this project will be Monday–Saturday, 7:00 am–7:00 pm.

Below is a list of the project's significant features:

N. Hagadorn St, Chester Ct, W. Crest Ln, Orchard Ridge Rd, and S. Ridge Rd

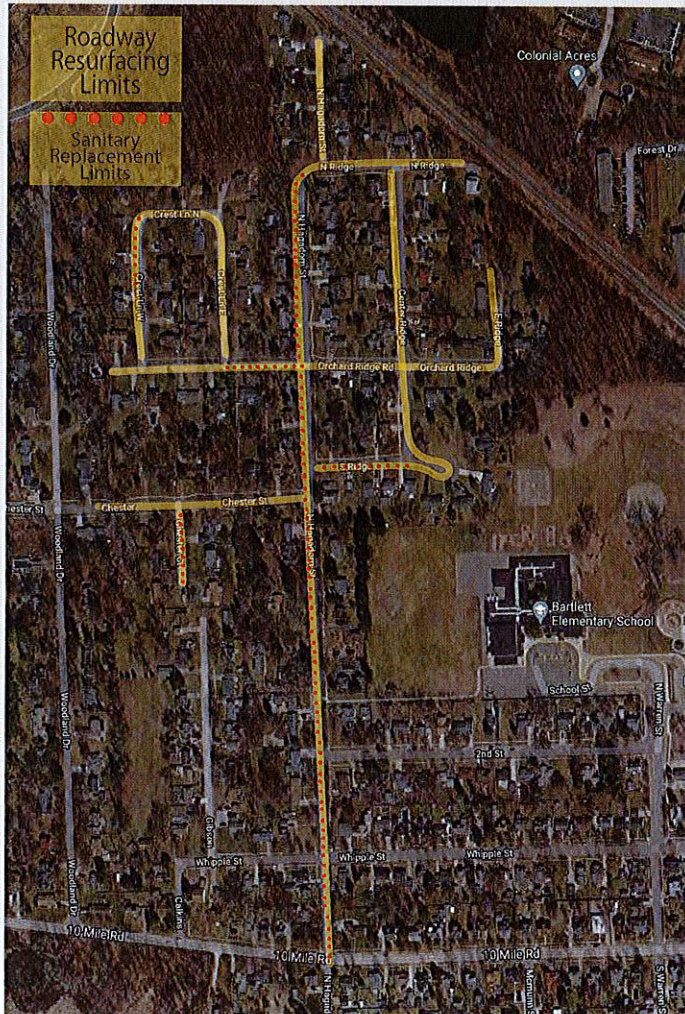

- Replacement of the existing 8-inch sanitary main with a new 8-inch main. (Full replacement on N. Hagadorn St and Chester Ct, partial replacement on W. Crest Ln, Orchard Ridge Rd, and S. Ridge).

N. Hagadorn St, S. Ridge St, Center Ridge Rd, Orchard Ridge Rd (East of N. Hagadorn St), N. Ridge Rd, Hagadorn Ct, E. Ridge Rd, W. Crest Ln, Chester St, and Chester Ct

- Removal and replacement of the existing HMA pavement, road base, curb, gutter, sidewalk ramps, and drive approaches.
- Improvement of storm sewer and road surface drainage.

Orchard Ridge Rd (West of N. Hagadorn St), N. Crest Ln, and E. Crest Ln

- Mill and overlay of the existing HMA pavement.
