- VI. Adjournment

# The City of South Lyon Regular City Council Meeting June 22, 2015

Mayor Wallace called the meeting to order at 7:30 p.m. Mayor Wallace led those present in the Pledge of Allegiance.

PRESENT:

Mayor Tedd Wallace

Council Members: Dixson, Kivell, Kramer, Ryzyi, and Wedell

Councilmember Kopkowski arrived at 7:32 p.m.,

Also Present: City Manager Ladner, Department Head Martin, Chief Collins, Chief

Kennedy, Attorney Wilhelm and Clerk/Treasurer Deaton

#### **MINUTES**

#### CM 6-1-15 MOTION TO APPROVE MINUTES

Motion by Kivell, supported by Wedell Motion to approve minutes as presented

VOTE:

MOTION CARRIED UNANIMOUSLY

**BILLS- None** 

#### **AGENDA**

City Manager Ladner stated she would like to remove item #8 from the Agenda. The Union has not ratified the contract yet, there was some additional language they wanted changed.

Councilmember Kopkowski stated at the last meeting she asked for the City Manager Goals to be added to the Agenda for this meeting. City Manager Ladner stated she did not recall that. Mayor Wallace stated he doesn't recall that. Councilmember Kopkowski stated she would like the item added to the next Agenda.

#### CM 6-2-15 MOTION TO APPROVE AGENDA AS AMENDED

Motion by Kivell, supported by Kramer Motion to approve the agenda as amended

VOTE:

#### **MOTION CARRIED UNANIMOUSLY**

Mayor Wallace stated he would like the Fire Officer Swearing in to take place before public comment.

6/22/2015

Chief Kennedy stated he would like to praise Chief Collins and our South Lyon Police Department, along with the Oakland County Sheriff Department because of their excellent police work; they were able to get a conviction on the arson fire that occurred on University last year. It is very difficult to get a conviction on an arson case.

Chief Kennedy stated tonight he would like to swear in 3 Fire Officers, Mike Weir to Deputy Chief, Cory Armstrong to Captain, and Chris Demeniuk to Lieutenant. He stated they have spent numerous hours away from their families for training and classes. Our command and organization is run by volunteer personal. They went through a competitive process. He appreciates their service. Clerk Deaton swore the newly promoted Fire Officers in. Mayor Wallace stated we are very lucky to have them in our City.

#### PUBLIC COMMENT

Carl Richards of 390 Lenox stated he would like to note a couple of things. On the 29<sup>th</sup> of July begins the official commencement of shut down for the Michigan Seamless Tube Company for two weeks. Mr. Richards stated after the 4<sup>th</sup> of July weekend, the railroad will be closing the tracks at 10 Mile. City Manager Ladner stated they have already improved that area. Mr. Richards stated that was temporary. He further stated a minor occurrence happened on this day back in 1946 that was the start of his journey. Mayor Wallace wished him a Happy Birthday.

#### **OLD BUSINESS**

1. Consider resolution authorizing the selected location of McHattie Park as the location the Community Center and authorizing the designated City delegate to negotiate the land acquisition and utility connection fees

Councilman Kramer stated the Recreation Committee is here to recommend the usage of a parcel of McHattie Park for the location of the Recreation Center. He would like to thank the volunteers that have put in 3 years of hard work, Karen Webber, Amy Ponsock, Mark St Charles, Jenny Urtel, Patty Carcone, Jason Bibby, Ron Morelli, Scott Black and himself. He stated this is just the beginning; the main issue they dealt with was having all 3 communities agree on the location. He further stated this is far from being a done deal, there is much more to deal with.

Amy Pontock stated she is a resident of Green Oak Township and her family is very active in South Lyon Recreation programs. She stated she is here to present a presentation of what the next step will be if this is approved. Ms. Pontock gave a power point presentation reflecting the work they have done, and what still needs to be done. She stated there was a survey completed and the majority of the people were interested in having a Recreation Center. The surveys were from residents from the City, Lyon Township, Green Oak Township, Salem Township, as well as some from other communities. There were only 3.2% that were not interested at all. Most of the things that were asked for were a pool, work out center, walking/running track, and a children's water park among other things. She stated they created

a committee; it is comprised of 3 members from each of the three communities. Amy Allen the Director of South Lyon Recreation is involved as well as Linda Graham, Director for the South Lyon Senior Center. She stated in 2013 they began trying to find a location and spoke with other communities that had successfully created a Recreation Center. She further stated the Board inquired about partnering with other groups and communities, Salem Township decided not to participate. She further stated the three communities donated \$10,000 to use toward the design. The criteria they used to find a location was as follows:

- 1. Centrally located
- 2. Population density
- 3. Access to other activities and businesses
- 4. Land suitable size
- 5. Accessible non-motorized transportation
- 6. Minimize environmental impact
- 7. Municipal owned land
- 8. Utility availability

Ms. Pontock stated the Committee reviewed 12 sites Green Oak Township does not own any municipal property large enough for the Center. They reviewed 2 sites in Salem, but they decided to not participate. They didn't think it is a good idea to purchase property from a private owner because if they did and the Mill was voted down, South Lyon, Area Recreation Authority would be left paying for a property they cannot afford, therefore there were a few properties that were removed from the list of possibilities. Lyon Township had a few properties they considered, although one parcel will be used for a school, as well as one location that will be used for Lyon Fownship's new Library. The property owned by Lyon Township on Wilford Road did not meet the criteria they would like. The other properties are all privately owned, which would make them too expensive. They considered Volunteer Park, but it is not a centrally located area, as well as other groups are already looking into developing the park with more ball fields. She further stated MicHattie Park meets all the criteria they were looking for. They are proposing the building being built where the two houses that are municipality owned are currently located along Pontiac Trail. The community center can be a destination. We can have an outdoor splash park, an indoor pool, basketball courts, meeting rooms, this is intended to be a place that has something for everyone. After much research they are asking for Council to approve the southeast corner of McHattie Park to be used for the Recreation Center. Scott Black of 946 Westbrooke stated he is a licensed architect and he has been in South Lyon for over ten years. He further stated the proposed location is the southeast comer. Mr. Black stated the playground would be relocated with 30% additional equipment. He further stated the next steps will be a presentation for Lyon Township and Green Oak Township, a site tour, conducting community forums, workshops, and final due diligence for financial information, as well as a traffic study as well as other steps. He stated they would like it to be ready to be on the ballot for 2016 for each of the three communities. Councilman Kramer stated there are so many hurdles they have to pass before they put a shovel in the ground. Each of the 3 communities must approve this. They need to have the location approved to move to the next step. We need support from Council to at least move forward with the next step which is the conceptual design so they can get a cost estimate before moving forward. Councilman Kivell stated a budget is

discussed, but a number is never given. Councilman Kramer stated there are three different building plans they have discussed. The small building came in at 17.3 million, and they decided that would not work, they would be carrying a loss each year. Without the gym, they wouldn't have had enough revenue. The medium version included one gym, and the large version including two gyms came in around 25 million. They used the larger footprint when selecting McHattie Park as a location. There are so many issues with funding, but without a location it is much harder to move forward. Councilman Kivell stated it is a complicated issue. He further stated you can't do something until you have answers, we can't commit until we have answers as well. There are parking issues, baseball fields are maxing out all the parking areas right now, and it makes it more difficult if there is another event happening. Councilman Kramer stated they paid for an appraisal of the property and that money was wasted, there was no way it was affordable. He further stated before moving forward with a traffic study, and a conceptual design of what the building will look like, they need to know they have the support of Council for the location. There is much more that will need to be done councilman Kivell asked if they support this location, how long the land will be obligated to the Recreation center before we know for sure if it will be used. Councilman Kramer stated they would like to have this on the November 2016 ballot. He further stated they have some money left from the original money donated by the three communities, and they want to move forward, but they don't want to move forward spending that money if there is no support for the McHattle Park location. Even with Council approving the location, we may find out it isn't feasible. Council nember kopkowski asked if there are any restrictions on the deed. Councilman Kramer stated he has a copy of the deed, but doesn't recall seeing any restrictions. Mayor Wallace stated it was donated as park land. More discussion was held regarding process for using McHattie Park for the Recreation Center location. Councilman Ryzyi stated the numbers he wrote down from the Community Center was essentially 20 million, but there are many costs not accounted for, such as traffic study, moving the playground, cost of the homes. He asked what the estimate would be involving all of these items Councilman Kramer stated they cannot discuss infrastructure cost without having a location, otherwise they would be guessing. Councilman Ryzyi stated he is uncomfortable with the language in the resolution as presented. He would rather have a discussion instead of having a resolution making it definite. Councilmember Kopkowski stated she believed they already had a conceptual design. Councilman Kramer stated we do, we need an infrastructure design. Councilmember Kenkowski asked what the top end of their budget is, and that is something they must have. Scott Black stated until the site plan is engineered we do not have a number. He further stated in the building cost, we carry the site cost and utility cost. Councilman Kramer stated if we have the approval for the location, the fear come back at a later time with all the numbers Council is requesting. Councilman Ryzyi stated he feels the discussion regarding money is necessary. Councilman Kivell asked if they have a back-up location. Councilman Kramer stated they do not have a back-up plan. Mayor Wallace stated this doesn't take the park away from the City, it provides them with a stepping stone to move on from this point. Mayor Wallace stated the part they are asking to use was not donated property; it was property the City purchased. He further stated they have worked on this for over 3 years. He further stated it will still have to be approved by the voters in all three communities. Mayor Wallace stated it could be an asset to our community, but the traffic is an issue, and it could be the issue that would stop this project, but they are just asking for a footstone to continue moving forward.

Councilman Wedell stated this is a significant body of work to just get to this point, he is afraid if this isn't resolved today, it will come to a halt. He believes he can support this process, and if it leads to a very nice community center it would be great, if it doesn't come to fruition, then it doesn't. There is time for Council to be heard on the topic as well as residents on the vote, but he is ok with the Committee moving forward. City Manager Ladner it seems Council is uncomfortable with the language of the resolution, and a possible solution is for Council to make a motion to support the Committee to continuing to use this site as their primary location for continuing all of their contingency work to look at the overall cost for the project, then they could bring a resolution back to the Council to approve. Councilman Ryzyi stated he has attended multiple meetings for the Recreation Center and he stated 11 Mile and Milford Road property was ruled out because of the cost for the utility hook-up fees. He further stated they were told if the price goes over \$20 million the project would be scrapped. Councilman Kramer stated that statement was based on 2012 taxable values. The taxable values have increased by a great deal; he didn't have access to those numbers at the time that statement was made. Councilman Ryzyi stated his point is before it seems there is more money that they can use to possibly use the other sites. Mayor Wallace stated McHattie is within easy walking distance for the schools, as well as Volunteer Park which is the location he is pushing for. Councilmember Kopkowski asked why the privately owned properties were not considered, and why couldn't the Committee use that as the conceptual design. Councilman Kivell stated outside of the cost, his concern is the impact to the downtown area. Granted there will be more people coming into town, but if it becomes so onerous that people cannot get through town, it negates the potential of people visiting our downtown businesses. Mayor Wallace stated the owner of the Dixboro property is ready to negotiate, he called him today. He has also offered to run, a sidewalk to Hadagorn. Mayor Wallace stated the pavement is already laid and it is a 10 acre parcel, this could be the committees Plan B. Councilman Kivell stated he would like to see if that property is a viable location. Councilman Kramer stated that sounds like a great idea, but again that is something they would have to purchase, and if something happened and if the center wasn't passed, SLARA would be stuck with the property Mayor Wallace stated he feels the Committee deserves to be able to move to the next step. More discussion was held regarding the Dixboro location and the time the Recreation Center Committee has spent on finding a location. Councilman Kramer stated the other two communities were not interested in the Dixboro location being used. Dean Whitcomb of 25885 McRory in Lyon Township, stated the simple question is if the three communities agree that McHattie Park is the best location, the question that needs to be answered that he isn't hearing tonight, is Council willing to lose some green space for this to be placed in McHattie Park. Mike Tulio of 549 Graefield stated he would like to know why after Council spending over two hours discussing the McHattie Park location, and the viability with the study moving forward, it seems to him they are just asking to move ahead to move forward and see how much that will cost. He further stated he would like to know why Mayor Wallace held onto the information regarding the Dixboro property, when all along he knew that property was available and never mentioned it. Mayor Wallace stated he brought it up when it was stated there is no Plan B. Kerry Jones of 883 Hidden Creek stated she appreciates the presentation and the time they have spent on this. She further stated she understands the selection criteria, but she doesn't like the location. She further stated she likes the idea, but not in the City. Ms. Jones stated there are other issues that need to be taken into account, such as traffic and

space and hates to lose the park. She further stated she does appreciate all the work they have done, maybe the selection criteria needs to change. Ryan Lare of 716 Grand Court stated he thinks this should be tabled until another location can be determined. He would like to keep McHattie Park and have a Recreation Center. Jill Zamojcin of 205 Maplewood stated she has lived here for 13 years and she appreciates the work they have done and she would love to volunteer to help. She loves the downtown area, but she avoids it. It is a great idea for the kids to walk to the Rec Center, but how many people would really be walking there. The traffic alone is a nightmare, and she thinks other areas should be reconsidered such as the Lyon Township park area. Her neighbors are not happy with this site either. The majority of the people on the South Lyon What's Happening Now on Facebook do not like that location either. Ryan Ryzyi of 25550 Meadow Court stated based on the surveys most people wanted the recreation center, but there was nothing in survey regarding location and cost. He further stated you are asking Lyon Township to pay for the Recreation Center and have it in the City of South Lyon, it is a wonderful idea, but he wants it in Lyon Township. If he is going to pay for it, he wants it in his neighborhood. Travis Mueller of 605 Orchard Ridge stated everyone has done a great job and he can see a lot of heart and commitment. He stated the major costs will not be up front, it will be in the maintenance and long-term up-keep, remodeling and so on. He further stated he is not looking for numbers, but what is the plan for the long term income. Mr. Meuller stated if things fall apart with the other communities we are the ones stuck with it. He doesn't think it is right for the community at this time. Kirk Erven of 738 West Hills Drive stated would like to thank everyone for their time and effort. His concern is seeing a 20 minute presentation, then we get a new piece of information, and now it seems it is moving in a different direction. He thinks it makes sense to take the next step; his question is the Committee asking for more money, or approval to take the next step. Brian Mackey at 1222 Wellwood Circle stated he would like to thank them for all their time, it is like another full time job. He stated government does not move tast, you should have more communication with the residents, and it doesn't seem like 900 people filling out a survey does not seem to be a fair representation of what the residents want. He further stated he doesn't believe all three communities agreed that McHattie is the best location. McHattie Park will be destroyed; it will be lost for two years during construction. Volunteer Park is wide open and quick to get to. He is uncomfortable with the language if it is giving them control of the park. Chris Sharker of \$9878 Tallberry Circle stated he has gone to many of the Recreation meetings. He stated he always asks the same questions, such as privatizing the project, other locations, and the cost. He further stated the number changes each time he has asked, when does the plug get pulled and it just doesn't happen. He further stated the message he gets is to get it built now, and pay for it later. He stated he is always available to help. His point is the conversation is very limited. Eric of 20908 Oak Tree Drive stated he grew up in Canton and Ford road was a two lane road. It is now unlivable. He is watching the same thing happen on Pontiac Trail. He further stated we can never get open space back, Ford road is one giant strip mall, he would hate to see 2 or 3 years of construction take that park away from his kids during construction. He further stated what happens if property values go down once again. You are putting in

Lifetime Fitness on the backs of the tax payers, it doesn't make sense. The traffic will get worse and we will pay for it. Stephanie Folk of 237 Brookwood Drive stated she would like them to look at the cost comparison for using the properties at Dixboro and 11 Mile and Milford Rd. Allegra Kranz of 347

Hampton stated she lives directly across from the Witches Hat and last Thursday there was a party in the gazebo, and with the two ballgames going on, there was no parking left. People were parking on the grass. It will be impossible for the people in her condo complex to get out of their parking lot. Rose Walton 365 Hampton Court stated they have the same concern about the traffic. Also, she would like to know if the water and sewer can handle it, she would like all three presentations. Cindy Walton of 280 Gibson stated she is a 40 year resident here and her children used that park as well as her grandchildren. She would like them to come to the residents with 3 proposals. She hears them saying it must be McHattie Park, but she wants them to look into other sites. Gerald Spauller of 278 Wellington Drive stated he does not want his taxes raised; they need to find another way to finance this. Councilman Kramer stated they meet the third Monday of the month and he hopes anyone that voiced concerns may come to future meetings.

#### CM 6-3-15 MOTION TO TABLE THE DISCUSSION FOR THE RECREATION CENTER

Motion by Kopkowski, supported by Ryzyi

Motion to table the discussion until the 10 Mile and Dixboro site can be evaluated

VOTE:

#### MOTION CARRIED- 1 opposed

2. Consider revised/renegogiated options for City Attorney Retainer Agreement

City Attorney Wilhelm stated Council designated an ad hoc committee to meet with him regarding the Contract he presented previously. He stated it was negotiated to use a hybrid contract of \$9,000 for a retainer for 80 hours per month and hours over 80 amonth will be billed at \$135 in one year, \$140 in year 2, and \$145 in year 3. Personal and employment matters are out of retainer and billed at \$160.00 per hour consistent with current agreement. Councilman Ryzyi stated he had asked about the City Attorney limiting his hours and asked the had that conversation with City Manager Ladner. Attorney Wilhelm stated he has not spoken with her as of yet. He wasn't able to speak with her in this past week. He will certainly explore that and take direction from Council and the City Manager. Councilmember Kopkowski stated she doesn't have a problem with bringing the Attorney's wage up, but she has an issue with how much the City Manager uses him. She further stated since the City Manager has come on board we have used the City Attorney more often. Councilman Kivell stated it has only been one additional hour since she has come on. Councilman Ryzyi stated he would like to know what the final raise is in the contract. He further stated the current raise is 61%. Councilman Kramer stated you were on the ad hoc committee and yet you are still criticizing the contract. Councilmember Kopkowski stated she would like to see City Manager Ladner not lean on City Attorney as much as she has been. Councilman Kivell stated if it involves legal, the Attorney must be involved. City Attorney Wilhelm stated there is some work that could be done within the City staff, but legal work is legal work. Discussion was held regarding who will be doing Human Resources for the City. Attorney Wilhelm stated a meeting of the minds and direction by the City Manager needs to be discussed regarding when things should go to the City Attorney, but you don't want to limit people too much so they cannot get things done.

Councilman Kramer stated he would like to see the City Attorney's bills in the Council Packets for the next three months to see what we are being billed for. Councilman Kivell stated he would like them in electronic form. Councilman Ryzyi stated this is outside of his comfort range, so he will be voting no.

#### CM 6-4-15 MOTION TO APPROVE RETAINER AGREEMENT WITH JOHNSON, ROSATI, SCHULTZ & JOPPICH

Motion by Kivell, supported by Wedell Motion to approve the retainer as presented

VOTE:

MOTION CARRIED- 1 opposed

#### **NEW BUSINESS**

1. Consider approval of Budget Amendments for FY 2014-2015

City Manager Ladner reviewed the presented Budget Amendments for the fiscal year of 2014-2015. Gas and Electricity rates fluctuate from year to year. There is an increase in under the Administration line item due to the storm sewer relocation that Council approved. We have to increase a line item for the vehicle maintenance for vehicle repair. They are discussing a way for the mechanics wages being charged off to whichever department's vehicles he is working on. There was a decrease in the line item for education due to the employees being able to attend more free classes. She further stated under the Major Streets line item there was an increase in snow plow operating due to road salt purchases. There was an increase under the Land Acquisition fund due to the purchase of an easement. She is not happy about the increases under Professional services due to HRC invoices for the DWRF, also contractual services for Bricco invoices for DWRF. She is unhappy with receiving invoices for the work that was completed last year. Councilman Wedell asked why the revenues reflect a decrease of \$89,000 in General Fund, then on the expenditures increase reflects \$39991 which is an imbalance and he would like to know where that gets reconciled. Bookkeeper Lori Mosier stated we don't have all the revenues yet, we are still \$6,000 in the black. City Manager Ladner stated we are expecting a check for \$25,500 from the Metro Act which we should receive this month.

## CM 6-5-15 MOTION TO APPROVE THE PROPOSED BUDGET AMENDMENTS AS BROUGHT FORTH THROUGH JUNE 18, 2015 FOR FISCAL YEAR 2014-2015

Motion by Wedell, supported by Dixson

Motion to approve the proposed budget amendments as brought forth through June 18, 2015

For fiscal year 2014-2015

#### VOTE:

#### MOTION CARRIED UNANIMOUSLY

2. Review IT contract services proposals and consider approval of contract with an IT contract services provider

City Manager Ladner stated we sent out an RFP for IT services to 4 companies, and we placed it on our website. We received two bids, from JWTEK and VisiCom. JWTEK currently takes care of IT services for the Police Department. VisiCom is the company that we have used since Tech Resources went out of business. JWTEK is the low bidder, proposing \$15,000 per year for their retainer. She asked the Chief of Police to write a memo regarding their experience with them. City Manager Ladner stated the City has had a good experience with VisiCom and she would prefer to contract with them. VisiCom proposed a yearly retainer fee of \$22,199 for year one, \$22,864.97 for year two, and \$23,550.92 for year three. VisiCom is experienced with governmental clients and she feels they will give the City the best service. City Manager Ladner stated normally she would prefer to use the lowest bidder, but in this case, she would like to contract with VisiCom. A representative of VisiCom was present and he stated the company is very familiar with the BS&A Software that the City is possibly going to purchase, as well as working with other municipalities. Discussion was held regarding the different options presented in the RFP.

#### CM 6-6-15 MOTION TO DEVIATE FROM THE LOWEST BID PROCESS

Motion by Wedell, supported by Kramer

Motion to deviate from the low bid process to accept higher bid with a higher benefit of service

VOTE:

#### MOTION CARRIED UNANIMOUSLY

#### CM 6-7-15 MOTION TO APPROVE 1 YEAR CONTRACT WITH VISICOM

Motion by Kramer, supported by Kivell

Motion to approve the contract with VisiCom Services, Inc. option #1 for one year for \$22,199 and the option to renew for years 2 and 3.

#### VOTE:

#### MOTION CARRIED UNANIMOUSLY

3. Consider bids for the replacement of Furnace and A/C units for the main Police Building as budgeted for in the adopted FY 2015-2016 City Budget

Chief Collins stated this was in his 5 year capital improvement plan, but it appears it needs to be replaced now. One of the two A/C units failed about two weeks ago. He further stated they went through the bid process and they received a very fair bid from McGraw Mechanical for \$4,999.00 Councilman Ryzyi stated he would like to thank the Chief for the great job with the bid process they followed; this is a good price considering some were coming in at \$7,000

## CM 6-8-15 MOTION TO APPROVE THE PURCHASE AND INSTALLATION OF FURNACE AND AIR CONDITIONING UNIT

6/22/2015

Motion by Ryzyi, supported by Kivell Motion to approve the purchase and installation of the furnace and air conditioning unit as bid By McGraw Mechanical for \$4,999.00

#### VOTE: <u>MOTION CARRIED UNANIMOUSLY</u>

4. Consider bids for replacement of two Ford Crown Victoria police vehicles as budgeted for in the adopted FY 2015-2016 City budget

Chief Collins stated he would like to replace two 2010 Crown Vies, one has 88,000 miles and the other has 90,000 and both have had significant repairs. He is requesting the replacement of both cars with two 2016 Ford Police Interceptors. The bids are from the Macomb County bid, which is lower than the State of Michigan Bid.

#### CM 6-9-15 MOTION TO APPROVE THE PURCHASE OF TWO 2016 FORD POLICE INTERCEPTORS

Motion by Kopkowski, supported by Wedell

Motion to approve the purchase of two 2016 Ford Police Interceptor Utility AWD vehicles

From Signature Ford, under the Macomb County Bid, at a cost of \$51,242

#### VOTE: MOTION CARRIED UNANIMOUSLY

5. Discuss whether or not to give the City Planner authorization to develop an ordinance allowing chickens within the City limits

City Manager Ladner stated at the June 8<sup>th</sup> meeting a City resident asked if Council would consider changing the Ordinance to allow backyard hens in the City of South Lyon. She further stated Councilman Ryzyi and Councilmember Kopkowski requested to have this added to the next Agenda. City Manager Ladner stated there are several issues that need to be addressed before an Ordinance could be amended. She stated she has provided the language from other communities for Council to consider. Councilman Kivell stated he liked the language used for the City of Ypsilanti. He further stated if it is within a certain distance of their neighbor, their neighbor would have to ok it. Councilman Kivell stated there will also be restrictions added by the local Homeowner Associations. Councilman Ryzyi stated there are definitely restrictions needed. He stated it is just not about having chickens, it is a way of living and about providing food. He further stated it is a property issue, and as long as you're not infringing on your neighbor he isn't opposed to this. City Manager Ladner stated she agrees with Councilman Kivell that the City of Ypsilanti does have the best language for their Ordinances as well as the permit form. Councilman Kramer stated he is curious regarding the distance restrictions, there are not many homes in the City that will allow for hens. He further stated he has had many people tell him they are against their neighbors having backyard hens. He stated if we pass an ordinance with limited

distance restrictions, it may create more problems, and we will have a very busy Ordinance Officer. Councilman Wedell stated he agrees with Councilman Kramer. He further stated he has read the Ordinances presented by the City Manager from other communities, and if it is handled so there are reasonable setbacks, and permission is given by the neighbors, he may go along with that. Councilman Kivell stated if someone is not managing their hens, they may have to lose their permit and get rid of their chickens. City Manager Ladner stated she will draft an Ordinance and work with our Planner to make sure we don't violate any other Ordinances. City Manager Ladner stated she can have this ready by the second meeting in July for Council to consider.

6. Consider approving changes to the City cell phone contract with AT&T

City Manager Ladner stated Clerk Deaton brought this information to her. We discovered the City is on a business plan, and not a government plan which will save us some money. She further stated she would like to discontinue the current phone line that is designated to her. She stated she currently has that phone number forwarded to her personal phone, therefore she would like to cancel that line. She further stated if we cancel that phone line along with changing to the governmental plan, we will save \$179.00 a month. City Manager Ladner stated it shouldn't be a problem with the new FOIA laws, because all of her email also goes to her phone, which goes through the City Server. Mayor Wallace stated he uses his personal phone and he doesn't see an issue with this. Councilman Kramer asked if it will be a problem with the amount of data in the plan and people not going over the limit. City Manager Ladner stated we only have 3 phones which use data and it hasn't been an issue.

#### CM 6-10-15 MOTION TO APPROVE THE CHANGE IN PHONE SERVICE

Motion by Wedell, supported by Kramer

Motion to approve the change in cellular phone plans from business to governmental and to cancel the underutilized phone line for the City Manager

#### VOTE MOTION CARRIED UNANIMOUSLY

7. Consider approval of contract with BS&A for new financial, utility billing, building permitting and web access software to allow for scheduling FY 2015-2016 implementation

City Manager Ladner stated she is requesting Council to approve the contract for BS&A which was approved in the City budget for FY 2015-2016. She stated all of the software will not be installed at the same time, due to different departments being busy at different times of the year. The total contract is for \$72,250.00 she further stated the cost will be broken down between the different departments. She further stated BS&A have done a site check to ensure all of our hardware and server can support the new software. This is a site license as opposed to a per computer license. We will all have these modules on our computers; she will be able to look at the fund balance and general ledger instead of bothering the bookkeeper. City Manager Ladner stated all the property records will be available online,

and this will also allow residents to pay online with credit cards by a third party. There is a convenience fee which the resident will be aware of before finishing their transaction online, it is usually approximately 2.95 Councilman Kivell stated this is the same system Oakland County uses so it should mesh nicely.

Motion by Kramer, supported by Wedell Motion to approve the contract for the implementation of BS&A software for fiscal year 2015-2016

#### MOTION CARRIED UNANIMOUS

#### MANAGERS REPORT

City Manager Ladner stated the RCOC has issued their guarterly brochure, and she wanted to ensure Council was aware of it. She stated there is a thank you letter that didn't make it into the packet by mistake. She further stated she has included a copy of the agenda for the MGMLA workshop she will be attending this summer for continuing her education and maintain her credential manager status. City Manager Ladner stated Councilmember Kopkowski requested information on food trucks in the City. She has provided that information in the packet and our Planner will be looking into what other communities have done. He will be giving Council a recommendation on how to deal with the issue. She stated she has given Council Members a survey from information she has collected on a list serv regarding our Cemetery. It may be necessary to raise fees in the near future to ensure the perpetual care fund stays in place. She will be on vacation in Kansas for the next week, but she will be available and will respond. City Manager Ladner stated she has spoken with the DDA regarding a Blight Grant that may be available.

#### COUNCIL COMMENTS

Councilman Ryzyi stated residents have reported to him that there are trucks that are going through, and he wants to make sure Lynne isn't afraid to red tag them again if necessary. Chief Collins stated the trucks that were there today were actually working on a private residence; it wasn't anyone working on the Knolls. He further stated the Officers are aware to do extra patrols in that area, and they do have commercial carrier training. Councilman Ryzyi stated he is happy there are other locations being considered for the Recreation Center, he doesn't feel McHattie Park is appropriate for that.

Councilmember Kopkowski stated she would like to ensure the Managers goals will be on the next agenda. Mayor Wallace stated that was done in January. Councilmember Kopkowski stated they are doing a dis-service by not discussing and agreeing on goals for the City Manager.

Councilman Kivell stated he meanders by the Knolls occasionally, and he has not seen where any commercial vehicles have been going through the subdivision. He further asked if the pre con meeting has been handled yet. City Manager Ladner stated they are ready to move forward pending outstanding permits from the State, and they are currently still working with Bob and HRC to keep it moving forward.

Councilman Kramer stated he would like to know if the Council will support looking further into the 10 Mile and Dixboro property if the owner is willing to negotiate on the cost. Councilman Kivell stated he would support moving forward with that location. Councilman Ryzyi stated he doesn't want to agree to something when he doesn't know what he is agreeing to. He further stated he is happy the McHattie location is no longer being considered. Councilman Ryzyi stated he will pass, because he cannot vote on something that isn't before him. Mayor Wallace stated he didn't mean to muddy the waters, it just a came up this afternoon at 2:30 this afternoon. Councilman Kramer stated he understands that, but we discussed this with everyone getting upset for almost 2 hours and it was never brought up until the end. Mayor Wallace stated he didn't want to interrupt the presentation. Councilman Kramer stated he wished he would have because now the focus has changed to the Dixboro property. Department Head Martin stated a lift station will have to be installed at the Dixboro pocation.

Councilmember Wedell stated he is not inclined to say no to just to be saying no. Councilmember Kopkowski sated she agrees with Councilman Wedell. Councilman Kivell stated the Council is completely willing to do the work, but he doesn't want them to do the work if there isn't going to be support on the Dixboro location. Councilman Kivell stated it shouldn't be a cluster of smoke and mirrors to get try to get it by people. Councilman Kramer stated they are trying to be open and do things by the book. Councilman Kivell stated there were some people in the audience today that stated that may not be true. He further stated he attended a couple of meetings and information exchange was not the highlight of those meetings, it was more of how do we package this so we can sell it. Councilman Ryzyi stated some of the minutes are not available on the Recreation Centers website, and as of this morning there are still some meetings missing. Councilmember Dixson stated she is happy with the Dixboro location, not the McHattie location.

Mayor Wallace stated the Ham Radio Club meeting Saturday at 2:00 until Sunday 2:00 at Atchison Park. It is very important to have a club in our area. It has been active since 60's. He further stated they set up their antenna towers and they spend the night and you can listen to people all over the world talk. Mayor Wallace asked for the status on the rock by the Witches Hat. City manager Ladner stated she has a document ready for the Council to sign and be notarized, which they can then move the rock.

#### CM 6-11-15 MOTION TO ADJOURN

The meeting was adjourned at 11:30 p.m.

## AGENDA NOTE New Business: Item 2

**MEETING DATE:** July 13, 2015

PERSON PLACING ITEM ON AGENDA: Lynne Ladner City Manager

**AGENDA TOPIC:** Consider requesting that the DDA board begin the process to identify specific project properties and undertake the process of preparing to apply for the 2016 Michigan Blight Elimination Program

**EXPLANATION OF TOPIC:** I have met with the DDA board and we are interested in beginning the process of identifying a location and starting the process necessary for the City and the DDA to apply for funding for the 2016 Michigan Land Bank Blight Elimination Program.

**MATERIALS ATTACHED AS SUPPORTING DOCUMENTS:** Attached is a copy of the program details for the 2015 program

**POSSIBLE COURSES OF ACTION:** Approve/do not the DDA moving forward with identifying a location and beginning the process for applying for funding for the 2016 Michigan Land Bank Blight Elimination Program

**RECOMMENDATION:** Approve moving forward with the program **SUGGESTED MOTION:** Moved by, \_\_\_\_\_\_ seconded by, \_\_\_\_\_ to allow the DDA and the City to take the necessary steps to move forward with applying for the 2016 Blight Elimination Program

#### 2015 Michigan Blight Elimination Program Statement and Application

#### **Program Statement**

#### <u>Introduction</u>

In 2012, Michigan Attorney General Bill Schuette and other participating state Attorneys General entered into a settlement with the five leading bank mortgage servicers. The National Mortgage Settlement requires servicers to provide monetary sanctions and relief and mandates comprehensive reforms in mortgage loan servicing. Michigan received \$97.2 million for the purpose of creating the Homeowner Protection Fund and a portion of these funds were appropriated by the Legislature to Michigan State Housing Development Authority (MSHDA). In 2014, \$3.7 million of this funding was repurposed to continue to address blight elimination needs across the state. The Blight Elimination Program has already funded approximately \$25M in demolition projects dating back to 2012 and will use the newly repurposed funding to continue efforts to demolish vacant and abandoned structures and promote public safety, stabilize property values, and enhance economic development opportunities.

**Maximum Award:** The maximum award per proposal will be Two Hundred and Fifty Thousand and 00/100 Dollars (\$250,000.00).

Eligible Applicants: County Land Banks and local units of government. Limit one proposal per applicant.

#### Eligible Projects:

- Projects involving demolition or partial demolition of commercial buildings that are part of a development project with funding commitments.
- Projects involving demolition of blighted residential structures.
- Demolition of blighted buildings in business districts, downtowns, or commercial corridors.

#### Ineligible Projects:

- Projects involving residential demolition in designated Help for the Hardest Hit Blight Elimination cities.
- Projects submitted by applicants with more than \$1,000,000 in undisbursed HHF funds.
- Demolitions of industrial property.
- Demolition of properties that are listed in the National Register of Historic Places (either individually or as part of a historic district) or those found within local historic districts designated under 1970 PA 169 for which the State Historic Preservation Office (SHPO) and/or the local historic district commission has not already approved demolition.

**Evaluation:** Proposals will be evaluated based on their anticipated impact in promoting public safety, stabilizing property values, enhancing economic development, public and private investment in the project and their alignment with a local place plan or other placemaking effort.

#### **Individual Application Scoring:**

Applications will be scored on a 25-point scale, with a total of 5 possible points available in each of five categories: public safety, property value stabilization, economic development opportunities, and additional investment, and placemaking.

Five points will be scored where the application demonstrates that the project meets the criterion exceptionally well, four points will be scored where the project serves the goal to a high degree, three points will be scored where the project serves the stated goal, two points will be scored where the project marginally serves the goal, and one point will be scored where the project does not meet the stated goal.

**Category 1** - Public Safety: How the project promotes public safety. For example, a project that targets demolition to eliminate unsafe structures in or adjacent to a school, hospital, business district, public park, or core neighborhood institution increases public safety and will score highest in this category.

**Category 2** - Property Value Stabilization: How the project will have a positive or stabilizing effect on property values in the project area. For example, a targeted residential demolition approach will score higher in this category than a scattered residential demolition approach.

Category 3 - Economic Development Opportunities: How the project will complement or enhance any existing economic development in or near the project area. An economic development opportunity may be any recent or current public or private investment project intended to have a positive economic effect in the community such as downtown redevelopment.

**Category 4** - Additional Investment: Describe any additional public or private investment including matching funds or other funding sources. Projects with the highest amount of funding in the project leveraged from other sources will score highest in this category. The scale for scoring the percentage of dollars leveraged will be as follows:

- 81% and Up (5 points)
- 61% 80% (4 points)
- 41% 60% (3 points)
- 21% 40% (2 points)
- 1% 20% (1 point)

Only leveraged dollars for which evidence of written commitment included in proposal will be counted towards scoring.

Category 5 – Placemaking: Projects that can show direct alignment with a locally adopted place plan or that support another placemaking initiative such as supporting a missing middle housing strategy, facilitating a mixed use development, or similar items will score highest in this category.

### **Eligible Properties**

Only vacant and abandoned blighted structures may be demolished. A structure is blighted if it meets any of the following criteria:

- Public nuisance according to local codes or ordinances.
- Fire hazard or otherwise dangerous to the safety of persons or property.
- Has had utilities, plumbing, heating or sewerage disconnected, destroyed, removed, or rendered ineffective so that the property is unfit for the intended use.
- Publicly-owned blighted properties are automatically eligible for demolition.
- Privately-owned properties may be demolished but only after obtaining legal authority to demolish through your local dangerous building ordinance or by owner consent.

### Administration of Project Funds

Applicants must demonstrate the capacity to administer the grant funds in a cost-efficient manner and to meet applicable deadlines including specific information on staffing, status of procured demolition contractors and ability to procure and manage onsite work. Applicants may be asked for additional information and documentation.

#### **Allowable Costs**

Not more than 5 percent of funds may be expended on project administration including project management. At least 95 percent of the funds shall be spent on demolition-related activities including but not limited to utility disconnect fees, demolition costs, permit fees, abatement of hazardous materials, cost of labor, trucks and fuel, landfill costs for waste, air-monitoring at demolition sites, concrete and seeding. Only reasonable and necessary costs that are directly related to demolition and are supported by the solicitation of multiple bids are eligible. Funds may not be used for property acquisition or redevelopment.

### Reporting

Grantees will be required to provide written monthly progress reports to the Michigan Land Bank detailing work completed by address, a detailed accounting of the project, project milestones and other relevant information.

#### Reallocation of Funds

Funding commitments will be recaptured and the funds reallocated if the applicant fails to provide necessary information, fails to meet deadlines, fails to secure the necessary agreements and approvals within the established timeframes, or otherwise fails to comply with program requirements in a manner sufficient to allow for the satisfactory completion of the project. Recaptured funds will be used to fund or partially fund applications received in this round or parts of proposals submitted as part of this application process.

### **Application Submission and Review**

Applications must be mailed or delivered to the following address:

Hand Delivery or Private Courier:

Michigan Land Bank, 735 East Michigan Avenue, Lansing, Michigan 48912

Regular US Postal Service: Michigan Land Bank, PO Box 30766, Lansing, Michigan 48909

Applications must be received by 5:00 p.m. on June 1, 2015. Late applications will not be considered. Applications will be evaluated by MSHDA and the Michigan Land Bank. Decisions on selected projects are expected by June 30, 2015. Demolition work must begin as soon as possible during the 2015 construction season.

Site control for all properties submitted for demolition must be established in 90 days from preliminary award date. Failure to gain site control within this timeframe will result in the preliminary award being recaptured and the funds reallocated.

Demolition work must be completed and funds expended and drawn within one year of the grant award. Projects will be reevaluated at quarterly milestones, and any project not on track to commit and expend funds may be subject to recapture and reallocation to the next highest scoring project.

Questions - Questions about the application may be emailed to <a href="mailto:huntingtoni@michigan.gov">huntingtoni@michigan.gov</a> up until 5:00 p.m. on May 22, 2015.

### **Application**

### A complete application must include all of the following information:

### **Project Applicant:**

Name, Address, Phone Point of Contact Name, Address, Phone, Email

**Project Summary:** Provide a brief narrative including a description of the project area, the proposed demolitions, and the amount requested.

#### **Detailed Project Description:**

- Provide a property list, sorted by street address. Include a condition assessment of each property and ownership information.
- Disclose any known environmental problems.
- Identify any property slated for demolition that is in an historic district or listed in the National Register of Historic Places and attach appropriate approvals for demolition.
- Provide a map of the project area.
- Land reuse: describe the plan for restoring the land after demolition and the planned post-demolition use of the land.

 Please describe how this proposal is consistent with a local master, strategic or blight elimination plan.

### **Project Benefits:**

- Public Safety (5 possible points): Explain how the project will promote public safety.
- Property Value Stabilization (5 possible points): Explain how the project will have a
  positive or stabilizing effect on property values within the project area.
- Economic Development Opportunities (5 possible points): Explain how the project will complement or enhance any existing economic development in or near the project area.
- Additional Investment (5 possible points): Please provide a list of leveraged sources, describe their use in the project, and attach evidence of written commitment.
  - 81% and Up (5 points)
  - 61% 80% (4 points)
  - 41% 60% (3 points)
  - 21% 40% (2 points)
  - 1% 20% (1 point)
- Placemaking (5 possible points): Explain how project directly aligns with local placemaking efforts.

**Capacity:** Description of the applicant's demolition or development project management experience including a description of at least two projects completed or under way, number of units demolished, and any other indicators showing capacity to administer funding for demolition.

### Contractor Qualifications: All projects must be competitively bid.

- Describe the bidding process that will be used including criteria and contractor qualifications.
- Identify the entity responsible for procuring contractors, if different than the applicant.
- Provide a copy of policies and procedures for procuring contractors, including required credentials and other selection criteria.
- Identify the entity performing the demolitions, if known.

**Budget:** Applicants must provide a detailed project budget estimate and budget narrative including other funding sources (if applicable).

Projected timeframes: Estimated work start and finish dates, and other project timeframes.

Evidence of Local Support: Attach evidence of local support for the proposed project.

# AGENDA NOTE New Business: Item 3

**MEETING DATE:** July 13, 2015

PERSON PLACING ITEM ON AGENDA: Lynne Ladner City Manager

AGENDA TOPIC: I.U.O.E Union Contract for July 1, 2015 through June 30, 2018

**EXPLANATION OF TOPIC:** The contract with the IUOE (Clerical) Union expires on June 30, 2015; we have a tentative agreement at this point with IUOE that needs to be approved by the City Council. The contract begins on July 1, 2015 and runs through June 30, 2018. At this point I am requesting Council's approval of the contract between the City and the IUOE.

**MATERIALS ATTACHED AS SUPPORTING DOCUMENTS:** The attached redline agreement is pending final ratification from the union. Their representative has told me that the ratification vote will take place before the June 22<sup>nd</sup> Council meeting. If the vote does not take place or if the contract is not ratified this item will be removed from the agenda and placed on a later agenda after the Union has ratified the agreement.

**POSSIBLE COURSES OF ACTION:** Approve/do not approve the new agreement with the IUOE (Clerical) Union for the period of July 1, 2015 through June 30, 2018

RECOMMENDATION: Approve the IUOE Contract as presented.

SUGGESTED MOTION: Moved by, \_\_\_\_\_\_ seconded by,\_\_\_\_\_ to approve the contract between the City of South Lyon and the International Union of Operating Engineers (Clerical Union) for the period of July 1, 2015 through June 30, 2018 as presented.

### **IUOE** contract Summary

Agreed to a new three year agreement

Agreed to allow a max 40 days' vacation accumulation with a max of 10 day cash out if 30 days will remain available in their vacation bank

Rejected request to Add Veteran's day to City Holiday list for all City employees

Rejected request to increase paid sick days from 7 to 10 days while still allowing for cashing out of 7 days of unused sick time at the end of each fiscal year

Rejected proposal by Union to retain health insurance premiums at 15% contribution rate until 2017 to match AFSCME changing what was negotiated in 2014

Agreed to increase longevity pay to be equal to other union CBA agreements

5 years goes from \$600.00 to \$700.00

10 years goes from \$900.00 to \$1,000.00

15 years goes from \$1,200.00 to \$1,300.00

20 years goes from \$1,500.00 to \$1,600.00

Agreed to a reduction of the probationary period from 12 months to 6 months to match AFSCME agreement

Agreed to a 2% increase in all positions each year for three years, with the new deputy clerk/treasurer's first increase not to take place until she has been in the position 1 year

Agreed to a \$1,000.00 signing bonus to be paid in year two to help offset costs of increases in health insurance premiums

Agreed that all new employees hired after January 1, 2015 will pay 20% of the health care premium rather than the tiered increases to 20%

Agreed to modify Article XXIV Retirement System to add (C) "Gross Pay" for purposes for determining an employee's FAC shall include all regular and overtime earnings, but shall not include any COLA allowances, longevity, lump sum payouts of sick, vacation or personal leave time or any other form of compensation under this contract

Agreed to modify Article X Grievance Procedures at Step 4 to state "the arbitrator's per diem fees and expenses shall be split equally between the parties

Agreed to amend Art XXIX probationary Period to add to the last sentence "without recourse to the grievance arbitration procedures provided for in this agreement

Agreed to amend Art. XI Sec 1 to the definition of the word "lay-off" add at the end of that first sentence the phrase "as determined exclusively by the City and add that it is to be understood that layoffs shall be made on the basis of seniority, provided that any person who remains in qualified to perform the job duties of the position

# AGENDA NOTE New Business: Item # 5

MEETING DATE: July 13, 2015

PERSON PLACING ITEM ON AGENDA: Robert J. Martin, Department of Public Works

**AGENDA TOPIC:** Resolution authorizing the request for reimbursement from Oakland County West Nile Virus Fund

**EXPLANATION OF TOPIC:** Oakland County approved our West Nile Program on May 1, 2015. We provide insect repellant for residents and apply mosquito larviciding to catch basins.

MATERIALS ATTACHED AS SUPPORTING DOCUMENTS: Letter to Oakland County regarding the City's program, letter of approval from Oakland County, quotes for insect repellant and briquettes and a letter for reimbursement request.

POSSIBLE COURSES OF ACTION: Approve Resolution/do not approve Resolution.

**RECOMMENDATION:** Approve Resolution

SUGGESTED MOTION: Motion by \_\_\_\_\_\_\_, supported by \_\_\_\_\_\_\_ to approve the Resolution for reimbursement from the Oakland County West Nile Virus Fund in the amount of \$1,546.18.

# CITY OF SOUTH LYON

# OAKLAND COUNTY WEST NILE VIRUS FUND PROGRAM REQUEST FOR REIMBURSEMENT

WHEREAS, upon the recommendation of the Oakland County
Executive, the Oakland County Board of Commissioners has
established a West Nile Virus Fund Program to assist Oakland County cities,
villages and townships in addressing mosquito control activities; and

WHEREAS, Oakland County's West Nile Virus Fund Program authorizes Oakland County cities, villages and townships to apply for reimbursement of eligible expenses incurred in connection with personal mosquito protection measures/activity, mosquito habitat eradication, mosquito larviciding or focused adult mosquito insecticide spraying in designated community green areas: and

WHEREAS, the City of South Lyon, Oakland County, Michigan supports and authorizes the 2015 expenditure and application submittal for reimbursement of expenses in connection with mosquito control activities eligible for reimbursement under Oakland County's West Nile Virus Fund Program.

NOW, THEREFORE BE IT RESOLVED, that this City Council authorizes and directs its City Manager, as agent for the City of South Lyon, in the manner and to the extent provided under Oakland County Board of Commissioners, to request reimbursement of eligible mosquito control activity under Oakland County's West Nile Virus Fund Program.

VOTE:

### MOTION CARRIED UNANIMOUSLY

I hereby certify that the foregoing is a true and complete copy of a resolution adopted by the City Council of the City of South Lyon, County of Oakland, State of Michigan, at a regularly scheduled meeting of July 13, 2015, and that said meeting was conducted and public notice of said meeting was given pursuant to and in full compliance with the Open Meetings Act, being Act 267, Public Acts of Michigan, 1976, and that the minutes of said meeting were kept and will be or have been made available as required by said act.

Lisa Deaton City Clerk/Treasurer

May 1, 2015

Lynn Sonkiss, Manager Oakland County Fiscal Services Division Executive Office Building 2100 Pontiac Lake Road Waterford, MI 48328

RE: West Nile Virus Reimbursement Program

Dear Ms. Sonkiss:

I am in receipt of a West Nile Virus fund reimbursement request from the City of South Lyon. After reviewing their documentation, I find them in partial compliance (pending resolution and invoices) with Oakland County's 2015 West Nile Virus Reimbursement Program and in compliance with at least one of the three major categories for reimbursement. Therefore, this letter will certify that all expenses submitted for reimbursement are for qualifying mosquito control projects. Should you have any questions, please contact me at 858-1410.

Sincerely,

OAKLAND COUNTY HEALTH DIVISION Department of Health and Human Services

Kathleen Forzley, R.S., M.P.A. Manager/Health Officer

#### Memorandum

To: Lynne Ladner, City Manager

From: Chief Lloyd T. Collins

Subject: Heritage Day – Witch's Hat

**Date:** July 2, 2015

I have received a permit request for the above-mentioned event. I discussed Heritage Day with Ms. Janet Renwick, one of the organizers. The event is scheduled for Saturday, July 18, 2015, from 9:00 a.m. to 5 p.m. The planned activities will include fundraisers, senior citizen events, fine arts and dance presentations, and a pig roast.

The planned event should cause little or no disruption to normal traffic in the area, and no street closures are necessary. The Police Department will monitor the event and provide support, as necessary. Therefore, I have approved the request and have so notified the organizer. I have attached a copy of the application and approval for your information.

### **AGENDA NOTE**

New Business: Item #8

MEETING DATE: July 13, 2015

PERSON PLACING ITEM ON AGENDA: City Manager

**AGENDA TOPIC:** Goals and Objectives

**EXPLANATION OF TOPIC:** As requested by Councilwoman Kopkowski I have amended the memo I provided to the Council in January of 2015 and created a formalized Goals and Objectives Document for Fiscal Year 2015-2016

**MATERIALS ATTACHED AS SUPPORTING DOCUMENTS:** Goals and Objectives Document

**POSSIBLE COURSES OF ACTION:** Accept/Modify the Goals and or Objectives as proposed by the City Manager

**RECOMMENDATION:** Accept the proposed Goals and Objectives for the upcoming year.

**SUGGESTED MOTION**: I don't believe this is an actionable item as these items are to be agreed upon between the council and City Manager each year as part of the performance evaluation process.

**Goal:** Complete major IT projects including new software and necessary hardware implementation for BS&A

Objective: Reduce customer service interaction time by having information available to customers through a greater number of resources not only in City Hall but by being able to provide information to consumers on-line and allow for property tax and utility bill payment online.

Goal: Improve Customer Service Experience

Objective: Work to change to perceptions that the in person experience in City Hall is slow and inefficient. Improve forms and provide more web access to those forms to reduce the amount of time necessary for residents to complete their processes.

Goal: Seek permission to apply for at least one grant per quarter

Objective Work with Parks and Rec. Commission as well as SLAYA to seek grant funding for Volunteer Park. Work with the Water and Waste Water Department to seek grant funding for the EPA required Asset Management Plan necessary for our next Waste Water Treatment Permit. Work with the DDA, Building Department and Code Official to apply for the Michigan Land Bank Blight Elimination grant program for the Downtown area to begin working to eliminate blighted and deficient structures in the DDA district. Work with the City Clerk and Deputy City Clerk to apply for Election Assistance Commission Discretionary grant to repave and remark the parking lot located around the City and School Administration building as part of the grants giving to improve the safety of election polling places.

Goal: Rebrand the City of South Lyon

Objective: Work with local graphic artist to develop a new logo for the City of South Lyon that can be incrementally rolled out across the City including on business cards as they are re-ordered, the development of a new flag, the redesign of the City website. This will allow the City to capitalize on the positive press we have received as the fastest growing area in the state and provide visitors an opportunity to see that we have maintained our heritage while embracing the growth of the community

**Goal:** Successfully apply for and receive the Safe Routes to School Grant in conjunction with the South Lyon Community Schools, Lyon Township and the Road Commission of Oakland County.

Objectives: To increase the pedestrian safety for all students and residents through the Safe Routes to school program, community involvements and other funding programs specifically for the Pontiac Trail and 9 Mile corridor including side walk improvements along 9 Mile, Pontiac Trail, the Sayer Elementary neighborhood and along Princeton Street.

**Goal:** Successfully complete the implementation and formal State adoption process of the Roadway Asset Management Plan including the development of a 5 and 10 year long range goal to improve or maintain City controlled streets to a minimum PASER rating of 5

Objectives: Identify the necessary and reasonable goal of the Council to meet the 5 and 10 year long range plan. Develop an education and marketing plan to educate the public on the need for a dedicated road millage with specific ballot language for the April 2016 election.

**Goal**: Bring to Council a plan to resolve the MERS unfunded liability and new hire liability issues to bring long term pension costs into alignment with reasonable investment strategies for the future

Objectives: Identify the best solution for new hires and existing employees without the need to significantly impact the City's existing fund balances to resolve the pension issue.

**Goal:** Develop a sidewalk replacement/construction cost share program to increase the pedestrian friendly reputation of the City of South Lyon

Objectives: Work with the Public Works department to identify quadrants of the City to rotate program through annually. Develop a reasonable cost for new construction and for reconstruction of ADA compliant sidewalk through both residential and commercial areas. Propose to Council a cost share program of 50/50% with grants from the City capped at a specified amount. Develop separate application process for property owners in residential and commercial zoning. Develop and propose expected annual expenditure amount for the process and get it approved for the 2016-2017 budget year. Develop RFQ for commercial contractors to complete the project work. No work in any area would begin until the City obtains the property owner's down payment of their share of the work.
