Consider approval of first reading of Ordinance to amend Chapter 58 and add provisions regulating tobacco products vapor products and alternative nicotine delivery products

Attorney Wilhelm stated this is largely based on the Youth Tobacco Act. He stated Lyon Township recently addressed this issue as well. He stated this will expand the current ordinance to include the use of vapor products and alternative nicotine products. He further stated this prohibits use by minors, attempt to purchase it as well as attempt to possess it. Councilmember Kramer asked if we are limited to a \$50.00 fine. Attorney Wilhelm stated we are limited by statute. Councilmember Kurtzweil asked if this is restrictive to tobacco products and vaporizing. Attorney Wilhelm stated it is, the nicotine products that are chemical or liquid may not be considered tobacco, therefore that left a gap which is why this Ordinance expands to include this. Councilmember Kurtzweil stated the real problem is the use of these products with marijuana not the nicotine because of the high potency. Councilmember Ryzyi stated he is concerned because there is no way for people to know what is in the device. He thinks this ordinance should go further. Councilmember Kivell asked how the Police Department would deal with the issue of a minor in possession of the device. Chief Collins stated it is not enforceable unless they can prove what is in the product. Further discussion was held regarding the issue.

Attorney Wilhelm stated this Ordinance is related to the previous discussion. This is not limited only to minors; this does not apply to outdoor stadiums during the weekends or other days when school is not in session. Councilmember Kivell stated he is concerned we are passing an ordinance limiting when people can use these products on school property without the School being involved. Attorney Wilhelm stated South Lyon Schools currently has an Ordinance regulating this.

He further stated if this is approved, we will need to consider setting locations and fees which can be handled at a later time. 7) Consider approval of first reading of Ordinance to amend Chapter 2 Administration by addition Article VIII – Review Fee Escrow Deposits

Attorney Wilhelm stated this Ordinance is designed to properly place cost incurred by the City by applicants seeking approvals that require extraordinary cost by the City, and would put the cost onto the applicant. An example is the when applicants ask for utility dedication. This provides for the discretion by the City Manager for when the escrow fee of \$1500.00 is required, and if the applicant is unhappy with the amount, it can be appealed to the City Council. He further stated any of the deposit that isn't used will be returned to the applicant. Councilmember Kurtzweil asked if this supplements performance bonds. Attorney Wilhelm stated it is a similar concept. He further stated this involves different deposits to ensure the City doesn't have to pay money to finish a development. Councilmember Kurtzweil stated this is a nice model we could use for performance bonds as well. Attorney Wilhelm stated this will only be used when the City will expend major expenses and any unused escrow funds will be returned to the applicant.

City Manager Ladner stated she was approached by someone to ask if the City will make an ordinance keeping all city parks tobacco free. She further stated the DPW are picking up a lot of cigarette butts around the playground and the sports field. Councilmember Kivell stated it is a legal activity and it isn't appropriate for the City to eliminate it. Councilmember Dedakis asked if the City has cigarette dispensers currently in the City? Department Head Martin stated there are none currently.

**Council Comments** 

Councilmember Kivell stated the Cable Commission had a demonstration, and everyone seemed very excited about the transition into the new hardware and software package. The intent was to let everyone know the need for content to create a library of different things to be shown on the cable channel.

They filled many bags and raised \$2400.00 Councilmember Ryzyi stated he wants to thank all of the Election workers for their long day and for helping all our residents.

Councilmember Kramer stated he is concerned with the number of hours the City is being billed for the criminal complaint that was filed regarding the Board of Review. Attorney Wilhelm stated the only time he would bill the City related to that issue is if it related to the City. Councilmember Kramer stated he would like to know the cost Attorney Wilhelm and City Manager Ladner had to pay for their own attorney fees.

Councilmember Kurtzweil stated there wasn't a criminal complaint filed, it was a request for investigation. She further stated she requested the matter to be added to an agenda, but the Mayor said no. ### **OLD BUSINESS**

1. Consider approval of second reading of Ordinance to amend Chapter 58 and add provisions regulating tobacco products, vapor products and alternative nicotine delivery products

Attorney Wilhelm stated this is the second reading and there have been no changes from the first reading. He further stated the language he is using is states it is illegal for a minor to possess vapor products whether or not there is nicotine in it. He stated this is designed on the Youth Tobacco Act. Goungilmember Ryzyi stated his concern is there is no way for anyone to know what is in the vapor device. Chief Collins stated there is no field test to show if there is nicotine in the device or not. Attorney Wilhelm stated if you read the Ordinance, it includes the equipment, not just vapor products with nicotine in it. Councilmember Kramer stated his understanding of this Ordinance; it doesn't appear to include the equipment unless there is nicotine involved. Councilmember Kurtzweil stated her major concern is the vaporizing of Marijuana because of the potency of it. She further stated there is also an issue with second hand smoke. Further discussion was held regarding the enforcement of the Ordinance. Attorney Wilhelm stated we can add the phrase "or designed or intended to contain nicotine" under the definition of vapor product. This language will include the vaping device, regardless if it has any liquid of any kind within it.

3. Consider approval of second reading of Ordinance to amend Chapter 22 and add Mobile Food Vending

Attorney Wilhelm stated there have been no changes since the first reading. He further stated this is an Ordinance that explains the process for mobile food vendors in the City of South Lyon. He further stated we will also need to set locations and fees for the licenses. Councilmember Kivell asked how the licenses are impacted by special events. Attorney Wilhelm stated they are essentially outside of the location, however the City should encourage anyone asking to have a special event will have to make sure the vendors get their licenses, but the City has the flexibility to waive the fees for the vendor. Councilmember Dedakis asked if we are regulating how many licenses per season or term? Attorney Wilhelm stated he did not put any language in the Ordinance for the limitation of licenses. Councilmember Ryzyi stated he is concerned that the people having a special event may use out of town vendors instead of local vendors that would like to participate. Discussion was held regarding the distance requirement for a vendor to be located from a special event. Councilmember Wedell stated this Ordinance promotes cooperation and communication between the business owners as well as the special event sponsors. Councilmember Ryzyi asked if this Ordinance will be upheld for everyone within the City because this isn't how it has been in the past. Attorney Wilhelm stated the City needs to be even handed. Chief Kennedy stated the City has been ax in enforcement in the past. He further stated there will be an action and a reaction to this Ordinance. This is a very helpful tool to ensure the uniformity and fairness of food vending. He further stated many times this happens during the weekends when City staff isn't available. Attorney Wilhelm stated there is a lot of detail to this type of activity, and this is a set of regulations that are reasonable to know when it is going on and where it is happening. Chief Kennedy stated we don't want to start writing citations, there will be a learning curve, but if people continue to be non-compliant, there will have to be a citation written. Councilmember Kivell stated he believes this will be a very helpful tool and the Planning Commission and Attorney Wilhelm did a great job on this Ordinance.

Councilmember Kurtzweil stated the fees in Section 2-302 subsection C and D seem to be conflicting. 2. Resolution to Establish and Designate Permissible Locations for Mobile Food Vending on City-Owned and Public Property within the City of South Lyon

Attorney Wilhelm stated he met with the Department Heads regarding any concerns they have regarding the parking areas that have been proposed for mobile food vending. Chief Collins stated his concerns regarding the locations at Lafayette and Liberty are the site lines. He suggests removing the two furthest south parking spots because if large trucks are parked there, it will cause severe obstruction of the site lines. He further stated his other concern with the current proposal is the parking lots at McHattie Park. During certain times of the year, the parking lots fill up quickly. Councilmember Kivell stated he would like to allow the parking at McHattie Park unless it becomes an identified problem. He further stated he agrees with Chief Collins regarding the site line issues. Discussion was held regarding the number of

food trucks which should be allowed within McHattie Park at any given time. Kelly Smith stated she is the wedding coordinator for the City and parking is definitely a problem in the parking lot by the Witches Hat. She further stated there have been times when there was not enough parking for the wedding party and it is a problem. Department Head Martin stated the vendor trucks could park in the overflow lot in McHattie Park.

3. Resolution to Establish Fire Department Regulations and Requirements Pertaining to Mobile Food Vending Units and Operations within the City of South Lyon

Chief Kennedy stated this isn't stricter than the current adopted code; this is more like a how to guide or checklist for the vendors. This tells them what we will be looking for to approve the license. He further stated he has spoken with other communities and it seems the biggest problem is the extension cords and generators. Chief Kennedy stated this will let them know they cannot do that

### CM 3-7-16 MOTION TO APPROVE RESOLUTION TO ESTABLISH FIRE DEPARTMENT REGULATIONS AND REQUIREMENTS PERTAINING TO MOBILE FOOD VENDING UNTS AND OPERATIONS WITHIN THE CITY OF SOUTH LYON

4. Resolution to Establish and Set Mobile Food Vending Application and License Fees

City Manager Ladner stated she is working on the fees. She stated she is recommending a fee of \$25.00 per year for the application license fee and renewal fee. She further stated she is recommending a fee of \$240.00 for 6 months, for the mobile food vendor license fee because they don't have a brick and mortar store in the City. City Manager Ladner stated the sponsor fee would be \$75.00 a year. Councilmember Kivell stated it seems there should be a break in the cost if there are no changes to their application. Councilmember Ryzyi asked if there will be any kind of break in cost for local businesses. City Manager Ladner stated she has not considered that. Councilmember Dedakis stated she also thinks there should be a break in cost for local business owners. Councilmember Kivell stated he doesn't have a problem giving them a break on the license fee. Further discussion was held regarding fees and the legality of charge residents versus

non-residents different fees. Attorney Wilhelm stated he will look into this further and will bring more information to Council at a future meeting.

Josey Kearns stated she is working on getting a planning grant. She further stated they will be having a survey to ask our residents what they would like in the City. Ms. Kearns stated there are other grants they will be going after as well. Kelly Smith stated she wants to let everyone know they are looking for volunteers to assist with the Commission, and also someone to fill the vacant seat that has passion for the Arts. She further stated she is hoping they can have someone from the City to attend their meetings occasionally as a liaison. Ms. Smith stated there needs to be more communication between the Commission and the City. Councilmember Dedakis asked how the Cultural Arts Commission does fund raising. Ms. Smith stated they have done a lot of fundraising on their own such as marketing and many times they have used their own money. She further stated she wants to break down any communication barriers that may be there. Councilmember Kivell stated the Commission needs to come up with a budget explaining what your financial need will be and what the money will be used for. Ms. Smith stated they are a newer Commission so they are learning and they are here to help the City. Councilmember Kurtzweil stated this is a new Commission and there will be growing pains, but everyone brings something to the table, and she is willing to have a work session with the City Manager as well as the Cultural Arts Commission to have some of these things worked out. Councilmember Ryzyi stated he originally voted against funding a Cultural Arts Commission but he has since seen everything they have accomplished and he is very happy with the Commission.

### Discussion - Downtown

Councilmember Ryzyi stated the vision session was very successful and the downtown was one of the top topics and he is looking forward to discussing it further after the paperwork is returned from the facilitator. City Manager Ladner stated she just received the paperwork and she will be meeting with Department Heads shortly to move forward with the goals coming before Council, which will possibly be the second meeting in April.

Councilmember Kurtzweil asked Attorney Wilhelm if he has had time to look into the Ordinances regarding South Lyon Woods because that is located in the downtown. Attorney Wilhelm stated he will have to look into this further. We are having trouble getting the Fire Code applied to the mobile home park, so they are still evaluating this issue.

### Manager's Report

City Manager Ladner stated she is reminding everyone of the Budget Workshops on April 9<sup>th</sup> and the 23<sup>rd</sup>, but Council still needs to set a time. The consensus of Council is to begin the meetings at 9:00 a.m. City Manager Ladner stated the Arts and Education art show will begin on April 15<sup>th</sup> here in the gallery at City Hall. She further stated the Creek Cleanup will be Saturday April 16<sup>th</sup>. City Manager Ladner stated the Chamber awards Banquet is April 27<sup>th</sup>. Department Head Martin stated the City Wide cleanup will be May 14<sup>th</sup>.

### **Council Comments**

Councilmember Dedakis stated the Easter Egg Hunt was well attended and Happy belated Easter to everyone.

Councilmember Ryzyi stated the vision meeting that was held was a great working session and it was good for Council to get together to come up with common goals. Downtown improvement was discussed and one of his suggestions was to have the street crossings as they do in Milford. Volunteer Park was also discussed.

Councilmember Kurtzweil stated she met an individual that was considering applying to be on a City Commission, but she was wondering if it is allowed to have a married couple on City Commissions. She further stated she did some investigating and you are allowed to be on a Commission with your spouse.

Mayor Galeas stated he would like to thank the City Manager for putting together the vision session that was held on Saturday. He further stated everyone came away with the same ideas.

### **MEMORANDUM**

TO: City Manager Lynne Ladner

FROM: Fire Chief Mike Kennedy

DATE: April 3, 2016

RE: Fire Officer Swearing In

I am requesting time prior to the official agenda of the City Council meeting on Monday, April 11, 2016 to swear in these staff members to their new positions. Earlier this year, the fire department conducted a multi-step promotional process, which included a written examination, oral board interview comprised of outside personnel, and interview with the fire chief.

The employee selected for promotion is below.

• Tim Wilson to lieutenant

Swearing in of fire officer:

- 1. Brief comments by fire chief.
- 2. Fire officer comes forward and is sworn in by city clerk.
- 3. Family member pin badges on fire officer.

### **AGENDA NOTE**

**MEETING DATE:** April 11, 2016

PERSON PLACING ITEM ON AGENDA: Postponed from March 28, 2016 Council meeting

δ

**AGENDA TOPIC:** Resolution to Establish and Set Mobile Food Vending Application and License Fees

**EXPLANATION OF TOPIC:** At its March 28, 2016 Council approved the second reading of the mobile food vending ordinance and considered the resolution to establish and set mobile food vending application and license fees.

There was an inquiry whether the mobile food vendor license fee for a 6-month period could be different for residents of South Lyon, and Council postponed the matter for further input and review.

Generally, a local ordinance discriminating against nonresident businesses in favor of resident businesses is unconstitutional unless the different treatment is rationally related to the advancement of a legitimate governmental interest. The right to engage in a business and a livelihood could arguably be construed as a fundamental right, and setting a different licensing fee for nonresidents would raise concerns regarding validity under the Equal Protection clauses of the United States and Michigan Constitutions as well as the Privileges and Immunities Clause of the United States Constitution, Art IV, §2, and the commerce clause unless a rational basis for doing so is identified.

A licensing fee relating to a business activity is distinguishable from a fee for use of a library or community center which may not involve a fundamental right and would involve a service with a cost to the municipality.

Thus, unless the City can identify and support a reason rationally related to a legitimate city interest which justifies charging different mobile food vending fees for residents and nonresidents, the City should set one fee for mobile food vending licenses for the six-month periods without distinguishing based on residency.

### MATERIALS ATTACHED AS SUPPORTING DOCUMENTS:

• Proposed Resolution

POSSIBLE COURSES OF ACTION: Approve/deny/postpone/table

**RECOMMENDATION:** Approve Resolution to Establish and Set Mobile Food Vending Application and License Fees with one mobile food vendor license fee without regard to residency.

**SUGGESTED MOTION:** Motion to approve Resolution to Establish and Set Mobile Food Vending Application and License Fees as follows:

- a. Mobile Food Vendor License Application fee \$25, plus \$10 for each person requiring a background check
- b. Mobile Food Vendor License Renewal Application fee \$25, plus \$10 for each person requiring a background check
- c. Mobile Food Vendor License fee \$240 per six-month license period

- e. Mobile Food Vending Sponsor Renewal Application fee \$25, plus \$10 for each person requiring a background check

INFORMATION: South Lyon Police Chief Lloyd Collins requested the Sheriff's Office to investigate a complaint that was filed with South Lyon PD by a South Lyon City Councilmember Margaret Kurtzweil. Margaret reported that she had received an e-mail from the City Manager (Lynne Ladner) that concerned a letter (attached to the e-mail) from the City of South Lyon Attorney (Timothy Wilhelm). In this letter Mr. Wilhelm references two individuals who work for the City applying for and receiving a property tax exemption. The exemption was approved by the City's Board of Review. The letter was dated January 4, 2016. The letter was heavily redacted but the readable sections concerned the Assistant City Clerk (Judy Pieper) applying for a poverty exemption concerning her property tax, but appearing to have left out information that may have influenced the Board of Review ruling.

The letter mentions that Judy Pieper is not listed. She is noted as a signer though on the document. Both Judy and her husband signed the form which was notarized by the City Clerk (Lisa Deaton). Mr. Wilhelm goes on to indicate in the letter that the Pieper's failed to state all of their income on the form and also failed to disclose their mortgage (loan) debt.

Margaret said that she is concerned about this information for two reasons. Her first concern is that a crime could have been committed a she feels that she could be found at fault for not reporting knowledge of this. Margaret said that besides being a City Councilmember she is also an attorney. Margaret also said that there could be some type of "cover-up" occurring between City Officials to not report this matter. Margaret said that City Officials she believes this of is the City Manager and City Attornev.

The date the South Lyon report was taken was 1-20-16 and the reporting Officer (Walton) states that the PD is not aware of this incident being previously reported.

Detective Sergeant's Cole and Schroeder were assigned to this case on Friday January 22, 2016. Both Sergeant's met with members from the Oakland County Equalization Department on this date also. The meeting was with David Hieber (Manager of the Equalization Division), Terry Schultz (Chief of Equalization) and Jackie Godoshian (Equalization Appraiser). The City of South Lyon does not have an

accessor. Instead the City contracts out with Oakland County to provide a person for this position. This person is currently Jackie Godoshian. Jackie has an office at the City Town Hall. One of Jackie's responsibilities is observing the Board of Review to make sure they are reviewing the applications correctly.

Both Sergeants were provided with the paperwork that the Board of Review had looked over and ultimately approved concerning both the Piepers and Bruce Nussbaum's request for a poverty exemption in regards to their property tax. Note; Bruce Nussbaum is a member of the City's Board of Review. The City has 3 members on the board (Ramona Harris, James Gurski and Mr. Nussbaum). All three have been on the Board for numerous years. Mr. Nussbaum apparently excused himself from the reviewing of his application and the two remaining Board members reviewed and approved his request (Only a percentage was approved, 50%, not the full 100% exemption as the Pieper's received).

The Oakland County personnel thought the matter was closed because both the Pieper's and Nussbaum had withdrawn their request for the exemption after being told by City of South Lyon Reps that they did not qualify.

The personnel had the paperwork concerning both of the exemption applications. Upon looking at the forms several issues immediately stood out regarding the City of South Lyon poverty exemption form. Reviewing the South Lyon Police Report it was made apparent that there were possible problems cited with what information was provided in the application. Specifically that concerning the Pieper's there was no spousal information provided. The problem with the form though is that spousal information is not required on the form. The form asks for the petitioner information and asks if there are other persons residing at the home besides the petitioner and spouse. There is a section of the application that asks for the spouse's occupation but never asks for the spouse's name.

In the loan debt section nothing is listed. In the expense section though, in the section listed rent/house payment an amount of \$1272 is listed. So if the monthly mortgage is listed does this satisfy the loan debt section? The form is signed by both of the Pieper's and is notarized by the City of South Lyon Clerk Lisa Deaton.

The Nussbaum application was noted as having been over the amount of income permitted under the City's income guidelines.

The Oakland County personnel advised Detective Cole and Schroeder that the South Lyon Board of Review had applied the wrong guidelines when looking at the income stated on both applications. The Oakland County personnel showed us the form which has a set of figures under the 2015 Federal Poverty Guidelines and then underneath these figures is another 3 column set of numbers listed under the 2015 Income Limits of Housing and Urban Development (HUD). The HUD figures allow a higher amount of income to be considered then the Federal Poverty Guidelines. Oakland County provides this form which incorporates both sets of guidelines. The City of South Lyon has approved the top figures (Federal Poverty Guidelines) to be used by the Board of Review when looking at the Poverty Exemption Applications. Per the Oakland County personnel though, the Board used the bottom HUD guidelines.

If you apply the given figures on the top figures neither application would pass the review. Using the bottom figures though, both qualify for some type of reduction.

Jackie Godoshian said that she is the assessor for the City of South Lyon and was present during the Board of Review's ruling on the above two applications. Jackie said when the Board approved these applications she advised the Board that they were applying the wrong set of guidelines but the Board still presented the paperwork with the wrong information. Jackie said that she reported this to her home office (Equalization) which eventually looked over the application and started the process of appealing the Board of Review rulings.

The appeal is started by a letter written by Equalization Manager Terry Schultz. Terry writes the letter to South Lyon City Manager Lynne Ladner stating that the two approved applications does not meet the City's guidelines and Oakland County Equalization is recommending the City challenge the Board of Review decisions. The letter is dated January 11, 2016.

INTERVIEW WITH CITY COUNCIL MEMBER MARGARET KURTZWEIL: Margaret was interviewed at the Sheriff's Office Detective Bureau by Sergeant Cole and Sergeant Schroeder on Sunday January 24, 2016. Margaret said that she was elected to the City Council on November 3 of last year and started attending City Council meetings right after that. Margaret said that the board consists of 6 city council members and 1 mayor. Margaret said that the board gets along, but everyone does have their own "agenda". Margaret said hers is the development of the downtown area. Margaret said she does ask a lot of questions because she is new and learning as she goes along.

Margaret said that she has problems with the City Attorney (Tim Wilhelm) though because he always wants to go into closed session. Margaret said that when Tim (City Attorney) wanted to go into closed session over the letter about the poverty exemption problem, she fought against it. Margaret said the Mayor was not present for this meeting. Margaret said that she is also an attorney and works on real estate related cases. Margaret said because of her knowledge concerning real estate, she has had issues with several real estate deals the City has been involved in and Tim's handling of these transactions. Margaret then starts to talk about the letter saying that Tim wanted to go into a closed discussion to discuss the Board of Review and if they knowingly approved the poverty exemptions or did so because they made a mistake. Margaret said nothing was mentioned concerning a crime being committed. This issue per Margaret concerns policy and should not have been considered for a closed session. Margaret said that Tim uses the attorney client privilege as his reasoning for wanting to go into a closed session frequently.

Margaret said that the Board or Review met in December (12-15-2015) and approved the poverty exemptions made by both the Pieper's and Bruce Nussbaum. Sometime between this meeting and the Jan. 4 letter from Tim Wilhelm, this issue was reviewed. Margaret said the Police were not notified of a possible crime occurring. Margaret said she brought this up with a fellow attorney Carl Christoph (Defense Attorney) who asked her why the City Attorney (Wilhelm) is not recommending prosecution. Margaret said she did not know and Carl advised her that she should not go into a closed session meeting

about this issue. So Margaret said that her major concern is going into a closed meeting (session) and learning about a crime. Per the law, concerning closed meeting, no information from this meeting is public knowledge and is to be held in confidentiality. Margaret said then what is her responsibility being a lawyer to report this. Margaret said she could not get an answer to this question.

Sergeant Cole started going over the problems concerning the City of South Lyon Poverty Exemption form and Margaret said she did not know about this that she was basing all her information on the letter from Tim. Sergeant Cole told Margaret that the City of South Lyon Poverty exemption form had numerous problems and was difficult to interpret. Sergeant Cole went over the numerous issues and Margaret said those were issues the petitioner would have to take up as a defense. Sergeant Cole and Schroeder also addressed the problems the City had concerning the Board of Review applying the wrong set of guidelines for the poverty exemption limits. Margaret said the only document she had concerning the issue was the Wilhelm letter. Margaret said that on the night of the Council meeting a vote was called to go into closed session but the 2/3 required number was not reached so the Council did not convene for the closed session. Margaret said the reason her police report did not include Bruce Nussbaum was because the information from Tim Wilhelm was that the Board just applied the wrong guidelines in issuing the exemption and this was a Board of Review problem. The information from the Wilhelm letter did not appear to be criminal regarding this issue. The problem with the Pieper application though per the letter was potentially an issue.

Margaret again stated that she was only basing her information at the time on the Wilhelm letter. Sgt Schroeder asked Margaret about her police statement that the City Manager (Elizabeth Ladner) has a friendship with Judy Pieper. Margaret said that she knew the two knew each other from working through a school organization.

Margaret said that she has been told that the City Attorneys called both the Pieper's and Nussbaum in for a meeting and they withdrew their petition's. This prevented the City from going to the Tax Tribunal to formal fight the Board of Review rulings.

Margaret said that she tried to put on the City Council agenda a discussion about the Board of Review but was told by the City Manager (Elizabeth Ladner) that she could not.

Margaret also mentioned that she had spoken with Bruce Nussbaum and asked him how much training he had received regarding the duties of working on the Board of Review. Bruce told Margaret he hadn't received any training. The City of South Lyon per Margaret does not require any training for the Board of Review either. Margaret said that she had also spoken with the Oakland County Assessor's Office and was told that they provide training on a voluntary basis to Board of Review members.

INTERVIEW WITH JOSEPH RYZYI: Joseph is a City of South Lyon Council Member along with Margaret Kurtzweil. Joseph was interviewed at his home by Sergeant's Cole and Schroeder on Tuesday January 26, 2016. Joseph was interviewed because during Margaret's interview she advised both Sergeant's that Joseph had information concerning the poverty exemption case also.

Joseph said he has been a council member for the past 4 years. Joseph said he talks with all the council

members and has a good rapport with all of them. Joseph said that historically the City Council has always had a contentious relationship with each other. Joseph said that just recently he had received several e-mails from the Mayor asking all the board members to get along. Joseph said the letter also addressed the Board of Review and Joseph felt that the Mayor was asking the Council Members to look into what the Board may or may not have done and keep this information within City Council only. Joseph said he did have a problem with this though.

Joseph said that the City Council has had numerous closed session meetings that Joseph felt were not necessary.

Sergeant Cole went over the poverty exemption form the City of South Lyon provides citizens to apply for the reduction. Sergeant Cole also spoke with Joseph about the issues concerning the Board of Review and how they were operating. Joseph was provided with the concerns that the investigators had with the above issues.

INTERVIEW WITH RAMONA HARRIS: Ramona Harris is a member of the City of South Lyon Board of Review (Ramona is the Secretary). Ramona signed both of the poverty of exemption forms that were being contested. Ramona was interviewed by Sergeant's Cole and Schroeder outside her home on Monday January 25, 2016. Sergeant Cole advised Ramona that he wanted to speak to her concerning a couple of poverty exemption petitions. Ramona said that she knew what he was talking about and had just met with a City of South Lyon attorney about the same thing.

Ramona said that she has been on the Board of Review since 2008. Ramona said that she went to the City and asked about jobs and was hired for the Board of Review position. Ramona said that Bruce Nussbaum and Joseph Gurski have been on the Board for around 5 years now. Ramona said she has a background in property assessing. The City has never sent her to any training for her position but every year the County does have a luncheon for Board of Review members to go over their job responsibilities. Ramona said she never felt she had to go because of her background. Ramona did not know if the other two had ever gone to training. Ramona said that they always relied on her. Ramona said that she did remember going to training once at the City of Novi. Ramona said the exemptions were not granted intentionally but in error. Ramona said that she did not know that on the supplied form with the two guidelines that the Board was only supposed to use the top (Federal) guidelines. The bottom (HUD) guidelines were also used by the Board.

Ramona said that she did not know the Board was only supposed to use the top guidelines when reviewing the petitions. Ramona said that included documents besides the application were also tax forms for the petitioner and the Boards job was to review these documents to see if they fell within the guidelines. Ramona said that the Board would compare the expenses to the income to see why the petitioner was applying for an exemption. Ramona said as an example that someone may have extremely high medical expenses that would take away from their income.

Ramona said that the Board is allowed to deviate from the guidelines under certain circumstances.

Ramona said that the applications are considered for this tax year but the Board uses the tax forms from

Page 11 of 17 Created On 03/16/2016 09:41 AM

the previous years. This is because the current year tax forms would not be available. The Board per Ramona uses the tax forms from the previous year to determine the income of the petitioner. Ramona said the County Assessor is sometimes with the Board at the time of review. Ramona said that the assessor's office is basically across the hallway from the meeting room the Board of Review uses. In this way if the assessor is not present the Board can just walk across the hall to get clarification on a question. Ramona said that the Board needs to adjust their poverty level guidelines because the listed guidelines are too low.

Ramona said since 2008 the Board has probably averaged around 3 poverty exemptions a year. Ramona said not all of these were approved either. Ramona said that the applications are reviewed by the applications only the applicant does not appear. Sgt. Schroeder also asked Ramona about the Nussbaum application. In particular did the Board use a hybrid estimate to make a decision on his application? Ramona said that the Board did adjust the guidelines to give Nussbaum and percentage off. Ramona said that after talking with the City Attorney (Stephanie Morita) though she realized that the City of South Lyon has to change the accepted guidelines used to come out with these figures. Ramona said that while the Nussbaum application was being accepted, Bruce Nussbaum had stepped out of the room. Ramona said that Nussbaum's application was not very much over the stated poverty guidelines and that led to the percentage ruling by the Board.

**INFORMATION**: Sgt. Schroeder spoke with Terry Schultz (Chief of Equalization) at Oakland County and he confirmed that yes a Board of Review team can deviate from the listed guidelines but the reasons have to be clearly documented for the assessor. Terry said that usually a letter is attached to the application explaining this deviation or some type of explanation is included by the Board in the poverty application documenting their reasoning for the deviation. These were not included in either of the submitted poverty applications (Pieper and Nussbaum).

INTERVIEW WITH JOSEPH GURSKI: Joseph was interviewed at his home by Sergeant's Cole and Schroeder on Tuesday January 26, 2016. Joseph spoke to the Sergeant's at the entrance door to his home. Joseph was reluctant to speak with the officers and asked several times why they were there and what this had to do with him. Joseph was advised each time that his signature was included on the poverty exemption application forms and that there were questions concerning how the Board granted the exemptions with the information they were supplied with. The only thing that Joseph would say is the Board acted properly with the information they were presented with. Joseph said that he does not represent the City and that we would have to speak with the City not him.

Joseph said that the Board reviews the application together. Joseph said that the Board used the guidelines that were supplied to them. Joseph said that the Mayor had asked him to be on the Board back in 2010. Joseph said that he has never had any formal training regarding guidelines to use. Joseph then said "why are you guys going through this bullshit". Joseph asked if he was under arrest and was advised that he was not. Joseph said that "if this bullshit continues" he would reconsider being on the board. Joseph said he does not believe any crime was committed.

**INTERVIEW WITH TIM WILHELM**: Tim was interviewed at his office (the law firm: Johnson, Rosati, Schultz and Joppich PC) in Farmington Hills MI. Tim was represented by his attorney Gerald Gleeson. The interview was conducted by Sergeant's Cole and Schroeder.

Sergeant Cole went over the City of South Lyon poverty exemption forms and also the letter dated January 4, 2016 that was signed by Tim Wilhelm. Sergeant Cole indicated his concerns concerning the information contained within the letter. Tim and his attorney both voiced their opposition to Sergeant Cole's interpretation of this information and the reasoning behind it. Tim advised that the letter was drafted using the information he had at the time.

Sergeant Schroeder asked Tim that at this time after looking into the poverty exemption forms does he believe anything intentional was committed by the applicants or Board to deceive the City of South Lyon. Tim said he did not.

INTERVIEW WITH STEPHANIE MORITA: Stephanie is an attorney with Johnson, Rosati, Schultz and Joppich. Stephanie was asked to look into the matter concerning the Board of Review's approval of the two poverty exemption applications. Stephanie was also represented at this interview by attorney Gerald Gleeson. The interview was conducted on January 26, 2016 at the above law firm in Farmington Hills. Stephanie advised both Sergeant's Cole and Schroeder that she basically drafted the January 4, 2016 letter to the City Manager. Stephanie was also advised of the problems the Sergeant's found with the wording of the letter. Stephanie along with her attorney both objected to the Sergeant's interpretation of the letter. Stephanie advised the Sergeant's that she had spoken with both the applicant's (Judy Pieper and Bruce Nussbaum) and believes nothing intentional was done by the applicant's to deceive the Board of Review for the City of South Lyon.

**INFORMATION:** After this interview Sergeant's Cole and Schroeder were also advised that Stephanie had drafted a second letter with her findings after speaking with the applicant's. This letter is addressed to the City Manager and dated January 21, 2016. In this letter Stephanie indicates that after her investigation into the poverty exemption applications that the "grantees did not intentionally misrepresent their respective financial situations for the calendar year 2014". Stephanie also goes on to say "The City should consider editing the application form to clearly set out which portions are to contain current information, and which portions only relate to the calendar year under consideration". Stephanie also notes that Board of Review member Joseph Gurski refused to cooperate and speak with her concerning this matter.

INTERVIEW WITH BRUCE NUSSBAUM: Bruce was interviewed at his home by Sergeant's Cole and Schroeder on January 26, 2016. Bruce said he has been on the Board of Review since 2011. Bruce said the mayor of South Lyon at the time asked him to serve on the Board. Bruce said that Ramona and Joseph were already on the Board when he started. The Board of Review per Bruce reviews applications from citizens requesting poverty exemptions. Bruce said that someone told him that he might qualify for an exemption because of his income.

Bruce said that whenever the Board convenes a County Assessor would also be in the room. Ramona

Page 13 of 17 Created On 03/16/2016 09:41 AM

Harris per Bruce had prior assessor experience and the other two would ask her questions. If she didn't know they would ask the County Assessor. Bruce said that he did not receive any training for the Board position but relied on Ramona and Joseph who had been trained. All the paperwork would be turned over to the County Assessor after the decision is made.

Bruce said that his poverty exemption application was made using his 2014 tax form because he did not have his 2015 forms. Bruce said he did not remember the Pieper application being discussed or that Judy Pieper was a City employee. Bruce said that no one (Board of Review) did anything to deceive the City. Bruce said he applied after being told that he may qualify for an exemption. Bruce said that if he didn't meet the qualifications he thought the Board would not approve the application. Bruce said he filled the form out with all the correct information requested. Bruce said he asked for an application from the City employee working the front counter. The employee per Bruce even didn't know where the applications were and had to ask around to find them.

**INTERVIEW WITH LISA DEATON**: Lisa is the City of South Lyon's Clerk and Treasurer. Lisa was interviewed on January 26 at the Lyon Twp. Sub Station by Sergeant Schroeder. Lisa said that Judy Pieper is the assistant clerk and has worked in the position since last summer. Lisa said that the poverty exemption forms are online and also available in the assessor's office. Lisa said that the forms are gathered and put into the assessor's office. Lisa said that the clerk's office personnel do not review the forms, just collects them and gives them to the assessor. The assessor (Jackie Godoshian) then keeps the forms until the Board of Review meets to review them.

Sergeant Schroeder asked Lisa if she knew of any people talking around City Hall about the poverty exemptions to explain why both the Piepers and Bruce Nussbaum applied around the same time. Lisa didn't know about anyone at the City Hall talking about the exemptions. Lisa said that she does remember Bruce Nussbaum mentioning applying for the exemption before though, but couldn't remember the exact date. Lisa does not believe the forms were intentionally filled out incorrectly by the applicants.

Lisa said that she did notarize both of the applications and that this is a service offered for free for citizens of the City.

INTERVIEW WITH SOUTH LYON CITY MANAGER LYNNE LADNER: On Monday January 25, 2016 Sgt. Schroeder and I (Sgt. Cole) had the opportunity to speak with South Lyon City Manager Lynne Ladner in an interview room at the Lyon Township Substation. Ladner was informed that the Oakland County Sheriff's Office-Special Investigations Unit was requested to investigate an incident at the request of the South Lyon Police Chief (Lloyd Collins). Ladner was informed that Council Woman Margaret Kurtzweil filed a complaint about an incident that occurred involving the Board of Review.

Ladner said that she has been the City Manager for the past 19 months (June 2014) and she reports to the City Council. Ladner said that Board for Review reports to City Council and the County Assessor as well. Ladner was asked if she received a letter regarding the incident from the City Attorney and she replied that she received Attorney-Client documents from the City Attorney (Tim Wilhelm) and

she refused to discuss the content because she has not received permission from the City Council. Ladner was asked if she was aware that a police report was made by Kurtzweil. Ladner said she was provided a copy of the police report from South Lyon Police Chief Collins and she read it. Ladner said that she spoke to Wilhelm on the way to the interview and he recommended that she not speak with us without legal counsel or a rep from his office. Ladner was asked if she (or anyone else) did nothing wrong, why is she hiding behind the attorney-client privilege. Ladner said she is not trying to hide behind the attorney client privilege, but she said the documents she received along with another attorney client letter from another attorney (Stephanie Morita) she said because she is the City Manager and it is the City's privilege that she cannot talk about the letters. Ladner was asked if she saw the poverty exemption document the Pieper submitted and she said that she did.

Ladner was asked where the Board of Review meets and she said it was at City Hall. Ladner was asked if a member from Oakland County Equalization (Jackie) was present at the meetings and she said it is her duty to be there as the Assessor for the City. Ladner said that she has received conflicting reports if Oakland County's rep was actually there for the full duration of the meeting. She said the meeting lasted 51 minutes. Ladner said the BOR reviewed 2 poverty exemptions. Ladner was asked if the BOR gets many requests for the exemption and she said no. Ladner said that Pieper (Judy) is the Deputy City Clerk. Ladner said that she attended a meeting (Wednesday Jan. 20 at 2pm) last with Morita, Nussbaum and Harris last week about the BOR and all the members are subject to re-appointment at this time. Ladner said that Joseph Gurski said that he would not cooperate with the investigation. Ladner said the City posted a job notice to citizens if anyone was interested in serving on the BOR to inquire. She was asked when the notice was posted and she said she did not know and we would have to ask the City Clerk. Ladner was asked if it was after the December 15 BOR meeting and she said it was after that. Ladner was asked who created the Poverty Exemption Form and she did not know. Ladner was asked if she knew of any another supporting documents that were attached to the application and she said the income tax documents were submitted. She was asked if applicants have to provide supporting documents at the time of application and she said yes that was her understanding of how it works. Ladner was asked where the applications are located at City Hall and she said that they are behind the counter and a citizen would have to ask for it. Ladner was informed that there are some issues with the form and its format. Ladner was told that it appears as though the form is lacking in its structure. Ladner said that during the interview of Ms. Pieper with Attorney Morita she discovered that Ms. Pieper was under the impression that the information being requested of her was for the income tax year of 2014 not 2015. Ladner was informed that this same issue would be an issue for a criminal investigation. Ladner said that she attends all the city council meetings and it is required and she often attends closed session meetings. She said that at January 11 meeting a request was made to go into closed session and there were not enough members to vote to into a closed session so they did not. Ladner said that she did not understand why Kurzweil only made an issue with the Pieper's and not Mr. Nussbaum. Ladner said the BOR is offered training by Oakland County every year. Ladner was also reminded that this training is

not mandatory training and is only voluntary. Ladner was asked if the Pieper's application would have been approved how they would have benefited and she said she did not how much they would have gained by not having to pay their taxes. Ladner was asked if she believed based on what she knows if the Pieper's were trying to commit a crime and she said no.

Ladner was asked if she had any questions. She stated she was concerned about the allegation that she conspired with Attorney Wilhelm to failing to report a crime. Ladner was informed that there is no evidence supporting such a claim.

**INTERVIEW WITH JUDY PIEPER:** Judy Pieper was interviewed by Sergeant's Cole and Schroeder on 2-2-2016 at the Lyon Twp. Sub Station. Judy said that she started working at the City of South Lyon on July 15, 2015 in the position as Deputy City Clerk. Sgt. Schroeder asked Judy how she had found out about the poverty exemption form and Judy said that because of her position citizens are frequently asking her for the forms. Judy said this is how she found out about the forms. Judy said that her husband has a closed head injury and stays at home also last year her parents both passed away. Judy said that she spoke with the County Assessor (Jackie Godoshian) and asked her if she would qualify for the year 2014. Judy said that she knew she wouldn't qualify for the year 2015 because she had started working full time. Judy said when she filled out the application it contained information for the year 2014.

Judy said that she gave the form to Jackie after filling it out. Judy said she usually give the forms to the City Clerk (Lisa Deaton). Judy said that the forms are on file in her office. After she gave the form to Jackie she was notified a short time later saying that Judy had to also supply her tax form. Judy said after supplying the tax form she thought that Jackie had told her she probably wouldn't get it because her husband (Michael) get Social Security Benefits due to his injury. Note: we asked to speak with Michael also but Judy said that he was not doing very well right now and was not available to be interviewed. Judy said that Jackie said because the SSI Benefits (for Michael) were around \$1,000 a month she did not think Judy would qualify. Judy said that when the Board reviewed her application she was working but did not appear before the Board and they did not call her in. Judy said that she had not heard anything else until she received a letter from the City saying that she had been approved for the exemption. Judy said that she was excited that she had been approved and took the letter into work. Judy said that she did not know that the City had already received the letter from the County saying the City needed to appeal this exemption approval.

Judy said she e-mailed Jackie asking her what the next step was. Jackie said that she would receive the exemption shortly. Judy said the next thing she did was meet with the Attorney reviewing the application and the City Manager (Lynne Ladner). At this meeting Judy was informed that she did not meet the guidelines to receive the exemption. Stephanie said that the Board did not look at the tax form correctly to make their decision. Judy said that Stephanie also brought up that the form did not state that Judy was working for the City of South Lyon. Judy said that she thought the information required was for the tax year 2014 and she (Judy) was not working for the City of South Lyon at that time.

Sgt. Schroeder asked Judy if she had reported her mortgage information on the form and Judy said yes

and showed him on the form the section in which she put down the monthly mortgage payment she was paying. In terms of the lender Judy said she did not put this information down. Judy said that her husband had run a tattoo parlor in the city but because of his illness the business had not been open since last September and has not made any money. Judy said that they (she and Michael) rent the office for the business and do not own it.

Judy said she was surprised how basic the poverty exemption form was. Judy said she was expecting a more detailed form. Judy said that she also figured that all her information was correct on her tax forms and the Board would have reviewed these thoroughly. Judy said that she did not try to intentionally leave out information to be enabled to receive the poverty exemption.

Judy said that she looked up how much she would have received back and said it was around \$4,000. Sgt. Cole showed Judy the form with the column for loan information and Judy pointed out that it said "other" loans outstanding. Judy said she interpreted this to mean other than her current mortgage. Judy said that she was surprised that someone at the City level would not review the application for being properly filled out before giving it to the Board of Review. Judy said that after being shown the guidelines and that she did not qualify, she readily withdrew her application.

**CONCLUSION:** No evidence of any criminal violation occurring from the applicant's poverty exemption petitions. Regarding any evidence of a cover up by any person working for the City of South Lyon there is no indication of any concerted attempt to conceal the information.

The City of South Lyon Police Chief was advised of the findings of this report.

**ACTION TAKEN**: This report was investigated and closed as no act or omission of any criminal law violations was found.
