Citizen Comments – None

I. OLD BUSINESS

1. Eagle Scout Project Update – Brooks Emke from Boy Scout Troop 38 was in attendance to propose a project. He would like to build two handicap accessible picnic tables for use in the pavilion at McHattie Park. Brooks stated that the tables would be almost identical to one currently in use. He would like to build the tables in the park on November 5th. Beagle will notify DPW personnel and insure that the electrical outlet in the pavilion is operational. Brooks inquired about the Commission's preference as to the finish to be applied to the wood. Commissioners agreed that a sealant would be all that's required. Motion by McLoud, supported by Thompson, to approve this project as presented. Motion carried unanimously.

2. Junior League Baseball Field Update – Beagle stated that the League had a fundraiser brainstorming session and is planning a golf outing for the spring. They also have been in contact with another foundation that might be able to provide a grant. Bryan Spaller and Dean Whitcomb are pursuing this and will update us at a later date.

3. Signage at McHattie and Volunteer Parks – City Clerk Julie Zemke has proposed a sign design for Commission discussion. The signs would be similar in design to either the welcome signs at the City limits or the DDA signs around town or a possible combination of the two. The area containing the park rules would be a removable section. This way, the same sign could be used in all the parks with the
