Welcomed Franceen Munson our newest member!

Group discussed current state of our budget and the funding required for us to support the 2015 Summer Concert Series.

Paul made a motion to allocate up to \$3,700 to pay Summer Concert Series performers. Shannon seconded the motion. No discussion. Group voted unanimously to allocate the funds. Next time we meet we will discuss Summer Concert Series logistics and PR.

It was suggested that we obtain a quote on a banner to advertise the series of concerts - Cheryl would follow-up with vendors.

Rich is working to schedule the 2015-2016 Barn Dance season. In the months to come the group will work on branding including name of the dance and logo. We also discussed leveraging the branding on postcards and posters.

Commission members discussed hosting activities for children at the Arts on Main events beginning in May. We are considering a participatory art project including the painting of a large paper mural. Another thought was to host pop up art shows. More discussion to follow at our next meeting on May 4.

Nancy made motion to adjourn the meeting at 8:27 pm. Paul seconded the motion. Motion passed unanimously without further discussion.

Respectfully submitted,

5/28/15

Cheryl Wilson Maynard,

Chair
