Stafford Arts Commission  
Meeting Minutes  
Tuesday, October 3, 2017

  
TOWN CLERK

Quorum established. Carrie Cichocki, Rachel Clark, Teri Herel, Cheryl Maynard, and Tannis Longmore in attendance. Meeting called to order at 7:17 pm. Minutes from last meeting approved.

No public comment.

Old business: Main Street Mural Project—Cheryl is sealing/top-coating the murals Thursday. As the final two are completed they will be installed and top-coated. We have received a lot of positive feedback and press from the community about the murals.

Decided against going further with the Diamond Ledge Trestle Bridge due to challenges with height and the fact that it is an active railroad track. Cheryl will speak with Amber about the best time of year for publicizing the mural project and seeking submissions/proposals from artists for the Cooper lane mural project.

Plein Air Event at Fall Festival—discussed logistics for day of event. Cheryl will bring her tent, Rachel will bring info board, tables, maps, and art supplies for people to use in the park. Tannis will help with set-up that morning. Teri will put artworks from the event on display in her shop for November Arts on Main. Tannis will take care of the food donation materials so people can drop things off at our tent.

Discussion of Stafford Stomp dances and Summer Concert series are postponed until November's meeting.

Election for Chair of Stafford Arts Commission. Tannis motions to nominate Cheryl Maynard as Chair of the Stafford Arts Commission. Rachel seconds. Motion approved. Vote: all in favor. Cheryl is the new Chair.

No new business.

Rachel makes motion to adjourn meeting. Carrie seconds. Meeting adjourned at 7:49 pm.
