3. Old business

- a. Mural Project: Final details before we begin painting our mural are being settled. Our chairperson is meeting with someone from Town Hall at the Staffordville School this week to see our dedicated workspace. He will also find out whether we're able to get another key fob.
- b. Movies Subcommittee: Our inaugural outdoor movie showings will happen in Haymarket Park after Arts on Main, on May 10, June 14, July 12, and August 9. Details to be finalized. We're hoping to be allowed to have the firepit on.
- c. Open Mic events will be held in Haymarket Park on the final Sundays of the month this summer, on May 26, June 30, July 28, and September 28. Details to be finalized.

4. New business

a. Music Subcommittee:

-We decided to create an unofficial SAC band to perform on Main St for donations. Our members will supply everything needed. Our first popup event will be during the March 8 Arts on Main. We intend to accept cash donations, as well as figure out what the rules are regarding having a Venmo or other digital payment app for people to use.

-We're also going to put out a call for musicians explicitly willing to play for free for our concert during the month of June, in the event that we're unable to raise donations. Or alternatively one of our members is willing to play if it comes to that.

b. Outreach Subcommittee: The Mallard's Nest antique store reached out to us in the interest of having live music & art to display in their shop. We look forward to extending our reach beyond the downtown area!

6. Close meeting

- a. Brian made a motion to close, unanimously agreed.
