EDC Minutes 09-25-18

- Meeting was held in the Probate room at the Town Hall and a ~~quorum~~ was established.
- Members present: Tony Frassinelli, Dianne Bilyak, Steve Squire, Mike Delano, and Richard Shuck.
- Pledge of Allegiance was recited.
- Dianne Bilyak made a motion to approve minutes from June 26, 2018, Steve Squire seconded the motion. All were in favor and approved the minutes.
- Discussion of:
 - Brownfields Grant—there are 33 properties that have been identified as potential Brownfield sites.
 - Town Information Packet: lots of back and forth, mainly, let's find ways to include UConn, make handouts and inserts that can be mixed and matched and put in a folder to appeal to and present to different entities instead of a bound booklet, which tends to become obsolete too quickly. Also, think about weaving together innovation and milestones from Stafford's history into the overall narrative of the packet.
 - Tax Abatements / Enterprise Zones: tabled.
 - CERC workshop on Sept. 6, 2018 (attended by EDC members Steve Squire and Mike Delano). Steve Squire said that it covered most of the same information from a training CERC did several years ago. Too many EDC members had prior commitments and could not attend the training.
- Tony Frassinelli made a motion to adjourn, Steve Squire seconded the motion. All members were in favor.

Respectfully submitted, October 15, 2018

Dianne Bilyak, EDC Secretary
