Subject: Reminder: Recreation Commission Meeting for October

For the record, the regular Wednesday October 2 meeting of the Recreation Commission is cancelled. There will be a Special Meeting conducted on Thursday October 10 focusing on the status of each youth sports organization. The commission membership including Recreation Director will meet starting at 6:30pm and the topics requiring attendance by the youth sports organizations will commence at 7:00pm. Please let me know in advance who from each organization will be attending (Football, Baseball / Softball, Basketball, Soccer, Lacrosse, Wrestling). Representation is MANDATORY for that organization to secure the Recreation Commission stipend for the upcoming fiscal year.

To help with the topics, I will circulate the current status file and a new simplified template for reporting revenue/expenses.

Topics will include:
Old Business and Commission requirements alignment (6:30pm)
Youth Sports Organization status (7:00pm)

- Voluntary recognition event
- Sports organization annual reporting
- Mandates and certifications
- Collaboration opportunities

Thanks,
Dave Bachiochi
