Home Delivery of Library Materials Policy

The Stafford Library offers delivery and pick up of Library materials to any Stafford resident who is homebound. "Homebound" is defined as someone who, because of a physical or mental disability, is unable to visit the Library on his/her own without assistance, and does not have anyone who can pick up or deliver materials to him/her on a regular basis. The inability to use the Library in person may be of a permanent or temporary nature. Patrons with short-term need for homebound library service will be eligible for consideration.

Patrons receiving home delivery services must provide a safe and appropriate environment for Library staff/volunteers who make deliveries.

Home deliveries shall be limited to a maximum of twice per month.

Home deliveries will be made at the door of a patron's home; library staff/volunteers cannot deliver items inside of residences.

Home delivery service shall include only delivery of library materials. No other non-library services can be provided.

Stafford residents who are deemed eligible will be considered for homebound delivery service. Eligibility requirements include, but may not be limited to:

1. being unable to visit the Library on one's own due to a physical or mental disability, and/or
2. a long-term or short-term illness,
3. being a senior citizen, age 65 or older, who does not drive.

Eligibility will be determined by the Library Director.
