Section 2. PRE-APPROVAL DEPOSITS AND FEES

It is anticipated that the fees in Section 1 will reimburse the Town for actual expenses incurred in the processing of each of the applications to a decision. In addition, as to all applications for Subdivision, Re-subdivision, Special Permit, Site Plan Approval or Modification, and Wetlands Applications requesting water course crossing or relocation of wetlands, then the land use department receiving the application will require a deposit equal to the anticipated cost of materials and services to be performed by professionals other than town employees including but not limited to the review of the applications for conformance with the Regulations of the Inland/Wetlands and Watercourse Agency and the Planning and Zoning Commission including the computation of the cost to construct improvements subject to bonding requirements. Such sums shall be deposited with the Town and all bills received from professionals other than Town employees in connection with that Application shall be charged against that deposit. If the deposit is exhausted, then an additional deposit will be required before any further action is taken on the Application. Upon approval of the Application and issuance of the requested Permit, any excess deposit shall be refunded to the Applicant not later than sixty (60) days thereafter.

Section 3: POST-APPROVAL DEPOSIT AND FEES

Prior to issuance of the Permit following approval by the appropriate Land Use Commission or Agency, the professional who has been engaged to review the Application shall provide to the Land Use Agency an estimate of the cost for said professionals other than Town employees, to inspect construction at reasonable intervals to insure that construction complies with the approved Plan, conformance with the Phase II Regulations of the Connecticut Clean Water Act, inspections for reductions of Performance Bonds, review of Plan Revisions and documents necessary to implement or complete the Plans, and review and inspection of all improvements necessary for Town acceptance of the Project Infrastructure or for issuance of a Certificate of Zoning Compliance. A fee equal to that estimated cost shall be paid to the Town through the agent issuing the Permit prior to the recording of any Plan in the land records and prior to the issuance of any Permit for construction in accordance with the approval. All charges thereafter by said professionals in connection with a Permit shall be charged against the deposit. If the deposit is exhausted, then an additional amount shall be collected based upon the professional's additional estimate of costs before any further work or inspections are conducted. Failure to make an additional deposit shall be grounds for the appropriate Enforcement Officer to issue a Stop Work or Cease and Desist Order. Upon completion of the Project and acceptance by the Town of any Project infrastructure or issuance of a Certificate of Zoning Compliance, any excess funds shall be returned to the applicant not later than sixty (60) days following said event.

Section 4: EXPERTS

Nothing herein shall prohibit any agency of the Town from requiring the applicant or permittee, at his expense, to provide professional consultant reports or certification as to conditions before or after construction [or test results] nor shall this ordinance in any way impact bonding requirements set forth in any of the land use regulations.

Section 5: EXEMPTIONS

The Town of Stafford and all of its boards, commissions, agencies and departments are exempt from the payment of any and all of the fees or deposits required by this ordinance. Charities, churches and non-profit organizations are not exempt.
