Informational Meeting
Thursday February 29, 2024
Stafford Community Center
6:30P.M.

First Selectman William Morrison and Stafford Director of Public Works Devin Cowperthwaite will be holding an informational meeting to discuss the requested increase in the FY 2024-2025 Department of Public Works budget for Road Paving. Director Cowperthwaite will be doing a presentation on costs associated with road maintenance and paving expenses.

We encourage residents to attend and be heard as to whether or not you want the paving increase to remain in the budget. The meeting will be live, and we are hoping to be able to receive questions from residents watching from home.

As your First Selectman, I want to hear what your priorities are regarding our community needs.

You are invited to a Zoom webinar.
