

7-8 Regulating Use of Town Property

No person shall display any item for sale of any kind, or place any obstruction on any public sidewalk, public highway or public right of way, without first obtaining a permit for said display from the Stafford Board of Selectmen.

Permit may be issued by the Board of Selectmen for events sponsored by either a municipal agency, a nonprofit community organization, or a business association, or for promotional sales, provided that no one business shall be entitled to obtain such a permit for more than six (6) days during any calendar year. If said permit is granted, proof of liability insurance holding the Town of Stafford harmless will be required.

Any person found violating this ordinance shall be subject to a fine of fifty dollars (\$50.00) per day.
