

The Dayton Regional
S T E M
 School

ADMISSIONS OPEN HOUSE

February 25, 2023 from 8am-12pm

CHOOSE YOUR OWN ADVENTURE!

We have a variety of informational breakout sessions to choose from. Pick the sessions that YOU want to explore and create your own agenda for the day.

ALL DAY ACTIVITIES

8:30am-12:00pm	Campus Tours - Explore the school on a 30-minute tour with a Student Ambassador!	
	STEM Classroom Exhibits - Take an independent walk through campus and view student projects. Look for the BLUE signs outside select classrooms.	
	Application Workshop - Ready to start your STEM journey? Begin a New Student Application before you leave!	

GENERAL SESSION

8:30am AND 11:30am	"WHY STEM?" Admissions Overview - Learn about the application lottery and what makes us unique. This 30-minute session is offered twice.	
--------------------------	---	--

BREAKOUT SESSIONS (choose one session to attend during each time block)

9:15am-9:45am	STEM Foundations - Discover how our students are exposed to STEM early through our innovative middle school program.	
	Project-Based Learning - Teachers love to share how our students learn by doing in every class!	
10:00am-10:30am	Future Readiness - Learn about our three career pathways, career exploration, and other ways we prepare students for the real world.	
	Student Supports - A panel of student support professionals will share how we meet student needs and serve our diverse population.	
10:45am-11:15am	Student Panel - Ask our current students questions about their STEM experiences!	
	Senior Showcase - 12th graders will share their academic, professional, and personal growth as they present their digital portfolios.
