SUBJECT: FY26 Budget Priorities Committee of the Whole – January 23, 2025

On January 23, 2025, City Council will hold the Fiscal Year 2026 Budget Priorities Committee of the Whole meeting at 9:30 A.M. in Room 100, City Hall.

This annual meeting is designed to seek early input from City Council Members as to priorities for the FY26 Budget. The City Council priorities discussed during the workshop will be used by the Mayor and Administration in the development of the FY26 budget. This year we will begin the meeting with a brief presentation that we hope will provide some context for the construction of the FY26 Operating Budget.

Attached to this memorandum you will find two documents. The first contains the comments by Council Members at the FY25 Budget Priorities Committee of the Whole meeting and a second is the FY26 Budget Process Calendar. Please feel free to call me (x7435) or Stacey McKee (x4192) should you have any questions prior to the meeting.
