CERTIFICATE OF OCCUPANCY

CERTIFICATE OF COMPLETION

This Application for Certificate of Occupancy or Certificate of Completion should be submitted only after all required documentation and inspections have been scheduled and/or approved. The required inspections may include any or all of the following: electrical, mechanical, plumbing, gas, building, roof, park/pave, landscape, fire, and engineering. All applicable fees must be paid prior to issuance of Certificate of Occupancy.

Schedule inspections on-line at <https://actiononline.stpete.org/Click2GovBP/Index.jsp> (preferred method) or via phone 727-893-4101. A notice of two (2) business days is typically required to process your application. Larger projects may require additional time.

The contractor is responsible for the final inspection or written approval of all applicable agencies including, but not limited to: Historic Preservation, Zoning, Engineering, Fire, and Development Review Services prior to the issuance of the Certificate of Completion or Certificate of Occupancy.

The undersigned, by signing below, does hereby certify that all final inspections, or written approval of the above agencies, have been scheduled and/or approved, and all applicable documentation has been submitted.
