

How to Look Up an Elevation Certificate

Go to <http://www.stpete.org/>

Select E-Services, Construction category and Elevation Certificates

This will bring you to the Elevation Certificate Search screen.

1. Select the Search Tab

2. Select "Elevation Certificate" for the Category

3. Enter the address in the Address field.

4. Select "Search"

Your results will be under the “results” field, double click to open the elevation certificate.

Add Search Field:

Page Size:

Results: 1 record found.
