PROTECTED TREES
STATEMENT OF NO IMPACT

General Information

Applicant: _____ Phone #: _____

Submittal Date: _____ Project #: _____

Project Address: _____

I certify that the following project, as checked below, together with the plans and specifications, reflects a true representation of the proposed project activity.

I certify that no protected trees are within fifteen (15) feet of the proposed work and no protected trees are to be removed, transplanted, or trimmed. I further certify that no wetlands are within thirty (30) feet of the proposed work.

I understand that all construction projects not withstanding this affidavit are subject to site inspections and enforcement of tree protection standards. If upon inspection this site is found to be in violation of the City of St. Petersburg Land Development Regulations, a notice of violation and/or stop work order will be issued and code enforcement procedures initiated.
