Consent Agenda

Meeting of February 6, 2020

TO: City Council Chair & Members of City Council

SUBJECT:

Authorizing the Mayor or his designee to accept the Health in All Policies grant in the amount of \$111,351.25 from the State of Florida Department of Health, Pinellas County Health Department (Department) paid by the Foundation for a Healthy St. Petersburg to support the City's implementation of a Health in All Policies framework, and to execute a grant agreement along with all other documents necessary to effectuate this transaction; approving a supplemental appropriation in the amount of \$111,351.25 from the increase in the unappropriated balance of the General Fund (0001), resulting from these additional revenues, to the Parks & Recreation Department, Healthy St. Pete Division (190-1587).

EXPLANATION:

A Health in All Policies (HiAP) framework recognizes that social determinants conditions where we are born, live, work, play, worship, and age have a strong effect on health. A HiAP framework encourages local governments to acknowledge and act upon the fact that resources and policies related to food access, housing, transportation, safety, education, land use, air and water quality, criminal justice, and economic development have a direct impact on health and are sometimes unequally distributed among populations. The Department proposes, with the assistance of its community partners, to transform local policymaking by bringing a "Health in All Policies approach" across government and community sectors. The Parks and Recreation Department under the Healthy St. Pete program hired a Planner to work exclusively on a HiAP framework implementation. The Planner is responsible for assessing and tracking city and state legislation, regulations and policies pertinent to the elimination of health disparities, especially within high risk areas, to create a healthier community.

COST/FUNDING/ASSESSMENT INFORMATION:

Revenues of \$111,351.25 will be received from the Department and deposited into the General Fund. Funds will be available after the approval of a supplemental appropriation in the amount of \$111,351.25 from the increase in the unappropriated balance of the General Fund (0001), resulting from these additional revenues to the Parks and Recreation Department, Healthy St. Pete Division (190-1597).

 2. To retain all client records, financial records, supporting documents, statistical records, and any other documents pertinent to this contract for a period of six years after termination of the contract, or if an audit has been initiated and audit findings have not been resolved at the end of six years, the records must be retained until resolution of the audit findings or any litigation which may be based on the terms of this contract.
 3. Upon completion or termination of this contract and at the request of the Department, Provider will, at its expense, cooperate with the Department in the duplication and transfer of any said records or documents during the required retention period as specified in Section I, paragraph C.2., above.

 5. To ensure these audit and record keeping requirements are included in all subcontracts and assignments.
 6. If Provider is a recipient or subrecipient as specified in Attachment I, Provider will perform the required financial and compliance audits in accordance with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 C.F.R. part 200, subpart F and section 215.97, Florida Statutes, as applicable and conform to the following requirements:

7. Public Records: Keep and maintain public records, as defined by Chapter 119, Florida Statutes that are required by the Department to perform the services required by the contract. Upon request from the Department's custodian of public records, provide the Department with a copy of the requested public records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed that provided in Chapter 119, Florida Statutes, or as otherwise provided by law. Ensure that public records that are exempt or that are confidential and exempt from public record disclosure are not disclosed, except as authorized by law for the duration of the contract term and following completion of the contract if Provider does not transfer the public records to the Department. Upon completion of the contract, transfer to the Department at no cost, all public records in possession of Provider or keep and maintain public records required by the Department to perform the contract services. If Provider transfers all public records to the Department upon completion of the contract, Provider will destroy any duplicate public records that are exempt or confidential and exempt. If Provider keeps and maintains public records upon completion of the contract, Provider will meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Department, upon request of the Department's custodian of public records, in a format that is compatible with the information technology systems of the Department. The Department may unilaterally terminate this contract if Provider refuses to allow access to all public records made or maintained by Provider in conjunction with this contract, unless the records are exempt from section 24(a) of Art. I of the State Constitution and section 119.07(1), Florida Statutes.

If the Provider has questions regarding the application of Chapter 119, Florida Statutes, to the Provider's duty to provide public records relating to this contract, contact the custodian of public records at (850)245-4005, PublicRecordsRequest@flhealth.gov or 4052 Bald Cypress Way, Bin A02, Tallahassee, FL 32399.

8. **Cooperation with Inspectors General:** To the extent applicable, Provider acknowledges and understands it has a duty to and will cooperate with the inspector general in any investigation, audit, inspection, review, or hearing pursuant to section 20.055(5), Florida Statutes.
- D. Monitoring by the Department:** To permit persons duly authorized by the Department to inspect any records, papers, documents, facilities, goods, and services of Provider, which are relevant to this contract, and interview any clients or employees of Provider to assure the Department of satisfactory performance of the terms and conditions of this contract. - E. Indemnification**
 1. Provider is liable for and will indemnify, defend, and hold harmless the Department and all of its officers, agents, and employees from all claims, suits, judgments, or damages, consequential or otherwise and including attorneys' fees and costs, arising out of any act, actions, neglect, or omissions by Provider, its agents, or employees during the performance or operation of this contract or any subsequent modifications thereof, whether direct or indirect, and whether to any person or tangible or intangible property.
 2. Provider's inability to evaluate liability or its evaluation of no liability will not excuse Provider's duty to defend and indemnify the Department within seven days after certified mail or courier delivery notice from the Department. Only adjudication or judgment after highest appeal is exhausted specifically finding Provider not liable will excuse performance of this provision. Provider will pay all costs and fees related to this obligation and its enforcement by the Department. The Department's failure to notify Provider of a claim will not release Provider of the above duty to indemnify. **NOTE: This section, I.E, Indemnification, is not applicable to contracts executed between state agencies or subdivisions, as defined in section 768.28, Florida Statutes.**
- F. Insurance:** To provide adequate liability insurance coverage on a comprehensive basis and to hold such liability insurance at all times during the existence of this contract and any renewal(s) and extension(s) of it. Upon execution of this contract, unless it is a state agency or subdivision as defined in section 768.28, Florida Statutes, Provider accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for Provider and the clients to be served under this contract. The limits of coverage under each policy maintained by Provider do not limit Provider's liability and obligations under this contract. Upon the execution of this contract, Provider must furnish the Department written verification supporting both the determination and existence of such insurance coverage. Such coverage may be provided by a self-insurance program established and operating under the laws of the State. The Department reserves the right to require additional insurance as specified in Attachment I.

To neither assign the responsibility of this contract to another party nor subcontract for any of the work contemplated under this contract without prior written approval of the Department, which will not be unreasonably withheld. Any sub-license, assignment, or transfer otherwise occurring will be null and void. In the event the use of subcontracts is allowed, Provider will remain responsible for all work performed and all expenses incurred in connection with this contract. In addition, this contract will bind the successors, assigns, and legal representatives of Provider and of any legal entity that succeeds to the obligations of the Department.
 2. Provider will be responsible for all work performed and all expenses incurred for this contract. If the Department permits Provider to subcontract all or part of the work contemplated under this contract, including entering into subcontracts with vendors for services or commodities, the Department will not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and Provider will be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract. If the Department permits Provider to subcontract, such permission will be indicated in Attachment I.
 3. The Department will at all times be entitled to assign or transfer, in whole or part, its rights, duties, or obligations under this contract to another governmental agency in the state of Florida, upon prior written notice to Provider.
 4. Unless otherwise stated in the contract between Provider and subcontractor, payments made by Provider to the subcontractor must be within seven working days after receipt of full or partial payments from the Department in accordance with section 287.0585, Florida Statutes. Failure to pay within seven working days will result in a penalty charged against Provider to be paid by Provider to the subcontractor in the amount of one-half of one percent of the amount due per day from the expiration of the period allowed herein for payment. The penalty will be in addition to actual payments owed and will not exceed 15 percent of the outstanding balance due.

- I. Return of Funds:** Return to the Department any overpayments due to unearned funds or funds disallowed and any interest attributable to such funds pursuant to the terms of this contract that were paid to Provider by the Department. In the event that Provider or its independent auditor discovers that an overpayment has been made, Provider will repay the overpayment within 40 calendar days without prior notification from the Department. In the event that the Department first discovers an overpayment has been made, the Department will notify Provider in writing of such a finding. Should repayment not be made in the time specified by the Department, Provider will pay interest of one percent per month compounded on the outstanding balance after 40 calendar days after the date of notification or discovery.

 - b. For payments within the State accounting system (FLAIR or its successor), the Transaction Fee will, when possible, be automatically deducted from payments to the vendor. If automatic deduction is not possible, Provider will pay the Transaction Fee pursuant to Rule 60A-1.031(2), Florida Administrative Code. Failure to comply with these requirements will constitute grounds for declaring the vendor in default and recovering procurement costs from the vendor in addition to all outstanding fees. Providers delinquent in paying transaction fees may be excluded from conducting future business with the State.
